DECLARTION & MOTIONS;[BREIF CONTAINED WHITHIN] TO EXTEND THE TIME TO PROVE MANIFEST ERRORS OF FACT BY PROVIDING ME THE TRANSCRIPT OF THE HEARING PROCEEDING AND THE EXHIBITS' ATTACHED AND REFFERED TO THERTO[I filed my financials' declared by me after and before my wife would not let me give her financial statements as part of form20 ,i was deprived of defending myself, Im entitled by law to the same rights as other defendants' having negative net worth and cash flows! Equal treatment under the law has been denied to me from the start .

I make this final motion to dismiss for all the offense against my constitutional right enumerated by me; as i attach and make my submissions' to judge Murray a part hereof this motion and breif by referencing them hearin below and as before cited to this court and now commission as welll .j judge Murray, please give me the rights based on the record and as motioned hearin and before your honor. lto your honor ,Judge Feolak finding of fact ,thatif I was forced to testify id be irreperbly harmed and not more true than now before your honor.

I took my life in my own hands by attending your hearing, to prove im not a mallingerer as Prelucia McGrath enterprise alleged to back up a default judgement voided by the U S Supreme courts' August 2018 Lucia v the SEC findings' ! They found that your honor, Judge Grimes and the other adjls' who participated in the Pre Lucia event their respective rights to hear cases by violation of the article 2,2<sup>nd</sup> amendments' appointment clause and the intentions of their order was to eliminate any and all adjls having participated in the Pre Lucia findings and having made findings against appeals made by me and the other 149 separate defendants' subjected to your honors willful premeditated violations' of the constitution supported by the enforcement divisions disregard for enforcement of the constitution; but apparently collaborating with your honors' violation of litigants' rights.

The record is replete with all my motions denied by your honor to protect the invasion Judge Grimes your honor all that were denied, You created the inhouse adjls, to look like they were part of your conspiracy with the division and their theft of my own and the rights of 150 other defendants that the U.S Supreme court found were defraud by their voiding all prior findings' against all of those defendants including myself ,that appealed to the circuit court in their jurisdiction., Your honor did more than that against ME!

By your support of the divisions' fraud and conspiracy to defraud the federal district court judge,in New York city that I applied for a TRO restraining the division from filing a lawsuit inhouse against me; as id suffer [redacted] as one of your appointed judges found as fact id be irreparably harmed if forced to testify! The divison opposed the TRO motion in the the morning before they filed the complaint inhouse against me.By yourhonor's facilitation of preappointing a jusdf=geonce they bypassed the fedeal judge,yourhonor madethat federaljudgewrongly believe the divisons actions inmy se were contitutional whenallof the fdivison and yourhonoknewwhata waste ofmyrecoursesit would beallof youfacilitaed the theft by fraudand deceptionofmyassts with premeditatedwillfulconspiracy thetheftintendedbyyourhonorwiththose underyoucommnd stolemy10,000hours[My published comsulting time is billed at \$350.00an hour thatallof youknewand you stolemy litigaion fund of one

millions of dollars eliminating my ability to be represented by a lawyer of my choice on all by fraud, deception, diversion of my assets without due process and with more than 2 predaceous acts of theft by fraud, deception without due process you caused me intentional infliction of emotional harm over 4 years in violation of the civil penalties thereby your honor and the conspirators and enterprise that you, McGrath and the other enterprise leaders are in debt to me as of now, informing the federal judge sitting in your emergency issues they omitted the fact that none of the in-house judges were permitted to hear any case filed in houses all of the were at that time violators of the constitution and your participation also informed the judge that your honor had already selected an in-house judge to preside over my hearing when that action facilitated the federal judge to believe that your honor was working under the constitution and that Dodd-Frank gave the division first right to select jurisdiction! BUT NO TO SELECT A IN-HOUSE JURIST WITH NO ADJLS PERMITTED TO HEAR MY CASE, THAT FRAUDULENT INDUCEMENT BY MCGRATH AS FACILITATED BY YOUR SIGNING VIOLATORS TO HEAR IN-HOUSE CASES COMMITTED THEFT OF MY 10,000 HOURS OF TIME, MY ONLY TIME AT THE TIME AND IN A SEPARATE HEARING BOTH COMMITTED WITH FRAUD AND DECEPTION YOU STOLE WITH JUDGE GRIMES AID AND ABETMENT MY \$1,000,000.00 LITIGATION FUND. I WAS ORDERED BY YOUR HONOR TO DEFEND IN THAT IN-HOUSE FRAUDULENT HEARING[S]! YOUR HONOR PARTICIPATED AND IN FACT STEERED AND ORCHESTRATED THE MUSICAL JUDGE CHAIRS WHEN FAVORABLE FINDINGS FOR ME WERE RENDERED YOU FOUND ANOTHER SCHEDULING REASON & PRATT PERSON WHICH FACILITATED THE CONSPIRACY AND WAS A MEMBER OF THE MURRY ENTERPRISE THAT COMMITTED 150 PREDICATE ACTS IN 6 YEARS THAT I WAS FORCED TO DEFEND UNDER & TO USE MY DEFENSE FUND WHILE YOU, THE DIVISION AND JUDGE GRIMES WERE LAUGHING KNOWING THAT ALL THE LITIGATION FUNDS WERE GOING DOWN THE DRAIN AS THE CONSTITUTION PROVIDES A RETRAIL BY A NEW ADJL TEMAS PART OF THE DEFENDANTS' LITIGATION RIGHTS; BUT BY NO MEANS LIMITED THERE TO AS AGAINST THE INDIVIDUAL ENTERPRISE CONSPIRATORS THAT STOLE MY AND THE OTHER 150 DEFENDANT ASSETS BY FRAUD AND DECEPTION SUPPORTING THE DIVISIONS OMISSIONS OF MATERIAL FACTS; TO THE DISTRICT COURT JUDGE I SOUGHT THE TRO FROM & BY YOUR VIOLATION OF ALL MY CONSTITUTIONAL RIGHTS BY REFERENCE HEARIN, I MAKE A PART OF AND ATTACHMENT OF THIS MOTION AND RECORD!

RECOR=DS IF THEY WERE ATTACHED when you, with malice of forethought opened a road for the division to still defraud me by your participation in my case and my appeal to Judge Grimes cruel and inhumane treatment of forcing me to testify knowing that the fact found by Judge Feolak if he insisted on forcing me could kill me. Then when I was no longer in the hospital your honor again forced me to remain with him for his default against me while I could not attend the hearing due to my hospitalization, played musical judge chairs switching Judge Grimes to my case when I received a favorable finding from Judge Carol Feolaka she founded be irreparably harmed if forced to testify as fact!..

I only appeared after a recusal request was denied and then to disprove the divisions pre Lucia allegation that I was a malingerer! The allegation that I was acting ill and was not really as my ill health records demonstrated.

In fact after your honor filed to provide your recusal and my motions for dismissal r ussing all factual proofs : I lost 7 of my material indispensable witness, to the 9 years old facts in the interim as this case slowly rolled along so at 81 it was impossible for me to defend 9 year old facts without any lawyers' to defend myself! ,caused by theft of your honors dissipation of my litigation fund of \$1,000,000.00 forcing me by fake orders, from fake judges as you weren't article 2 appointed either, on fake judges as was your

honor at that time! Time ravaged the respective lives on my witness, money by theft by fraud and deception without due process so i was forced to use only my cross examination of the SECS' witness, the fact that even the 2 lawyers' witnessed by the SEC McGraths efferal tomrCrigEaton EQ who the 27/12 e,qilmsPuccioswrotetoNwuguguannouncing thenshe purchud for\$500,000.00.89%ofWMMAH COMMON AND DISPLAYED THERONMR EATONSNAME AS ONE OF THE WMMAH SHAREHOLDERS PROVED TO THE COURTS NDMCGRTH THAT EATON FORGOT THIS DEAL WITH WMMMA AS HE DINT GET THE SHARES FOR NOTHING BUT TO PROVIDE CIRRPORATES SERVICES TO WMMMA AND SUBSIDIARIES AND THEN THE US TRUSTEE, MR GUARDINO OF THE WMMABANK CROPTCY FORGOT THE REON FOR HIS 40.00 ALL WMMMA AS ETON LIQUIDATION. I REMINDED HIM THAT THE IMC CONTRACT WITH WMMMA SPECIFICALLY VOIDS THE CONTRACT IN EVENT EITHER PARTY FILES AN INSOLVENCY AND SO THE CONTRACT WAS OISAND NANSSET AT ALL OF WMMMA HE AGREED THAT MIGHT BE THE REASON AND WITH NO OTHER EXPLANATION THAT SETTLED THE VALUATION OF THE IMC DATABASES WHICH THE COMPLAINT STATED WAS VALUELESS DESPITE MR WOLKS' [deceased] BRADY STATING HE HE WAS OFFERED \$40 million for it many years before the internet had grown and MsPuccios valuation assuming the wmma/wdi combined oct 11, 211 current assets were eliminated by current deferred employee compensation then the only asset she judged worth \$500,000.00 w.89% of the database value a that's all that was left pre chapter 11. Thus confirming after eliminating 8% minority wmmad interests an appraised value of \$100,000,000.00 for imc while MKMA and i appraised it at the directives of wmma board to be used for the Texas boxing commission licence requirements to give wmma the right on 3/31/11 to have the Wounded Warrior charitable event as M Sullivans' transmission attempt request to the WMMMA board requested he send it to the commissioners in Texas. In other words the Divisons' allegation the appraisal was done to perpetrate a fraud on unsuspecting investors' was a commissioner fraud perpetrated by the division on those they reported to!! It was also contravened by Sullivans' attached requires that the WMMMA/WDI Board of directors [not me] give their permission [not mine!!!!!!] the appraisal was noted on the oct 31/11 combined WMMMA/WDI balance sheet [NOT TO BE RELIED ON FOR INVESTMENT PURPOSES AND IN THE JAN 5<sup>TH</sup>, 2012 PPM THE MKMA SEPARATE PARTY TRANSACTIONS' DEMONSTRATED MKMA HAS UNWAIVABLE CONFLICTS OF INTERESTS' IS A APREFERRED SHAREHLDER OF WMMMA AND WDI AND AS A CREDITOR OF EACH !! WHAT OTHER DISCLOSURES ARE MISSING??? THAT NWUGUGU FORGOT! I CANT THINK OF ANY INCLUDING CBIS' FORGIVENES OF A MILLION FEE [IT IN IT RAISING FLAG] AND THE WMMMA WUSA SUBSIDIARIES' NOV 1, 2010 DRAFT PPM DEMONSTRING CBIS' THE EXCLUSIVE MERCHANT DEALMAKING, ITS BANKER AND IM LISTED AS ITS CEO CHAIR. WICH RAISES MY FELONY FOR ALL INVESTORS TO SEE DURING THE AVERAGE 2 MONTHS TO MAKE AN INFORMED INVESTMENT DECISION!! WHAT THE DIVISION DID TO THIS PRIOR COMMISSION IN THIS CASE IS UNFORGIVABLE AND DESERVES THE INSPECTOR GENERAL'S INVESTIGATION NOW!

Puccios' 3/27/12 email to Nwugugu disclosing her \$500,000.00 investment in WMMMAH for .89 COMMON SHARES which was all the assets wmmah owned after netting the subsidiary cash contact receivables with the deferred compensation to employees after eliminating inter affiliate stock transactions and the 8% minority interests owned by the wmmah shareholders is for the imc value pre chapter 11, its 20% greater than my and mkmas oct 31/11 balance sheet the division complained our \$83 million appraise was lower than! and in 5 months \$17 million increase demonstrates the internet's user growth! So the WMMMA common shares subsequent evaluated in and by n arms length COO purchase demonstrated the facity of the divisions convoluted thinking ie imilked wmmah when i invested 42,760,000.00 which i never received, I usec anakawhen ed michael is the name i've been ciled for 81 years by friends, I wrote the ppm when Nwugugu's Cgartis claimed admits she wssmits 100% authr, I charge investment banking fees

by disguising hr fees which were pseudonam for HR feess and vica versa when Nwugugu admits he completely created the service contract of both [not me] using the chamco contract 2006 for the wmma service contract and when federal Judge Theodor Alpert found me innocent of securities claims using the identical service contract! When Judge Gambreddella and her trustee [party at interest] found no wrong doing by me in wmma! Res adjudicata in both federal judges re both securities claims and frauds NO SCIENTER! a CHAMCO FEDERAL JUDGE WHICH NWUGUG ADMITS HE SOLEY PREPARED THE CHAMCO AND WMMMA CONTRCT USING CHAMCO [SEE HIS RECANTION OIP ANSWERS! After 3 years Found me innocent! SEE HIS Wells reply , MY EX C FORMY WELLS EPLY SUBMISSION AND SEC 5, 5 AND 7 FOR THE NO SECUITIES VIOLTIIONS' POSSIBLE AND NO CREDIBABLE INVESTOR/OPERATORS IN OTHER JURISTICIONS' AND THAT THE INVESTOR LIED [LIED] ABOUT ACCEDATION IN THE WMMMA SUBSCRIPTION AGREEMENTS'

I had No investment banking liscence as non was required and there was non SEE EXA fee section of the wmma service contract for any investment banking fees and the hr fees were a percentge of hr firs ty ears compensation or the greater of a base fee of \$25,000.00 with a cap than of 10% override of 1-% compensation they received regarless of compensation until the base of \$25,000.00 was made [just like any contract signed having nothing to do with compensation ; ie; a law firm, a consulting firm contract, a cpa firm contract etc. id [s \$25,000.00 unless specified differently based on performance.

In other words the division with malice and forethought omitted all the material facts that they had prior to the wells notice hispd from the commission in their WELLS NOTICE AND IS GROUNDS FOR A DISMISSAL AS HAD THEY NOT DEFRAUDED THE COMMISSION I WOULD NOT BE SUED!! JUDGE MURRAY DENIED MY USE OF THAT WELLS REPLY AND NOTICE AND I SEEK A DISMALL AS SHE ERRED ION THAT ALONE!

Had they disclosed in the wells notice it would nullify and contravene the allegations used by the commission to initiate and action., Prosecutorial misconduct and fraud perpetrated on the trier of fact are dismissal grounds are grounds for dismissal of the complaint that flowed from the fraud & the fraudulent WELLS notice. Again I ask for a dismissal as Judge Murray refused to let me present it in evidence in the hearing [see the transcript] despite the fact i was 79, had no law firm attributable to that theft of my litigation fund hat she perpetrated with the division and judge Grimes deserve a dismissal as i was denied my contitutionl rights t defend, forced to go to trial with a judge having gross manifest conflicts of interests refusing to recuse and or eply and answr the refusal of the division to answer my vacat motion which is an admission of the theft they made an the courts under a obligio to dismiss at that point or rectify the theft by herself and the division under mcGrath, instead she sluffed it side t] down what she could to derail justice continue deeaudung me conspiring wit the fivison to deny me my finspds to represent myself and then duet om her and their theft denus me my constituinal rights to the trnaciortand exhibits to derail firther my ability to defend myself The courts act in fess in excusabe in this matter the evidence that she attmited to fix cases brought in house against defendats that Judge Cameron Elliot, Former Judge Lilian McEwen, judge Caro, Feolak will if subpoenaed validate that judge muray was a bimpedimate to judstic for defendats and sought to pressure judges to find for th prosecution on the basis that she actually believes we ar all guilty because Dodd Frank gives the presumption of guilt which boxes in the commissioners as bette alternative ti oermitting a potential guilty person to invade our brothers and sisters standard of living pefers t punt to the diisons they dont have the time to make a judicial reveiw of the ceas r [they suervief sprdover the =5 commissioners then 1,100 cases a year they need ti recelep w th wells noticend reply and caselaw of about 1,000 pges in the 8 hours they have every dy fr 4 days out of 5 days a week therest of the time is ppeleatean

running their divisions', My structure gives free the commissioners 3500 man.woman hour including the federal retired judge initial non binding, in camera opinion in 30 [days after all wells documents and the division Brady and exculpatory deposition all are provided the ombudsmen! In this manner the commissioners can make and informed decision if they want to bet \$1-5million on A wells notice and that notice will improve for fear the omitted facts', like in my case, will prove that those division prosecutors' must not mar our Presidents halls of his SECs' justice!

There is no room for prosecutor fraud and fraud fraudulent inducement as well as a participation by several enterprises, which collectively violated an committed in 5years, 150 predicate acts of theft by fraud and deception with no due process; they even deprived me of the transcript violating the equal rights amendment under the law. The SEC rules do not dominate the constitution so that judge Murrays denial to me not only violated my right but I could not respond to the divisions' post hearing submissions so I only continued whinning about the fraud perpetrated against me and those other 150 victims that judge murray best on all of US!! there is no requirement for a wife making separate financial tax returns for 50 years to be used by the court to deny me of my right under the law to receive the same rights others of my class received denied me my litigant rights,

Again my motions for dismissal division, on the WMMA chapter 11 trustee, Mr Galvano, the judges trustee, forgot the reason that he valued the debtors liquidation assets at \$0.00 The transcript review will prove that I lost about 40% of the witness statement as im hearing impaired and the court acoustic devices muffled the sound so that this court yelled as the witness stated and did not want to embarrass this court as you were trying to help me and if led you to continue to repeat this courts statement to speed up my part of the case.

I mean all 7 of my indispensable witness were dead and stroke victims so I was my only witness I was not given equal time to put on my witness I was the only one as all my died et al, You gave the Prosecution 8 days and me 4 hours! I wanted to use my wells reply and comment based on what we learned the sec witness admitted in cross to prove that im not the guy they should have gone after, Craig, Mr mcFarlane, Jerreyil, Main as they controlled the no audited by me to audit the even as the budget and projection I saw showed \$600,000.00 cash receipts for tickets in house and inventory before any advertizers and pay for view!! He emailed me not to audit as hecos from mcGladdery was quoted at \$20,000.00! To protect \$600,000.00! a the \$20,000.00 to protect the \$600,000.00! He let them and his son steal! His son was at the event for 4 days before it occurred with the aforementioned! It was too expensive, What was he an idiot savant or was he part of the macFalanene enterprise an we know from the dishonest shareholder meeting he was! He helped them launder the live gate!

My hearing defense was going to use the wells reply but your honer stopped me in 4 hours! You cut my defense time 4 hours as you wanted to go back to ; Washignton but gave my adversary's 8 days!!

No witness, 81, the time to long as 9 years ago, mr Lux after 9 years actually double crossed his truthful 2013 deposition, McGrath suborned his perjury!! Look this 2013 deposition ie: Nwugugu wrote the lion share and he never saw mr Daspin type: now 9 years after the 2012-2011 heremember idicated it to Young when his office was seperated and by 5 doors so ic-doak and 4 offices out of sight and hearing, This was rigged case and he sa fixed witness Hn e0 was a f.....g lor!

There was no justice in my case only angst, there was no compassion for the denials the court permitted against me as the court knew what was coming and that's why it chose to trust Cameron Elliot or

Judge Feolak to jeopardize them as that the division created and which your honor refused to permit despite the division defrauded the prior commissioners, Your honor is brilliant and a task master suited to find guilt but unsuited for justice, Judge Grimes is of the same persuasion and that's why the Presidents' son in law got out of the profession as it sickened him what it did to his father and me like me, President Trump will right the ship as long as we get him another term as no one in 4 years with a house so biased and on such a with chunt that they have the balls to try to impeach a guy whose giving us his life, I see him aged and he is one strongman but we must give him the tight to finish why we voted for him and dive the demonstrates out of the house of representatives A backlash will come of that im sure against those they try to unseat the greatest President this country ever had,

, Your honor forgot the transcript will clear up the manifest errors ;but is it really necessary as we both know I was denied my constitutional rights, best by your honor and McGraths and your honor admitted on the record that you perceive me as an enemy ;it on the transcript!! and that's why you let me object!! how can a judge who admits an adversary conflict ever provide anyone an unbiased opinion???, I regret the manifest errors it is in the the transcript; but your refusal to give it to and exhibits me to defend myself requires a motion to your honor again as I hear with appeal on the transcript and exhibits as i can defend and prove manifest errors without it ?? I don't have the financial strength to pay for it as my declaration and financial prove, to give it to me & a 20 day extension with that subject to the commission granting me and extension for rule 111 review or they can accept this as my appeal on this discrete motion if your honor refuses to grant it with the extensions requested.?

It's a start and i enclose my off page and certified receipt when i received the certified office is office letter for the initial decision as they must have left it in the mail and Joan got to it before me as i found it on ter 10.22.19, not including the full even pages so it was no good!! Anyway! The odd pages i enclose it for you to weigh the enclosed page as proof it was incomplete from the start, I have not received an be copy as of yet and I had asked that I personally sign all noticed to me because of Joan's condition!

I motion the commission to extend me a start, commission additional 10 days after your grants nts the motion or denies it and then i file this as my appeal on that issue before i can respond to the manifest error. honor form 20 which required me to provide my wifes independent financial statements is unconstitutional as she refused to give me them and our tax statements are separated for 50 years independent of each others and as it's her right as her privilege despite her [REDACTED] and ineed the extra 10 days as im beset as her primary caregiver with emergencies she created every day!! we will finish together. Respectfully

E. m. d. spin. Prosee

cc McGrath, Mr Fields, Ms Shields by email and hardcopy for Mr Feilds in Washington and Ms Shields for the commission and for the Judge Murray

Separate notice to the President of the United States for Permission to name the Ombudsmen's New rule in the SEC proceeding s precomplaint initiation to due process before Dodd Frank Commences so this Commissioner will receive meaningful judicial review nonbinding in camera so before the complaint is initiated so that the commissioners are not hamstrung by only having 8 hours per case forcing them to punt while the 33% innocent defendants' reputations' are not smeared.
