I WORKED FOR THE 2 OPERATING DIRECTORS, MR MAIN AND LUX . BOTH CO-CONTROLLED THE MAJORITY DISINTERESTED DIRECTORS' RESOLUTIONS OF WMMA .MR AGOSTINI HAD A TIE BREAKER IF EITHER DIDN'T VOTE THE SAME TOGETHER AND SINCE I WAS ONLY INVITED TO SIT IN 5 TIMES' IN MATTERS INVOLVING ME,MKMA,WMMA AND OR A GREIVIENCE IN DISAGREMENT I AND A WMMA PARTNER HAD I NEVER SAW ANY BOARD RESOLUTION NOT SIGNED BY ALLTHREE OF THEM, THE WMMA BOARD MADE THE CALL AND USUALLY NOT IN FRONT OF US AS THEY WANTED SPACE AND TIME. I DECLARE UNDER THE LAWS OF THE UNITED STATES THAT THIS DECLARATION IS TRUE TO THE BEST OF MY MEMORY AND KNOWLEDGE, I KNOW IF I REPRESENT PURPOSELY I AM SUBJECT TO PUNISHMENT, AS ABOVE AND BELOW STATED.

WMMA FIT THE DESCRIPTION AND SINCE MAY OF 2010 I WORKED WITH MR AGOSTINI ON IT, I WOULD LOOK FOR COMPANIES THAT WOULD LOOK FOR PERSONS THAT COULD INVEST FROM \$250,000.00 TO \$5,000,000.00!! I ALWAYS CAPITALIZED A LOT OF THE UP FRONT DIRECT LABOR AND IQ! AND HARD CASH WHEN REQUIRED . I MET GREAT PEOPLE WHO I AND JOINT VENTURE CO DEVELOPERS ALWAYS SIGNED A 2 WAY NDA AND THEN I DISCLOSED MY CLOSET FELONY BY TELLING THE ED AND JOAN LOVE AFFAIR, AND THEY HAD THE SAME RESPONSIBILITY, AS MY CLOSET GOT MORE DISTANCE FROM THE FELONY ITS IMPORTANCE WAS NEVER UNDERSTATED AS IN THE BUSINESS THERE ARE SORE LOSERS AND PEOPLE WHO THEY WIN ARE HAPPY AND WHEN THEY LOSE THEY LOOK TO DISTANCE THEMSELVES FROM THE ACCIDENTAL AND OR PURPOSEFUL ISSUES AND SOME LIKE TO BE A FELONY AS THAT'S A JUICY TARGET SO OVER THE YEARS I MADE SURE THAT WE HAD WITNESS AND INTERMS THAT THREW WHO I WAS BUT I HAD TO RESEARCH WHO THEY WERE SO WE HIRED HR PROFESSIONAL AND DID I TEACH MYSELF BY THE LAWYERS THAT IVE RETAINED FOR THE BUSINESS I HELD INTEREST IN, MY SENSE AND PROCEDURES AND CONTRACT COMPLIANCE AND WE WORKED TOGETHER AS I GREW OLDER MY ABILITIES PHYSICALLY WERE MET WITH MY DESIRE TO NOT CONTROL AND RATHER ESCAPE THE CONTROL; BUT HAVE TENANTS IN THE BUSINESSES!,,

IF THIS CASE MY WIFE HAD THE WARRANTS I HAD A CBI WITH A 5 YEAR CONSULTING CONTRACT AND IN 1/10/12 OF THE INSIDE SENIORS EXECUTIVES IN WMMA MAIN AND LUX SUED ME TO GIVE THEM AND MR AGOSTINI A CHANCE TO SELL OUT, TAKE WARRANTS FOR JOAN WHO BY CONTRACT EITHER CAN SIGN NDA WMMA A TO BE FORMED CO SHE WOULD INVEST BY LOAN AT A LOW INTEREST RATE IE 3% AND TAKE THE SAME RISK AS ANY INVESTOR AS CAPITAL WHETHER INTEREST BEARING AND OUT FIVE MONTHS OR 18 MONTHS IF NO ONE COMPANY CAME ABOARD OTHERWISE SHE RELIED ON ME TO PROTECT HER ON THE DOWN SIDE , I DID AS MR MAIN AND LUX WERE NICE MEN WITH A LOT OF EXPERIENCE AND MR AGOSTINI WAS A PERFECT STABILIZER AND HE HANDLED ADMINISTRATION NWUGUGU CORPORATE CONTRACT TROPPELO OPERATION AS A BRILLIANT PARTNER PROJECTIONS STRATEGIC PLANNING AND FIRST IN WITH GREAT START UP EXPERIENCE WAS ALSO NWUGUGU WHO KEPT ON HIS OWN WAS GREAT, BUT WHEN HE SENSES A PROBLEM HE LOOKS TO POINT FINGERS INSTEAD OF BUILDING AN EXIST STRATEGY YET TRUE GENIUS AND STRATEGIC PLANNER PAR EXCELLENCE,, COMPLIANCE WITH THE PPMS AND FARICHA'S VP FOR LOGISTICS AND PURCHASING THEN WE HIRED BURNHAM A PERFECT SALES EXECUTIVE MAN WHO LIKED PEOPLE AND MAKING MONEY AND I LIKE SHARING THAT SHOWED THEY KNEW THEM MAIN MMA INTEREST AND A VERY NICE MAN BUT HIS NEPOTISM SIDE PROVED THE UNDOING OF THE COMPANY AS HE WENT TO ARIZONA, SCOTSDALE WHICH IS WHERE THE 3 CROOKS ARE THEN LOSE ALL THE MONEY AND THE INVESTOR LET THEM DO IT HE

DID IT AS MAIN THE UFC FAILURE RAN AFTER A BEAUTIFUL TALENTED LADY AND GREAT PHOTOGRAPHER RAN HE JUST WENT BEZERR AND DIDNT SEE ANYTHING BUT SOPHIA FALL IN LOVE NOT PROTECT HIS FATHER MONEY AND NOT TO SEE WHAT THE 3 PERJURERS WERE DOING THEY COURTED EVERY ONE EITHER COMPANY TO LOOK THE OTHER WAY EXCEPT TO SEE FOUNDERS! WMMMA HAND THE INVESTOR/OPERATORS WERE NOT GOOD AT SAVING MONEY KEEPING SET OF BOOKS AND THE ONE GOOD ONE WAS HE ACTED IN LOVE [MCFARLANE DONAUN WOIS 65 AND NON COLE IN A BIG WAY TELLS HORROR TALES ABOUT SENATOR IT ROMNEY THAT MITT WOULD SHOOT HIM IN THE HEAD FOR TALKING OUT OF SCHOOL, HE STOLE FROM THE BANK TO GET 30% OF THE SPOTS JACKET COMPANY SWORE HE WOULDNT SELL TO ANYONE HE WAS A PARTNER OF AND BROKE HIS WORDS WHEN HE LET THEM HAVE 2 \$20 MILLION OR HIS #-\$ WILLIAM MCFARLANE FROM SCOTSDALE ARIZONA, THEN WAYNE CRAIG FROM THE SAME BUILDING THEY ARE SILENT PARTNERS SOME JERYLL CAN SELL THEM AS IF THEY HAVE MONEY AND TALENT BUT ITS ALL FROM THE BUSINESSMEN AND ATHLETES THEY STOLE IT FROM THAT RUN THE OTHER WAY.. AFTER ITS TOO LATE, TO SCREW THE WMMMA INVESTORS AS THEY AS WMMMA OFFICERS THINK IM THE ENEMY WHEN I LOST 3 TIMES WJAT ALL OF THEM INVESTED ITS A REASON A CIVIL RICO BUT THE NEW SEC COMMISSIONERS THREW HER OUT AND PUT IN A GREAT DEFENDANT JUDGE END IF THEY ACCEPT THE DONALD J TRUMP ADVOCATE FOR PRE COMPLAINT JUDICIAL REVIEW WITH PRESUMPTION OF INNOCENCE, THE PRESIDENT DONALD J TRUMP ADVOCATE FOR PRE COMPLAINT REVIEW

, THEN SHE FELT A PART AT THE SEEMS THE FINANCIAL INVESTORS AND MAIN DIDNT LOOK AT THE BUDGET NOR CHECK WITH NWUGUGU, AGOSTINI AND GARICH JOIN THE FACE WITH CFO TO SEE IF HE KNEW WHAT HE AND BERDEJ KIAN WERE DOING TO SAFEGUARD EVERY NEMONEY MCFARLANE JERYLL AND CRAIG WORKED LIKE A SAFE CRACKERS AND WITHOUT A SUPER SALESMAN THEY FAILED TO DO ANYTHING RIGHT FROM RING EVENT TO SELLING A CAR WARENTEE IN WHICH YOU FRONT THE MONEY AND HE PAYS YOU BACK FAILED TO WORK WITH EACH OTHER, IN FACT THE FINANCIAL FRAUD ANALYST TOLD THE STORY IN 3 WORDS AND 2 NUMBERS BUDGET \$450,000.00 IN 2 WEEK \$1,000,000.00 LOSS CASE CLOSED THEN MCFARLANE FOR THE THEFT MILLION LOS,

1] IN FACT, THERE IS NO CRIME BY ME SINCE I PERFORMED THE CONTRACT TERMS AND INVESTED 92.5% OF MY FEES INTO THE COMPANY AND THEN ADDED ANOTHER CONTRIBUTION OF GIVING A \$4,200,000.00 CONTRACTS' LAST 4 YEARS UP!! SO THAT WITH THE FIRST FORGIVENESS OF \$1,000,000.00 IN 12/15/2010 AND THE NEXT FORGIVENESS OF \$1,760,000.00 IN DEC 8, 2011 THEN THE 3RD \$4,200,000.00 AT YEAR END HOW CAN ANYONE ALLEGE THE MAN THAT GAVE HAS SCIENTER [KNOWLEDGE OF WRONG DOING!]. CALL THAT A SECURITIES FRAUD ONLY A JUDGE THAT HAD A 90% DEFENDANT GUILT FOR HER 3 YEAR AVERAGE WHEN IN FEDERAL COURT THE FEDERAL JUDGES FOUND 32% OF DEFENDANT INNOCENT ! THERE IS NO EVIDENCE TO CONFIRM THE COMPLAINT AND/OR THE WELLS ALLEGATIONS] ABOUT MY ALLEGED COMPICITY IN ANY WRONG DOINGS AS THE 91% OWNERS OF THE WMMMA HOLDING COMPANY ALL DENIED ANY CONTROL BY ME AS I HAD NONE AND GAVE IT UP IN 2 BOARD OF DIRECTORS APPROVEDS LAESA BOARD OF DIRECTORS APPROVEDS SALE NOWE ONGOING JUST LIKE OUR PRESIDENT DID NOT COMMIT A CRIME HE CANT TALK ALL HE WANTS BUT THE MONEY WENT HER IT WAS PLANNED BUT DELAYED TO ASSURE HIMSELF THAT THE \$500,000.00 A YEAR THAT WENT TO THE FORMER VP SON DID NOT COME DOWN FROM THE GOVERNMENT COFFERS AND THAT'S LEGITIMATE WHETHER THERE IS A REELECTION COMING UP OR NOT, HE IS ENCHARGED TO PROTECT OUR MONEY ! WRONG DOING AS THEY ADMITTE I HAD NO CONTROL AND THE CONSULTING CONTRACT WAS DISCLOSED TO ALL INVESTORS BEFORE THEY INVESTED. THATS DELEWARE CORPORATE LAW IFA

MAJORITY OF DISINTERESTED DIRECTORS APPROVE ANY CONTRACT AND ITS DISCLOSED IN THE PPM ITS GOLDEN I IN FACT THE CONSULTING CONTRACT AN -PPMS WERE MADE AVAILABLE TO ALL THAT SIGNED THE SUBSCRIPTION AGREEMENT WARRENTING THEY WERE GIVEN EVERYTHING THEY ASKED FOR!

There is no crime in my following the contract that explains the services and the fees unless a judge with a 90% conviction rate says she wants you but that's not her prerogative as she relied on hearsay and in our President case they can't rely on that original better more valid forms of document to spell when the hearsay comes from the investor operators caught in 6/19/12 in taped dishonest shareholders meeting agreeing to perjury testimony so that the division will be able to use it to convict and in non-party its obstruction of justice. ENTING THEY WERE ACCREDITED AND HALF SWORE FALSELY HOW DO I HAVE ANY LIABILITY AS A CONSULTANT OF THEIR FRAUD ON THE COMPANY, COMPANY DID WELL EXERCISE HER WARRENTS AND OWN 92% OF IT SO THAT I WAS THE LAST MAN, WOMAN AND/ OR INDIVIDUAL THAT WANTED ANYTHING BUT SUCCESS, EVEN AT MY OWN IMMEDIATE DISADVANTAGE AND MY EXPENSE,, THAT IS THE REASON THAT INSTEAD OF CBI RECEIVING \$1 MILLION FOR THE IMC CONTRACT I FORGAVE IT, INSTEAD OF MKMA RECEIVING \$70,000.00 A MONTH FOR ITS \$350.00 AN HOUR RATE I FORGAVE ON DEC 8, 2011 THEN I FORGAVE BY YEAR END \$4,100,000.00 AND THE SEC STATED COMICALLY THAT THAT'S THE REASON THAT MKMA ONLY RECEIVED 7.5% OF THE FEES IT BILLED FOR SERVICES IT ALREADY RENDERED AS THE IMPORTANCE TO ME, MY WIFE AND THE WMMMA FOUNDERS WAS WMMMA'S SUCCESS AND NOT OUR OWN GREED AND OR AVERAGE AS THE WELLS NOTICE FEIGNED, WHY DIDN'T THE WELLS NOTICE INFORM THE PRIOR COMMISSIONERS THE TRUTH AND INSTEAD ASCRIBE THE DESTRUCTION OF WMMMA TO MY OWN SELF INTEREST BECAUSE GREED AND AVERAGE WERE THE REASONS FOR THE DESTRUCTION , BUT THE GREED AND AVERAGE OF MACFARLANE, CRAIG JERYLL AND MAIN ; AS MAIN WAS THE ODD MAN OUT , MAINS SON WERE HIS MOTIVATION; BUT THEIR OWN INTERESTS WERE MANIPULATED AGAINST THEIR OWN FINANCIAL WELL BEING TOWARD THE MIND OF A 21 YEAR OLD UNDER EDUCATED UFC EXPERIMENTAL FIGHTER WHO WAS IN LOVE AND WHOSE MIND WENT AWAY FROM THE BUSINESS' INTERESTS!

3] THERE IS NO QUESTION IN MY MIND THAT EITHER MACFARLANE, KATHERINE RICHTER, OR MACFARLANE'S RELATIONSHIP WITH MITT ROMENYAS HIS ALLEGED FUND RAISER FOR HIS PRESIDENTIAL RUN FOR THE S.W OF THE USA MADE AN SEC CONNECTION THAT SWAYED OUR PRIOR AGENCY DEPARTMENT HEADS; IE; TO LOOK AWAY FROM THE EVIDENCE AND BUY INTO AN ABSURD ALLEGATION, IE NAMLEY THAT THE INVENTOR OF THE WMMMA STRATEGIC PLAN THAT WORKED FOR NO MONEY FOR A YEAR AND WHO'S WIFE WOULD OWN THE SUPERMAJORITY OF THE HOLDING COMPANY WMMMAH, JOAN AND SPIN, WOULD SELLOUT THEIR STRATEGIC PLAN AND INSTEAD OF GOING FORWARD WITH ALL PASSION AND ENERGY TRY TO STEAL WMMMA'S ASSETS WHEN IT HAD NONE OTHER THAN THE ASSETS THE FOUNDERS CONTRIBUTED IE; MY TIME AND THE TIME OF 10 DEDICATED PERSONS, MY WIFE'S CAPITAL OF \$500,000.00 IF REQUIRED AND MY FEES CONTRIBUTED TO THE VENTURE FOR AS LONG AS IT TOOK, WHO IN THEIR RIGHT MIND WOULD LOOK AT THE CONTRACT BETWEEN WMMMA/CBI AND **ITS EX A[D] FEE COMPENSATION** AND SEE THAT NO FEES WOULD EVER BE PAID UNLESS WMMMA'S BOARD OF DIRECTORS, JOIN OF WHOME WERE THE BENEFICIARIES OF ANY OF THE CBI FEES, NEVER HAD TO PAY CBI AND OR ITS SUCCESSOR, MKMA UNLESS ANY SUCH FEE PAYMENT DIDN'T ONLY NOT HARM WMMMA; BUT HELPED IT TO GROW AND CONSERVE MONEY, ??, THAT'S WHY BY DEC 2011 WMMMA HAD \$1,200,000.00 IN IT INSTEAD OF IN CBI'S POCKET AND THAT'S WHY CBI/MKMA GAVE UP \$4,100,000.00 IN FEES ON DEC 8, 2011 WHEN IT GAVE UP THE

\$350.00 FORTHREMINNG 8,000 HOURS AT THE \$350.00 PER HOUR AND THAT'S WHY MKMA RECEIVED ONLY 7.5% OF FEES BILLED FOR SERVICES ALREADY RENDERED

5], Non of that was in the wells notice, in fact lux depiction as the wmama ceo wasn't told as lux swore that i was a consultant, that I never voted on the board and no attended when i was invited and that I wasn't an officer director shareholder during the period that the wells notice allege si controlled and raped wmma 1 the majority of disinterested directors main, lux and Agostini were main and lux, both of whom admitted in brady than 2013 deposition respectively they wanted to fire me and mkma,, In fact they had no reason to do so as by 12/9/11 i had voluntarily given up any compensation in excess of the highest paying employee of the month a \$60,000.00 pay cut,, Had Lockets Brady been confided in by him that mcfarlane held black ops away from completion of the prepaid wmma web site id have know whoth enemy was; but it only saw me do me after macfarlane, craig and jertll lost or stole and lost combination in the excess of \$650,000.00 over the budget of \$450,000.00 This is SEC fraud as the analyst Ms Beirn told me the numbers in front of the sec as witness why was she doing ratting on McGrath and explaining he sit wrong side Daspin didn't tke any money tot approved b the contract by the contract and then only analyst money! Ms Beirn to me,

6] Had im read the macfarlane email chain with monica petty that she stupidly released demonstrating [REDACTED] [REDACTED] for her being his exclusive event planner and he agreed to back an alleged breakup fee equal to the fee she would have received in april and may 2012 from Wmma when wmma had no events planned and she had 2 contracts with away as event planner at \$2,500.00 a 2 week event while crig paid her \$2,500.00 for what macfarlane had wmma pay her \$5,000.00 for!!! the same identical event planning for 2 weeks,, In other words the SEC became an instrument that macfarlane used to divert the investors whose money he and his new co enterprisestoe and put them on my case by aswrtng that as a felon abeit 4 decades ago there must be somthng I did wrong and of they cant find it make it up see my wells reply exa page 17 the 6/19/12 dishonest m shareholder meeting ms Teresa [Puccio the whistleblower] ask them to fabricate event to prove i controleed all small and large what was small or large that wasn't already spoken for in the employment Contracts was thrown to MKMA and correctly SO DONE. Also so that a full circle would be setup so no one could steal any money! [because her rationale was I denied in wrtning that i did not control the wmma director as the only way the sec could nail me was inventing me as a control person , inventing me as a thief allege im raped wifes' warrent to own company as im forgave million of dollars in fees!! Who in their right mind could blame me the capitalizer the strategic planner, the person that wanted wmma to save money at my own expense as WMMA had no need for \$1,00,000.00 unless its website was finished and lockt never informed us that Mcfarlne was a crook! he hid it as he might need him when in fact no one can depend on Macfarlne except monica petty as [REDACTED] [REDACTED] its in her email for steady job she calls it LOL [Lots of Love] and in return he mentors her how to steel \$10,000.00 from A WMMA the conctrct ask wmma TO preserve!

7] what im saying the hearsay an judge murrays penchant to fix cases for the prosecution are used to attempt to build a case against me. hard tom doyed but so far Judge grimes an non judge and judge murray, an on judge who upon the Lucia vs Sec win the Supreme courts implied sanction against the agency was the constitutional requirement that a new proceeding with an adjl article 2 appointed that had no prior adjudication experience with the pre lucia decison, Judge murry orchestrated the judge Feolak appointment , then when judge Murray wasn't satisfied at the postponement sine die, I believe that the division snuck an exparte message stating a "wrong doer" was getting away; when all I was doing was

getting sick! ill know exactly what to do based on this commissions resolution or retraction of this issue! Ive played it straight and ill keep my mouth shut as long as this commission verifies my disclosure to its own satisfaction and then does the right thing by whatever its own information advises is the right thing to do

8].I trust this administration and its commissioners. But each and every story ive discussed hearin is true regardless of whomever and what ever nyone eceptthebossaysl do notlie andyouknowknowthatthewellsnoticewascreatedbyadivisioneitherpaidofforordered touseme toshelterthecrooksandthattypeofpoweremustbeeradicatedfromthisagency,JudgeMurrays resignation was the best step as she was not only [REDACTED]; but [REDACTED] cases for the prosecution! Ask judge Cameron Elliot who dodged the issue by not signing an affidavit which makes him a good guy; but not a liar! That makes him better than good as you can count on his honesty! But enforcement and in particular McGaths immediate supervisor and or his report to caused my cancer as no supervisor doing theirjob could let a fix blaming the victums' to be responsible for his own pure dreams demise !No one with an objective brain that was paid to catch crooks who wanted to steel from investors could buy into my philanthropy mischaracterize as a mission to satiate greed and avarice; could come up with a complaint that ignored MrLuxs 2013 SEC depositions' testimony that the wmmaboard resoluitns controlled wmma, thatDaspin wasn't a board member,didn't vote or voice over thise director[s]that did, Assuming ,arguendo ,that i wanted a person who I believed would not denounce me, was taking a chance that one day a director might want to oust mkmas' consulting contract and by so doing oust me;we were better off not having any close relationships with board members as that way he would know how i think and use that against me; although myself protection litigious back ground made that a certainty

9]Mr.Main and Lux, on my cross both admitted their cooperation and group vote ruled WMMA and that their combined vote was a mandate term of the WMMA playbook ,They were to cooperato to win and their mutual respect was important and the chances they would cooperate for the greater good!. Their combined consensus was the glue that hung the company together ;their admission to that effect on my crossOF EACH demonstrated that my alleged control was a figment of the wrongdoers imagination, ,In fact there had to be a conspiracy as to many moving parts were required to blot out all the PROOF[S] OF THE WELLS NOTICE FALSITY OF ITS ;ALLEGATIONS! IE ;documented proof that I had no control as the CBI/WMMA service contactracts of 12/15/10;and the subsequentsalebycbi toMKMa undertheWMMAboardofdirectosauthorizingitsdeclarationm prived that contrOlliedinthesignaturesof thewhoeEMMboard,thesheervolumeof37independatboardresolutionsplyingmanydiversefeildsofcontrol ofWMMAsoptionsdemonstrated theimpossibility that any one person not holding the mjority of wmma and wdi common shares Could not controlwmma asits board resolutions were needed to effectuate change;The limitionof squabbling from the wmma investor seat equity officers demonstrated a clear and well defined hierarchy of board of directors control over the opeitions.The boards actions were well scrutinized and compensation changes took the board approval voted,Non of the WMMA warrant holders and were super sophisticated holders of MBAs ,Doctorates,and Series7/13 liscence so they made it their business to know exactly who received each penny of compensation enabling the three[3]finance team members to hire a bookkeeper to keep tabs on MrAgostinis' check authorization,

10]The point is **NO ONE WAS SOLD ON PURCHASING ANY PREFERRED.**! Burnham held the initial interview after mr Young had the nda signed,unless it was previously emailed in.Of course the applicant

was interested in the position as he/she had been discussed in a brief phone conversation to make sure the trip would be productive! We did have one Exception, a man that was the SEC WITNESS AND WHO ACTUALLY WAS SUCCESSFUL IN HAVING ME BRIEFLY EXPLAIN THE REASON THAT NOW MMA EMPLOYEES RECEIVE COMPENSATION MONTHLY UNTIL ONE OF 2 CRITERIA WAS MET. THEN THE QUESTION DID ANY ONE RECEIVE ANY MONTHLY PAYMENT CAME UP AND THE EXPLANATION THAT A FEW NUMBER OF INVESTORS WHO NEEDED A MONTHLY PAYMENT WAS MET WITH HIS EXPLANATION THAT HIS RESUME WAS PERFECT and I explained we had many qualified employee partners; and not receive their monthly compensation up front until a \$1.00 pretax profit was made! It was to no avail and when I met him in the reception room on his way out he stated he was in and intended to sign up! The next day it was clear that he played WMMA, wasted Burnham's and my time and in the stand he stated that no one at WMMA was interested in him just his money which was completely untrue as his talents were exceptional for coordination of the road tournament setup which in one week event from beginning to end must be set up sold out sponsored and advertised with the referees and all communication equipment set up, hotel and lodging and vehicle transportation and feeding over 75 persons each week or every week for 5 years straight, I didn't like him lying; making allegations that Mr Burnham about 25 lbs lighter and shorter and not aggressive in the least threatened him when not one person over 8 months ever made such allegations

11] No one reviewing the documents and my interest in my wife's warrant exercise and seeing that the service contract excludes WMMA's responsibility to not be responsible to pay any fee to me, CBI and or MKMA, if WMMA was opposed to, seeing instead of milking WMMA as all page in the wells their reverse was true seeing that instead of more compensation being paid to me less and from over \$1,760,000.00 in 2011 down to \$120,000.00 had all of 2012 been breakeven discloses that as WMMA's cash was building up over 2011; its reverse of the complaints allegations were eroding the willings for serviced-s rendered and with the WMMA entities being fully aware that no collection efforts were being made and in fact both myself, CBI and MKMA on a regular basis informed the directors of WMMA that it would accept no fees for services rendered if such payment would in any manner negatively effect WMMA's ability to meet its obligations. The SEC fraud analyst Ms Beirman's deposition employee bore witness when she testified at the hearing that neither in or CBI nor MKMA sought payments in excess of its contractual right to receive 10% if the equity incrementally raised and or 10% of the excess pretax profit over \$1.00. The division at all times [she has access to Ms Beirman and could have and in information did have contact and knew that the wells allegation of CBI/MKMA making of WMMA assets to WMMA's detriment were without merit and by doing the enforcement division defrauded the commissioners under the Obama administration, The Enforcement division all times from Dec 2012 had all documents by and between WMMA/CBI/MKMA and knew that those documents including the Lux 2013 SEC deposition, the Mrn Wuguguchart's claim of 12/2012 when in Mrn Whuguacpa, MBa, Series 7/13, the WMMA Chapter 11 and the trustees report that Mr Daspin while at WMMA committed no wrongdoing as disingenuously pled under the falsification of the content of Ms Hatherine Richter, who knew that Mr MacFarlan accepted on cable TV the WMMA presidency yet she prepared for his signature a bankruptcy declaration he never was WMMA president while Ms Richter further aided and abetted in preparation of knowingly fraudulent omissions of material fact from the declarations she prepared of Mr Douglas Main, Mr Tom Sullivan and Mr Ara Bergejekian all of whom declared under the penalty that I directed Mr Sullivan to exclude filing for WMMA a 1099 for revenue it paid to MKM while knowing that all [MAIN < Sullivan Bergejekian] declarers knew that I had no contractual and or oral ability to direct any of the WMMA employees to take action unless the WMMA board so directed me to do so as an accommodation for WMMA under its MKMA/WMMA service

contract signed by WMMAS board of directors on 1/20/2011 and no such WMMA advice was given me,, In fact Mr Main is Mr Sullivan's Direct report so only Mr Main could give Sullivan such instruction,, In fact Ms Richter who one information and belief used her and/or her law firms and a MacFarlane connections with the SEC collaborated to build a case of fraud against me and as part of that case the post 3/3/12, \$1 million wounded warrior charitable event loss by McFarlane, Main, Craig and Jerryll used to divert the WMMA investors attention to bribe them with promises of jobs that pay monthly compensation instead of on a deferred basis and promised to provide more equity than they had if they converted the preferred units all in the face of my information that I would not provide any new prospects to participate with them as operators had no alternative but to either leave and accept their responsibility from the loss or blame me for not wanting to put others into WMMA with their agreements in force,, Mr MAIN, Sullivan and Berjedekian all omitted from their false omission of material facts declarations the fact that the partners of Price and KPMG stated WMMA was in the clear,

12] By omission of that fact they left any listener with the distinct impression that I was dictating a fraud against them by allegedly directing Sullivan not to file a 1099 against me,, Such fraudulent omission was met by my 2 WMMA Chapter 11 reply briefs with copies of the dishonest shareholders meeting and the Price, KPMG "In the clear" message Mr Berjedekian carried to the shareholder meeting, In that regard I also exposed Mr MacFarlane as a liar by disclosing his signature as WMMA's president with IBM and Bell Canada contracts and MacFarlane's signature as WMMA's president, I also enclose Monica Pettys email chain by her to MacFarlane and MacFarlane to her wherein he is clear in guiding her to back date a WMMA contract for Monica Petty to receive a \$5,000.00 breakup fee for event planner for April and May 2012; wherein she was to be Criags event planner for \$2500.00! In other words MacFarlane paid her \$2,500.00 more for WMMA's event than Craig for the same services for his events,, What this means to me is that MacFarlane, who in his email contacts with, Monica Petty conspired to steal by backdating from WMMA \$2,500.00 more than Craig had contractually agreed to pay her and he agreed to back date a breakup fee for a period,, April and May 2012 events for her to plan and she had already entered into a \$25,000.00 event planner contract with Wayne Craig for his WUSA 8 regional promoter events so that WUSA could participate in the first WMMA world tournament coning of the national champion from UK, USA, Brail and Germany! Were his contractual responsibilities to pay for his regional WMMA events in New Jersey Federal district court; the judge dismissed his securities fraud violation claims with prejudice again time RES adjudicata. MacFarlane's claim

14] THE WMMA CHAPTER 11 DEMONSTRATED]S THE OMISSIONS OF MATERIAL FACTS THAT Mr MAIN, Mr SULLIVAN AND Mr Berjedekian's declarations omitted Please review my 2 reply declarations for the specific perjury by MacFarlane declaring he was not WMMA's president when he submitted his 2 signed Bell Canada/WMMA and IBM and WMMA contracts for the 3/31/12 event with his President's signature, then MAIN, Sullivan and Berjedekian omitted the fact from their declaration that I had no Sullivan authority in his WMMA contract, Main had and he, Sullivan and Berjedekian omitted the material fact when they declared I directed Sullivan to not file a 1099 against me by WMMA that in my Wells reply EA the 6/9/12 dishonest meeting in the back of the glossery under price water KPMG Mr Berjedekian states that the partners of the 2 accounting firms stated WMMA was in the clear by not not filing, all 3 declarers omitted that in the clear notations making it appear I wanted Sullivan to defraud them! 1) The Trustee Mr Giordino found I committed no wrong doing in WMMA and since I am a wrong doing

25] Now with respect to my declaration and motions! The Wells notice and complaint says I milked millions from the company my wife can own a supermajority of! This case has those earmarks until you all came along finally I can speak and not become frightened that I'm talking to an adversary,, I know the conflicts going on in your mind-but the US Supreme court wasn't coerced by the division with threats that if you rule against us, 3,000 adjls in other specialties will be emasculated so they lessened the exposure to 150. Those 150 predicate acts of theft of their litigation fund put into SEC no jeopardy I only will like to see the effort is spent 10,000 hours spitting into consideration to improve the lower costs to provide justice pre complaint and post Wells reply! All I want is to be treated like a fellow human being!,

The documents that superseded the hearsay from investor/operators that lied in the WMA chapter 11 when the SECs own witness, Mr Giordino, the chapter 11 trustee even Sullivan in his BRADY:

Defendant

JUDGE MURRAY MUST BE RECUSED AS REASON FOR DISMISSAL: In this case any finding of scienter, attached to a decision by a judge that mistakenly did not recuse her and or himself and which subsequent evidence demonstrates that that judge had a personal interest in the outcome of the litigation cannot be held as fact, like wise any such finding emanating from hearsay evidence contravened by incontrovertible facts and other unbiased proof obtained under a majority of the disinterested directors resolutions must be presumed to be trumped by the directors resolutions rather than the hearsay evidence! In my case the judge refused to recuse herself though the independent facts deduced by her conduct of manipulating her schedule to reverse a selection she made of one judge [Feolak] with another judge more amenable to disregard findings of fact of irreparable harm by doing postponement sine disregard given after although review of the 7 federal district court factors to decide whether a defendant, witness and or plaintiffs application for should have been granted is subsequently dissolved prior to any new evidentiary hearings to test the sufficiency of proof required to decide the motion for postponement than that dissolve order is void and of no effect and the judge and or judges that participated in the united decision whether direct motion or one appealed to a higher court such as the chief administrative judge or presiding judge or both if involved in my case must bear the direct and/or indirect responsibility of having participated in an adverse decisions ADJUDICATION that facilitated finding of guilt and such judge[s] should be included in the Supreme courts orders intentions as participation in the ultimate Adjudication of the pre Lucia defendant in Luci VS SEC that that the unilateral defendant might object to their inclusion as the judge rendering the defendant's adjudication and in that regard on motion should have recused herself for that reason alone however due to her in judgement Murray stated on the transcript that she feared a law suit by me for a due process violation if she did not let me object to a direct examination of the prosecutors witness,

Such outward display of her fear and her perception of me demonstrated bias against me as her natural born enemy, No independence of thought just her own self interest and to excuse her denying them their motion objecting to my objecting to their direct witness questions and I did state the reasons for my objection while pointing out the reason that their question was also and or used to direct their client to

make certain statements against me, I don't have the transcript nor her notes as she was not barred under Form 20 for giving them to me. She didn't want me to be able to defend what can only be based on disingenuous investor operators and or the heisterkamp liar and the circus man whose story was incredible, blaming burnham 1/2 his and the father of 2 prima ballerinas a liquor salesman to intimidate date him or fight him if he tries to leave the office!!! I swear or that he told me as he was leaving the office he was going to sign up tomorrow to but had no intention because he was afraid we would not let him leave! I swear, first time I ever heard anything like his BS! He also lied that he misled himself when the evening call before I was introduced as he had signed a document which we don't usually do that, a real estate agent had a contract to sign and invest what a bunch of it as WMM never did anything like that no contracts until the directors interview and approve them he was angry as insulted him and his manhood in an email because while he lied to me and I passed it onto the WMM partners and he made me look like a liar, mad that I wrote him a nasty letter and in it I offered him a consulting job so no deferral of salary for a year and no job for a month had that in mind and no job till we were making money the agreement then the strange [the Benhami know is slow talking and malingering] a harming person would not have him fly, his first daughter a prima ballerina then he stated all the WMM partners he interviewed with were out for his money not his talent!! Then he alleges that when he visited the office I didn't share my felony with him and I tried to get him to invest. I never did that that drives interest in investment away and that was WMM's job to see if they were worth the sweat and hard cash for a 2.5% a month return advance on WMM shares in a scam! But all of them had skin in the game whether it was sweat or cash for the money company or cash no month in comp just a deferral and warrants that's the company deal in the ppm that was sent to the SEC and approved by the SEC with no stop selling notices they had it all. The only friend in this lawsuit unfortunately the judge, the division and the investor operators and MacFarlane sent a process has it, will take any lie detector test to prove it they knew it was an exempt security so whether I offered a partnership or not it would not matter as I got no company, a lot of money about 20% of the money I had for a while if they wanted to invest with WMM a 2.6% a month then the principle of the hand turned around then I explained to him why I believed he had embarrassed me Benham and all the WMM partners they should not have believed him as he was a scammer who could not give my wife financial statements [exercised the privilege and I was already her partner] so I signed a copy of a transcript with the government of the United States as a matter of fact after I signed a pauper's oath by giving my financial statements, "BIAS is not the word for her I'm looking for one that doesn't want her to lose sleep hopefully you will see what the team from the agency has inflicted on my people by theft, fraud and deception perjury, entrapment, bias and subordination of same as a potential enemy is proof that she should have defended herself as she is a liar and she can only be viewed as being prejudiced and biased against any person a judge views as a potential adversary in his case he agreed to deny my motion for her to reverse Judge Geimes forcing me in the face of a fact finding by a judge in the case that if I refuse to testify I will be irreparably harmed with no new medical evidence submitted after the finding to justify the danger to my life must be interpreted as a bias against me as the judge was not biased and in a position to a judge risking the life of a defendant never tried yet must be regarded as biased and a bias continued when she knew that by appointing herself to judge when in fact she is a judge who is responsible for defrauding me and her wife's sue her and her firm for the theft of my litigation fees, frisking and abetting the giving of defraud a federal judge by conspiring to

that this commission considers public perception for the agency's benefit and the new chief judge is requested to weigh in prior to the commission's final judgement. In this respect I also make a motion that this issue **and others raised by this declaration and brief be considered of such importance as to warrant this commission lengthy consideration** including witness rule changes; if a medically ill defendant is found to suffer such harm then the case must be refiled in federal court unless the rules 300.360 are changed. I understood if a preexisting medical information existed the mandate of the commission was issued. The filing in the federal district court out of respect for the impossibility of the SEC in-house rules disfavor me. I made motion of clarification as I reasoned if the commission had changed the rules or mandated certain treatment requiring the ill to be tried in federal court to the stress associated with the 12 months then I ask for a dismissal as motion was denied by no answer. Same as my vacate motion. If the conduct I spoke of was not answered and it wasn't then if I lost my rights as a result I ask for a dismissal as I was damaged and my justice was obstructed by such damage. This is consistent with the defendant's constitutional rights and this may require some change of the unilateral rules in-house so that they do not disfavor the granting of adjournments' in violation of constitutional rights.

26] In my case I was hospitalized and instead of delay the prosecution hired an expert, one that never met, talked to and/or heard me, he invaded my confidential rights by contacting my own medical professionals without due process and in violation of the doctors in their own society to treat such conversation. If the invasion of my medical information was released that be treated confidential. In this case the [REDACTED]

for my neuropathy and as such my constant improvement by the dilution of [REDACTED] or [REDACTED] dramatically accelerated and with the [REDACTED] [REDACTED] [REDACTED]

and its abstract non-fog dispensing were understood to be the cause of my [REDACTED], test the absence of the medical staff and the investigating psychiatrist's knowledge of the case. If at which and my doctor I only found was responsible long after I was released [REDACTED] to a mistake in [REDACTED] wherein I was [REDACTED]

[REDACTED], Thus non-see is now part of my personal record and in addition this [REDACTED] of 22 years as an influence in effect to misrepresent to a personal action all of which sound good; but was untrue. I never socialized with my doctor or in any way participated with him in any social contact or he with me and or [REDACTED] he board certified and both of us were stymied by [REDACTED] we mapped it, then do safe and when I replaced one [REDACTED] with the other. This led to a positive unreliable diagnosis which accounted for the rather fast cure rate by the hospital and not have it dispensed carry it, if any to look for warning signs. This new commission in investigating some of the SEC in-house rules were obviously will subject a defendant harsh treatment that deletes the lawfully paid reign because they ran out of the money after 6 months! They were "pregnant" in that the case information a prerequisite to defend us; but we did not get the services we lost the knowledge we paid for and the SEC rules cannot force them to finish the case as in New York and New Jersey case laws required so I assert that I was denied my constitutional right by the SEC non-implication of the case laws in the states that have order for law firms pregnant to follow the state laws prevalent in the state they submitted to jurisdiction by their main office being in that state. BECAUSE OF THE fraud perpetrated against me by McGrath and Conlon, BY BOTH GRIMES

and that \$6010,000.00 so if we received from 8/1/11 to 2/30/12 money it should have come off that \$610,000.00 and \$240.00 is all that Ms. Bair these fraud analysts and that her report of MKM as total payment since it was main inception in May 2010 till May 2012. So for purposes of this nonsense before one record was to have been paid for the JOBS from that allocated \$2,400,000.00 as the service contract cap total payments regardless of the fees earned by MKM and CBO which totalled about \$3,000,000.00 and this agency interfered with Ms. Virginia's attempt to declare the SEC investigation when it found out about it and a little bird informed me June had that not prevented me from cleaning up the mess that I inherited. I kept a gentleman if probably has saved it but not with honor as I did not want anyone to invest penny in what I knew was a Mike Bomb thrown by MacFarlane and Icher and if you find out from McGarthy who introduced him to Puccio without telling me in complete confidence then we will know who has the power to get McGrath's seat when an normal person looking at the documents is sent in 2012 would see in once all over the place it had a reverse more than the complaint allegations my wife whose been my mate for 60 years was to become the woman I was in when and if it were so if you think it is that company you don't know me believe in God I don't lie believe in God or PGG Washington, I found out the hard way not to do it over 60 years ago and so in those regards you can't take what is said to Theban that made Judge Murray a committer of the most manifest error of fact anyone could commit, it also proves she should have used herself when offered the chance as now whatever it takes she is a liar and a cheat as she lied to me, she stole my 10,000 hours as of her many predicate acts she assisted in the theft of litigation fund which ended me equal justice under the law, by violating my right to know she was risking my life when she switched judges on me and then Grimes No Judge at the time became a hard ass he decided he would rather kill me by forcing me to testify by disolving the postponement in the judge Feolaks finding of fact he could not ruin but he and Judge Murray did anyway by disregarding the 3 months of hard effort of Judge Feolaks I appealed to Judge Murray and she denied the whole meaning of spin I don't care if you die! That's some of the worst decision of her life when Judge Grimes and she decided my lawyers' resignation's last motion was for them to give me 50 days to find a new law firm then she denied that knowing I was ill and the added stress on me could kill me before they wanted to do so as evidence by Judge Feolaks fact finding any judge that would defraud 150 defendants and tell another judge to find more for the plaintiff - fss and commit the ordinance that tarnished the head of Judge Murray's failure to protect them is not worth the titles he bears and the words of good as if it were she would have stipulated as a sign in defendant in house = Jennifer Sund that in 2010 years ago and kept it buried in her desk letting the various commissioners eat her daily lunch ever day or 10 years I did not do anything in his company as I was my child's brn in my wife's basement and I'm a couple million dollars off fees so I am a weaver of equity as it's pre-tax dollars but I don't value Judge Murray's words or her comments nor her inability to have compassion for an ill person put under her charge, she is not trustworthy because she let the other commit and down and they bear the cross from her inaction. Now she thinks because she smuggled her self an article 2 appointment it solves the problems. The only way I will rest is if I get my feeling about getting an even foe that's 90% of the rest of my life if the GOOD Lord is willing if I'm honored by your acceptance in my advocacy strategic plan other than that down what you believe is the right thing I did not read but one page of Judge Murray's findings of fact because none of them can be correct if she found me

guilty so there was no reason to
I also don't type well in data my advanced age I don't know how to spell check and with typing so poor and poor grammar and
mill wife and the dea station the
fraudulent inducement this agency eye your predecessors did not come by putting me before non judges when all they need
to do was article 2 appoint them must state firm that I have been denied so many constitutional
rights as a result of the events here that for any other finding except dismissal for my innocence would
be a disservice to our country, the Agency the loyal and good people that work for this Agency the
judges that didn't participate in the actions of the leaders as they like all good soldiers followed orders as
a former officer and tank commander I know how to be a leader that can be as good as me back in time to
the time of the Vietnam tanks and men I live are bid there I was for their memory that the Justices made their Lucid decision
and I love each of them for protecting us and the President for appointing the last 2 of them, We need
the President to keep our country strong especially in these times as this agency needs you now more than ever to be
vigilant and to make the hard decisions I know you can
I've been king bidding and selling I've used Carol Feplaktolrad the courts systems and
to change this rule she has experience with that she was not in a position to do so, I can only hope that it has something
to do with what fate has achieved for this agency as I recommended her for Judge Murraud position when I
suggested she retire she should have followed my suggestion sooner and to
be perfectly honest you don't relish what actions I'll have to undertake if the
commission does not cut me free, as an old soldier I have faith in the Lord to give me the strength to
carry on as you know I've mentioned about 25% of my time noted - finding myself fasted documents, the transcript of
the hearing in the witness Charis claim and discover letter enclosing these subpoenaed exhibits and the PPMs as well as
the warrants of the subscribers the well notices as well as my reply to the Lux
2013 deposition man the chart claim of Lockett and Jeisterkamp, the Wayne Craig Arisonal lawsuit moved to
the federal district court of New Jersey where he failed to come out for the 2nd round, the
Department of Taxation with the Monica Petty and William Macfarlane's e-mail chain will demonstrate
some of the truths in my declarators' in addition the WMMA chapter 1 and 2 replies' which cover the
reasons that the court found me innocent of any wrongdoings 'by its court appointed agent the trustee
Mr. Giordano while at WMMA and as the SEC witness within the transcript of the hearing quoted by the
court to not
read in the exhibits quoted therein would be a major mistake and I ask you to accept my apology as I am a
writer in any way and without the exhibits and I've put myself in a further disadvantage but in the interests of justice for
your perspective on the
credibility which must weigh heavily on your shoulders I believe that to give me the chance that I would not risk for were I
not defrauded of the litigation funds and my 10,000 hours spent on this case as my other courses were
curtailed while this case was hanging were not available until the final decision as already you know my
wife was kicked out of her bank's brokerage account because of the allegations with in the complaint
that's why it's so important a very strong advocacy program will and should occupy your attention because I
believe further relief will eliminate the importance of the program as this case dissolves from our view
so I've agreed I will help you if you believe I do that the PRESIDENT OF THE UNITED STATES SHOULD

 judges and have first right any way so there are no unknown variables and you extend the same
 service to your successors with respect to the first right to select the judges for the part or full time or
 services so list in order of priority will be nice and the executive administrative will report to Mr Fields
 and secondarily Ms Shields' depending in the Judges interest, if at all. The fact that if you like it and
 there are 2 spots available while not be a succession problem as each region will have a SEC lawyer and
 that person would be your number 2 or the owner if a regional commissioner is not interested after
 operate or subject to the initial one year and if satisfied 4 will be positioned to leave if you want it all to
 yourself or have a number 2 in mind ; if interested and have a number 2 that would be better as your
 assistance in staffing will make for ease of coordination and trust .

My wife still meddles in her home so that all my files are scattered and at 82 I do not have the physical
 strength anymore so I cant defend myself like an attorney and idont have a staff for obvious reasons but
 have made arrangement so that ill have whats needed for this start up and the integration wont be hard
 as it's a service for you and the enforcement head will come to want to play a important role under your
 and judge Feolaks leadership based on your instructions Im not interested in walking on anyones toes
 that is not in his and or her line of fire. i am trying to get out as gracefully as I can . Inclosing the the
 character of some of those Judge Murray may have relied on for her discussion as well as the Brady
 admissions demonstrating their remaining investor opertors! My transcript line of questioning was not
 flawed as i cross indexed their Brady and their personnel files and emails so it was easy to disprove each
 along the way therefore ifi don't receive the assistance I believe you nicely want to help me over this hill
 then the aforementioned exhibits will give you the fact that disprove any and all allegations negative to
 me other than speculative or those invented to foreclose a motion to dismiss or for other reasons that
 do not think are relevant,

,My best defense starts with the motivation and conspiracy to defraud me and the commissioners and judges in conspiracy with the sec division .Mr Lockett refers to what "they" have already given[the SEC' so that they are the divisons props; but not good ones and dishonest as all hell.as they plot of fabricate evidence and then they get I yelling to help macfarlane buy wmma on "the cheep"[:ppk at glossery]while wmma officers an investors pathetic selling out their company for salary and promise beter stock and the will sell out their own company but they need a reason for ostensibly a socially redreaming value" rid the felon "so a brain loose prosecutor comes up with "greed an averace" when my motivation were opposite it funny if not so tragic!they loose track of macfalane who is playing them and using the sec recovery from his enterprise that stole their and my assets and my wifes warrants valulesless, when on3/27/12ms Puccio invested\$500,000.00 for.89%ofWMMh making joan warents worth \$92 million.! other witness investors that are all caught with their pants down in the6/19/12 dishonest shareholder meeting my reply wells Exa see page17for the whitstblower s the divisons'3rd party interfering in the business mackig the investors become perjurers so they can win! Some of the good witness that are not on my bad people lists proved as sec witness very delightful as they contravened the bad persons ie the investors other than lange the abc sports VP under Runearledgeand howard Cosell ,an honst nice man from what ive seen I did not read his deposition as the facts prove the falsity of the case allegations and disprove any motivation as I **hadnotmilkedanyone** other than myself for the benifits of the company and investors as i viewed my wife and i as the largest investors if she were to exercise her warrents so its protection at my expenis clearly in the 12/15/10-WMMa/CBI service agreement and is exA [d]which in section[d]gives wmma the right to never have to pay a fee, My give upsof fees over the one2011 year period also demonstrates the utter disregard for honesty in the complint,The Exhibits in my wells reply and the sections that clearly cover the defenses in general terms more explicitly discussed in this sections of matter most to uunite the story The wmmachaprer11transcript of the last day when the innocent findings were made and ex c to myWells reply the Chamco 12/31/12Innocent verdict in the phase of ex C part securities findings and my innocence on page 3 begins that was a hard fought bankruptcy and finds the same service contract as wmma no securitie violations RESadjudcata send my advrsarys selected that judged me foe of the company foe te 5yearswhenhewas alayerandnotjdge;judgeMurrayandJudgeGrimes asitistheythattarnishedourflagandspoildthereputationbecaseoftheiractionsThSupremecouti theUnitedSttesLucifinding rquired thecourav-gendstrenth thatPresidentTrumphas,ThatAugistcourrknewwhenthey madetheirfinding itmighteconmiclycasedisributionsofalotofmoney soitwsavrseruousundertakingmforJudgestotakeaimastheydid tocirrectawringthatvuiolatedourcnsituationanonwhopartipatedinthediservice to ourcountryandHdgeMurrayandGims arthe 3iatrebutittoastheyas theeadersmustwearthestains Peoplelike thatthatbring dicreditt abranchofourgovernment so ththtcourageiusandbraveJuiceshad torepemand the agencyinfrntof theworldmajkes meproud to beanamericanandi ask youall tomakethoesamedeion landjoanwillapprecateitndbuyintothePRESIDENTDONALjTRUMPADVI=OCATEPROGRMdefraud the federaljudi filed mosc for a tro tomoveanyeccase notyetfild,tofilei federal distict court as I was ill nm to old and judgeFeolakhadsignedanorderthatiffirced toi testifyidbeirreperablyharmed asfact

if its case built on hearsay then perhaps there is of these will froth as if the documents don't support the had a yes in my case then the invoice is negative for the prosecution and if a judge uses the testimony of a witness and an investor whose been proven a disingenuous person then not much weight if any can be used as an abundance of that will be overturned at the circuit unless it accepts a judge's decision deieved from ears as a valid when our ruse of civil procedure = deny that that a problem than need so be resolved so far this case should have been dropped along time ago as the complaints and pinning have been contained not by me but the documents and the evidence pointed to, I lost my lawyer due to the theft of my litigation fee of lost my witness due to the time delays attributable to the fraud participate in a game and others by setting up phony case knowing that when they are found out they will have to pay the price is unexcusable reprehensible and repugnant To think that about half of the defendants were really on average innocent witness 35 found innocent and about 22% of the remainder innocent but settling out for fear of the fix which we know know existed before finding of a complaint being issued as all the 400 defendants in house on average 6 years before a fake judge chief judge and prosecutor whose enforcement job was to route out fraudulent practices and these in the home court first, the advocate will keep track of each division track record and make a report every 12 months and track to see cases were recommended a no bill that later found innocent, That will enable the commissioners to score themselves and by so doing beware of the enforcement practitioners that strayed them the wrong way.

I've lost all my witness at the protracted time and it's just to dismiss this case for a total reasonable constitutional rights in this regard were violated and I motioned for dismissal for judge Murray's nonrecusal, I lost the witness, the inability of being made whole for the theft of my litigation fee of \$10,000 hours were I guilty and I'm not was overpunished, I also believe that judge Murray's giving the division 2 weeks and forcing me to rush in hours myself defense was a usual, unfair and did not give me the right to redo the record my dress reheard peace in that regard I was not given the privilege to defend myself, forced to defend myself while the court is in session entrapment commit theft NY 2 predict acts and other not needed to do by fraud and theft by deception The wheels of commissions was a major point in my defense and judge Murray refused to hear it despite the fact that the fresh start we meant to include the precursor to the commissioners decision to initiate I understand that if fraud and deception of an agency head leads to the commission to take action it would not have taken had it been dealt with honestly than I gain his point for dismissal of the case for the reasons recited previously and in this supplemental motion to support the manifest errors of facts and reasons that I list the correct path to take, The well's notice can't reply if there's a subpoena I'll be read as part of my defense and I hope that you commission with the evidence put before you will with a fair trial not given my constitutional rights to defend I lost my lawyer because of Judge Murray's and judge grimed fraudulent behavior and because of the fraud perpetrated by

the div in to force me
to liigate in house when they knew such jurisdiction was unconstitutional of that were not enough in my opinion in the
commission that the protracted time causing me to lose my dormant witness was the fault of the agency so
that I lost my constitutional rights due to the deficiency of agency divisions the Murray and
McGrath and MacFarlane entered into a conspiracy how do
you feel knowing the case that the Supreme Court decided in the Dish Network case the precise
reason for McGrath's notice and the whistle-blower is
that the investor that lied she was accredited as an investor of all those that lied
was accredited would not be held liable and not charged with certifying the credit of the investors indeed
the basic criteria to accept White House applicants is solely the oath and the subscription offer sheet, WMMW also had
as a result HR, Mr. Burnham who owned his own mortgage company as well as a
credit restoration company and his expertise was a part of his entitlement to the position I bear no responsibility
the credit underwriters in addition to the judgment statement that
should not have relied on Mr. Wugus's opinion that the 506 Reg D was except securities
and I did not interview and negotiate deals with CMMGL and the PL Piper willisans well as discussions
with fiduciaries for some of the investors. All gave me a very poor report that the 505 Reg D was valid
that the disclosures as complete as the best they could give and that the risk they would have taken the risk if they had
will be underwritten though for the least chance that the securities were not exempt as the rates for
registered securities transactions were expected to be and do and do a very much higher I read the prospectus and
thought the prospectus was misleading and I resigned so no conflict of interest on my part
record as used here when it is not applicable the DMITTED I INFORMED ALL INVESTORS BEFORE THEY INVESTED
I did nothing wrong in that I invest in accredited especially when I am being blamed
for not checking credit which was not my job nor would it be good for that WMMW had
4 very sophisticated financial minds and with Mr. Lamnge a Harvard MBA and a head
of finance at ABC Sports and that they were to be a part of the raid
that gave rise to an allegation that the securities were exempt 45 independent divisions of
the Bureau of Consumer Financial Services approved the prospectus and then the action letter taken by this agency in
the first 10, 2011 acceptance sampling the prospectus and requesting a detailed request and no stoppage I hold
the agency responsible not me for not taking actions based on the newly alleged misinformation, As a consultant
I have many jobs signed by those who report to me in this case to the WMMW board and
the individual president, CEO and board of directors
They made payments to me and were the payment on account of

the alleged infringement of fair investment banking violation which is all laughable on its face as my wife accepted responsibility for creating the contract and

there enumerated in his chart is claim that disproved the allegation that I disguised investment banking fee as if I were licensed and since the raise was very small amount of money 55 of the 2,400,000 would be 220\$ when in fact the fees for the contract of 5 investors came out to @40,000

for the job they took with 20 additional human resources warren holders not obligating me to have paid more than \$.500.00 over the 20 months

Therefore I had no incentive to receive an investment banking fee as the raise was not large enough for the risks and compensation for hiring and recommending job applicants was much more finally rewarding so the other as in addition to my wife's reply which I add herein as a part of my dismissal motions give additional reasons **and case law why this case must be dismissed and with it an apology you would be appreciated** events are 10 years old and I must say that the content of Judge Grims and McGrath of Mr. Agostini and the former salvation of the complete unlimited stay has me very concerned that I can only name honest judges I don't know the other than Murray and Grimes but I must say they must be counted out just from that attitude, the saving face motivation that they will go to any ends to take retribution to a defendant daring to defend himself is not only repugnant but when married to the use of non-articles, the violation of my constitutional rights by the suction of justice when the defendant failed to inform the state or federal judge that they lost the first right when the depositions were found important in my constitutional rights as they done height thing I would not have had to represent myself as a third-rate law clerk who can even keep files straight in a computer most of all

I had a dismissal on the grounds that I am almost deaf as an officer and I lost most of my hearing gear as I asked for hearing devices and could not use them as they muffled the sound of my aids and without aids I had feedback problems. Instead of solving it, I tried to ask for answers to be repeated if you read the transcript you will hear the judge trying to be helpful but hesitantly instead of repeating what did you say just let me see if I can get that regard I was denied my rights to receive the same treatment as other defendants that are hearing impaired and the amount of interruptions will be more than anything the reason I was denied the right to try to overcome the other handicap which

DONALD H. J. TRUMP V. DOJ CAR = TE PROGRAM TO HOLD! Outside the sec by
filing in those [state the is can for a tro, That way the sec is forcing them to abide by what the federal
courts initiate by principal and why you donate acceptable same state
case law that either requires or just as it is like in my case you don't force me to represent myself and then when I
take more than 4 hours reading mom to mom, I see with knowledge they were prepared to
the ungoing law or not govern my constitution rights to lawyer representation prepared for me to represent
myself how did we get the knowledge they learned about the entire case before I was even in court? I was paid for
it in other law firms we can't, so in this case I was denied a 60-day adjournment to look for
substituting for that might take some time.
In the judgment of Murray and Grimes, they denied the motion for a 60-day law firm made and denied forcing them to complete
what they were already prepared for. This left me with no legal representation then I filed a motion for the transcript so I
could defend myself. Murray refused unless I included my wife's information and an exercise
of my private data had become the power of attorney in the interim because of her
illness! The lack of support violated my constitutional rights to receive equal treatment under the law. The federal
system grants a multidisciplinary composition. I granted that I have attended at such conversations my
own represented for my cross and redirect testimony, here origin also region and
by his or her action that doctors must be sanctioned by their own medical societies.
In the conclusion that would otherwise not be made, it would be found that their representation
finding of fact was
still attached and with whom that finding being reversed there is no support to violate the fact that findings constitute
a protection of the defendant's rights
to life, liberty and the pursuit of happiness as a sign of happiness is possible and death occurs or a remedy in a
society with a violation of the fact that finding that judge regarded the
finding of fact interfered in the potential life threat of finding of fact and no judge can avoid
responsibility for the person's harm derived by that defendant could judge Murray just a FRESH START;
In this case judge Murray had no right in one case as her or his action of the judge assigned removed and
assigned a judge justifiable perception of bias, then when he denied the unilateral resolution of the same defendant
postponement in a hearing without a new medical hearing permitting both sides to issue
their own medical information to be held to the highest standards for recusal consideration and he recusal motion was
sufficiently based on that judge's prior and subsequent facilitation of a finding of guilty adjudication to be considered
denial of the defendant's fresh start. Supreme court ordered conduct and judge's election to
feemndatdppedasconferedandimplied by the fresh start of order for the related applicant
to have their prior conviction overturned and retried. In this case although he
supreme court wisdom and courage of admitting conviction not admitted and is the law. The cases such
rehearing facilitation plan added financial burden on the defense, if a recusal motion is refused
should have been granted by the subsequent admission by that judge that demonstrates that
motions should have been approved by the retroactive statements on the record that the judge rather
than ruling the fact should not be a judgment should not be instituted but be overruled and the
resolution is stated as a matter of law until a subsequent hearing with additional medical information submitted
which would have and fact to reverse the prior postponement as contained in the sine die portion of
the order itself. In my case both judge Murray by refusing to reverse courts hearsay witness must be discarded
as well as a documentation signed by the control of a majority of disinterested directors resolutions, to
the government of the united states for the funds spent in the pursuit of the personal interest of various
enterprise members bound at the hip by a common cause being the death and/or desuction of an

innocent man obtained by fabrication of untrue allegations that are contravened by the actions of the individual being subjected to multiple civil and /or rights violations. I am in a unique position as from of a financial perspective the theft of my 2 separate assets and the depletion of financial records give me the unique position of the potency that comes with liberation from the financial assets persons settled for including the marital assets which were depleted long ago CAUSE BUT AS A REACTION AGAINST THE JUDGES FINDINGS AGAINST THE DEED AND SO INSTEAD OF PROVIDING MY OBJECTION [S] RIGHT AS ALL ELIMINATING MY DUE PROCESS,, ITS NOT HARD TO FIGURE OUT SEAD THE DIVISION STOLE MY LITIGATION FUND BY MAKING AN ARTICLE 2 ADJS AVAILABLE WHEN THEY AS ENFORCEMENT OF THE LAW AND SHE AS MINISTRA OR TO IMPLIMENT THE LAW BY APPLICATION OF OUR CONSTITUTIONS REQUIREMENTS, SHOULD HAVE STOPPED ASSIGNING THEM THAT'S THEFT BY FRAUD AND DECEPTION AND THAT FORCED ME TO BE A SECURITIES PROSECUTOR, IVE NEVER BEEN THAT I LOST MY LITIGANTS RIGHTS WHEN THEIR CONDUCT AND THE DIVISIONS FRAUD PERPETRATED AGAINST THE FEDERAL JUDGE & ME IN M OSC FOR A TRO WASNT GIVEN THE WHO E TRUTH AND NOTHING; BUT THE TRUTH

commissioners for flling in love with the divison prosecutors as they aren't subsidiaries of the

prosecutors and or lawyers that appear before me, But that at me,we are on the right hand we can
provide the rights to balance the scales prior to initiation of a complaint so that the commissioner get
another 400-600hours of advocacy to prived themselves the courage to walk from initiation of a

complaint for fear we are letting john dilinger on the street or another bernie madoff, that came when Judge Feolak spent 2 month on the a same finding of fact majically became the catapult that made judge murray eliminate me from judge Feolaks compassion and proof as i failed all 7federal ddirections ,,Then the judge accused o ffixing cases for the prosecution by pressuring those judges under her substtutes in the same judge she substituted in when she slamed Judge Elliot for not signing an affidavit to cntravenej judge lilian Mcewen sstatement,,The grvemen if the effect on me was unquestinally that justice ior sale before judge murray, not necessary for money,but for her beleifs that the guilt delegation lock her intodepriving defendants of dismissal rights That's her rational to 8 defendats that motioned for a dismissal,'I don't feel it right to become the appellate for her commissiones then why take the case in the firstpace, My age was another issue wherin I was deprived of representation adequate to be given a fair hearing,, When judge Murray denied me the transcript knowing I signed the declaation and im coundt breach my fiduciary as my wifes' power of attorney as she still had enough t to think on her own im not doing to take advantage of the trust my wife and I made to get her over 60years! transcript that Mr. Mains' interview which followed mine as I interviewed Mr. Mains and Mr. Luxifi was asked to discuss the investments it held interest for them and not as a result of my probing as half lied in their subscription to get into the program that these came in Puccio Lockett's sheister kamphadmitted liars and perjurers who were informed in the subscription if they lie about being credited it will irreparably harm their company and so Judge Murray's belief by reference to know people is also in my witness section 7 as also in the MMA chapter 11 we discredited the declarations as disingenuous of Main, Sullivan and Berjedekianso Judge Murray had no one to rely on other than the investor that lied on the record MacFarlane an investor who believed with Richter played a major role in obtaining the divisions power and only this commission has the power to ask its staff and in confidence you will find the center is retained a \$5 million as a payback for my advocacy which project will result in an annual cost reduction of \$200,000,000 a year by a 20% reduction in household complaints fear driven by the unilateral power the enforcement division has because of the hold back that a new defendant's law firm can't find properly in the time compared to the 2 years at least the division's legitimate investigative team to lead into the forest as this concerns cover food shelter and a defense all unavailable to me get to be 80 and see how alert you are then or ask your mom or dad's my age if still living now I must protect Joan and the agency's financial due diligence but a too many omissions of non-accidents 2 judges Murray and Mr. Mains are the only ones included and they damaged me and they damaged themselves and don't look for revenge as the Lord doesn't want us applying to get in with hate in our hearts I want to forgive those that harmed me but I need help They stole 90% of my left to live life or one of my partner's wife just as in crab brain can survive with 3 months left may the Lord cure her now,, I don't want the government to pay damages as I won't take it as if I let's my brother's sister and father and mother but I deserve compensation for the whistle and I'll continue to charge handle the balanced secretly as Or President can use all the help-p that he deserves and fortunately we are reminded to him than any other human on the face of this earth I'm so proud to be under him and my brother was a junior partner of mine with Tom Boland and Paul Dano and a host of others that the president will remember so I'll be sorry but I need to even find my contribution huge as the net present value of 200 million a year is at 47 billion Now I'm no President Trump past this week he stroked the checks for \$200 billion in one shot and number to come suspect this is the only man that can do what he promises and then exceed that by 10 times just think of how few were in 108 and now with him are fortunate and need our help as Joan deserves some of my time don't you think. I ask that you don't force me to focus on feeding a senseless absolute hellrendou case it was invented and that reason in need to find out before it died at base was at the time the largest in the world as Facebook had 750,000,000 but I had 830 million an estimate. 01 per acre is a mission was customary for well combined lists and in a double option its very valuable as it came from product buyers and as well as service buyers considering that the sports spectators are 50/50-men to woman and the age group is 14-80 the amount that could be expected if seen enough could be .50 per geographic region per year incremental but the limiting factor was the growth of his with computers iPhone etc So population is tricky as not all of us have the money to use the internet, and we projected the same years 3-5 for Facebook much more excessive so we were going first with it at no cost other than 10% just like I would have costwre they succeeded until I was paid for the effort I made at the 26 months a fair price for services I had earned \$3 million! Judge Murray didn't tread she had

2 weeks and some small correspondence which she rarely answered. She was very brilliant however so her grasp was excellent for a 40-hour week but 10,000 documents is more than 2 years. She didn't let you know that the Jan 5, 2012 WMMAPPM had its risk section the fact that the WMM website might not integrate with and or be compatible with him and if so Wmma would be irreparably harmed. What more can one say now the fact that Mr. Lux's 2013 deposition testified that the 6 little tests with the IMC databases didn't work was because the WMMAP persons didn't do exactly what they had to do for it to work that Mr. Lux's deposition and I concur that without an operating website and live shows no events so the people could see the action no give away except as dollars would work had I read locks mind I did have known that Mr. Farlane located us out of the black ops webbing finished probably to force Cabela to be seen where he wanted to penetrate for his own reasons and to depress Wmma so he could buy on the cheap read my wells reoly ex amr loc jetton the cheap and you'll see how angry Madfarlane aouse the investors against me until after his loss only one issue and a napo;ogyas Sullivan and bered kam falsu accused me of the loss of main money not knowing that my wife's loans were in Wmma and it doesn't read it to Wmma and Wdia and isa so they all guaranteed the loans but Sullivan and Verjedian had not seen the transaction as they didn't ask! Not that they were denied as sch 1 demonstrated financial reports from the finance team from 10/5/11 when they first invested and before the 50 days when in Dec 8th we reorganized the company to reunite a fragmented management team as Sullivan and Berjedian were all full of thoughts of theft of the money they watched with a bookkeeper no less and the company we start ups until they lost their own money and MacFarlane brilliantly moved their focus away from I and his partners theft, I recommended main hire McGrath to audit the 3/31/12 event and by email he refused the suggestion as he stated it cost \$20,000.00 bill informed him the projections projected over \$1,100,000.00/000ma \$450,000.00 budget wasn't it worth \$20,000 to protect the \$600,000.00 in cash from the various cash flow items!! If men they spent their time as if auditors always us looking for a thief from whether you have look at MacFarlane MsBeir tried to wise up McGrath with hers her yet brilliant remarks but they did note and who to be a partner and so she so lit the firm into interest groups and a man could not control these men as they were disingenuous! It has another story but the point is Judge Murray's witness were her prosecutors and they would use the hearsay rule as if it meant they would say what Craig lawyer when same I forgot that Mr. McGrath stated didn't five can not use his name and here he is a co shareholder of Wmma with Teresa Puccio, his name was Craig Eaton and that transcript she removes from me because my wife won't let me give her own separate financial picture and we filed separate returns for over 50 years so that it is not to hide millions rather when you have alzhimers you get paranoid I wasn't going to give her stress as this fake suit caused her enough of that I'm sure you'll agree, to will demonstrate that 2 of Mr. McGrath's lawyers mentioned as witness both had failed memories I say this to let you know that the time was way too old and the memory was confusing did I remember it or the paper I read last weeks ?? transferred for "memory" It's hard to tell. So the lawsuit was not fair for either side least of all it denied me of my litigant's rights all around I could not get a retrial after 3 years I let alone one with a judge biased who refused to let loose and would not excuse herself knowing it was obvious she had been biased the days she pulled Judge Feolako off the case and then the evolution of the protective order and then the trail date in the face of a finding that a trial will irreparably harm me. It is a nice word to describe how wife's especially a review of the dress rehearsal of the 6/19/12 dishonetary wider meeting when you see my wells reply ex a pg 17 n listen to Puccio's the agent of the second whistle blower as the FBI's evidence and back date it she will sign it first how do you like listening to Mr. Lockett with respect to him knocking my ears in with a story that they pla

to happen to me just listen to the hate and mind you need across word until the fine teams
\$450,000 budget and a loss of 2 million 2 weeks later after all the effort to think that it slipped away from their hands

Anyone who would accuse me of trying to milk what in my mind would be my wife's inheritance is fool
and the facts prove that there entire well and complaint was just that a fool playing not of the real
world as it was made believe from start to finish and the document prove it; a majority of disinterested
directors my forgiveness of a million and McGrath lies that I milked millions from them so that had I
President trumps powers on that day I have taken them out to do this to wife and MMA partners all
good fine men and be sold out by crooks who turned the gross negligent finance investors
against their own company while still officers and one director of MMA!! I explain the falsity to a T and then
they held a shareholders meeting putting forward what Mr Lockett said he would do to physically noles credit
it will turn your stomach to be afraid me by lying about me and Mr Agotini prior was really more than I
could take at the time, of truth about the defendant after the Orient Express is my way to say what
happened she viewed me as adversary as on the transcript so forgot what her words meant but I didn't
and you won't none can say I received fair trial after I first heard the Jeanne
Eaglesham article then read the unispector general's report to Maryo While and
read the New York federal judge inform McGrath in 2015 that he had to get the article done but it was easy Then
I didn't fully understand what he was talking about but I learned real fast after that, was justice then
experienced first hand Murray's manipulation of judge's modification of scheduling as week now is the
fact that I had a judge who believed she was in the shoes of the commission that found guilt before any
hearing based on the years the SEC investigators have a lead over the defendant law firm brought in and
with about 2 months to prepare for the wells if that, on my behalf, that time and that's never near
enough to get ready for the SEC but my strategic ombudsman plan is now in my mind and I
master strategic planner first and foremost were I lawyer by training it would be a disadvantage as a
businessman you can anticipate and purchasing depressed companies make you very adept at finding the
weakness especially in almost all standard trial claim categories, sources of concern on the seller's part
and the disguised they go through make me understand the brain of McGrath with his absurd remark
that I disguised an investment banking fee when there never was an investment banking fee mentioned
in MMA, to hide the investment banking fees would be a joke as the average fee for investment of
250,000.00 would be about 5% or \$12,500.00 when the H/r fee averaged double that at a \$100,000.00 base
salary! So it made no sense even if a person was a crook and a start up can't afford a hr fee unless there
is money invested and then if your raising a lot of money you might throw the hr fee in free as the SEC is
involved in billion dollar deals and that not what MMA was head hunting far more profitable. I never
thought of the reason that the brain damaged mind conjured up an investment banking fee when they
are puny in comparison to hr, made no sense 25% of the first years compensation!

It took me almost 3 years to back track and find out that the 6/19/12 dish nest shareholder meeting was not a
plan for the future but the testimony they were giving the SEC that the SEC asked Puccio to brief the
MMA officers! What puzzled me was that shortly after Lockett and Hestekamp resigned from MMA a
they saw the Puccio and MacFarlane resignations and
I guess that's when they decided it would take the stock long so they were ready to switch sides in effect asking
for my assistance when I already had read their treacherous dishonst meeting
tape, in any event they filed claims with Harris relating that their Puccio and MacFarlane resignations
announced MacFarlane was ever part of the MMA Precidency and she admitted that in Dec 2011 she
Sullivan and Beredekian admitted that they knew MMA was a ponzi scheme in Dec

Just as with the Mcgrath enterprise members’ [MKevin McGrath MrBarry OConnell and Mr Nicholas Kolodney, they knowingly play to a courts bias; if a court like Judge Murray comes along; were easy meat as she just loves guilty felons as im sure you know from her record winning3 year competition ending in3/31/15 when the in house SEC judges made 90% of the defendants guilty while in the SEC federral district court venues they found 32%of the defendants’ innocent by a valid comparison conducted by the wsj, Jeanee Eaglesham in her “SEC WINS BIG WITH ITS INHOUSE judges[ADJLS]”that the judge we were as its interesting to spend 6months’ there and not ones life!

WHEN ALL I CALL MYSELF IS ED AT THE PRELIMINARY DISCUSSION FOR A POTENTIALINTERVEIW BEGAN ON THE PHONE THEN IM INTRODUCED AS ED AS THAT IS NOT ONLY MY REAL FIRSTNAMEAND MOREFORMALLY EDMICHAEL,BUTIONLYDISCLOSEMYLASTNAMEAFTERA FACE TO FACEAND A 2 WAYNDAISCSIGNED AS ONENEVEKNOWSIFABADEVENTOCCURSANDTENTSGETINGEVEN TIMEAND THEYDO IT TO HURT NOT TO MAKE MONEY! ~

So i /they never want to lose my/our control; but im and we are not always successful as we all have our buttons' and one of mine is anyone using my felony as a tool to take advantage of as the mcgrath enterprise members used that tool to demonstrate how uncouth and comical lthey are and that they believe in trying to harm any one in front of them so the way to win is to creep up behind them and cut ther you know while telling them you love them and are frightened of them as that's a big turn of the clowns as they are so weak they want to feel strong and by telling them you are afraid of them they think you thing they are strong and that when they want to hurt you a little as if they kill you your dead and they get backballed by the judges who don't understand that when you take a bear in the woods you bete be sure you have a gun a binocular for long ranges shooting as they run stand don't try to run faster as they go 0 miles an hour for an hour while your dead in minutes unless you get a steal ball and hang it from a tree and when the bear comes at you aim right at its head as that's the weakest part of a bear unless you get him from behind and then you know what to do as we cover that,

My strength is my biggest weakness aim poor and m poor because of your bullies and because your judge murray defrauded me idn't tell me she wanted an article 2 constitution 2nd amendment player and her allie the division that reports to the cogliere of the commissioners also led his division to commit material facts to the federal judge that asked for a OSC for a tro as in milland 82 in one month! I've been ill as your new chief administrative judge found as fact when he was deflected my case and since she didn't know that the administrative judge had committed a phopah 8 years before by not enforcing the article 2 appointment clause she just made her finding that in milland that I needed a post-nemesis die., She found as fact that if anyone tried to force me to testify id be irreparably harmed and she was correct as I failed all 7 d; federal district court fact tests this judge respects federal judges, is honest and not in competition as all she wants is an honest judge that's not a bully that doesn't play ball with the division behind the defendant back at the ir times he does that she is owned by ine half of the equator and can't help anyone., That happened a long time ago to Judge Murray on information and belief so she not only manipulated her schedule 2 twice in 2 months by moving judge Feolak off my case after the division screamed that Judge Feolak doesn't hate felons and or believe every defendant is guilty she just wants everyone to do their job and won't play ball with anyone unless everyone is present that's why I admit my selection, Now since you all know the facts about the pervt started when your bullying Judge grimed and mcGrath joined forced and didn't let us know that they had no adjl qualified to try me., Had they just been honest with our federal district court judge, stated he had as an appointment on the evening in house judge that can constitutionally hear the case then id be out in federal court as this sentence is bad on her say! That's ok in your in house system but with hot an in house adjl article 2 appointed its deception of the mcgrath enterprise and omission of that material fact plus brinsman hipast they flashed dodd frank at her and stated they had first right of jurisdiction selection but again failed to inform her that when judge murray affirmed them she has = daadjl waiting in the wings for me they and she knew what that adjl was and that's fraud and deception of me, my federal judge cost me million litigation funds double litigation costs wiped me out of a lawyer and that's not only not fair no honest and a fraudulently induced to make that part of federal osc tro court violate my rights because of your teams fraud., In addition when I was introduced to the most honest respected judge in your adjl system barrington she was switched after = she made a fact finding that judge murray and the division didn't like so they plotted and played switch hitter on me, I've been with over 50

judges in my life time tried by them admitted all of them except on who didn't want to put in trial
to take place with 500 aiders and a betorss sused venuto
defeat a real tort which incurred,, Since that time I've made sure that fraud and
deception used to steal one's assets without sue process is action a blagaint anyone as
we all hear Ms Pelosi's brag do but all hear say and without that 2nd article I was
defrauded once by judge murray's play acting twice by the mcgrath enterprise
ommission of material facts used against a federal district court judge to steal my time as
a separate predicate act,, one is for the money that litigation fund stolen from me with aiding and abetting by and
with judge Murray and subsequently by the macfarlane enterprise with Katherine Richter who as lawyer for
the new co macfarlane enterprise joined with the mcgrath enterprise to divert the wmma
investor/operator's attention away from the theft of my litigation fund theft of my hours using 10,000 hours in
the wrong jurisdiction based on a conspiracy and joining of enterprises from the judge Murray/Grime
enterprise pre-committed 150 predicate acts of theft, fraud and deception and add my 4 predicate acts of conspiracy to
commit and obstruct justice from me by switching judge Grimes and pulling me away from judge Feolak
and orseyet Judge grimes disolve the post 0 nemesis in die order but can't throw out the finding of fact that if they
s to force me to testify will be irreparably harmed and prior to my new medical evidence to the co
try he forced me to go unclothed by dissolution of her protective order and then he forces me to
testify by callia 120 hearing date! Judge Murray denies my appeal that she abandon this dissolution of a
protective order and by refusing to delay any hearing dates and Judge rimamndirays refusal to grant me
60 days by my council's motion to leave because the circus ran me out of the money
before I could catch my breath..

Im so sorry to bring this tip of the iceberg to
this commission but let me also inform you that I've never received a fair and just
hearing either before the based judge murray who confessed to mcgrath on the
transcripts rec'd that id = shedenys meter right
to object to his sue her for violating my due process right,, By inserting her own personal
fears whether fact or fiction is the point as we all know why she failed to recise herself she ran out of Grimes
she ran out of mcEwen and she ran into judge Elliot who refused
to sign an affidavit that if signed would have contravened judge mcEwen's statement to the press as an inspector general
that Judge mcEwen's not presumed to find more case for the prosecution! Why then did
she obtain a 90% conviction rate she bludgeoned the adjls under her to thing guilt in the instading in the shoes of the
commissioners which already initiated the complaints so where the to refute the commissions initiation of a
complaint where we all know the reason that the commissioners ran
for voter,, the defendant in house is like a limo in new without a driver running up against a
4 court press against the ATEM! We have the money
we have the power but when we construct justice by using it we lose and in my case that's all that happened as I lost in
each round so poorly that no one can ascribe it to chance and must ascribe it to the murray fix Shis the architect
the fix that's why judge Elliot would not back her with a perjurious affidavit and sent
a notestatin he went bending in any affidavit,, utis push comes
to shove he will stand before federal district court judge omamnos why he should not have to
testify as will <s, cewen and Judge feolak as she knows the back ground of th Murray fix why shedod iyyo
Judge feolak order to protect me! Judge Elliot's ready made his statement before refusing to sign an affidavit

to you aftertheyexplainedthattheyworkin 3persotems so thttthe expensivehourlylawyrsgethelst20%of

the clock to the your average hourly rate can be a
combination of \$250.00 administrative overhead and another lawyer doing the research
while the 750.00 hourly dealmaker uses his shoes as the weaker half of
us which is all over the internet as if I didn't inform a business
associate until after they invested, in this company no one could [duty] as the
assigned saved and used when needed so the purpose of the interview is a job
that pays a little bit from the top as much as down stream is required to make the deal and
this is in the same level that is supposed to follow. That is as involved by waiting
realistic assumption that you know you can achieve if the men you hire failed! INTERVIEW WE HAD
HIS OWN BRADY CALLED ME "DASPIN" 3 TIMES AND NOT "ED" WHICH IS THE STORY THAT I BELIEVE
MCGRATH CORRUPTED THOSE CORRUPTIBLE AS 2 OF THE SECS WITNESS INSISTED I CALLED MYSELF ED
AND THAT'S THE INTRODUCTION ON THE TELEPHONE UNTIL A 2 WY NDSA IS SIGNED AND THEN I TELL THE
ED & JOAN STORY WITH MY FELONY CONTAINED IN THE STORY SO THAT NOON MAKES A DECISION TO BE
AN EMPLOYEE SWEAT EQUITY AND IN ADDITION A HARD CASH INVESTOR JUST AS I AM DO YOU WOULD
WANT TO KNOW IMPORTANT QUASI EXCLUSIVE INVESTORS, OR O'CONNELL COACHED THE WITNESS AS MR
MCGRATH TRIED TO SUBORN MY CODE FEND AT MR GOSTIN IS PERJURY
BECAUSE HE AND JUDGE GRIMES VIOLATED THE 2ND CIRCUIT STAY WHEN MR GOSTIN FILED A UICIA
TYPE MOTION THEY ACCOITED IT AND STAYED ANYON W FROM THE SEC
FROM TALKING AND DOING ANYTHING WITH RESPECT TO THIS CASE WITH MR GOSTIN THAT I
REMEMBER NOR DID HIS CHARTER INSURANCE CLAIM ALLEGED I DEFRAUDED HIM BY USING AN ALIAS
AKA AND/OR WHAT EVER AFTER HE SIGNED THE NDA, THE CIRCUS MANS NAME I FORGOT, BUT
HE LIED SO MUCH AT ONE POINT I THINK HE SAID HE LIED TO ME THAT HE WAIN BECAUSE HE WAAAA RAID
THAT MR BURNHAM, THE WMM SRVP HR, WHO WAS RESPONSIBLE FOR RUNNING THE MARKET LEAS
FROM 6 FIGURE JOBS DOWN MAKING APPOINTMENTS INTO THE WMA PARTNERS
AND HATED ME AT THE SAME TIME OR SOMESUCH NONSENSE AND THAT I CALLED MYSELF ED
WHICH IN THE PHONE CLERK INTRODUCED ME AS ED AND ANDREW YOUNG AS ANDREW, WHEN HE VISTED
AND SIGNED THE NDA ANDREW GAVE HIM THEN I GAVE HIM MY BREIF ED AND JOAN STORY AND THEN
ALL LIES EXCEPT THAT HE DID SAY AS HE WAS LEAVING HE WAS GOING TO SIGNUP TOMMOROW, LATER
HE ADMITTED HE SAID THAT BECAUSE HE WAS AFRAID BURNHAM WOULDNT LET HIM OUT OF THE
OFFICE ! CAN YOU BELIEVE THIS STORY THAT HE BELIEVED BURNHAM A LIQUER SALESMAN WAS GOING
TO HARM HIM BUT HE WAS USED TO ROUST ABOUTS FROM THE CIRCUIS! IN FACT BECAUSE HE ADMITTED
THE NEXT DAY HE LIED I SENT HIM A VERY NASTY LETTER AND AFTER I DID NOT THINK I WROTE IT BUT
THEN I REMEMBERED MORE OF HIM AND THAT I OFFERED HIM A CONSULTANCY POSITION TO SEE IF
THAT WOULD HOLD HIM FOR WMMMA ONCE IT WAS MAKING MONEY! It didn't work and he was at the
hearing to lie like a trooper and get even for my nasty Please read this tragic mans; words and think of a
grimaced face! BUT IN THIS CASE WE WERE NOT THAT LUCKY! As Judge Murray had made her
announcement on the record that if she didn't let me object I would sue her! At that instant for her
being so truthful and admitting she took me personally as a potential threat ! The die was cast so that I
mean no disrespect to this agency and or the commissioners I respect what's been done under your
watch and I hope I'm permitted to help some more, Judge murray's reason for denying mcgrath's motion
to shut me down was for eliminating my due process rights she believed I should have agreed to deny me the
right to object I'd sue her, THAT'S ABOUT THE BEST REASON SHE SHOULD HAVE GIVEN HERSELF FOR HER

OWN RECUSAL AS SHE WAS NO LONGER AN IMPARTIAL OBSERVER AS HER JUDGE GRIMES SWITCH MADE CLEAR SHE WAS BIASED AGAINST ME FROM THE START. ANOTHER ONE OF MCGRATH'S STORY TELLERS WAS LUX, MAIN, SULLIVAN WHOSE CLAIM THAT I INFORMED HIM IN HIS BRADY AT THE 11TH HOUR I WAS A FELON WAS BLASTED TO SMITH HERE BY MR RYOUNG'S DIRECT WHEREIN AFTER MY INTERVIEW WITH SULLIVAN AND MY ED AND JOAN STORY I INTRODUCED MAIN TO HIM AS HE VOICED AN INTEREST IN THE STOCK ADVANCE, AFTER MAIN WAS FINISHED MR YOUNG STATED HE DIDN'T THINK THAT SULLIVAN WOULD JOIN BECAUSE OF EDS' FELONY AND THAT THE FIRST INTERVIEW ABOUT 60 DAYS BEFORE HE SIGNED UP! ALIEN CAN'T HOLD ON IF THERE ARE WITNESSES! I INTRODUCED HIM TO, DURING THE 2 WEEK HEARING DID MEANING THAT MR NWUGUGU ADMITTED IN HIS CHARTIS CLAIM AND EXHIBIT HE WROTE 100% OF THE WMMA AND WDI PPM'S; AND HE DID.

THE DONALD J TRUMP AVOCATE PROGRAM MUST BE IMPLEMENTED UP FRONT BEFORE ANY COMPLAINT IS INITIATED MI MEAN THE DIVISION CAN'T HELP ITSELF AS IT SEES GUILT BEHIND EVERY DOOR BUT YOU AND I KNOW 33% ARE FOUND INNOCENT AND ILL BET ANOTHER 17% SETTLE FOR FEAR OR RUN OUT OF DEFENSE CAPITAL! That's worth saving 20% so that they are not put in the complaint

How do you think I felt knowing I'm the benefactor of WMMA being accused as looting WMMA; being that that gave up the fees in the very contract alleged to be used to rape fees by the Wells notice,, The division became a tortfeasor as to much exculpatory evidence was deleted to may positive compliments were deleted even in Sullivan's brady he stated "Daspin believes he is doing the right thing! Is that scientist? no Judge Murray's consilicthertaking it personal by claiming the record that if he doesn't let me object I'll sue her for violating my due process means she takes me personal now if you believed if I survived as innocent this case I'd take you personally for not recusing herself knowing the animus exists and bamming me for being her potential aversary mrmember this is a lady who believes any judge can call it one way or the other so much for honesty,, In her vocabulary she just signs judges until she gets the one who does what she wants done Grimes pleaded her as she put me in harm's way because of the oip allegations before any hearings and before any new medical information he just disinvests the protections judge failed granted as failed all 7 federal factors while on preventative medicine in my [REDACTED], [REDACTED] is it any wonder and this man called any on article 2 judge throw me to the wind; takes a chance with my life in the face of a finding of fact by a very respected judge who sacrificed 3 months on medical issues and was correct!,

What husband whose wife could exercise her warrants to own 92% of WMMA look to rape it of fees! Only a madman and I've never been accused of that,, my wife's ability by warrants to own 92% of it! yet both non judges tried to fix judge Grimes into a default and they did he agreed that I committed all the oip allegations; and during it he coerced Mr Agostini by clearing a bell without use of his name but the oip allegations of his alleged aiding and abetting threatened him up to \$1450,000.00 [50% of my fines etc].

The McGrath sent him an offer he couldn't refuse in contempt of the 2nd circuit's stay; then McGrath has the unmitigated Gall to attempt to have against I agree the, Agostini, asked for the settlement first!! To suborn Mr Agostini's perjury by asking him to say, he, Agostini asked for the settlement first! We have McGrath's email proving he is a perjury suborner, a bully and I must state by his omissions' of material facts, exculpatory evidence not in the Wells notice he is beholden to who ever you must find as you have a [REDACTED]. In my humble opinion on 28 Feb 19 I can offer advice to those I respect, So far every thing you've

been up against you've come out on top. But we don't win by succumbing to doubt or by weakness. Courage is calling it even if it might harm others as rightism might and weakness would be dodging the responsibility to solve the problem. I'm ready to meet with one and/or all of the commissioners I've invited you all to visit my home. On the 30th of this month I'm tied up and on the 26th Joan needs to go to an neurologist as her steps are in a way that she's so those army only inflicts if I have to visit you I'll make arrangements or bring Joan so you so the byproduct of what happened to me and her and my family, it's tragic. We know I'm innocent of every allegation so I'm not asking for anything I don't deserve but this commission is asked to rise above the instant situation take the advocate program as it's in your interest as you can select the federal judge who won the findings as we administer and build assuming the best and will prove the validity of the savings of reputations money and time. Look at me! What would any of you do to protect your own family member from such a horrible error, a manifested error of facts to such a devastating degree that the innocent were found guilty, the judge side identified personally with finding guilt to protect their apprehension that I'm going to sue her and abstain. I'll have no choice, I'll risk for what you do if your father received what I received to recount 1] then the judge informs the prosecutor if they get the troi de = federal court dismissed she has a judge to assign my case in house; they defraud the federal judge as they submit the material in fact that no article 2 appointed and that the case is not given to federal court will be protracted and a nullity and the plaintiff [me] will lose his savings, betried by a non judge lose his litigation fund forced to represent himself fixed by a postponement sine die forcing the division to complain to their protector Judge Murray still not a judge plays musical chairs knowing that my life is on the line as a fact was made by Judge Feolak which found irreparably ahamrif forced to testify, the grim reaper dissolves the protection without any new medical evidence to the contrary, then he dresses me to testify knowing he could destroy my wife and my wife as she is coming down with [REDACTED], [REDACTED] [REDACTED] used days before the hearing and so the division gets a [REDACTED] to find in a matter of minutes and by so doing justifies a safe fault judgement that was going to be given in any event as I wrote to Judge Hrims and Judge Murray exp, ained they were fake judges, that their own reputations were marred and that Lillian McEwen delared Judge Murray pressure her to find for the prosecutors, then Judge Elliot refuses to contravene Judge McEwen and is fired by Judge Murray a month later. The US Supreme Court give me a reprieve and also Judge Murray who self appointed herself knowing she should have recused herself as she orchestrated the judge switch in demonstrated when I motioned her to overturn Judge Grimes' dissolution of my protective order denied it making it evident she wanted it that way just like she wanted him and when Judge Elliot would then contravene Judge McEwen for obvious reasons of Judge Murray's gut was he a witness for her he would have signed an affidavit. His refusal got him fired and Judge Murray replaced him with Judge Grimes, Now in my case she runs true to form. That's why when that occurred I knew that everthing Judge Lillian McEwen stated was true, incidentally when I brought out Judge Murray being a judge fixer for the prosecution Judge Grimes stated on the records "SHE WAS YOUNGER PEOPLE CHANGE" EVEN HE COULDN'T CONTRAVENE JUDGE McEWEN EVEN HE HEARD HER ATTEMPT TO FIX ADJLS TO FIND FOR THE PROSECUTION THATS WHY WE ARE NOW GOING TO ACCEPT ANYTHING SHE SAYS MAYBE IM DREAMING BUT WE CANT ACCEPT A DISFVORED JUDGE AND THE ERROR WAS THAT THE NEW COMMISSION HADN'T HAD THE TIME TO SORT OUT THE CHARGES,, NOW YOU DO, I ASK YOU TO TALK TO JUDGE ELLIOT, TO JUDGE LILIAN McEWEN AND ASK HER TO TAKE AN ALIEN DETECTOR TEST THEN ASK MURRAY TO DO THE SAME AND

ASK JUDGE ELLIOT TO SPEAK ON THE QTAND DITTO JUDGE FEOLAK,,I CANT SEE JUDGE FEOLAK BEING SURROUNDED BY JUDGE GRIMES IMEANI N A DEFEDERAL DISTRICT COURT HE WASKED IF HE KNEWTHE 2CONSITUTIONAL AMMEDEMENTS HE USED AGAINT A FEDERAL DEFENDANT AND HE STATED:

..”NO! BUT I DID IT ANYWAY” WHO Would ACCEPTT HIM ANDFINDING SHE DID ITANYWAY TOME HE DISOLVED MY PROTECTIVE ORDER SIGNED BYJUDGE FEOLAK THE JUDGE WE BOTH AGREE IS AAAAA PERSON!HE WILL UNDERMINE HER BY HIS REPUTATION ALONE,MAKE HIM A PROSECUTOR AS HE FIT RIHT IN WITH MGRATH!BUT ENSURE HE DOESN’T SUBIRN WITNSS PERJRY LIKE MCGRATH TRIDO WITH MRAGOSTINI ASK AgOstini look at the2nd circuit sorder What do we do when the prosecutors’ been caught trying to cheet leave somuch materialinformationoutofhiscomplaintand the ndas non existant info an in fact like charging me with milking wmma when his sec fraud analyst found no fraud against me and end of the service contract by stating that in it EX A[d]i and that the most that mkma could receive was no more then10%of the equity regardles how large its fee was and at that time its fee outstanding WAS \$2,000,000.00 after forgiving BY MY cbi one million and it received \$240,000.00exactly10%of the \$2.4million its ceo and President mr lux and Mr mains cross examination admitted they raised from investors! [NOT ME]mkma received \$240,000.00 over 20months when the invesotors invested\$2,400,000.00 Its uncontravened that’s exactly10%just what the contract states!No way to restate checks and or wires as the investigation occurred long after the money left wmma so the proof that there was no milking was in the divisions’ fraud analyst,MsBeir,hands !mr Nwugugus confessionn he ,not I wrote the PPMs yet the Wells states i wrote the PPMs; yet luxs 2013 deposition 3years before the Wells notice states that Nwugugu wrote the “lions share” and that the wmma directors resolutions contoled wmma, no tme!as the Wells and the complaint states Its almost comical,were I not so ill and were my wife not so disoriented; that every Wells notice statement was contravened by the SEC witness mr Giordano, the WMMA chapter11trustee stated in his fact findings that i committed no wrong doings at wmma ![Then ms Richter,K atherine, who I had no idea was trustee this after the main ,sullivan berjedekian and mcfarlane declarers pejur themselves and make material ommissions’ of fact ;yet judge Gambreddela ,found that her trustee was correct, that i committee no wrong doing and that me an Sceinter,In addition judge Murray didn’t read this case as her manifest errors of fact not only arise by her predisposition in believing im going to sue her as she repeated on the record in the transcript heshe refused to supply it despite my declartion of [REDACTED]; was well below the required threshold just because my wife enforced the privaldege and then to attempt to obtain adequate transcript memory I asked her to supply me with a copy of her notes as she took detailed notes Instead of assisting a prose who was forced into proseedom,becausegestolemylitigatuinfundbyaidingandb=abetingwiththemcgrathenterpris to defraud td[federal judgebyhiding thefactthatnonof theadjlswas article 2 complainthseinformedthedivisonshtheadajudgelready toaccept the csethe day they filed and with that the prosecuc

on6/19/12 notified all 6wmma investors colluding on page17 with [REDACTED], as
a 3rd party SEC agent! In fact Mr Main was Mrs Sullivan's direct report to Mr Main so that Main knew that his
allegation was contravened by Sullivan's exclusive ability to report to Mr. Main and the Wmma board of
directors; in addition my reply to the Wells Notice specifically in the glossary index at the rear states under Price

to demonstrate that Main, Sullivan and Berjedekian all knew Wmma was in the clear by not filing a
1099 against MKMA revenue as its MKMA obligation to show its revenue while the same
time its MKMA obligation to was paid to me down to \$1.00 a year, Anyone familiar with the declarations
and my thoughts to have his skill over road must know that I offered him a consulting job
until Wmma demanded money and then few are in investment like ever one else, We had
4 consultants at Wmma at that time so one would not have harmed me a talent such as his, Of
course he did not think that as he would not have harmed me a talent such as his, Of
course and his circus background was such so that even a
consulting offer hidden in discontent with his attitude was made, The man's testimony was so disconcerting that he
insisted I called my wife after he signed the award which Mr Young, the SEC witness in charge of the
candidate's ND sign-up folder, PPM's email and correspondence
proved he was just an angry man. In fact when he was introduced he had a smug look on his face but I did not remember
he
face it was only when he mentioned the circus that I knew whom he was and like I stated I offered him a consult
ing job for pay, now rents or shares and no up front money but I think when he nonotmsly that he believed
the operation was to trick investors to invest in his interwld's I mean and made me look foolish
so I wrote him a nasty letter which did offer a consulting job as Wmma had about 3
consultants. When he left I mentioned it to the employees and admitted I thought the sma
waste of time, I just contacted Mr Burnham to see if he was sure that the man knew the rules and Burnham's
tatehedid, After he read them PPM over 45 minutes he insisted
asking Mr Burnham if he could interview me the 20+ partners, I guess I must have been interviewed usually let
an applicant interview with more than one or 2 Wmma. I did not interview with Mr Burnham and if they show a nest nesth
ey meet them decision makers Mr Lux and Main. This was changed as Mr Burnham in his gate
icourerhtnbgasterallexoemsedmmstckinvstorsm could receive, 2,57 months of principal advance and that he
would be wasting his time visiting if he believed there was any room to change the boards
voted they elected Mr Burnham finished the conversation and the next day he was in the reception room Mr Young's
home he is a dad and some thought the sin true MFORWMMAS THE RIAD TOURNAMENT AND IT

WMMMA CONTRACTS,,

Not once is my name mentioned as causing a fraud on Mr Heisterkamp and ditto Mr Lockett [deceased] as a fact that Mr Lockett accuses Puccio and MacFarlane in their even dated chartis claims as fraudulent inducing him to join WMMMA! Not me!.

At the same time Ms Puccio blames Sullivan and Berjedekian as alleging I asked Mr Agostini to assist me to steal Mr Main's investment in her Dec 6/7/2011 emails and on DEC 8, 2011 both Mr Main, M Sullivan and Mr Berjedekian indemnify and hold me harmless and find me innocent of in any way stealing Mr Main's investments as neither of Mr Sullivan and Mr Berjedekian had the due diligence to look at the loans approved by the WMMMA board of directors that my wife loaned the WMMMA companies. These loans were repaid by drawdowns of the loans she made as her loans were only made because WMMMA needed to show a financial statement that showed a net worth of \$1,500,000.00 made up of capitalizing CBIF forgiveness of the MC database fee for one million dollars and Mr Main's purchase of \$500,000.00 of WMMMA USA [2], \$250,000.00 units composed of Mr Main's \$333,333.33 and my wife's WMMMA loan which WMMMA invested into WISA and gave Mr Main the 2 WISA units despite the fact he only invested \$333,333.33 of his own money and WMMMA put up the remaining cost of these second WMMMA USA for a \$500,000.00 investment. One from him and he was the beneficiary of the remaining \$86,777.73 from WMMMA which issued him the extra additional shares as a bonus. He didn't pay tax on the bonus so he invented a liability that he purposely stated he invested \$500,000.00 instead of that the PPM should have stated that Mr Main invested in 2 units of WMMMA USA which was currently selling at a reduced rate as the first investor,,

The new WMMMA PPM for Jan 5, 2012 departs from Judge Murray's allegations as she makes a manifest error to the effect that the PPM does not reflect that the MC database and the WMMMA website may be incompatible when operational, I had no knowledge that WMMMA tried to use the MC databases 6 times but Mr Lux corrects Judge Murray's biased prejudicial remarks as she states contrary to Judge Murray's comments that at the MC appraisal discussion in attendance was about 7 persons including himself Sullivan, Main, Puccio, Berjedekian, me and Mr Nwugugu and all of the others except Mr Nwugugu gave their consent to the MKMA appraisal and only Nwugugu objected. In addition Mr Sullivan's cover letter to the board requesting they give their consent to his mailing the Texas Boxing Commission then on GAAP, compilation of the WMMMA/WDC combined doc 31/2-

her other 2 finance team members allegedly found WMMMA was a ponzi scheme, instead of through notice reporting that Mr. Minsent Mr. Agostini on 6/25/12 advising Mr. Agostini [the 3rd WMMMA director with Mr. Mainan d. Mr. Luxits CEO] alleging Mr. Agostini had not yet turned over the checkbooks of the WMMMA companies to the finance team by 6/25/12, Mr. Mainan as the secretary of all 4 WMMMA entities [WMMMA/WDI/WUSA/WMMMAH] signed with Mr. Agostini, Mr. Lux and Mr. Sullivan 4 incumbent and binding board of directors resolutions to capitalize and direct that they only cashed signature checks they were providing Mr. Mainan self serving 6/25/12 as those board resolutions and signatures were all signed on 1/5/12-1/11/12! Demonstrating that the SEC's whistle blower Mr. Puccio as theird party agent hired as an officer of WMMMA plotting with the other 6 investor operators to lower the value of the WMMMA shares, the ones they allowed of WMMMA and its convertible preferred value to enable WMMMA to buy WMMMA on the cheap, this conspiracy between the WMMMA investor operators, Mr. MacFarlane's new co-enterprise wanting to take over WMMMA by coercion of all WMMMA investor operators scorching myself with threats of litigation, the conspiracy was disclosed in the dishonest shareholders meeting on 6/19/12 EXA to my Wells reply page 17 [terresais Mr. Puccio, while on information and believe she already made her whistle blower deal with the McGrath enterprise and where she agreed to divide the proceeds with the other 5 investor operators,, In page 17 she directed the other 5 investor operators to manufacture evidence to show we controlled all small and large WMMMA and states she will sign first I'll put my name on it so you're not blamed as the primary perjurer, rather than tell the truth on L21-L25 she asks them to collude and create evidence to demonstrate they asked the WMMMA board to re-meet and make, instead of advising the commissioner that the RES OF THEM WELLS NOTICE THAT IF FORMED WMMMA TO MILK ITS CASH FLOW; THE COMPLAINT HIDE THE FACT THAT THE 12/15.10 CBI/WMMMA 5 YEAR SERVICE CONTRACTS EX AIR=TTLR[D] SPECIFICALLY GIVES WMMMA UNILATERAL RIGHTSTONEER HAVE TO MAKE ANY FEELING IF AT WMMMA SOLE UNILATERAL OPINION IN ANY SUCH PAYM

constantly through in my ideas some of the in my way to the stigma of a map and although a president of the United States wanted to give me one for a large gift to his library fund and I put down 50% of it because my mind at the last minute thought I could not buy it what good would it be? AMY was the point was that I liked them 8 sweatequity WMMa partners as they and I worked together for over 10 years and I trusted them and wanted them to succeed without my baggage after 4 decades and I received in the interim So I agreed that my wife would sell for a small consideration but have a 5 year and I had to buy it to purchase it the company did well 10 years ago I was in a contract with MMA on a subcontract 50/50 basis, in this manner I detached myself from ownership, control and at the same time my interest in the war went from the 3 directors Mr Agotini, Mr Main and Mr Lux 1/3; 1/3, 1/3 so that no one had control and a person needed a majority of the members disinterested directors to vote in control of any operation, The three men had excellent reputations for this sport mainly invested \$33,333.33 and he bought \$500,000.00 of WUSA preferred shares when his portion was \$33,333.33 when he put his wife's loan to WMMa down to a secured equity of 500,000.00 in preferred stock units of WUSA and the right of the investor in the last \$8,000.00 of WMMa. At the same time my wife invested a total of \$500,000.00 in loans, advances and start-up expenses of \$5,150,000.00 over time and was to receive interest and her loan and advance principal back. Instead the securities analyst declared she was not fully repaid and lost \$13,000.00 and no interest was ever paid. In my opinion it was a consummated WMMa half the exclusive IMC contract at the time the world's largest double optom data base of 830 million double optom email sites to be used by WMMa for internet pay per view was envisioned to be the world's largest mixed martial arts tournament with a million dollar annual prize for each of the 7 weight classes then by 1/20/11 WMMa was ready to come out

Commented [M1]:

Mr Mike Nwugwu a brilliant, CPA, MBA [Columbia] a Series 7/13 securities license holder and a 2 year law school graduate with the last 2 years practicum so he was all ready to create the WMMa PPM so

that the strategic business plan could be implemented a team of excellent officers hired and the implementation of the tournament with 4 million in sales each year with an average 8 regional promoters a year with Ireland 2, UK 2, Germany 4, China 16, India 16, Brazil 4, USA 8, Canada 4 etc. So by the end of the 4th year all 16 country corporations from which WMM would own 51% and a 50/50 split with the amateur sports team owner rowing and open in the count international annual champions. With the Olympics and all the synergy would be capable of becoming the fastest growing sport in the world while the advertisers and sponsors would enjoy the largest most inexpensive sport in the world. We had a deal with Jerry Wolk [deceased] who owned IMC and exclusively leased them 830 million data base for mass e-mail and for no money would supply the data with that was paid by other sponsors as he was the coupon king printing coupons for the Sunday inserts and shoppers cashing in the big box stores the coupons in a Caribbean island country in the center redeeming the coupons to the box stores for money as the stores gave them a discount for the coupons..

Lord to ensure contract compliance structured representation with the largest law firm that looked at the plan and approved but if we wanted a legal opinion it would cost \$250,000.00 just for the insurance allocated cost. Then, C. Gladery Number 5 of the largest accounting firms [H&R Block] we got the insurance broker and their legal underwriter was satisfied with the WMM quality and charters insurance company posted a \$2 million bond for liability and a million each for the end of the year and the end of the year. So I relied on these people as I did not read the plan and it looked very conservative. In the hearing he admitted in cross-examination that both he and the firm interviewed investors and made them a decision of whom to hire and who permitted to invest. All investors subscribed after testing they were accredited admitting WMM was a first stage start-up losing money and that if it did not find additional investors before it stated its tournament it would be irreparably harmed and all investors swore they were accredited with them definitively accredited in the plan and in the subscription agreement as well as in their

respective employment contract, Mr. Lux's annual salary is \$333,333.33 and my wife's advances up to \$350,000.00 plus a startup of \$87,000.00 and over \$115,000.00 in travel and hotel set for a 2-week trip to 4 continents and 5 countries with 4 persons on a plane of which 2 were either the CEO of Mr. Lux, the COO, the travel scheduler or Mr. Jerry [ring operator] and myself as the dealmaker but at least one senior officer to sign contracts was adequate to do the business plus we made an oral deal for April to meet on the telecast of the WMAA Brazil national championship and for a book to take book on the tournament which was underway as here there was natural selection whereas in UFC they select who fights who!

Mr. Lux's depositions swore that he was WMAA's CEO and even he wanted to fire me at one point in his deposition, but didn't think he could get the others' to vote with him as he felt my hourly rate was too much. It just goes to prove that even if the contract states the client is under no obligation to pay people a reasonable fee in this case the criminal behavior of Mr. Grathent's representatives sounds like Mr. Main and Mr. Lux's cross-examination admitted they called the shots they did when it came to hiring and accepting investors' money. In other words it amazes me that since then management, all of them, admitted they called the shots that I was no more than a defacto CEO than them in the moon, the fact that 37 board of directors' resolutions in 18 months operated to company and the addition of insight into the 5 WMAA/USA employees' employment contracts require a combination of talent and expertise required to operate any size company how anyone could state in all small and large things that WMAA was simply not possible there must be about 25 separate duties for each position times 25 positions means that 625 separate jobs categories leaves no room for anyone to do anything else as they had a bookkeeper.

What happened to me is now well known .I read a wsj article:

'THE SEC WINS BIG WITH ITS IN HOUSE JUDGES" [the author MsJeane Eaglesham is a
brilliant reporter as in it shementioned that for the 3 year average ending,3/31/15,when

I was initiated into the SECs' inner sanctum ; compared with the federal district courts' [32% innocence vs the inhouses 10%, the standard deviation by itself needs to be diagnosed split apart and detied so that we learn why and how the results from the assumed impartiality and detachment of the jurists could be so markedly different, I will bottom line it for you as it explained in depth as I write this declaration, motion for relief and also designed for the Commissioners to bite the bullet now rather than later as every days delay is another hum being that could be saved reputation wise, time wise, money wise and whose family will not be turned topsey turvy from the shame that emanates from the inhouse stigma associated with those winding results,

Besides being innocent of the complaints allegations I was innocent of its precursor the WELLS NOTICE that notice is like a prosecution's summary of their " case " and if the commissioners have the time to complete the proper due diligence then there would be nothing more to write about despite the fact that DODD FRANK INCLUDES for those cases selected by the prosecutors first right of jurisdiction selection , NO JURY, NO DUE PROCESS [RATHER THE ASSUPTION UP FRONT LIKE THE BRITISH SYSTEM] OF GUILT, NO FULL DISCOVERY FOR THE DEFENDANT AND FAR WORSE AND UNDERSTATED I THE WORD **DELEGATE, THEREIN LIES THE BIAS** AS WHEN YOU REVIEW THE WORD IT MEANS " TO STAND IN THE SHOES OF THE DELEGATOR " [THE COMMISSIONERS ' WHO BY OUR CONSTITUTION HAVE THE FIRST RIGHT TO HEAR THE CASE AND ' OR AT THEIR OPTION THEY CAN **DELEGATE IT** TO A SITTING ADJL [AN INHOUSE JUDGE APPOINTED UNDER OUR CONSTITUTIONS 2ND AMMENDMENTS ARTICLE 2 APPOINTMENTS CLAUSE WHICH GIVED = STHE ADJL THE UNRESTRICTED RIGHT TO HEAR AND DECIDE EACH SEPERTE CSE, AS COMPARED TO A FEDERAL DISTRICT COURT

ASSUMING THAT THE COMMISSIONERS' HAVE DELEGATED MY CASE WHICH THEY WERE GOING TO DO;BUT BEFORE THE PROSECUTION FILED THE CASE AGAINT ME IN THE SEC I MOTIONED FOR AN O.S.C[ORDER TO SHOW CAUSE FOR THE PROSECUTOR TO DEMONSTRATE WHY MYMOTIONTO BE HEARD IN THE FEDERAL DISTRICTCOURTDIEMTO ILL HEALTH AND THE FACT THAT IN ONE YEAR IS FINISHED AND THAT PACE FOR AN ILL MAN OF 77 AT THA TIME WAS TOO MUCH STRESS FOR ME TO HANDLE .IN HOUSE RULES 300/360 DISFAVOR ADJHOURNMENTS AND I WAS HOSPITALIZED 6TIME IN THE 12MONTHS BEFORE THIS SEC CASE WAS TO BE LITIGATED AND MY MOTION WAS UNDER THE FEDERAL RULES OF CIVIL PROCEDURE WHICH GIVES US DUE PROCESS AS WE ARE PRESUMED INNOCENT,A JURY,FULL DISCOVERY AND ALL THE BENEFITS IN THE CONSTITUTION INCUDING THE RIGHT FOR ALAWYEROFOURCHOOSING,INSHORTTHE REASON WE STAND FOR AMERICA AND ARE AMERICANS AS OUR RIGHTS MUST BE PRESERVED REGARDLESS OF THE COST, INDUEPROCESSWE GAITHERIGHT TOMDISMISSTHE COMPLAINTASSUMINGALLTHEPLAINTIFFSALLEGATIONSARE TRUE THE CSEISIMPERFECT AND THERFORECANNOT BE TRIED,

ONE OF THE ISSUES IN HOUSE IS THAT FROM A PRACTICAL POINT OF VIEW A DISMISSAL IS ALMOST IMPOSSIBLE IN HOUSE BECAUSE AS JUDGE MURRAY PUT IT THE COMMISSIONERS HAVE THE FIRST RIGHT TO APPEAL THE ADJLS DECISION MEANING THAT IF IT STARTS IN HOUSE IT FINISHES IN HOUSE AT THE FIRST APPEAL. RIGHT FIXES THE FACTS DERIVED BY THE ADJL AND OR FEDERAL DISTRICT COURT JUDGE,, IT IS THE ONLY TIME TO CORRECT A MANIFEST ERROR OF FACT, ONCE THAT APPEAL IS OVER THEN IT IS MOSTLY WASTED TO TRY TO CORRECT ANY ALLEGED FACT[S] FOUND BY THE JUDGE THAT INITIALLY HEARD THE CASE, IETHE DJL WHEN MOTIONED FOR AN OSC FOR A RETRAINING ORDER PROHIBITING THE PROSECUTOR [MR MCGRATH AND HIS 2 ASSISTANTS AND AWYERS IN THEIR OWN RIGHT MR BARRY O'CONNEL AND MR NICHOLASKO LODNY] Mr Kevin McGrath and the other 2 and those attached to them I refer to as the McGrath enterprise as they are a loosely held group of individuals that I believed then as I do now that violated my constitutional rights, committed criminal acts including subornation of perjury, perjury, contempt of court, conspiracy to violate my civil rights, theft of my million litigation fund; then as a separate act of theft theft of 10,000 hours of my time by aiding and abetting a non judge to act as if a duly article 2 appointed judge and by doing so ramming orders by a non judge down my throat as if a real binding order by a judge[s] knowing the falsity of the action and the consequences; its devastation of 90% of my life and assets ', conspired to commit government recourses to assist an independent enterprise looking to steal my company by coercion, subornation of perjury, perjury omissions' of material facts' which had they been exposed would have eliminated all the devastation, eliminated the inhouse venue as at that time the inhouse adjls' including the

the chief administrative judge Brenda Murray and her Presiding Judge Mr James Grimes weren't
article 2 appointed, but played with the support aid and abetment of
McGrath enterprise. Instead of
capitulating and informing the court that since the judges were not
article 2 appointed my case must ne
used on the elimination of the three inroads to inform the court and rather as a smoke
screen pointed to the Section of Dodd Frank giving the enforcement division first jurisdiction
rights, That show I became the bait for the circus, it's the reason that they stole my litigation fun
das I fought for 3 months before Judge Varol Feolak, a brilliant honest and example of what a chi
f administrative judge's character should be, she used the federal
district court 7 factors to find I deserved a postponement
for my ill health and I failed all 7 factors despite the fact that I had taken like a clockwork all 7 tests
and I was in fact Judge Feolak gave my law firm at the time
a very moral formed by a woman of outstanding integrity
brilliance and management skills name SC Farol Goodman and she fought tooth and nail to
demonstrate that I needed the postponement sine die, that covered a monthly medical
exam that each side could administer so that as if and when I was medically fit to
testify I'd be able to eliminate the postponement by court orders so that I could be
tried. At this point it's important to mention that Judge Murray had made a comment to
8 defendants she was trying who asked for a
dismissal that she would not give one to them or in fact anyone requesting to stay in her mind and
since the appointment of a case officer judge blind the head of the division and
them McGrath enterprise withheld that material information and by doing so committed a
fraud on the federal district court judge, on me and all the other defendants

representation over cured and loss of 10,000 hours theft by fraud and
deceptions subsequent thereto without depositions over a
5 year term, Then Judge Murray uses hearsay of disingenuous witness as a preference to
incontravertable facts, she denied the well notice fraud on the commissioners perpetrated against and
with the Mary Joe White commissioners, The in house conspiracy and theft of sets without due
process by playing judges and subsequent theft of 10,000 hours by fraud and deception without due
process and the subsequent cover up attempt by finding an innocent defendant tried by a non
judge as guilty is such a horrendous, disingenuous
criminal conspiracy practiced on defendant that stood no chance as Dodd Frank imposed worse than no
jury, or no full due diligence, or no due process, it also imposed a fiduciary on the adjls by forcing them to
stand in the commissioners shoes ie those that initiated the complaint shoes! How can a fiduciary
find against the person whose shoes she/she is mandated to wear.. Judge Feolak and the
DONALD J TRUMP ADVOCATE PROGRAM and judge feolaks
assignment not = delegation would be ok as she can get it delegated and then assigne
it out,, Only she would have the first appeal later right to hear not the commissioners as if they've it then
the djls decision is preempted by the initiators and means nothing I
trust Judge Feolak and Judge Caamron Elliot as Presiding Judge, I trust CBI and a federal district judge
recommended by the commissioners to CBI with NJ/ny CONN first and that a about 20% of the sec
cases whether in house or not.. In fact the SECs own witness Mr Guardino found in Chamco
chapter 11 I committed no wrongdoing in wmma, so did Ms Beir, the sec fraud analyst who found no
fraud by me only the finance team that 2 weeks before 3/31/12, found the event budget
was \$450,000.00 when in 2 weeks it grew to over \$1,000,000.00; then judge Murray find
Heisterkamp is honest when he admits he perjured himself under oath as an accredited investor
knowing such falsity and perjury would irreparably harm wmma.. and the conspiracy to violate the
civil rigo denounces the combined enterprise as they aided and abetted Ms Murray
Msc Grath, Koldney, Oconell, Min Puccio, ~~Macfarlane~~, Katherine Richter, Macfarlane, Monica Petty Sullivan
are the triple enterprise with the Murray enterprises commission of over 150 predicate acts of theft

by fraud and deception in 5 years! backs him up 1 No one with a brain would submit to either of them! they are corrupt Clear the mount now they are poison!!!

reiterate my witness by itself provides the proof that Judge Murray's belief is an indisposed witness [investor operators sure were paid off a piece by the spurious whistleblower fees if and when she was paid [Mr Lockett and Heisterkamp 2 months before her 7/10/12 resignation from WMMa in which she admits she Sullivan and Berkeley learned WMMa was a Ponzi scheme on Dec 2011 while in her wugugu 3/27/12 email she admits she invested \$500,000.00 in WMMa. The parent of WMMa proves the woman is crazed and

dayesed and that she is at the drop of a hat, "Would you bet a complaint against Hitler if the complainer admits she invested in WMMa 3 months after she found WMMa a Ponzi scheme; better yet Mr Heisterkamp admits he lied under oath he was an accredited investor in his subscription contract in 2/2012 and then in his Brady admits a month later he lied and was not accredited knowing his admission irreparably harms WMMa and his investors OS this is the fodder that makes us all people admit Mr MacFarlane declares to Judge Gambrell a news item WMMa's president and Mr Heisterkamp and Mr Lockett [ceased] both claim with CV Hart's insistence they were defrauded by MacFarlane's resignation admission he defrauded them and Puccio's admission she induced them to invest in a Ponzi scheme would you bet on the same judge Murray did or what about Mr Mainwilder's email 6/25/12 to Mr Agostini informing him he never lived up to his part of the deal the checkbook when Mr Mainwilder was secretary of WMMa/WDI WUSA and WMMa signed for capital one and a bank that all 3 board members including Mr Agostini and Mr Sullivan all signed a signature in cimbacys and board resolution on 1/5/12 and 1/11/12! Make Mr Agostini look like he was giving up the control he gave upon, "What about Mr Sullivan's Brady admission DASPIN BELIEVED HE WAS DOING THE RIGHT THING AS HE DIDN'T WANT ANOTHER CHAMCOON HIS HANDS

DECLARATION & Motion for agency to purchase the TRUMP ADVOCACY program
ted when I studied the effects on the destruction of the SECS reputation ;its been
ified inhouse with a constitutional amendment that proves that if we permit those
als to take our country's' laws' and equal rights under the law away from us by
ing the human dignities we hold dear we will not only decline the greatest nation
world ever saw; but we will become obscured those nations' holding their own
cipals dear. Our forefathers' fought for them and gave us , in the constitution the
ners to solve disputes', to wage war, to protect mankind and to live in and with the
uit of happiness in a way that enhances all of our AMERICAN brothers and sisters'
T AND FOREMST WHITHOUT THE PRESENCE OF FOERIGN POWER WANTING TO
E THAT AWAY FROM SUCH AT THE RIGHT TO LIFE,LIBERTY AND THE PERSUIT OF
PINESS BY FOLLOWING THE LAW..

o one should permit a due process violation of the theft of a persons assets in any
n without a court order with sufficient explanation to justify the removal of any
ons assets to life[time] liberty [the freedom to be able to pursue his'/her own
eavors' whithout loss of the persons ability by false noncredible wrongdoings and
pursuit of happiness and to be given the same rights as other citicens; in this case i
mistreated by a manifest error[s]of "facts' which were contravened allegations'by"
ed facts' contravened by the documents; signed by those fabricating the"facts!'.

this case even the :court”a judge who violated the article2 of the2mendammment
over 8 years’, knowingly and maliciously and who encouraged those she/he
ministered to violate the constitution while they, in consort with the enforcement
division conspired to conceal the omissions’ of the implementation of article2! The
commissioner[s]playacted the proceedings’ as if each were constitutionally
enforceable, knowing that our constitution had the foresight to eliminate some of the
cases and proceeding damages’ that might be predicted to accrue from a verdict by an
constitutionally appointed adjl. The U.S Supreme court, dealt with the resolution of
cases under appeal and satisfaction could arguably be restricted to those having
foresight to know the law was being violated by the governments’ inaction due to
enforcement divisions” compromise for what they thought was the common
my!!’us ‘the defendants’,]

my issues is also narrow as i believe I was the only potential defendant that saw the
article for what it meant ie; the adverse influence’s by a deranged mind that was
into a position of authority over every divisions’ Wells notice target and which
d benefit by each Wells defendants finding of guilt if the commission initiated a
plaint,,that initiation was not hard to construct as all the division needed was to
icate an allegation no matter how far fetched that the defendants’ law firm would
accept as true and bysuch inclusion eliminating the possibility for a dismissal
ion,In my case they took the dishonest/deranged PUCCIO;the WHISTLBLOWER

dont pass it voluntarily then we know we dont have a valid tet,, I on nothing
lawyers lied- to make a dollar but when we permit people like me to lose their reputations
use prosecutors like McGrath, Conell and judges like Murray and
ones who hope [retended for years they wrote article 2 pointed knowing they
ent the scrooks cant be trusted but im willing to prove that im telling the truth for
net, Judge Murray has no right to call herself a judge,, I didnt respond to her last finding of
because she took the transcript away so what the sense if I have to use my money and she
quote from the lies the prosecutors paid them to, she is not honest, Mr Giordano
nest, Mr Lang was honest, Mr Sullivan lied, Mr Min lied, the
ing brothers think Mr Dominick was honest and lied so much I had to lugh in side why he didnt
ember who was after his money but he remembered his lawyer telling him to loughed
out who I was,, Now how many are there in the world 20 million somewhere would he
at the fall illegals he didnt know any other name like Mr Heisterkamp who I am
e for not being interested in my game well consultant talk the most but dont
tribute anything,, How would he look me up if I dont see anyone coming into
office unless Mr Young shows me a signed name and then I sign
Mr Heisterkamp said that Mr Burnham wanted him to back at his subscription agreement
so it would be consistent with the wreorsome such nonwence was so contrived
it made me understand why his wife wanted a divorce from him Heleidsomutch
even he didnt know were to
. In fact he admitted he perjured his subscription contract by saying he was accredited
in his Brady admitted he wasn't accredited and that he lied My name
in his Brady 3 times not ased but Daspin,, When he stted he filed a charisclaim he also
ed had he now them kma and orcbi fees he might never have invested; but in fact he
atched copies of MKMA and CBI the 2 contracts he took back to Michigan when he
ed WMMA,,
to be honest I was mad at Judge Murray but not know! I feel so sorry for her,, a lost
who has no one to live for and nothing to be proud of. At least I made some
akes in my life corrected them and turned around; but what does Judge Murray
e to show for her disingenuous know in the face falsification,, I cant even call her a

because i believe she conned herself into believing an innocent man is guilty
how could she live with herself! She must find me guilty as she cant live with
self as it means that she found many other innocent people guilty and that will give
apoplexy, Ill never forget her explaining to McGrath and O conell only why she
t find i have a object as if she didn't let me id sue her for a violation of my due
es! Instead of saying the right thing to do she explained it based on the harm she
ld experience,, Any person that fears another person a,defendant no less and is
ried what they will do to her unless she strikes them first is a defensive fighter and
uch she long ago found me guilty! She found me guilty when she switched judges
n Judge Feolak found my to i ll to stand trial,!That indiferance
other persons illness proved thatshe is a cold hearted hanna,a person without a soul
was willing to say that an ill person found ill by a respected judge housed the federal
strict courts 7 factor test prior to any other ad veraric oments
emurray didnt know is a into her soul,, She had non,, GOD Bless her she must have been
armed as a little grl that she learned to hate people
must have been so upset by children taunting her for her intelligence and slight frame
she lived for her law books and away to
ven as people must have harmed her,, Bt she told me who she was just like i learned who
e Grimes was and who judge Elliot is and whom Schields and Mr Fields are,,
SECg some beautiful people in it infact im going to
Mr Koldny off the hook, I leaned President sson in law is a sweet brilliant man whom was
urt by the avuse to the man he loved he walked away from the law,, That's
tiful man inside and out i looked into our President nd swathe strenght and
y in him, He is willing to sacrifice his life for us while some try
rm him! i Will no longer pick on koldny as icn
nathed despises what hr was involved in, He knowsthat o conell mcGrath and Judge Murray
Grimes are no good americans they ae

rality or integrity as none who cares for ill people wants to switch judged after
e Feolak found after 2 months that I was too ill to be forced to testify and that was
before mcGrath got a self-serving psychiatrist at about \$1,600.00 an hour to say that
found me guilty when she permitted Judge Grimes no non-sectle atrocious blunder of
ing he should dissolve my postponement sine die though i ,the most innocent
on she could ever come across grants them harm ,lives in fear of shadows and what
might do to herself as against whether the person has justification,,I dont view
ers feelings about what they can do to me just whats right,,She views the effect of
own psyche and as such is defensive shouldn't be a judge and is too weak to be un
ed! When he permitted Grimes before any contravening medical disclosures get me
e Murray believed all the liars, but not those that told the truth The
on is simple she wanted to harm people that were good
uses she envied them She looked for those that wanted to harm as they are her kin and
why didnt even bother to try to diagnose her as they might do the same error will have for
Grimes and mcGrath and Conell There is a lot to be said for
that love the poor, the weak and that protect those that need
tection,, Judge Murray was cast down with Judge Grimes when they bothered red and she cant pi
rself up with rhetoric, or with quatr from a transcript she kept from me,, I gave
000,000.00 in capital to WMMMA if that makes me a
than I am one, I was controlled by the WMMMA board
ctor that my wife sold her WMMMA shares if that makes them beholden to
they didnt show it as she lost \$1,000.00 and never received
nterston her loans and never received 10% of the fees earned
nt beed any investment banking fees as I gave no fees back
all the investment banking fees could ever have charged had I
ged any,, I didnt know or see any investment banking fees nor did I receive any and
is no proof that I wasnt controlled by the board as they voted me down as

CONTRARY TO THE SECS WELLS NOTICE I HAVE PROVEN THAT
SEC DIVISION OF ENFORCEMENT FAILED TO DISCLOSE AND INDEED DEFRADED A
FEDERAL DISTRICT COURT JUDGE INTO BELIEVING THAT THE
FEDERAL HOUSE FORUM AND JURISDICTION WHICH
WAS MADE BY FRANK, AN UNCONSTITUTIONAL AMMENDMENT MADE LAW
IS NOT APPLICABLE WHEN THE PROSECUTORS DEFRAUDED
THE JUDGE BY NOT INFORMING HER THAT NOT ONE OF
THE FEDERAL HOUSE ADMINISTRATIVE LAW JUDGES WERE CONSTITUTIONALLY APPOINTED! The
constitution remedy for such a violation is a new trial by a new judge that is constitutionally appointed
and the omission of that material fact from the federal judge's motion for the federal judge
to restrain the prosecutors from trying me before a constitutional
court is a 2nd ammendment violation
I am worth a million dollars in litigation and my insurance chart is insured and I have a code of defend

theft by fraud and deception without due process [an order from a constitutionally appointed judge] to the prosecutor and from the commission of fact by the prosecutors [in this case Mr. Kevin McGrath and Mr. Barry O'Connell, Mr. Nicholas Kolodny and Oninfo and Beleife Ms. Leslie Kazon, Ms. Brenda Murray [a chief administrative law judge who concealed and committed with the prosecutor's threats and judge James Grimes were not constitutionally appointed, they were violators of the constitution]. This fraud perpetrated with the aid of Judge Murray, another Article 2 appointment violator who the McGrath prosecutors insisted to the federal district court judge was already in the process of appointing constitutional judges [when they knew there was no on available exposes all of them to theft by fraud, deception without due process and within 2 predicate acts. In addition over 150 other defendants in house were defrauded and lied to and perjured into believing that Judge Murray and the enforcement prosecution had a right to try each case in front of an on constitutional judge! Each wrong doing is a separate predicate act of theft by fraud and deception if more predicate acts of theft occur within the earlier of a separate period of time or one act but in no case more than 10 years apart. The loss may be held by one person or may consist of similar persons but may also have additional persons in one act with the defendant and other persons as part of the loss held as a condition committing another act in the second act. In this matter ruled that in addition to McGrath, Kolodny, O'Connell, Oninfo and Beleife [the Leslie Kazon ESQ and Brenda Murray [an administrative judge not Article 2 appointed as well as James Grimes not Article 2 appointed] conspired to and committed one predicate act of theft by fraud and deception or less and no later than 10 years apart then the case may qualify as a civil Rico violation. In a case where a loss by a united group of individuals using fraud, collusion or other means against the same and/or other persons in separate acts, a case where the law may find that the defendants were harmed by the defendant's organized case in addition to the theft of my million litigation funds per the US Supreme Court in Lucia vs SEC found that the House of Representatives' Article 2 constitutionally appointed and on of the orders was a new trial and

validate any interim findings by judges that were not actually constitutionally appointed judges. In other words, the judge is a mere puppet. My litigation expense cost over a million dollars just to prove that it is not to be done. The viggorse of the job band only 2 predicate acts of theft by fraud and the top referee.

2012 [Feb 2012 \$1,000,000.00 to lessen the financial burden on WMMA and months' subsequent, this defendant gave up \$4,100,000.00 in DEC 8, 2011, 3 years before any SEC action; that can hardly be characterized in a complaint using me as the character, as motivated by greed and avarice! Yet that's the prosecutors' notorious manipulation;

Write a 3 men disinterested board of directors elected by the shareholders and each of them owning 31.22% of WMMAH, the holding company owning 92% of WMMA [A World MMA event content tournament world wide event in 16 countries and 92% of WDI [the event content t-shirts, baseball caps etc] selling sports apparel in the same 16 countries holding 4.2 billion spectator potential[s], the prosecutors' alleged I controlled WMMA knowing that the law provides that as a matter of law a majority of disinterested directors resolutions carries the day and controls the entire corporation. There was never anyone alleged the board members were rigged and/or in fact set up for me as my milking machine as alleged was WMMA's sole mission. In other words, the prosecution came up with ideas, stated they had the facts without backup and then made the investor operators through Puccio and the whistleblowers sharing as if fact outright lie against me. Then the rubber stamp, Judge Murray whose reputation preceded her as one of herminadjls, an article 2011 appointed Judge Lilian McEwen declared Judge Murray pressured her, judge Lilian, to find the prosecutors against any and all defendants more often than not!

IS THE NEWSPAPER WSJ DISCLOSURE WHEN IM THRUST INTO THE INHOUSE INVESTIGATION OF A WELLS NOTICE [WRITTEN BY THE PROSECUTOR DIVISION, IN THIS CASE BY MICHAEL GATH, Nicholas Kolodny, Barry O'Connell and Leslie Kazon entered prose. They and the investigative branch go over the case for 3 years from about the middle of

Until they issue a well-notice in the middle of 2015. At
point I served with a well-notice. The underlying allegations of facts
completely perverted and non-true based on the
documentation Mr. Wugugu, WMMAs Sr VP Corporate of WMMa. All 3 directors
actively made more than I did and Mr. Burbham as VP
made about my net in 6 months while I spent 10 months working as a consultant
for WMM. WMM's mission being created for my lust, I mean even a stretch of the
cannot bring the prosecutors to allege WMMAs goal was to let me rape it of its cash
, for 4 more years by voluntarily eliminating contingent debt while increasing the
company's goodwill through acts of kindness and philanthropy were not made. I
rather, so that the other investors would know that the pain that comes by their
ignoring the effort they made for WMM's success was made at a greater expense than
investor operators' deferral of their compensation for the sake of their compensation for
benefit of the whole.

There was no upside, in my estimation, when Judge Murray was chief administrative
judge in house; only abject misery, only how much pain can be endured before the
defendant's fund is used up of \$1 million for my defense runs out and then what
mechanism will win the day? As it's a very difficult task to a panel of judges to find no
guilt exists except in the prosecutors illogical construction of
"facts", not a fact that implies but rather a construct of lies made to look like facts; that do
not end in guilt; but rather defendant in innocence!, I believe that others similarly
treated were forced to plea to eliminate further legal fees,
my case consisted of pre-execution use of subornation of perjury attempt, contempt of
court, omissions from a federal district court Judge of judicial wrong
and also in contempt of a second circuit trial and at the same
time demonstrated that all of us are subjected to the same
that we all bleed and that we all err! I won't use the word heartless as
I have that, I won't use the word fixer as in everyone's heart they say enough is enough and I
right the wrong being done to the weaker of any transaction and I'll pay back
the defendant that plagued the investors so that no one steals again but that no excuse

Murray who violated over 151 predicted acts of theft by fraud and deception the die
theft of my litigation fund and lawyer to defend me and loss of my 10,000 hours of
time must be accounted for other than the Supreme Court's courage and
I will be devoid of the satisfaction on the real harm incurred
I now resolve, in fact the theft of my time is the only asset an older person has left to
live with in a state of grief and
I lost my time by the theft of my 10,000 hours of time while I was awake with me and the theft of my 10,000 hours of time took a
90% of the remaining portion of my life that I am entitled to
I made whole the individual participants who knew what they were stealing
I have a due proof, who were aware of the constitutional solution
solid and non-assailable
I wish I did not consider the irony of my asset time after those that disenfranchised me from my
constitutional rights that my litigation funds as my only remaining assets lent to the rest of my
substance and the hit blower is a gift for the new commissioner that did not participate with
me unconstitutional trespassing my rights like they came, took me without due
process remaining assets and those of my family and on the surface I thought I would come before you
to plead for innocence as that is a foregone conclusion, I cannot be held responsible for the
theft since my wife's resignation from all vestiges of attachment to WMMA
My wife signed 4 checks when Mr. Agostini was unavailable
I am advised by Mr. Mais directivas Sec of the corporate entities, TwBordn resolutions 37c
I voided the company
I was evidenced by mspuccios page 17, 6/19/12 dishonest pleaed controlled all small and large and
I was at the same time on 7/10/12 in her resignation she forgot that in 3/27/12 she invested
10,000.00
WMMA has stated that she Sullivan adberjedekian new in Dec 2011 that WMMA
is a ponzi scheme and she is now giving it to the family a million months after she found the company
was illegal and this is the reason she quotes as the standard bearer of my wrong
I, O of the Sullivan in her operators stated in Brady L

spin thought he was doing the right thing
wasn't fear that another "Chmcon" would happen at WMMA. No center, would a man invest \$3,000,000 in a company whose alleged mission was for him to make or put better why in the \$3,500,000.00 if the next day planned to milk every asset invested, Delaware and NJ law make binding any action taken by a majority of interested directors and they took it 37 times and with respect to the 5 board meetings he was invited to attend. Mr. Lux's 2013 deposition states he did not vote, was not a member, shareholder and/or officer and did not overpower any director at the time he was present! What we have is a prosecution that tries to mislead and average philanthropists actions, it doesn't fit. I was a person with science center, in fact my knowledge was WMMA was on stand and lived up to the rules why apply to the SE and 6 state agencies why ask Mr. Willis, McGadery, Plapiper, Charis, Ince and Mr. Wugugusipoion that the 506 reg shares were exempt from securities. When interviewed they asked the questions about the forward stock advance and were informed what the ppm and subscription state, no one who was honest could say they were informed WMMA had \$33 million cash in its bank with a straight face while all applicants for MBAs, Judge Murray seemed to want to believe every 2-faced liar instead of the documents they signed with her if he iterated a campaign with his 2 kids in a nasty divorce and violated a judge's stay that was as long as there was a judgment that she would be guilty, Judge Lillian McEwen informed Judge Murray in 2015 and it caught my eye as when I viewed the forms and masked if it meant to maintain house vs a federal district court what could we expect to see on SETTLE IT SMRIGGD DECK THE FUDGE I DON'T BELIEVE ANY DEFENDANT IS INNOCENT AND NOT THAT IN VPTIOUS WAS THE REASON AND THE WORDS settle! Jo settle is a bad word for defense lawyers as it is their money so with that simple clear defined logic it is a tantamount to a loss of house! or lose, if I filed my OSC form and the prosecution's decision by

of judge fixing. She proved beyond a 4 standard deviation's possibility that for the

The judge must presuppose that the commissioner who is ruled by the enforcement division

Respectfully,
I realized that Mary Jo White must have been afraid of her shadow made a deal with
the founder under whom WMMA would not need to worry that a partner would
be able to support his family like before. No one wanted on their conscience if the
venture failed a man would deprive his family of his livelihood. In the risk section and
description agreements admitted the reason the risk sections, the shareholder
agreements, the related party sections and the shareholder and WMMA shareholders' non-
concealment of any consoling allegations a person might want to ascertain, WUSA was a
subsidiary of WMMA and in its No person cooling to his ease is alleged to have done is
at the center of its environment so that Mr Bowers Brady was upset and, and it was
obvious that he knew who I was and was not thrilled to join a company that I have a
contracting relationship with. Although I had no control and although no one reported to
me 36-years of experience with over 100 companies recently humbling experiences
for each person that everyone can make a contribution for the
movement, I was always the control of WMMA at first and the WMMA majority
interested level in Miami and Lux
controlled WMMA and my wife believed because we had no personal relationship with
the company would not be accused of favoritism anything they did and in any vote the
winner. During my cross-examination they separately agreed they were responsible for
the final decision of who to accept as employees and investors. Mr. Locet was a stoic type
that small or large could teach him, Mr. Gostin was a master imposter, put me in charge of

mention of Piper the world largest law firm housed due diligence ditto
Ladery and Pullen, the accounting firm, WMMA retained that reviewed the ppms as
as Willis insurance the 3rd largest insurance broker and Chartis insurance
writers that gave it a clean bill, or they wouldnt have taken the risk, In addition the
disclosure demonstrates when I interviewed I stood up from not layed back and
I was the critique so that it was obvious I played a role in the companys due

Heisterkamp relied on; however Mr Heisterkamp was looking at strawS..” ends to think
which one was cut short or long as he knew the company had no \$33 million in it and
Mr Murray knew he was a masters in Business school, going thru a rigged divorce
which was uncontra vened he invested their pension before he signed any contract, In fact
it came up with one preposterous lie after another as he admitted he lied In his

believe me and assume its got \$3 million in cash in it,, Were that true why would
he end his money! For no reason! At this stage all he want He did not rely on Ed or
John or Edward Michael Daspin as those are smoke screens he relied on his
participation with CBI and MKMA to obtain a portion of their fees for the added
commissions he might make,, His allegations ran all over the lot, first he relied on Mr
John, then on Ms Puccio until her resignation informed him she lied about wmma not
being a Ponzie scheme! Yet that resignation letter implicating Mr Sullivan Berjedekian
Puccio's knowledge on Dec 2011, that WMMA was a Ponzie scheme was made
months after DEC 2011 when she invested \$500,000.00 in WMMAH
19 percent of WMMAH, Does that make Ms Puccio a double liar iel she found out a
ponzie scheme after she invested on March 27, 2012 but lied that it was a ponzie scheme
before Jan 2012 because she had forgot in June 2012 that she invested on March

012 because of the schock that she bet wrong on macfarlene that he would do

NSTANT ALLEGATIONS IN THE Wells, the wells reply and all Brady as of that date and
depositions & exculpatory information not contained in the WELLS notice. Had i
ad the DONLD j TUMP ADVOCACY IN PLACE THEN their would be a no bill instead
itiation of a complaint! If the bais of the commissioner secision comes from a Wells
notice and if its proven that the allegtions contained
in were false unprovable and or non existant hypothecating with no backup except
secutors ideas, then no cases should seminate,, In this case My reply should have fiurnished

ient doubt as to elicit from these commissioners that were ready to sign a representative to listen to both parties and learn from the advocate! But the location must be separated from the SEC as otherwise it is an opinion that is influenced by inferences rather than facts from hearsay rather than documents and so is structured to resolve the balance that the commissioners need if pre-complaint issuance within the 30 days when the finished complaint is vetted and when the gottes = settlement is going nowhere as no innocent man, unless he perceives the pressure by a flip of the coin which may land on the wrong side against him, This case court must not be looked at as a crap shoot, or worse as a rigged deal between divisions ex parte judicial

re Brenda Murray and James Grimes both stood

and in the shoes of the very commissioners' that initiated the SEC complaint in the place! That word delegate, by definition means "standing in the delegator's shoes as a delegatee! Now if you stood as a democratic senator in Nancy Pelosi's shoes would you vote in the Senate that the President is innocent?? to retain the President?? That is what the in-house proposition was and that hurdle exists today and must be solved!

Judge [dj] should view themselves as standing in the shoes of the inquisitor! In other words those judges, once delegated have a fiduciary to find the guilt prophesized by Wells and as expanded onto a complaint. I motioned Judge Murray orally during the hearing to accept the Wells reply and Notice just to make this point, If the Wells notice was simultaneous, incomplete and/or willfully withheld material information, exculpatory information that if shared with the commission would have rendered any bill than by willful exclusion of the facts they knew not yet in the prosecutor's hands, would have given the commission the chance to weigh both sides of the matter rather than a pre-derance of prosecutor misconduct now and using hearsay knowing those giving the alleged "facts" were liars and had been that in other proceedings involving WMMA [Please review My Wells by brief section 7 which defames anyone using the

potential defendant's motivation based on his actions not hearsay secondary
evidence,, In My case had the prosecution set up front that since Daspin's wife owned
interests for a majority of the holding corporation and based on its SEC fraud analysts
discovery its apparent Daspin's motivation was to do the right thing for WMMA. If you read Mr
Brady's statement he states Daspin always thought he was doing the right thing as he
wanted another company in his hands [Camco was the auto import and
distribution company within the Chinese manufacturer bribed the minority partners
to get them out of the way so they could take over my wife's control common share interest
when they started shipping Chinese cars so to effectuate the home of the insiders
The problem was that the VC Chinese didn't want to live up to their agreements and
to let my company Camco provide over
\$5 million of American homologation technology and opening investor operator network dealers
in collectively over 150 selling points and having placed orders on over
trucks and SUVs discounted 20% below the Toyota Tacoma and the Toyota
runner the Chinese weren't satisfied and Dennis Chen, who lived in the NYC
apartment as the 2 tennis sister stars, voted as a board member to separate Chamco
from its USA subsidiary from an operating aspect so that the Chamco board was
temporarily disenfranchised by the filing of its USA subsidiaries chapter 11 in central
California,, When I informed the trustees council, a brilliant man of what happened in
San Francisco car show he immediately used the truth, which instantly
demonstrated to the Judge the horrible mistake given by my adversaries who believed my
effort to remove them was true and that I had misled an investor,, of course I had no
action as I sent an email to the investor the day before he wired \$5 million to

mco informing him contrary, to his allegation subsequent lawsuit in which

the Judge in New Jersey been up front instead of
giving an illegally taped conversation and maid "LOOK here is what I received explain is it
??! and why did you say this" No problem as no Judge knows what is in the mind of
the dealmaker especially when the dealmaker is speaking to persons he found out & now
wants "want to eat his lunch" and if Ali will clear the mouth he will lie as it's not an
honest statement; but used for an ulterior motive! and they [Mr Chen Saleen
his partner, are working for the Chinese communist organization. Had the
court Judge hearing the original NON Chapter 11 contraversion where I was accused of
auditing an investor out of \$5 million by false representation when I had the email proof
that I did not defraud him and that the collusion with Steven Saleen Denno Schen and the
base manufacturer created a fraud to grab control of
my company which I funded because of my strategic plan with over \$25 million equity
and there would be no litigation,, If a Judge
gives ex parte communications he must present it to the others in
order to see an illegal communication without giving
the other side the opportunity to defend and explain if it can be explained as a
mistake of all litigants,, In this case it was apparent Judge Murray didn't care what she did
to the defendant, she made up her mind of guilt before
she heard her, she participated with the prosecution to posture that she had already selected
the house judge ready to accept the case in the afternoon as the case for a trial
was filed,, This was the Judge Murray knew she had no constitutionally 2nd amendment article
pointed judge who had the power to hear the case Her omission and the prosecution's
omitted the theft of my million litigation fund on a phony judge and at the same
time violated the theft of 10,000 hours of my time by fraud and deception of my hours and as
a result I have a claim and predicate the theft of my litigation fund and 105 predicate acts of the theft of

50 defendants who the house assignment and delegation by Commissioner Mary White also participated in the fraudulent enterprise theft by fraud and deception,, What may be the conduct willfully malicious and calls for treble damages for commissions is that that they had the article 2 appointment papers all ready signature and filing but their greed and avert to withhold it so they could get Dodd Frank passed and at a price The price waste individual and collective responsibility of commission of over 150 predicate acts of tort litigation funds and the of my time as had prosecution not participated instead of cover concealment nonmission of the fact I did not have been so damaged and injured and lost my wife's time while she was REOF WHO I AM AND WAS, A JOY I CAN NO LONGER FEEL IT IS AFTER BEING EITHER FOR 60 YEARS WRENCHES MY HEART BREAKS MY MINDS MEMORY OF POY WE HAD,, THIS COMMISSION HAS A DURY TOPAY A WHISTLEBLOWER FOR BENEFIT TO OUR SOCIETY EVEN IF IT MEANS FINDING ME WITHIN ITS OWN FABRICK BOOKS PERSONS THAT VILATED THE LAW AND BY SO DOING SACRIFICED A LARGE PORTION OF MY ASSET AND REMOVED MY MONETARY ASSET TO BE REPRESENTED BY COUNSEL OF MY CHOICE,,

I enumerate other aspects of my being injured and harmed and proof of the falsity of Judge Murray's fact finding as she has made dishonest findings of fact that are not based on but disregarded the evidence . Masking for payment as a whistleblower for this Commission and strategic planners so that it does not violate judicial immunity so I wasn't article 2 appointed at that time and the theft was without due process so the defendants are all personally responsible and were indeed members of an enterprise that used force, committed violations of the law violated my right to elect a lawyer to represent me as the state my litigation fund, they sued a man who I knew in the interim from 2015 to present June 2019 lost all his material manifest witness death alzheimers and strokes and memory loss as 2 of the prosecutions referred to witness Jordano forgot why he valued the debtors assets at zero until it was said that he had the right to file a writ of habeas corpus/writ of mandamus that they were voided if either company filed a writ of habeas corpus then he stated that could have been the reason Judicial notices should be taken

the case close but because it was extra judicial she played god
not give me the right to contest the illegal taped conversation when I wanted
to sue the minority Chinese implant that permeates our companies
in trust and business for
me! This case smells of fraudulent ex parte communication themselves illegal
which a judge feels compelled to not only believe but to not a fact of true when in fact
is true,,

the fake news is disseminated to the minority of Chamco group loyal to
whines that they used to their advantage until the truth
out,, I suspect the damage of foul play is elsewhere in the Prosecutor's thinking he could
me up created a situation where I used a proxy
to maintain the benefit for the shareholders independent of any investment of money,, When I dis-
covered WMMA and when I went over any projections as Mr Burnham's Brady
I always stated there is no guarantee intended and/or implied or the company
should not make any warranties as they would be speculative and many companies would
be surprised to, The federal district court judge apologized, did a damn about face and we shit it
out. In that proceeding the initial lawsuit was held in State court and
the judge held ex parte communications with
the plaintiff lawyers against me,, Without my knowledge they showed a
document illegally taken in which I made allegations to frighten those I was speaking to so
they would leave the company and the information was completely made up, They used
extra-judicially without my knowing and I found it impossible to explain my strategy to
the judge,, In that manner the judge withheld the information from me
my company from until the litigation in the chapter 11 waiver,, That chapter 11 took
me a cost over \$7,500,000.00 of Chamco's equity and then the Federal court found
that was all a mistake that I was innocent and that the dismissed the chapter 11 and
I am innocent of all securities claims that they alleged against me from the almost identical
service contract as WMMA/CVBI/MKMA service contract
and judicially homogenized together over an inside Chinese national expatriate who posed
to convert to American thinking and was a part of CVHina's penetration into US business
over their manual manufacturing product in the USA,
and if the prosecution without information required by the court for an equal period as
the courts foretold the

Commissioners will now feel confident about the delegations so long as in there is the
that they by so doing it shall not be interpreted that the judges want the stand the
Commissioners shoes or vice versa only that the judge shall rule on the facts and look
at the inconsistencies for making a ruling dictated by the parties subsequent to the
plaintiffs' appearances, witness and proofs and not be led
by interim findings and that instead of a one million fee and accepted subordinated a
mortgage notes for \$1,760,000.00 and MKM only received over 30 months from May
2010 to Dec 31, 2012 \$240,000.00 of which about half went to others leaving me and Mr
with \$1,760,000.00 of capital never to be paid they pretended I raped WMM knowing
my loyalty to my wife's warrants to own 92% of WMMAH which owned 92% of wmma.edi
that is subordinated my short term interest to generate personal revenue to my
inability to earn 10 times [see bit daas projected in the WMM app in which Mr Mains
admitted he and Mr Troppelo created the wmm/Wdo projection [not me] and
and Mr Lux both admitted they jointly made the decision of who to accept as a
applicant and whose money they would permit to invest in
WMMA/Wdo preferred units they said I told the investors when Mr Heisterkamp
and Brady alleged that he thought I was a consultant and that Mr Birnham held
me to let him into WMMA, All WMMA employees including those that invested hard cash
invested in equity for warrants which if WMM succeeded in its goals could
be worth in excess of \$2.5 million! This fact proved and proves now that no one had
invested hard cash as Mr Mains \$333.33.33 and my wife's ultimate capital and loan [same total
over \$500,000.00 and working in the 2500 sq ft basement finished with
wood cabinetetry with paneled windows to see the objects stored therein was
equivalent to the company and we did it from May 1, 2010
to 3/31/11 when WMMA signed
lease for penthouse space overseeing New York's skyline in a 5,000 sq ft penthouse on
the 10th floor with a 2,000 outdoor patio overlooking and the reception room were
kitchen, the conference room the computer room behind Mr Young and
computer cubicles 3]4 by 4 by 5 ft high making it impossible
for me to hear and/or see anything in the reception room where clients

magazines in private or after signing them and were waiting for Mr Bernham to appear to
off the interview,, WMMA reserved 3 hours for each of about 3 visitors a day 4 days a
week and there were 2 conference rooms so that it was efficient and
suspects could be interviewed each day, I say this because Mr Lux had to interview each
pective candidate and had no time for watching and/or hearing me dictate to Mr
ngandi did not dictate the ppm to him it was absurd and a
ulous lie that Mr McGrath whispered in Lux's ear! when he returned home he did
with the WMMA. MKMA service contract referred to
employment contract, as it was an attachment to Chartis's insurance claim thereby proving
he lied before Judge Murray that he had known he would not have invested and he lied
re WMMA when he subscribed and warranted that he was
edited when his Bradyn admits he was not accredited and when in the
cription agreement it announced the fact that if a person alleges
edation and it's untrue WMMA [And his partner investor [will be irreparably harmed]; Then
solved about my calling myself as since a man signs them and it is in the
and hoan story of my life abbreviated but included in the description was my felony, the
on and what I served over 4 decades ago,, could be the beneficiary of up to
persuant to his employment contract that described MKMA, its services to WMMA
and the fees it charged were attached to its EXA in which little d
ly states WMMA is not compelled to pay any fee if it's unilateral although such payment of fr
ered would ham WMMA's financial structure". Hence in fact he submitted a
is insurance claim stating that the admissions of Puccio and MacFarlane in their respective
gnation letters proved they fraudulently induced him to
stand he wanted his investment back! So did Lockett
both blame Puccio and MacFarlane and not me and he attached to
part claim the cbi and MKMA fee document proving
he lied when he stated if he knew the fee amount he would leave WMMA and not invest,, The
contested fact stated in court that the Dicor judge stayed Mr Heistercamp's
using his pension fund, the date is 2 or 3 days after he returned
WMMA as an interview where he placed Puccio, Main, myself, Mr

ham and possibly Mr Lux] His wire was sent 2 days after his receipt of
stay and I was informed by Mr Burnham before he left my employ at WMMA
I had asked Mr Burnham to date the contract the day he visited WMMA
I know that was before he received the stay, i.e. the WMMA Chapter 11 [2014 in N.J., Newark,
Craig VS WMMA, Me and Agostini] Both of whom the federal judge found sufficient
evidence to dismiss with prejudice and the Monica Petty Texas taxation Bureau who
sued against Monica Petty as did Judge Gambrell's Trustee Mr Giordano who found
me innocent of any wrongdoing in WMMA! None of these material facts nor
the Theodor Alpert's finding of my innocence in the Vhamco matter on Dec 30, 2012 found
my wife and her and my Partners innocent of all counts including the federal and state
priorities violations of the law that would be no case as it is all circumstantial and hearsay
fabricated and those persons that invested their own volitions words and deeds were
then disingenuous. See page 17 of the 6/19/12 dishonest meeting
minutes [Ms Puccio's report about the need to fabricate evidence to
demonstrate control of all small land area at WMMA and that they must collude: 21-
I demonstrated they collectively demanded the board of directors to fire me and mkma, i
did not initiate and not create I knew that we, as a nation were in trouble,, At that
time of need I remembered ORESIDENT DONALD J TRUMP'S VOICE appointing 2
emerget out justices that would make a change back to the conservative values I hold
dear and which everyone that can think beyond his/her own interests should look
for resolution and modification after vilification or elimination of due process by elimination of a jury
by violation of full disclosure by elimination of the conflicts of interest laws
in the face of defendants by informing them that the very commissioners' who
filed the complaint using hearsay evidence, omissions' of fact and exculpatory
evidence the prosecution held in their hands prior to filing their WELLS notice [the
cursor to a complaint requesting that the commissioners' let them file one
was filed around the Wells notices allegations known to the prosecutors with which
I flaunt their perjurious, untrue allegations already contravened by the
documents sent them in 2012 as 10,000 pages of evidence that contravenes each Wells and
complaints allegation as late confirmed by

documents submitted,,Ihouseuses hearsay! Rhatsbecause the prosecutors are permitted
to bribe witness to lie with the whistleblower rewards and in my case its for
that the Whistleblower on Teresa Puccio, in collusion and conspiracy with the
main investor operators while before a federal bankruptcy court by submitting f-
declarations thru a corrupt lawyer Ms Elizebeth Richter m who appears
to have been spawned by a nazi
criminal sperm, wrote 4 declarations that choeto omit material facts and perjure her wit-
ness to obtain the federal bankruptcy judge, the brilliant Ms Rosemary Gambreddela
as a judge of the new whersy bankruptcy court, to deny my motion to
dismiss the chapter 11, Richter and her "clients" all paid for on information and belief by Wm
MacFarlane, a cocaine driven 50+ year old bankruptcy sleaze who agreed to represent a
secured party sale and not participate in the buy side as he represented the
firm making his participation in the buyers equity a criminal violation of the law if prosecuted
to the full extent of
the law,, Tgemacfarlane enterprise [Mr Jerryll, Crigand mcfarlane] then enticed the
WMA investor/operators to jump ship while WMA officers' and collude and
conspire to perjure themselves inventing torts that never occurred to build a prosecution
which had had been fashioned by William Macfarlane and [Richter] who wrote the
witness declarations were up on each of the 4 Sullivan Berjedekian, Main and Willia,
Macfarlane of Scottsdale Arizona, who works under alias ie; Novus Media etc; all officers
of WMA he diverted to join his Newco enterprise
to get them in touch with the SEC prosecutors so
that they SEC could build a hypothetical disingenuous complaint against innocent men incl
ing Mr Luxmr Agostini and mof course me,, Their claim to fame was to use a
calde old felony plea innocent to until the litigations would reach multiple, of
million dollars on the Government's end making my participation a pin on a buffalo's back
in the middle of events that were strictly business defenses to my transportation rollup
equipment leasing, Al easing company double billed we brought to my attention an my
creditors. under the advice of our lawyers' who stated we weren't usual trade creditors
we were defrauded out of the double payment as they multiplied the trucks they

and our 6 transportation companies for! We made [At this time in 1974 there was no computers we were aware of so all bookkeeping was by hands and made with sand pieces of equipment it took a month to track payments', separate bills and ancillary accounts; stopped paying the leases until we evened off the payment, then the lessor filed a Chapter 11 and instead of receiving the theft of our payments for 6 months' back to a period before and after we purchased the trucks, that's the crime I committed" not paying for trucks we were defrauded into doing twice,

In this case I am accused for controlling WMMA. On 1/15/11 my wife sold her ownership to the 3 directors with the right to repurchase [a 5 year warrant] if they did not at profit 4 times larger to the Directors than they paid her for it and at the same time on 1/20/11 I had CBI, my consulting corporation sell its 5 year term consulting contract with WMMA, which in its EXA fee calculation contract [d] states that WMMA has no responsibility to pay any of CBI bills if by so doing it would damage WMMA's financial abilities. This Covenant limited the EXA fee. The evidence contract undisputably demonstrated that rather than the prosecutors pleading invented WMMA as a mission for me to milk its cash flow for my own monetary gain was incorrect. Indeed at the same time it was agreed that if any investor invested they were informed of my felony as I was the contractor of MKMA. The company CBI sold its 5 year consulting service contract with WMMA to, in addition to also prove a meditation on my part to unite my financial fate to the WMMA. WMMA capitalized \$3,500,000.00 - WMMA with providing the services rendered had no financial obligation on WMMA's part to pay me, CBI and or MKMA. CBI sold its 5 year WMMA service contract to for a 50/50 split between CBI and its subcontractors for MKMA to implement these aspects of the strategic plan when asked by the board to improve on it to interview employees and employ WMMA and WDI jobs and to structure the WMMA to pay per view [WMMA] from its sister company's Exclusive distribution of the content at sports bars, hotels, restaurants around the world.

fault in my companies requirements for being exempt from Securities laws. At the time I was not an owner, shareholder, or officer, so I was not under my control, in the commissioners' faces.

From this point in time, innocent defendants and then by the commissioners' delegation we create a standard by which an administrative judge must stand in the shoes of a commissioner. If a commissioner has found guilty and is forcing the guilty, we have cut it out of those brave souls that fought for our freedom during the revolutionary and other American lives that followed to preserve freedom, liberty, and peace. That happiness can only come from the standard of equality guaranteed to all under the Constitution. Then, to make matters worse, the structure of the prosecutors as subsidiaries of the commission, by biasing the commissioners even more to go with the prosecutors' actions, for fear we will let a crook escape when in fact 3% of defendants in house are found innocent in federal district court and until released, but under the muzzle of Chief Administrative Judge Brenda Murray [retired of the revolution and from the articles in the WSJ], to which she pled that the administrative judge Lillian McWen should find more guilt for the prosecutors' cases. This debauchery must end; it putrefies the essence of our intuition, and if I accomplish one thing before I die, it is to be reimbursed for the 10,000 hours @ \$350.00 an hour, they [Judge Murray] committed [predicate acts of theft by fraud and deception and the McGrath \[Kevin\] Nicolaskolodny, Baryoconell and on info and believe Leslie \[name\] suffered](#)

non-constitutionally appointed as a judge, Judge Brenda Murray and another by her Judge James Grimes.

Out of four institutions, the stigma of judge fixing goes from in-house under the admirable Chief Administrative Judge Carol Feola and that the million litigation funds are stolen from the prosecutors' conspiracy to his 2 appointments in making Judge Grimes, Brenda Murray, and the rest of the fixers, not once but twice in violation of

intentions under the US Supreme Court's order in Lucia v. SEC that 150 defendants defrauded investors tried by a judge that did not participate in the prior Lucia adjudication, Long live the US Supreme Court, the court of the constitution and the people of America, under the modified whistleblower mandate. In doing so I apply to the Commission as experience in this instant matter has proven that the McGrath enterprise [consisting of Mr. Kevin McGrath, Mr. Barry O Conell, Mr. Nicholas Kilodny; and information and belief certain members of the WMMA investor operators including Doug Main, Terresa Puccio [the whistleblower] [who the division's Wells notice demanded to inform the Commissioners]] that the facts, the WMMA documents, the information received for its subpoena were paid for by my wife giving Mr Nwugugu \$10,000.00 check so he could document and send to the agency, we had nothing to do so the task was on Nwugugu's database as he created all the contracts, ppms, documents for regional promoters, employment contracts with job specifications and directed all WMMA employees and consultants update him on new events so he could include that in new ppm iterations. The Board directed that I request the WMMA employees send their ppm suggestions to me first so Mr Young and I could go over and send a cover email to Mr Nwugugu as Nwugugu acted as in-house lawyer [he finished 3 years of law school, then got his CPA degree and his Series 7/13 license and his MBA degree, he was a Mensa member, a brilliant man; but the McGrath enterprise tried to make it appear I wrote the ppms!!], You know how I write look at the ppms and tell yourself what is true.

The WMMA board found someone wrote his/her comments on Nwugugu's PPM, photocopied and printed copies with their comments and accidentally distributed several to other candidates! That's when the board wanted MKMA to intercede so no one could go to Nwugugu directly to make another error as Nwugugu typed over 10,000 documents as described in his cover letter of the subpoena requirements to the SEC and in his insurance claim form for \$1,000,000.00 for his work effort on the basis they should have collected his portion of the MKMA fees. I was surprised he billed Chartis as a result of the theft of WMMA's money by the MacFarlane enterprise he never visited me to go over it when he performed a service he expected MKMA to discount its bills to

...40,000.00came out to about\$5mllion of equity to drive a country corporation
...USA was considered the USA country corporation and we had sold out the

ional partners if they wanted to live up to their contracts, to follow and its time
suming. plus \$1,000,000.00 for WMAH and ditto \$1 million for WMMA and
million for WDI comes out to the same \$83 million! It was the resale value either of the
ilsat.10 or the country corporations
le purchase at \$5 million plus the 3 WMMA entities at \$1 million each,, simple and
ate, it was no Gaap pro as the disclaimer disclaimed
anyone investing could look at the related party section and see that CBI forgave a million
its sold its contract to MKMA and ask what did CBI get for the million it forgave and
Joans warrents came into play which was reserved in the share holders of WMMAH
on under the 3 directors Anyone looking up CBI would see Edward M
in as its owner and CEO and if they looked at the WISA
t PPM of Nov 1, 2010 an exhibit in the documents I originally offered with a date stamped
would see under the management team CBO and Edward M
in as its CEO and my felony disclosed in type! There is a secret the board just didn't want my ba
e to harm until WMMA was financially strong and I agreed with that as long as
I agreed that prior to any investor investing I explained they also had the responsibility
the consultant deal maker Ed Daspin had a felony 4 decades ago, The Wells and
plaint make that a mission though even mentioning my felony after all those years is a
end rate way of bias in commissioners, judges and ordinary people like me,, I get that and
why did I disclose my felony after the NDA was signed Seemr Youngs' direct he admits all
idate were informed prior to investing just as Lux's deposition of 2013 does; but
complaint alleges I sold securities and that's false as I thought they were
empt, and I was job interview as part of the description of the financial
erpinnings of the H/R compensation; I explained their questions' answers about "is
e away to generate cash flow during the deferral period" That reasonable question
answered by me explaining they could participate with MKMA as their
loyment contracts' offer and repay the financial benefits it earned during the
re contract term and/or invest in the WMMA/WDI exempt securities under the
eg Dppm rules,, some of the applicants wanted to see the SEC stamp so those that
e in after Oct, 10, 2011 saw the SEC stamp of approval which was were not involved

exempt securities That's why the SEC did not stop the sale of the exempt securities
someone had them
I ate wrong when none existed and now we know with Judge Murray heading it up, no one stood
in my way! That's why so many people who are honest are so mad! The best thing you did was
getting rid of her,, it's exempt so we don't have any jurisdiction is what that Oct 10th sec
order said, Now the SEC wants to say they made a mistake and all the lawyers at WMM's
[Professional] made the same mistake so must pay for their mistake as a consultant who
went up front and admitted his felony before any investment,, anyone who says I was
not the signed and named alias
I was told by Sullivan who lied that I informed him at the 11th hour was proven a liar but no one can deny
I was informed and believed so what does McGrath do, He comes' up with phoney
evidence that I almost didn't tell them! Who in their right mind would invest if during the
3 month process from the first interview until the check and subscription was
made out that all the WMM persons each applicant reviewed with would hide felony
and everyone was a conspirator and
I believe the very same investor or person that has no credibility please see my Wells reply
on 7 and here in and as far as Scient review sections 5 and 6 for the Exchange Act and
I adopt the Wells reply as a part of my defense with the caveat that had the
SEC notice firm had the commissioners with the Brady and exculpatory evidence had
committed material facts the
commissioner would have passed me up and not found guilty where there was no and where in the
documents I proved the hearsay made by disingenuous investors that lied their way into the SEC

calling them crooked because both Mr McGrath and Judge Grimes were purposely in contempt
of the circuit. Agostini says, I call them crooked because Judge Grimes failed
to disclose to her when the evidence demonstrated she could not make a detached
decision and just like she did read me with appointment if Judge Grimes she did so
pointing herself as though she would not have to worry about an independent judge finding my in-
nocence, I call her crooked as she let 7 years go by
for an 82-year-old defendant that informed her in the interim all my indispensable ma-
jor witnesses and named them, I call her criminal because she believed that on the
commissioners delegated her to find in their
favor she believed it was her duty to find guilty as not to do so would put her in the position of overrul-
ing the superior court. This delegation of a judge finding in the
commissioner's shoes concerns me greatly and that de-
cision cannot fix the elimination of the process and delegation that an adjudge must stand in the
face of the commissioner that already found guilty is
in violation of providing equal justice under the law as no such constitutional rights benefits are

to be in front of a federal judge no ears say is permitted and a jury and
discovery is permitted yet in house they are removed without

The newspaper article in the House sec

the percentage of guilty verdicts in house is not a difficult event to

adversely effect its financial abilities to meet its other financial obligations', le ; it would not make any WMMA

payment if WMMA it believed by doing so it would harm insiders; and/or other vendors inability to meet its obligations to them before WMMA was satisfied making it clear that the premise that the prosecutors' fabricated, that the WMMA mission was solely to pave my hands' with WMMAS' money and for me to milk it; was 360 degrees opposite the truth! Proven false by the contracts' I signed; the contracts that the WMMA board resolutions' made certain all proved that the Wells notice was full of fake allegations contravened by the facts they held in their filthy hands..Is that justice in our country?/Who was so powerful as to make McGrath ignore the fact that CBI and then MKMA were financial pawns in WMMAS' hands as **WMMAS' service contract ,EX A[d]** gave WMMA the unilateral right to never have to pay MKMA and/or me any fees,! My wife Joans' sale to 3 individuals that were by no means closed family members; nor could they ever be called my fronts' and were disinterested having; but one interest ie; to succeed by operating WMMA in an unbiased manner always trying to do the right thing by causing it[WMMA/WDI/WUSA/WMMAH] **to make money,**

,In fact their [The THREE wmma/wdi BOARD OF DIRECTORS' MOTIVATION, FROM AN EMPLOYMENT AGREEMENT PERSPECTIVE was to **eliminate any fees**[With emphasis on MKMAS fees' as they were by far the largest their and if eliminated the 3 directors would share 1/3;1/3;1/3 of the 10% not distributed to MKMA. Regardless' no executive likes having a consultant make more than they do so that the inherent dislike of mkma and me that the three men shared in common was against me. So long as i was producing no problem ;but the moment that MKMA was not making a contribution in excess of their perceptions of whether they could eliminate my contribution cheaper than the fees that they were ok in paying me they would collaborate to either cut my compensation as they did on DEC8,2011; or fire MKMA and me using trumped allegations' like the prosecutors enterprise tried to do with the Murray/Grimes judge' in tow as sympathizers 'not knowing ,that **EX A [d]** made such conduct not only offensive against justice and my constitutional rights by deprivation of due process while condoning theft of my assets without the due process and by non article 2 appointed ad jls the gng created ucha sorrowful violation of my and my wife's right that everyone in the chain deserves punishment of the harshest kind, An example must be set that is nothing for congress to create an exit door from our form of justice by inventing Dodd Frank, But once they opened that door they hauled all our military men that died for due process upon the guid posts that one goes through on their way to hell. Congress had no right to create an amendment that provided the sec with the following unjust criminal bias against our brothers and sisters that were found guilty before being sent to the house where in Judge Murray and Judge grimes took away all rights by holding kangaroo courts because some high authority false believed that they had the singular right before discovery and due process to find guilt, How CAN ANYONE CONDONETHATFACTSTHEY NOW EXIST, I KNOW THE LEGAL FRATENTY PUFFS WITH THEIR OWN SELF CONFIDENCE AND FALSELY BELIEVES THEY KNOW WHATS RIGHT. I BELIEVE THE SUPREME COURT NOT ONLY THEM HAVE THAT POWER BUT THEY DONOT SEIT UNLESS IN TIMES OF WAR. I also believe our president has the right in times of war tooley make the tough call to protect mother AMERICA, But in a judicial setting there is only one way that we can condone DODD FRANK, IF WE IMPLNT THE F=DONALJ TRUMP PRECOMPLAINT ADVOCACY SO THAT FOR \$40,000.00 UP FRONT AND ANOTHER \$10,000.00 IF NO COMPLAINT ISSUES AND OR IF ARE COMPLAINT SETTLEMENT TO THE TRUMP ADVOCATE ENTITY THAT IS NOT TIES PD TO AN PART OF THE SEC, HAS NO BINDING POWERS AND IS AN ENCAMER PROCEEDING CONFIDENTIAL SO THAT IT IS OPINING OESTO THE COMMISSIONER THAT SENT HIS/HER CSETO IT TO ELIMINATE THE PREDOMINANT BIAS A COMMISSIONER IS ENCUMBERED WITH AS THE COMMISSIONER SOWN DIVISION OF ENFORCEMENTS WE NOTICE CREATED BY USE OF ALLEGATIONSTHE DIVISION KNOWS THE DEFENSE CANNOT ACCEPT AS TRUE AND THEREBY ELIMINATE A DISMISSAL, THAT CHICKANERY AND WHAT HAPPENED TO ME BY A WELLS NOTICE THAT PURPOSELY ELIMINATED THE MATERIAL FACTS AND EXCULPATORY INFORMATION AND BRADY SONE OF

WHICH THE DEFENSE DOESN'T HAVE AT THE PROSECUTION DOESN'T HAVE TO GIVE DISCOVERY AND IS PAID TO FIND GUILTY AND VIOLATION OF MATERIAL FACT AND EXCUSE OR EVIDENCE AND THE BRADY ABANDONMENT OF THE WHISTLEBLOWER THE PROSECUTIONS HAND IS UNBEATABLE INITIAL THAT INITIALLY GIVES THE PROSECUTION A SURE HEARING, A HEARING WHICH COMPELS SOURCE COUNTRY TO SPEND OVER \$1,140,000.00 ON AVERAGE ONLY TO HAVE A FEDERAL DISTRICT COURT JUDGE FIND IN 33.33% OF THE TIME INNOCENCE,, THE DONALD J TRUMP ADVOCACY PRECOMPLAINT INITIATION PROGRAM SAVES \$1,000,000.00 AT LEAST FOR EVERY IN THE COMMISSIONERS PROVIDE AN OBILL AND OR PERMIT THE ADVOCATE UNDER THE CHIEF ADMINISTRATIVE JUDGE OR AT THE COMMISSIONER'S TIME SCHEDULE THE COMMISSIONER TO MOVE ON THE PRECOMPLAINT INITIATION SETTLEMENT,, THIS WILL SAVE THE REPUTATION OF OUR INNOCENT BROTHERS AND SISTERS, AT LEAST \$1,000,000.00 AND LET ANYONE SAY THE SCUDJET CONTRACT AFFIRM THE \$400,000.00 LET THE BONUS BE \$500,000.00 AND THE DEFENDANT IS SURE WILL SIGN UP FOR THE \$40,000.00 Since that's a big break even for one federal district court judge and one administrator and 2 investigative business men that are defense oriented "we never sleep detective agency "when Pro Sees" and a stenographer then all CBI gets is a small percentage of those would be defendants' the commissioners' don't initiate complaints' against,

This DONALD J TRUMP ADVOCATE is pre in house Dodd Frank as the Wells' notice and reply is not in house ;yet only anticipating in house so that the tribunal should be confidential, en camera and not damage reputations' by initiating complaints in case if the safeguards were in place none of the theft of litigation funds without due process and the theft of my 10,000 hours without due process would have occurred nor would an article 2 litigation ever be assigned to an article 2 appointed adjl. in fact I remember the federal district court case that Judge Grimes informed the judge when asked if Judge Grimes knew the 2 constitutional amendments he referenced and used to find guilt he answered NO BUT I DID IT ANYWAY; THEN AFTER ABREIF TIME THE COURT TRIED TO TEACH JUDGE GRIMES THAT HIS NON ARTICLE 2 APPOINTMENT COULD BE EASILY CURED AND THAT IT WOULD NOT TAKE LONG! HIS SUGGESTION PROVED THAT JUDGE GRIMES, THE PROSECUTION AND JUDGE MURRAY KNEW THEY WERE OUTSIDE THE LAW, KNEW THAT THEY WERE ACTIVELY FRAUDING DEFENDANTS LIKE ME INTO SPENDING OUR LITIGATION FUNDS KNOWING THEY WOULD RUN US OUT OF THE MONEY AND ALL CHOSE TO PARTICIPATE IN A CONSPIRACY WITH THE CHIEF ADMINISTRATIVE JUDGE TO VIOLATE THE CONSTITUTION WITHOUT SUPPOSED TO STEAL MY TIME AND THEFT OF MY KITGION FUND WITH MALICE OFF FORETHOUGHT, IN JUDGE GRIMES CASE THE CONDUCT WAS WILLFULLY VINDICTIVE AND DEMONSTRATED HE IRRESPONSIBLY TRIED TO KILL ME BY DISOLVING JUDGE FEOLAK POSTNEMENTS SINCE PRIOR TONY NEW MEDICAL EVIDENCE AND IN THE FACE OF EVIDENCE BY HARM BEING FOUND AS FACT BY ONE OF THE MOST THOROUGH EXACTING KNDEST PROTECTORS OF OUR LAND HESHITONIT AND ME, MY WIFE, MY GRANDCHILDREN JUST LIKE MURRAY LIED AFTER TAKING THE OATH BASED ON WHAT SOBVIOUS MURRAY RATHER ENTER PROSE MEMBERS PRESSURIGHIMTOLIE AS IN 2013 ONLY ONE YEAR BEFORE THE ACTUAL EVENT MURRAY'S DEPOSITION STATED WHEN ASKED WHAT ROLE HE PLAYED IN THE PPPMS HE INESSENCE ANSWERED:

declarations, My reply to both with attached exhibit proof conclusively proved perjury and commission of material facts against a federal bankruptcy judge, Thatnes marched 3 of the 7 Investors with the other 3 Msuccio, Mr Lockett [May here in peace] Mr Heisterkamp hall swore falsy under the oath that they were accredited in their respective subscription agreements when they went per their Brady and the SECS admission. That shy in My Wells apply section 7 I declare that the investor operator judge Murray want to mow-ward her fake finding of guilt against me to be collected by the prosecutor in an enterprise of fraud, conspiracy and subornation of perjury as well as defrauding the federal district court judge in My OSC for a tro that we discussed previously.

Going back to Judge Murray fail to recuse herself! With the evidence proving that I informed her I sue her as a judge that is not a judge and one that knows it, a judge that is uncontravened evidenced directly skidges to find for the plaintiffs more and who presiding judge refused to sign an affidavit Judge Murray promised before she even had his consent and Judge Elliot was the presiding judge when Judge Lillian McEwen was sitting under him and he knew Judge Murray for what she was, here I filed to submit an affidavit to contravene Judge Lillian McEwen's state testimony that Judge Murray did not inform Judge McEwen to find more for the prosecution.. Judge Elliot's reward for not entering the fray and not informing that she got Judge Elliot fired as presiding judge!,, Judge Feolaks finding of fact that I forced to testify I did be irreparably harmed and upon Judge Murray dismissing Judge Feolak together on my case he discolored Judge Feolaks postponement protective order and then the order's stand at a hearing forcing me to testify in 4 months put enormous pressure on me [REDACTED] faulted when the prosecution decided to spend a fortune to find a shrink with great credentials who has brought psychiatry to a higher plateau where he found me among other based on noted nurses and college nursing and sociology school candidates, The Texas federal court's calendar at the time was full of \$2.5 billion dollar lawsuits against Pfizer by patent like them that took lycra for their nephrology and Pfizer admitted that one in every [REDACTED] 250 billion [REDACTED] a year and at 66.66 GPM so that the \$2.5 billion law suits represents a 1% negative gpm to them and they [REDACTED]

[REDACTED] the [REDACTED] or the risk. When Judge Grimes was substituted in by Judge Murray my law firm almost immediately left the case as they were so disheartened by Judge Murray's playing musical chairs and convicting an honest judge who spent 3 months finding a fact I did be irreparably harmed I refused to testify they couldn't face me and look at their role as protectors in litigation setting.. They left but were every honorabe in that they assist me and Mr Agostini to ride the coat tail of Lucia VS SEC. I live in New Jersey so I filed my appeal before the 3rd circuit whereas Mr Agostini filed in MN New York and received a stay,, They learned that Judge Grimes was contemptuous of the 2nd circuit's stay order and I believe information and believe heard the prosecution's and after reading upon Him and Judge Murray it became obvious that the selection of jurisdiction by enforcement was a strategic plan in and of itself as it doesn't take much brains to follow the conviction differentials and that since the easiest jurisdiction for the prosecution was the in house by far In fact the disparity was absurd and in addition self represented a standard deviation of a 3.2: 1.0 better chance of being found guilty if before in house regardless of the judge, However if the 2 judges that I now know are honest from my research ie; Judge Feolak and Judge Elliot remain as Judges and of them defednate the 3 years ending 3/31/15 the conviction rate in house was 90% while for the same period in federal district court it was 67.5%, That's tantamount to a 1 in 10 chance of being found guilty if tried in House. compensation each were beneficiary of.. In my case I was content to have my wife and I make money as well as by doing my wife's equity as of and when she exercised her warrants would be 10-20 times greater than the CBI portion of the firm's assets would be a multiple of the revenue all would be a capital gain distribution other than the way it looked at it if I gave up a million fees one day that could be worth to my wife's share value \$1,000,000,000.00 times 0% [capital gain tax] times 91% for her pro rata ownership's share amount was what I got to go to as by so doing it left more profit which they collectively by contract received 105% of that, that's the reason that Lux stated in his 2013 deposition to the effect that the CBI could not do this because the fees they falsly believed were overstated WHEREIN THEY EACH RECEIVED A PORTION OF THE WMMMA ENTITIES COMBINED PER RESPECTIVE employment agreements made them natural adversaries against MKMA as financial interests as the less fees they paid MKMA and me the more profits WMMMA made and in that line of thought thinking they'd rather company executives whom I rewarded successful performance of WMMMA and not how much money they had WMMMA pay CBI/mkma and or me! truth and make one look the other way and permit Kolodney to participate in attempting to emasculate a felon from 4 decades ago that had proven by no recidivism in that time he was a changed and honest person, what power made a judge, one even lied for plaintiff's only seen on existent facts and used them to make a false guilty findings, its serious and if not solved could topple the SEC's house irrevocably, its something to abuse and not used due process its another to create wrong doing that does not exist and which the documents do prove existed in the first place,, Does MacFarlane have this power by his association with Mitt Romney! Did Katherine in Richter who I never met have an SEC relationship with MacFarlane at the highest levels that we used could create prosecutorial misconduct, judicial abuse and a contempt of court of four systems such as and degree all exposed to the truth denied its presence?

Why?? Who was so powerful that they/she/he could try to pervert the facts in such a manner as to try to make the altruistic purposes I had for WMMMA success because I knew my wife would be a major beneficiary of WMMMA's projected success and from that I bet that success to my own disadvantage, initially, while in my mind I was content to sacrifice over the short term for the anticipated bigger rewards for the! IN FACT THE ACTS OF FORGIVENESS OF A MILLION IMC FEE by me thru CBI, THE ACT OF MKMA BEING OWED OVER \$1,700,000.00 AND STILL PROVIDING THE MUCH NEEDED SERVICES BY ME, MKMA AND MR Maydisprived the prosecutions allegations about my motivation and the prosecution held in their hands those documents since 2012 and did not file a complaint until 2016 so what was their reason or science of WMMMA acts of generosity towards WMMMA? Why then did the Wells Notice convolute My and MKMA's motivation to make it appear we wanted to milk WMMMA while it was only to clear that the reverse was true? The fundamental conclusion of my motivations and of CBI and MKMA acts of generosity being purposely perverted means that some dark hands were at work beyond my pay grade! Who could that be enough and had the power to try to change the record wrong doing when the philanthropic acts shown through the contracts of the board of directors resolutions and when my sacrifices financially disproved the RES that the plainiffs wanted the commissioners to believe When you get these answers you know who is responsible searched deferred compensation of the employees of WMMMA not being distributed their monthly compensation if a person wanted their monthly cash kick WMMMA had created a means for the persons 401k and IRA to invest in preferred shares in any month where in all WMMMA employees received their monthly compensation none of the WMMMA employees were paid their respective deferred compensation and the same deferral held true for CBI and its successor MKMA.. The MKMA/CBI year consultation agreements ex A little paragraph clearly state that WMMMA could make any agreement of deferred contracts and its affiliate WMMMA entities in any management position without the understanding that she held a 5 year warrant and if exercised for a greater value

In my case it is unquestionable that the prosecution eliminated all the exculpatory evidence and all the material omissions of facts as well as the Brady and all depositions when they turned and converted the well's notice allegations, In fact Mr. Lux's deposition of 2011 admits she was CEO, I wasn't a defacto anything just a consultant the majority disinterested board of directors controlled WMM by the 37 resolutions the majority board did not me, that was neither an officer director or shareholder and he stated when I was asked to attend a board meeting I did not go and direct the board of directors meeting nor voice over any five directors and a review of the meetings demonstrated that there was no advantage I could and or did receive,,kkk

The Well notice RES was demolished by exculpatory evidence not included in the well's notice in Mr. Wugugu's case the insurance claim admits paragraphs 6 and 7 that he wrote 100% of WDI and WMM apps respectively by exculpatory from many responsibility with respect to errors and or alleged omissions of facts that the prosecution alleges were not included,, Mr. Wugugu accepted in his contravention of his Brady alleges = statement which he unconditionally stated he did not make and that they were the product of fraud gross negligence and or both and then he goes on to answer all the OIP allegations as if he were a defendant in that he admits he wrote the entire WMMa.CBI/MKMa vice contract which included its EXA the commission fee agreement and in that little [d] states that WMM's business has the unilateral, right to not make any fee payments if in its opinion such payment of made would harm WMM's financial integrity or for what [ver] reason it had therefore is any allegation that an hourly fee in reality and investment banking fee [and] the hypothesis is absurd as the testimony of Bernham, Agotini, Wugugu Kux all stated absent my presence that the fees were percentages of for several years compensation and not of the amount invested as proven in my well's reply Section 5 and 6 where I differ in investment amount spicchio \$500M, Sullivan \$350MM, Berjedian \$100M and Mr Lange \$250M of whom's first year compensation was \$150,000.00 and the WMM's fee was identical as it was 25% of the \$150M with 417,750 going to burnhaam and MKMa receiving the other 12.45%! The divisions stretch and control by feigning that because of the WMM's luxury, Wugugu Agotini, triple the rich all having sweat equity \$150MM base compensation but investing no money it somehow proved that the compensation was based on the investment or no investment but they purposely forget that the fee agreements specifically was drawn up to protect the financial integrity of WMM and not my company bind or may MKMa and it states if there is no incremental profit or equity made at the time of hire then no profit fee will be based and then only an override of 10% against the minimum contract fee of \$1=25,000.00 will be made plus 5% each month over the first 60 months in excess of \$1,500,000 over the \$150MM running rate, There was no Exchange rate violation as the cap in the contract approved by a majority

of disinterested directors an fully disclosed states that a valid contract and of fit changes compensation for hr fees and or regional pro noer fees as ting non are paid if there is no incremental money to pay it is a goo thing and not to be used to come up with that they to fabricate a wrong doing and or rail a dismissal motion The Service agreement mrnwgugu admits she wrote using c hamcos service agreement as the template see my Wells reply excw when Judge Theodor Apert found on page 3 and thereafter it was completely innocent of all federal and or states cro to es claims That's re adjudica and that mens that the service contract signed by a majority of disinterested directors was law leg land no securities and ore chan ge violtions the very attempt by the SEC mt isue a document approved by federal bankruptcy judge bristles my hair as does the wmm chapter 11 trustee thr SEC witness mr huirdin who spent a year and found it committed no wrong doing while twmma re adjudica t addid the judge Gambrel de la he was a rd party for. Mrnwgugu acoa, MBacolumbia univerty and series 7/13 license holder and an adjunct professor in finance at city university who finished the first 2 years at law school. Do you see I should disregard their approval and the SEC itself returned the pmson oct 10 2011 without comment restrictions of any kind in Nevada stating its an exempt security and no contractual obligation over the financial warrants of the wmma subscribers the FBI vetting the hie oue applicants require that they sign the oath that sit that oath as in the subscription agreement and mr bernhams Brady stesi refused to interview for an investor operator man that did not have 2050,000 to invest as that the most amount that could be invested in addition in my cross on the sec 2 star witness mr maia and mlux both separate and apart admitted that their combined approval was what was used to either accept an employee and on investor or not approve them The admitted they controlled the staff and hired the staff without regard to my opinion when it came to that. Not one employee contract requested and or directed they report to me and or m kma how could it control a company having over 25 employee executives and each of their respective contracts gave them on average 20 responsibilities so collectively they covered the entire gamut of what was needed to form a complete clean control a company's operations There was no room in that form to control an e deltal n small and mlarge thin bgs Eman in the SEC prosecutor's omission of material facts they did not tell the commissioners know that the whistleblower Mrichter and mcfarlen pushed in front of thmspuccion was in the slightest honest or a person of integrity got by As the prosecutions 3e=rd party fly on the wall at the 6/19/12 dishonest shareholders meeting see my Wells reply EXA page 17 she put the entire investor operator whoon that dyvoted to bema cfarlane enterprise members against their own WMM/Wdi which they were still officers of and she mentored them [after she resigned from KMaas the wmma email op note accepted on 5/24/12 the WMMMA srvp teoubles shooting resigned from MKMA and its fees ceased as announced we would have a conflict of interest after she became a full time \$1.00 a year employee and officer of WMMa A month later on 6/19/12 the dishonest shareholder meeting was a stagn center for what the prosecution wanted them to accomplish by Ms Puccion see L 5=:12 [page 1e: ...ketssayed controlled all large and small at wmma because she denied in writing that she controlled the wmm board but we can all fabricate emails notes memos and it will be the first to sign my name to it, Mr Lockett states "teresa they have all that stuff [that they was the sex so or sure they made their deal b

the federal district court judges that had they informed of the

delegation by the commissioners set in motion that the adjls must stand in the
commissioner who found guilty she is there only one easy to eliminate the inherent anti defendat bias with
the Deal
Trump advocacy of due process pre-complaint initiation, then the commissioners will have mending full judicial
review and use the FBI for the beta as impassionate about proving it's the cire not to have to toll dodd frank and with
the demodrats looking for the blood of any one who can move against them we ont stand a chance of
getting rid of it yet we can circumvent the injustice of running 59% of all defendats
reputations and possible when we have a 100% TRMP Advacy eliminate complaint against
150 potential defendats that a \$150 million a year and that would put it all in house with judge feolak having a
staff of 2 under the chief administrative judges which will end up as 8 instead of 5 and all secces and
abiiger investigative arm with better more meaningful cases will be the net result

DEAR MR FIELDS AND MS SHEILDS;

I DECLARE UNDER THE LAWS OF THE UNITED STATES THAT THE FOREGOING IS TRUE TO THE BEST OF MY KNOWLEDGE AND MEMORY. I KNOW IF I WILLFULLY MISREPRESENT THAT I AM SUBJECT TO PUNISHMENT. I WISH ALL OF YOU A VERY BELATED MERRY CHRISTMAS AND HAPPY NEW YEAR, IN THIS SEASON WE HAVE A GREAT OPPORTUNITY TO SET THINGS RIGHT ,TO MAKE AN EXMPLE THAT EVEN THE STRONGEST GOVERNMENT IN THE WORLD CAN SET ITS' ERRORS OF SELECTION OF INCOMPETANT, BIASED CONSTITUTIONAL ARTICLE 2 APPOINTMENTS VIOLATED BY THE fake" JUDGE[S]" THAT MIMICKED AS IF SHE HE 'JUDGE JAMES GRIMES HAD THE AUTHORITY WHICH THEY KNEW WAS NOT VESTED IN THEM WHILE PLAY ACTING AS IF THEY HAD ARTICLE 2 APPOINTMENTS WHILE THOSE PROSECUTORS' [KEVIN MCGRATH, BARRY OCONEL, NICHOLAS KOLODNEY AND LESLIE KAZON AND JOHN[-6] AND JANE DOE[1-5] AIDED, ABBETED AND PRETENDED THAT THE JUDICIAL CONSTITUTIONAL VIOLATORS WERE AUTHORIZED TO HEAR CASES BY THEM AND INCONSPIRACY AND COLLUSION AND BY OMISSION OF THE FACTS WITH THOSE "PROSECUTORS ,IRONICALLY ENCHARGED WITH ENFORCEMENT OF THE LAW, WHITHHELD THE FAKE AND KANGAROO RIGGED COURT CASE TO EFFECTUATE A GUILTFINDING PRELUCE AND THEN FAILED TO RECUSE HERSELF KNOWING THE CONFLICT JUDGE MURRAY, PRE ARTICLE 2 APPOINTMENT HAD WITH HER INTIMATE KNOWLEDGE OF AND GRIMES PRELUCE CASE AND WITH JUDGE MURRAY PARTICIPATING IN THE DJUDICATION BY MANIPULATING HER SCHEDULE TO PROVIDE INEQUITABLE AND ARTIFICIAL CIRCUMSTANCES IN HER ATTEMPT TO JUSTIFY

MOVING JUDGE FEOLA OUT OF MY CASE UPON HER FINDING OF FACT ID BEIR REPERABY HARME IF FORCED TO T
ESIFY, JUDGE GRIMES ALMOST IMMEDIATELY DISOLVED THE POSTPONEMENT ORDER AND IN THE DP FACE OF
THE
FACT FINDING WHICH HE COUDNT CHANGE HE ORDERED A TRIAL AT WHICH I WAS FORCED TO TESTIFY KNOWING
THAT BY DOING SO HE WAS
TKING MY LIFE IN HIS HANDS WITH UTTER DISREGARD FOR MY CONSTITUTIONAL RIGHTS AND ALL THE
WHILE JUDGE MURRY CONDONED SUPPORTED AND REGECTED MY MOTIONS FOR HER TO ALTER
THIS JUDGE VIOLATION OF JUDGE FEOLA'S FINDING HE WOULD REPERBLY HARM
ME IF HE DID WHAT HE DID,, THIS IS NOT THE FIRST TIME WITHIN REGLESS ABANDON JUDGE GRIMES VIOLTED
THE JUDICIAL RESPONSIBILITY TO BE FAIR AND
DETACHED FROM ANY CASE PUT IN FROM NTO FHI, In another federal district court new york case before judge wei
berg [then name may be wrong but the cses characteristics are indeibly in judge
grimes in dadn when the federal judge asked me judge grimes if he knew the 2 ammendments that judge grimes
found the defendatnshad violated judge grimes dtd no" but i
did it anyway" is this the presiding judge in house that this new commission want to empower
to kill defendats willy nilly by total disregard of common sense and human decency who absests the power and
discretion recently afforded him by his article 2 appointment.. Isay
that those facts were hidden from the commissioners veiw and had they know they would have corrected it
thy did by reappointing a new chief administrative judge,, [my advice is we want to keep judge
feola as she is a shining example of a meticulous judge, in deed to of personal involvement in each case before her
and she needs a number 2 [two], to assist her administration as judge Murray worked about 20
hours' [+/-] a day to keep control over everyone and every case she assigned and it is my belief that she
must be retired from that environment or moved away by giving her a function to not be able to
influence the pure unpetrified new atmosphere this commission/panel was courageous enough to
tackle,, I implore you to do it all the way. Of course my advice as being in that environment for 6 year is
eliminate judge Grimes as Presiding judge and let him brief for the defendants side any appellate appeals
such as im making. In this manner he may reorient his thinking that judge Murry indoctrinated in him
that defendants are guilty at the outset!

THERE IS ONLY ONE PROBLEM LEFT FOR YOU TO SOLVE AND IT CAN BE DONE PRIOR TO THE ELECTION
SO THAT OUR PRESIDENT GETS THE HONOR FOR SAVING OUR CONSTITUTION AS WELL AS SAVING HIS
SEC BY THIS PANELS COURAGE TO BRING DUE PROCCES INTO THE **SYSTEMS' FRONT END BEFORE** ANY
COMPLAINT IS INITIATED AS THEN UNDER DODD FRANK, AND NOW IF THE SCALES OF WELLS
PRESENTTION THAT THE PROSECUTION AND ITS INVESTIGATIVE STAFF SYPHON OFF ALL THE ADVERSE
LOOKING EXHIBITS FRAMING A CASE FOR GUILT WHILE SUBORDINAYING ANY INNOCENT APPEARING
EVIDENCE AS IF NON RELEVANT TO THE JOB DESCRIPTION. FIND THE SMOKING GUN, MAKE A SMOKING
GUN AND LOOK AT THE CASE FROM THE PERSPECTIVE OF THE LEAD PROECUTORS
ABILITY TO CONTROL THE TESTIMONY OF THE WITNESS BY USE OF THE PROSECUTOR STOOLS,, IN MY
CASE THE WHISTLE BLOWER M SPUCCION WAS INEFFET BRIBED TO INSURE THE STORY ABOUT CONTROL BY MEWS
TRUTHFUL,

1.1 SHE BECAME A GOVERNMENT WHISTLBLOWER BEFORE 8/15/12 ON INFORMATION AND BELIEF! SHE DISSEMINATED THE SEC DIVISIONS' PARTY LINE AGAINST THE INTERESTS OF WMMA WHICH WAS CONTROLLED BY THE WMMA/WDI BOARD RESOLUTIONS [SEE LUX DEPOSITION 8/29/13] WHEREIN HE STATED THAT THE RESOLUTIONS' SIGNED BY A MAJORITY OF DISINTERESTED DIRECTORS' WERE NOT VOTED ON BY ME AT THOSE FEW TIMES THE BOARD INVITED ME TO ATTEND ON ISSUES THAT THEY HAD ASKED ME TO CONSULT [4/5 TIMES OVER 18 MONTHS AND NON GAVE ME, MY FAMILY AND OR CORPORATIONS' ANY VALUE OR MY OWN MONETARY CONSIDERATIONS' AND AT THE SAME TIME PERSON ADVERSE TO MY OPINION WAS ALSO ASKED TO ATTEND SO THAT THE BOARD HEARD ALL SIDES AND MADE ITS DECISIONS]. ! [MY WIFE AND I SELECTED THE THREE MOST POWERFUL WMMA/WDI EMPLOYEES, THE THREE[] DIRECTORS' THAT VOTED FOR THE CONTROL OF THE CORPORATIONS OF ALL WMMA COMPANYS' AS THEIR INTERESTS WERE UPPER MOST IN OUR MINDS AS THE FATE OF EACH COMPANY AND THE ATTENDANT HURDLES' EACH WOULD HAVE TO OVERCOME AS A COMPANY FACES OBSTICLES AND MUST MAKE DECISIONS' WHICH CAN HAVE MAJOR IMPACTS ON ITS ABILITY TO COPE WITH AND OVER COME THOSE OBSTACLES WHILE MAINTAINING A COHESIVE OPERATING ENVIRONMENT REQUIRES PEOPLE WITH DIVERSE BACKGROUNDS AND EXPERTISE., MR AGOSTINI WAS A MASTERS IN COMPTER SCIENCE, HE HAD ADMINISTERED 2 COMPAMIES' I WAS INVOLVED IN WITHOUT AS MUCH AS A HICCUP SO I KNEW HIS ADMINISTRATIVE BACKGROUND WAS TOP NOTCH AND THAT HE COULD MATURE INTO A CHAIRMEN WHEN CALLED UPON AS

HE CODEVELOPETH STRATEGIC PLAN AND IT WAS BEING REINFORCED BY MKMASCOS UNCLE SOTHAT HEEDDEOMMR ME TO MAKE HIS AND EITHER OWNED IN MY NAME OR MY WIFE OWNED AND THAT I BELIEVED JOAN WOULD BE A STABILIZING INFLUENCE MAKING HER THE PERSON THAT ANY OF THEM THAT WANTED A CARING PERSONS HELP THEY COULD GO TO KNOWING SHE ONLY WANTED GOOD FOR THE PERSON AND COMPANY'S BEST INTEREST AS IF IT WORKED OUT SHE AND THEY WERE THE BENEFICIARYS AS WE MADE IT KNOWN THAT IF GOOD SHE WOULD NOT EXERCISE 100% OF EACHES 31.75 INTEREST BASED ON THEIR PERFORMANCE AS HER INTERESTS WERE ALWAYS PURE FOR THE BENEFIT OF THE COMPANY AS WAS MINE AND THEIRS. AFTER ALL WHEN PEOPLE WORK FOR THE UPSIDE TO EARN A LIVING THE ONLY WAY THEY CAN IMPROVE THEIR LIFESTYLE IS BY HELPING THE COMPANY PROSPER AND COUNTING ON OTHER PEOPLE DOING THEIR FAIR SHARE. WE WERE COUNTING ON MR LUXS' EXPERIENCE WITH PLAYBOY AND NATIONAL GEOGRAPHIC AND THE UNDERSTANDING OF PAY PER VIEW RELATING WITH BERYL WOLK TO INTEGRATE WMMA'S WEBSITE WITH IMCS DATABASES! THE DEAL WAS MR WOLK WOULD NOT PART WITH IT AS ITS IDENTIFYING EMAILS WAS WHAT HE OWNED, BUT HE COULD PROVE ITS EXISTENCE WITH THE COMPUTERS CODED RUN OFF AND HE WOULD TRANSMIT HIS OFFERING DISCOUNT COUPONS AND THE FREE WMMA PLATINUM CARD; BUT THE TEST RUNS

THE STORY THEY TOLD WAS PERFECT THEY ASCRIBED THEIR ACTION TO ME AND I BECAME THE RED HERRING TO ALSO DIVERT THE INVESTOR OPERTORS INTO BELIEVING THAT MCFARLANE'S NEW COWOULD BETHEIR SAVIOR AS HE STOLE THEIR MONEY ABDBAMESDME., THE DEC FRAUD AUDITOR TESTIFIED THAT THE BUDGET BY THE WMMA FINANCE TEAM WAS \$450,000.00 AND 2 WEEKS BEFORE THE 3/31/12 EVENT AND SHE REPORTED "IT LOST 2..2 TIMES THE BUDGET \$1,000,000.00! HOW DID THAT HAPPEN THE MCGRATH TEAM KNEW BY THEN AND THEIR OWN FRAUD ANALYSTS WORK PRODUCT THAT ALL PAID TO MKMA/BCBI AND ME TOTALD MTHE CONTRACTS 10% OF MTHE EQUITY TO ARDSTHE FIFOM DEFERED M FEE. MR AGOSTINI DID NOT KEEP M2M SETS OF BOOKS ONEM FORA CCRUAL MFEES DUE MKMA AND THE OTHER OR BIRHAM SM HRM FEES IT WAS BIRNHNAHAM THAT RECEIVED HR FEES THAT MCGRATHS CONVULATED LOGIC RECREATED MAS IF IT AS INVESTMENT BANKING FEE S,, TH PROOF OF FM THEN ON SEQUETOR ISMSIPLSEMIF BOTH FEES WERE PAID THE SAME AMOUNT FOR 8 DIFFERENT EMPLOYEES ALL WITH THE SAME BASE COMPENSATION OF \$150,000.00 AND IF THAT COMPUTES AT 25% TO \$37,750,000.00 AND IF BURNHAM'S CONTRACT GIVE HIM HALF GAV HIM \$38,750.00 AND IF MR AGOSTINI CUT A CHECK TO MKMA FOR AND AGAINST ON MKMA'S BOOKS IN THE CRUED \$630,000.00 WHAT DIFFERENCE IS AROSE,, IF THE SEC WANTS TO CALL AND HRN FEE AN INVESTMENT BANKING FEE INCERTIN I DIDNT KNOW IT,, I WAS AOW WITH CREDITING HE \$1,750.00 AGAINST THE FIRST NILLINGS WHICH M WERE THE HOURLY FEES AS WELL AS THE PROMOTERS CONTRACTS WHICH PRECEDED THE HR FEES,, MR MCGRATH IS INVOLVED WITH EITHER RICHTER MACFARLANE AND PUCCION WAS JUSTUS EDNT START ACSE AGAINST PEOPLE INTERESTED IN THE SUCESS OF THE STARTUP

1.4 WHY DID THE WELLS NOTICE[WHEREEVER I USE THE WELLS NOTICE I ALSO MEAN THE COMPLAINT AND OIP ALLEGATIONS WHICH WERE MERELY EXTENSIONS BASED ON ILLOGICAL HEARSAY ASSUMPTIONS WHEN THE DOCUMENTATIONS SIGNED BY A MAJORITY OF DISINTERESTED DIRECTORS BOUND THE WMMA COMPANY'S EMPLOYEES AND THE MKMA. CBI, EDWARD MICHAEL DASPIN AND LUIGI AGOSTINI. NOT INFORM THE COMMISSIONERS THAT THEY PURPOSELY DEFRAUDED THE COMMISSIONERS WHEN THEY STATED THAT I WAS THE PPMS'S AUTHOR WHEN THEY HAD SINCE 12/12/12 MR. NWUGUGUS' CHARTIS INSURANCE CLAIM ADMITTING IN PAR 6 AMND 7 HE WAS THE "100% AUTHOR OF THE WDI AND WMM !PPMS, WHY DID THEY CONCEAL IN THEIR WELLS PRESENTATION THE FACT THAT I DISCLOSED MY FELONY LONG BEFORE ANY INVESTOR INVESTED! . INSTEAD STATED, KNOWING THE FALSITY OF IT THAT I WITHHELD THE FELONY WHEN THE THE DIVISIONS OWN BRADY DISPROVES THAT ALLEGATION AND WHEN MR YOUNG'S DIRECT CONTRAVENED INDEPENDENT AND IN THE DIVISIONS' DIRECT THAT MAIN TOLD YOUNG UPON EXITING FROM SULLIVAN INTERVIEW THAT ,HE MAIN, DIDN'T THINK SULLIVAN WOULD INVEST BECAUSE OF DASPIN'S FELONY. IT'S APPARENT WHAT THE DIVISION TEACHED IT PROSECUTORS TO DO OR THEY DO IT INDEPENDANTLY AND SHOULD BE FIRST,,

1.5 THERE WAS NO PROOF THAT I CONTROLLED WMMA AND THE DIRECTORS
VOLUMINOUS BOARD MEETINGS ABOUT 37 IN 16 ACTIVE MONTHS' PROVES
THAT THE DIRECTORS WERE INTERESTED AND THEY CONTROLLED THE COMPANY
AND THAT THERE WAS NO MILKING AS THE DIVISIONS FRAUD ANALYST, MSBEIR,
REPORTED THAT TO THE DIVISION AND THEY DISINGENUOUSLY MADE A
KNOWINGLY FALSE ALLEGATION THAT I CREATED WMMA AS MY MILKING
MACHINE WHEN THEY KNEW BY THEIR OWN FRAUD AUDITOR THAT HAD
3 YEARS TO COMPLETE FINANCIAL REVIEW THAT THE REVERSE WAS TRUE AND
THAT I CONTRIBUTED OVER
\$3,500,000.00 IN CAPITAL OF WHICH THE LOANS MADE BY MY WIFE WERE OVER \$500,000.00
AND I FORGAVE \$1,000,000.00 AND ACCEPTED OVER \$1,760,000.00 IN SUBDEBT
AND PREFERRED
SHARES, NOT ONLY DID I DISCLOSE MY FELONY BUT I CUT MY STRING TO WMMA
TO GIVE MY FRIENDS AND FELLOW WMMA SHAREHOLDERS WOULDN'T HAVE
TO TAKE ON MY 4 DECADE OLD FELONY WHICH I HAD NO RECIDIVISM IN THE
INTERIM . PRESIDENT TRUMP WOULD DO A GREAT SERVICE IF HE
SIGNED AN EXECUTIVE ORDER MAKING EVERY FEDERAL FELON THAT HAS 7 YEARS
GOOD BEHAVIOR AN APPLICATION TO A FEDERAL
DISTRICT JUDGE HAVE HIS/HER RECORD
EXPUNGED,, ITS CREUL DUNUSUAL PUNISHMENT TO HOLD A WRONG PAID FOR
TO REDUCE THE PERSONS CHANCE TO OBTAIN THE BENEFIT OF CITIZENSHIP UNLESS
A TRAITOR, MURDERER, BANK ROBBER ARMED AND IMMEDIATELY AND AT THE
SAME TIME EVEN
BEFORE THE EXPUNGEMENT LET THEM VOTE,, ILL BET THERE ARE 5 MILLION OF U.S.
READY TO VOTE FOR OUR PRESIDENT. THATS ABOUT 5% OF THE
VOTE AND NO ONE CAN SAY ITS WRONG AS
RIGHT NOW EVERY PRESIDENT THAT LEAVES OFFICE SELLS THE PARDON FOR
THE HIGHEST OFFER FOR HIS LIBRARY CONTRIBUTION
THATS WHAT THIS PRESIDENT DOESNT NEED AND THAT IS ONE OF THE
REASONS WE VOTED FOR HIM AND WILL CONTINUE TO DO SO. GOING BACK
TO THE MCGRATH ENTERPRISE IT COLLUS-
DED, COMPIRED, TAUGHT WITNESSES BEING DEBRIEFED ITS PARTY LINE BECAUSE
THE HARD ROCK EVIDENCE CONTRAVENES ANY WMMA CONTROL BY ME
.. ON 1/15/1 MY WIFE SOLD HER TO BE ISSUED 92% INTEREST TO THE DIRECTORS'
EVENLY AND THIS PROVES THAT THERE WAS NO SALE TO ANYONE PERSON TO

GIVE CONTROL TO A FREIND..THEY WERE ALL EQUAL AND DIRECTORS
ALTHOUGH MR GOSTINI WAS THE INITIA FOUNDER WITH MY
RECOMMENDATION THAT THE BOARD BE COMPRISED OF EQUAL MEN AND
THAT NO ONE COULD PULL RANK ON THE OTHER MAN,IF THE 2
OPERTORS',MAIAN &LUX DISGREED THEN ONLY THAN WOULD MR AGOSINI HAVE
THE TIE BREAKER .AT THE CLOSING THAT ALL MY WIFE WOULD RECIVE WOULD BE
NO CONTROL ONLYA 5YEAR WARRANT TO REPURCHASE WITH A NON DILUTION
CLAUSE.MR NWUGUGU ACTED AS IN HOUSE LAWYER AND HE FIRST DREW UP A
TRUST AGREEMENT THAT I DID NOT ASK FOR,,HE WAS TRYING TO PROTECT MY
WIFE AND I WANTED TO SPERATE WITHO STRINGS I WAS SICK OF FALSLY BEING

1.6 SEE MY WELLS REPLY; EX A PAGE 17 AND TERRESA IS MS. PUCCIO, THE WHISTLBLOWER, AROUND APRIL 30, 2012 SHORTLY AFTER WILLIAM MACFARLANE AND ON, INFORMATION AND BELIEF, KATHERINE RICHTER, CONSPIRED WITH THEM TO ALLEGE THAT I CONTROLLED WMMA AND THAN ALLEGED I MILKED THE COMPANY AND THAT I WROTE THE PPM'S AND VIOLATED SECURITIES AND EXCHANGE ACT LAW. PUCCIO BELIEVED THAT THIS LAWSUIT MIGHT GET HER BACK HER INVESTMENT SO SHE ACTUALLY INVENTED ALLEGATIONS THAT DISPROVE ANY ALLEGATION SHE EVER MADE ABOUT ME AS HER DISINGENOUS HALLUCINATIONS ARE SO ILLOGICAL IE IN HER RESIGNATION LETTER OF 7/10 PROVED THAT SHE HAS A DYSFUNCTIONAL BRAIN AS IN HER ATTEMPT TO MAKE ACSE AGAINST MESHES STATED THAT SHE AND SULLIVAN AND BERJEDEKIAN ALL KNEW IN DEC 2011 THAT WMMA WAS A PONZIE SCHEME, YET IN 3/27/12 4 DAYS PRIOR TO THE 3/31/12 EVENT SHE INVESTED \$500,000.00 IN WMMA FOR .89 OF A COMMON SHARE AT THAT TIME AND AS THE COMBINED WMMA/W DIOCT 31/11 BALANCE SHEET PREPARED BY TOM SULLIVAN AT THE BOARD'S DIRECTION FOR IT TO BE SENT TO THE TEXAS BOXING COMMISSION TO OBTAIN A LICENSE IF WENET OUT THE CURRENT ASSETS WITH THE ACCRUED COMPENSATION DUE AND ELIMINATE THE AFFILIATE'S PURCHASE OF MINI INVESTMENT COMPANY'S OWNING \$14,000,000.00 IN EACH OTHER AS INVESTMENTS TO USE TO ENCOURGE THE SALE OF COUNTRY CORPORATIONS BY MEDIA AND SPORTS OWNERS IN EACH OF THE 16 COUNTRIES, THEN THE GIOD WILL APPRAISED ON ANONGAAP BASIS THE SOLE ASST VALUED BY APPRAISE OF MKMA AT \$83,000,000.00 OR \$82,000,000.00 OVER THE IM CONTRACTS COST. BY PAYING 4500,000.00 FOR .89% SHE VALUED THE GOODWILL ON 3/27/12 AT \$13,000,000.00 MINUS THE MINORITY INTERESTS FOR ANET OF \$100,000,000.00! BUT THE WHISTLBLOWER WILL MAKE ANY ALLEGATION ABOUT ME AND OR THE INSTABILITY OF THE STARTUP THAT SHE BELIEVES WILL BE BELIEVED,, OF COURSE NO ONE CAN BELIEVE SHE KNEW WMMA WAS A PONZIE SCHEME AS SHE RELATES SHE SULLIVAN AND BERJEDEKIAN ALL KNEW IN DEC 2011 WHEN 3 MONTHS LATER SHE INVESTS \$500,000.00 IN ITS PARENT.. JUST AS UNBELIEVABLE IS THE ALLEGATION I CONTROLLED ALL SMALL AND LARGE AT WMMA AS IS HER ATTESTATION THAT NO MATTER WHATEVER THE OTHER INVESTOR OPERATORS ALLEGE IN A MEMO EMAIL ETC SHE WILL SIGN HER NAME TO IT FIRST,, MR MAINS WORSE AS HES NENT AN EMAIL ON 6/25/12 TO MR AGOSTINI AND CCED ALL HIS CO CONSPIRACY NEW CO ENTERPRISE MEMBERS,, HIS EMAIL ALLEGED THAT MR AGOSTINI HAD NOT YET TURNED CONTOO OF THE CHECK BOOK OVER TO THE FINACE TEAM [MR TOM SULLIVAN IS CFO] YET MR AGOSTINI'S 12/14/15 SEC EXHIBITS #145 IS THE 1/5/12-

TESTIFIED IN COURT THAT THE BUDGET FOR THAT EVENT WAS \$450,000.00 AND 2 WEEKS LATER THEY LOST OVER \$1,000,000.00. IT IS IN RETROSPECT APPARENT THAT THEY STOLE THE SEAT SALES AND THE T-SHIRT PRODUCTS SALES AND NOT ONE OF THE FINACETEAM AND OR THE DOUG MIN FOUNDER EVEN SHOWED UP FOR THE EVENT.. THIS ALSO BRINGS TO MY MIND THE FACT THAT WHEN I RECOMMENDED TO MIN THAT HE REMACGLADERY TO AUDIT THE 3/31/12 EVENT AS THE PROJECTIONS DISCLOSED OVER \$600,000.00 IN CASH TAKEN IN IN DMCGLADERY ONLY WANTED \$20,000.00 TO PROTECT THE \$600,000.00. MR MAINS ENT ME AND EMIL THAT THE EXPENSE FOR THE AUDIT WAS NOT WORTH THE SERVICE.. MAYBE WMM WOULD HAVE ONLY LOST ITS BUDGET! THAT WAY THE BUSINESS COULD HAVE GONE TO THE NEXT STAGE.. THE NEW CO CENTER PRIZE I BELIEVE WAS RESPONSIBLE FOR DIVERTING THE INVESTORS TO MEAS AN ALLEGED COLLECTIBLE PARTY,, THEY SWOLOWED IT WITH HOOK LINE AND SINKER AND LEID TO THE FEDERAL BANKRUPTCY JUDGE AND THE REMAINING 3 INVESTORS THE SEC ADMITTED SWORE ON THE OATH FLISLY AS THEY WEREN'T ACCREDITED INVESTORS,,

1.7 THERE WAS NEVER A CASE AGAINST ME. ONLY HEARSAY BY INVESTORS MITTEN BY MAC FARLANE
 THE KING THEIR FIN THIS
 DEAL.. MR LUXS 2013 DEPOSITION ADMITS THAT I DID NOT CONTROL WMM THAT THE
 WMM A BOARD OF DIRECTORS RESOLUTIONS
 CONTROLLED WMM AND IN ADDITION HE ADMITTED THAT WHENEVER I WAS INVITED TO
 A BOARD MEETING I DID NOT VOTE NOR OVERPOWER ANY DIRECTOR AND I WAS NOT AN OFFICER
 OR DIRECTOR, HEALSON TESTIFIED THAT THEIR FEES WERE CALCULATED AS A PERCENTAGE OF
 FIRST YEARS COMPENSATION AND NOT AN INVESTMENT BANKING FEE, I COVER THIS IN MY WELLS
 REPLY SECTION & AND I COVER THE FACT THAT I HAD NO SCHEME ABOUT ANY ALLEGED
 SECURITIES FRAUD NOR DID I DISGUISE THE HR FEES TO CONCEAL INVESTMENT BANKING FEES AND THEN
 THE DIVISION JUMPED BY THEN SAYING SINCE I RECEIVED HR FEES
 THAT WERE REALLY INVESTMENT BANKING FEES I VIOLATED THE EXCHANGE ACT.. JUDGE MURRAY
 WAS ASKED BY ME TO RECUSE HERSELF SHE HAD MANY CONFLICTS OF INTEREST INCLUDING THE FACT
 THAT PRIOR TO BEING APPOINTED UNDER THE ARTICLE
 22ND AMMENDMENTS APPOINTMENT CLAUSE SHE CONCEALED
 AND COLLUDED AND CONCEALED AND COMMITTED THAT SHE WENT TO ARTICLE 2 APPOINTED JUDGE AND THAT
 EITHER WAS JUDGE GRIMES,, INSTEAD OF STOPPING ACCEPTING CASES AS SHE KNEW THAT ALL THE
 CASES WOULD HAVE TO BE REPEATED SHE OMITTED THE TRUTH WITH THE COLLUSION AND
 CONSPIRACY OF THE McGrath Division THAT COMMITTED THE FACTS FROM THE
 FEDERAL DISTRICT COURT JUDGE WHEN I FILED MY OSC.. JUDGE MURRAY
 WAS NOT A JUDGE WHEN SHE COMMITTED THE FACTS AND SHE DESERVES NO IMMUNITY
 AS THE McGRATH ENTERPRISE MEMBERS WERE NOT PRACTICING BEING PROSECUTORS
 WHEN THEY COLLUDED CONCEALED AND CONPIRED TO DEFRAUD ME AND MAN OF THE OTHER
 150 DEFENDANTS WHO WERE COMMITTED MATERIAL FACTS BY NON JUDGES MAKING AS IF THEY
 WERE APPOINTED JUDGES ISSUING WITHOUT DUE PROCESS
 ORDERS FOR MY ATTENDANCE BEFORE NON JUDGES
 WHICH THEFT OF MY LITIGATION FUND OF \$1,000,000.00 AS TO STEAL 10,000 HOURS OF MY BILLABLE
 TIME, IN FACT THE THEFT OF MY ASSETS IS QUESTIONABLE
 AGAINST THE "PROSECUTORS WHO STOLE MY ASSETS BY OMISSIONS OF FACTS AND
 WITHOUT DUE PROCESS AS PART OF AN ENTERPRISE TO BILK DEFENDANTS OF
 THEIR REPUTATIONS AND A PORTION OF THEIR
 REMAINING TIME ON EARTH. THEY IN CONCERT WITH ONE ANOTHER STOLE ABOUT
 80% OF THE TIME I HAVE REMAINING AND 100% OF THE TIME MY WIFE CAN COMMUNICATE WITH ME AND
 REMEMBER OUR LOVE AS IN THE INTERUSHE DEVELOPED PAZHEIMERS.. THESE CRIMINAL ACTIONS CANNOT
 BE EXCUSED AND AN EXAMPLE IS NEEDED IALS L FOR TREBLE DAMAGES AS WELL AS A VCATE OF

THE COMPLAINT AND A DISMISSAL OF THE GUILT. IT WAS FOUND BY AN INITIAL NON ADJL NOT ARTICLE 2 APPOINTED AND IN ORDER TO HIDE HER CULPABILITY SHE CHOSE TO TAKE MY "NEW HEARING AS ORDERED BY THE US SUPREME COURT LUCIA VS SEC ORDER.. THE PROBLEM WAS IT WAS NOT NEW TO HER NOR WAS SHE TO ME.. I HAD PRIOR TO HER APPOINTING HERSELF INFORMED HER I WAS GOING TO SUE HER WHEN THIS ENDED,. KNOWING THAT HER TAKING THE CASE IS ALMOST IDENTICAL TO HER MOVING OF THE PRELUCE CASE FROM JUDGE FEOLAK WHO FOUND ID BE IRREPERABLY HARMED IF I WERE FORCED TO TESTIFY.. SHE GAVE A POSTPONEMENT SINCE I ORDER, RIGHT AFTER THAT ALL OF SUDDEN THE JUDGE FEOLAK APPOINTMENT THAT JUDGE MURRAY ASIGNED TO HER WAS NO LONGER ANY GOOD SO SHE FIRED JUDGE FEOLAK AND THREW ME TO JUDGE GRIMES , JUDGE GRIMES WAS THE SAME JUDGE THAT JUDGE MURRAY MADE THE PRESIDING IN HOUSE JUDGE AFTER SHE REMOVED JUDGE CAMERON ELLIOT WHO REFUSED TO SUBMIT AN AFFIDAVIT TO JEANE EAGLESHAM TO CONTRAVENE JUDGE LILIAN MCEWENS DECLARATION THAT JUDGE MURRAY ASKED HER TO FIND MORE FOR THE PLAINTIFFS!! MS EAGLESHAM WROTE THE STORY AND I MUST ADMIT SITTING IN MY POSITION READING THAT THE FIX IS ON THAT HER PRESIDING JUDGE REFUSED TO CORROBORATE THAT JUDGE MCEWENS STATEMENT WAS FALSE AND JUDGE ELLIOT HAD A LOT OF BALLS AND COURAGE NOT LYING AND KNOWING THE HEART OF THIS CHEIF JUDGE.. ANYONE ASIGNED TO THAT IN HOUSE COURT THEN NEEDED AN EYE SURGEON,, IT WAS CRIMINAL AND THEN THIS THING WE CALL A JUDGE APPOINTES HERSELF WHEN I INFORMED HER THAT I KNEW WHAT SHE WAS AND THAT I WOULD SUE HER. AND I WILL, IF I PAID FOR MY TRUMP ADVOCACY I WILL JUST FORGET IT BUT IF NOT I AM NOT GOING TO SUE THE GOVERNMENT AS IT IS MY MOTHER AND FATHER AS THEY ARE NOT WITH US AND OUR COUNTRY IS MY BIRTH PLACE I FOUGHT FOR IT AND WILL DIE FOR IT BUT I MUST BE MADE WHOLE MI PROBABLY THE ONLY DEFENDANT OF THE 150 THAT APPLIED FOR A OSC FOR A TROON THE MORNING PRIOR TO THE DIVISION FILING IN HOUSE., IN ORDER TO DEFEAT MY MOI ON THEY USED DOD FRANKS PART ABOUT EXCLUSIVE JURISDICTION BUT OMITTED THE FACT THAT WAS NOT RELEVANT AS DDD FRANK DOES NOT CONDONE BEING TRIED BY AN ARTICLE 2 APPOINTMENT CLAUSE PERSON, JUDGE MURRAY AND GRIMES WERE NOT ARTICLE 2 APPOINTED, THEN MCGRATH DIVISION KNEW IT AND THEN OMITTED IT FROM THE FEDERAL JUDGE ME AND 150 OTHER DEFENDANTS IT TOOK US OVER A YEAR TO FIND OUT AND THEN INSTEAD OF ABIDING BY OUR CONSTITUTION THEY DECIDED THAT THEY WOULD CON THE US SUPREME COURT! BIG CHANCE.. I'M SO SICK OF A LARGE PORTION OF MY LIFE LOST I DON'T KNOW HOW TO GET SATISFACTION, MAY BE THIS COMMISSION WILL SEE IT SWAY TO END MY GRIEF AND DO THE RIGHT THING IF NOT ISK FOR THE

ADDRESS OF MS BRENDA MURRAY, MR JAMES GRIMES, MR KEVIN MCGRATH, MR BARRY O'CONNELL, MR NICHOLAS KOLODNEY AND MS LESLIE KAZON. I ALSO WANT TO SUBPEON A WITNESS LIKE MR MCGRATH AS IMMEDIATE SUPERIOR THE HEAD OF ENFORCEMENT AND I WANT JUDGE CMERON ELLIOT AND JUDGE FEOLAK AS THEY ARE DELIGHTS AND IN MY MIBD THIS COMMISSION IS ON THE RIGHT TRACK

1.8 THE ONLY THING LEFT TO CORRECT IS THE PRECOMPLINT INITIATION TRUMP DVOVACACY USING DUE PROCESS FOR A 30 DAY MINIFEDERAL JUDGE WITH 2 INVESTIGATIVE BUSINESSMEN THAT KNOW THE SEC AS I KNOW IT AND THAT ARE FINANCIALLY SOPHISTICATED AND THAT HAVE OWEND 300+ COMPANYS SO THAT ANY INDUSTRY IS NOT FOREIGN, INTERVIEWING THE POTENTIAL DEFENDANT AND LAW FIRM ALLEN CAMERA AND CONFIDENTIAL WITH THE THOUGHT TO FIND THE VERY MATERIAL AND EXCULPATORY EVIDENCE WITHHELD FROM THE COMMISSIONERS, OF COURSE WITH A DIVISION ALLEGEDLY OF THE COMMISSION WHEN IN FACT ITS PROSECUTORS CAN HAND TAILOR THE FLOW OF INFORMATION AND WITHHOLD TRULY EXCULPATORY INFORMATION IS NOT JUSTICE AS IT BIASES THE COMMISSIONERS TO GO WITH COMPLAINT INITIATION. I MEAN ANY VICIOUS SHREWED PROSECUTOR CAN THROW IN ALLEGATIONS MAKING NO SENSE LIKE AN HR EE IS A DISGUISE FOR AN INVESTMENT BANKING FEE SO THEY CAN ALLEGE AN EXCHANGE ACT VIOLATION OR BLAME ME FOR ALLEGEDLY INFORMING INVESTORS ABOUT MY FELONY JUST BEFORE THEY PUT IN THEIR INVESTMENT WHEN THE BRDY DISPUTED THE ALLEGATION. EEM RLANGE AND EVEN MS PUCCIO, MRS SULLIVAN SHORT NOTICE IS A JOKE AS THE SEC WITNESS MR YOUNG ON DIRECT SAID THAT WHEN MR MAIN HELD HIS FIRST SULLIVAN INTERVIEW AFTER IT FINISHED MR SULLIVAN LEFT HIM FEELING BECAUSE OF MY FELONY HE WASNT GOING TO INVEST.. I WAS OF SUCH CONCERN IN MY BACKGROUND THAT THE BRADY STATED THAT SULLIVAN CALLED BERNHAM AND MAIN TO SPEAK TELEPHONICALLY OUTSIDE MY PARTICIPTION AND HE ASKED THEM WOULD MY INVOLVMENT BE LESSENING AS TIME WENT ON AND ALSO WAS I RALLY ONLY A CONSULTANT,,

REAPER..IN THE FACE OF IRREPERABLE HARM HE DISOLVES MY PROTECTIONS AND
THEN HE ANNOUNCES A TRIAL DATE FORCING ME TO
TESTIFY KNOWING THAT W/CAUSE ME IRREPERABLE HARM, 'IS THIS WHO YOU WANT TO JUDGE??

1.10 INSTEAD OF MY LEADING IF I CAN GET JUSTICE FIRM TRUMP ADVOCACY PLEASE SEND ME
THE NAMES AND ANDEPRESS AS IF I CAN GET THEM THEN I WILL ASK FOR EMAIL SERVICE SO PLEASE DO
NOT THINK THAT I WANT
TO COMPROMISE THIS COMMISSION IT'S THE LAST THING IN MY MIND.. ALSO JUDGE MURRAY WANTED
TO POISON YOU BY RELATING THAT WHEN I SAW MR LUX IN THE HALL AFTER HE WAS DONE AND THE
CASE WAS JUST ABOUT OVER I DID TELL HIM TO G F... HIMSELF AS A LIAR.

1.11 IF YOU READ MR LUX'S 2013 DEPOSITION UNDER THE GLOSSARY "NWUGUGU THE LION'S SHARE"
THAT IS WHAT MR LUX'S TESTIMONY WAS ABOUT WHO WROTE THE PPM'S
AND IN IT HE STATED HE NEVER EVEN SAW ME TYPE [AS I DID NOT TAKE CLASSES]
BUT AFTER MR GRATH PREPARED HIM AS HE SETTLED FOR NO MONEY AND NO ADMISSIONS.

1.12 BEFORE JUDGE MURRAY WHAT DID HE TESTIFY TO 7 YEARS AFTER THE FACT WHEN THEN 2013
DEPOSITION WAS ONLY ONE YEAR OLD HE IN HIS STATEMENT STATED

1.13 : [SAW HIM DICTATE THE PPM TO MR YOUNG] "G STANDING BEHIND HIS EAR"
THE HE WAS ME.. NOW WHAT WOULD YOU SAY TO HIM AFTER ALL IMON TRIAL FOR THE FIRST TIME IN 4
DECADES AND KNOW I IN A FIXED CASE I KNEW JUDGE MURRAY SELF APPOINTED HERSELF AS SHE RAN OUT
OF THE GRIMES TO TRUST AND SHE SURE WOULD NOT ASIGN ME TO
JUDGE ELLIOT, SHE NEEDED TO MAKE JUDGE GRIMES DEGP FAULT JUDGMENT TRUE AND SHE NEEDED A
REASON TO TELL A JURY THE
REASON I'M SUIING HER IS SHE FOUND GUILTY,, HER MIDDLE NAME IS GUILTY, I'M SORRY BUT RESPECT IS NOT HI
NG I'LL EVER GIVE THAT LADY
SHE RUINED MY LIFE I COMMITTED MATERIAL FACTS CONSPIRED WITH THE MCGRATH ENTERPRISE TO FIND ME
GUILTY TWICE REFUSED TO VACATE THE CASE AS IN ONE OF THE RED BOOKS AND
CASE LAW HOLDS OFFICERS THAT TAKE CASES WITHOUT DUE PROCESS GUILTY AND INDIVIDUALLY

1] THOSE PEOPLE START WITH THOSE CLOSEST TO YOU AND THAT IS NATURAL YOU RELY ON THEIR OPINION, In my case by now if you could get past my spelling errors and run on paragraphs' which I thank you for trying to understand; but I suffer from a handicap that causes breaks' in my thoughts' right in the middle of a sentence and when I recover it's too late.. Therefore I made a New Year's resolution to explain as simple as I can what I believe you may have deciphered and already learned. I will inject comments' so that the lessons' that I learned from my mistakes' don't get lost as life is full of ways we can improve the system to provide justice for all.

2] **THE STORY OF THE SIMPLISTIC BRILLIANCE OF WMMA/IMC MARKETING STRATEGY:** By now you should know that the RES underlying the complaint against me was a perversion of the truth. In fact my motivation was best expressed by the 12/15/10 CBI/WMMA/SERVICE CONTRACTS' EX A, the commission fee part that in essence gives WMMA the unilateral right to NEVER have to make any fee payments' if such payment[s] would negatively effect WMMA's economic stability! [There is no consulting agreement I've ever seen that provides the client the benefit of the services with no obligation to pay the fees.. In fact in this case the end result that also demonstrates my motivation toward WMMA was self interest by me in WMMA's success to the financial disadvantage of CBI and its Successor under the 1/20/11 Board of Directors' unanimous sale from CBI to MKMA, with CBI offering MKMA subcontracting services; was the fact that I, thru CBI, billed WMMA for the IMC database to provide WMMA with the exclusive 830 million email database sites that were double opt on sites created by selling products' or services thru internet advertising which made its members; buyers that already had experience with [to my knowledge the largest internet database in the world [Facebook in 2010 had 750 million emails] forgave the first \$1,000,000.00 earned fee for the IMC contract giving WMMA the sole right in the MMA [mixed martial arts] industry for 20 years. In addition the WMMA/IMC contract gave free streaming to the databases which in and of itself might have a value of over \$0.01 +/- each name and systems' capable of delivering the offer and an enormous capacity to reach the world's internet population, in its infancy at the time.

3] Mr Beryl WOLK [May the Lord protect him in peace] the leading Guru of Internet and cable marketing in the World having produced over 1,500 infomercials that included Susane Summers exercise machine and other brand names in every home in America, He developed for WMMA a Marketing system wherein with the offer of a free WMMA Platinum Card, which entitled the WMMA member to receive a 10% discount on all live events and on all branded products for life as well as reserved seating and special back

stage meetings with the world champions; and or state champions. All WMMA had to do was setup a functioning web site, shoot the event by the regional promoters and leave the rest to IMC including the pay pal split of 10% to IMC and WMMA gets 90% less the 3% paypal less the promoter fighter of 25% leaves 72% GPM for [3% for pay pal] and the rest at the WMMA country corporation ie; WMMA Brazil , WMMA UK etc]! WMMA could sell off 49% for equity capital dollars and or retain 100% as in WUSA, a 100% owned WMMA subsidiary, .

4] In that case it kept all 42% plus 25% of the remaining 50% which the fights and the promoters split the 25% leaving 25% plus the 43% up top so prior to SG and A It would retain 63.5% less 10% for management at WMMA. Mr. Wolk had all the consumer product manufactures IMCS base customers were autos, Nabisco, Perfume, Appliances, electronics etc with 10% coupon clipping discounts to drive sales of the shelf and get WMMA members' FREE FOR THEM AND US. Mr Wolk made money by printing the manufacturers discount coupons, inserting them into the Sunday newspapers and then when the supermarket gave credit to the consumer they would package them and Mr. Wolk [May he rest in Peace] would take the batches and count per box store ; write a check to each store for the coupons they sent to the consumer manufacturer wherein the counter counted and packaged and returned the stripped coupons to the manufacturer that gave the store a credit check for the discounts that store gave the customer as proof that the store sold so much product that week, .

5] This is the company , IMC , that the prosecutors decided its databases had no value!. If they took the time to read, which they either didn't; want to know the truth for alternative reasons that you must look into [I say this as its now obvious to me that very soon after WMMA's 3/31/12 Wounded warrior Charitable event was beset by theft [I counted about 5,500 seats occupied by counting rows; yet Mr Agostini [A director, founder board member authorized check signer by unanimous board approval [him, Main and Lux] [Lux's 2013 deposition admits when invited by the board at the meetings and did not vote nor voice over any board member mirmir wasian officer director and or shareholder and that the WMMA board resolutions controlled WMMA [NOT ME] Not one board member allied directed him what to make the adjeenda and what to vote on it. I attended 4 board meetings = /- 1 out of 37 = /- , My cinukting contract gc vemeno wrote to bind and these witnesses Mr Lux and main in my cross both had admitted they made the final interviews and they made the final decision as to whom to accept as employees and or investors [not mirmir Agostini] The complaint admits informed all investors before they invested of my felony and mrm Sullivan's Brady lies when it states informed him at the last minutes [See Mrm Youngs direct testimony when he stated that when mrm main interviewed Sullivan on his way out he informed mrm Young [he was in charge of contract and candidate files and mrm complaince as vppr that he didn't think Mr Sullivan would sign up because of Daspin's felony. In addition there was Sullivan's own report that he asked Fran received 2 conferences without me with Mr Bernham and Mr main and asked them if they were truly a consultant and both answered in the affirmative. His concern over me emanated from Mrm Ains discussion as well as Mr Bernham who in Brady declared that he informed everyone that my wife owned and control of WMMA [typo - oh meant WMMA hand warrants from the 3 directors] [The proof that all directors were disinterested in my wife's pit her common in equal parts were any of the directors not disinterested they would have received the majority of her shares if and or she were interested in control, I felt they had a right to be belittled from my behalf a felony sticks like poison regardless of how many times you pay your debt to society and except for

murder or child and or sexual abuse felonys the President should automatically erase all of our records with either a pardon or a federal judge after 19 Years good behavior,Right now the Presidents' [exclusive of PresidentTrump] sell them for library donatins I was on of those victims,who on Jan5--11/2012 board resolved by Mr Main SECRETARY for the 4incumbancysandboardof directors resolutions \$WMMAentitiess[WMMA/WDI/WUSA/WMMAH]cosignaturesbyunanomousboardvortewith either of Mr Lux{CEO/Founder}[Mr.Main-President/Secratary/founder/director]Mr.Sullivan CFO and leader of finance team [whose declaration in the wmma2014chapter11stated he was not given access to any of WMMA checks books ,register receipts [WHEN S hedule1,MrAgotinisSEXnExhibits12/14/15#145 clearlydemonstrateshefiledover 17financial reportsin 7mony=ths' thathehiredabookeepertokeepmtrachofntheregister receipts,HealsoliedinHisBradythatidiscolosedmyflonyattheatminutewhenhis.Mains.NBernhamsBrady admits thatHeheld2private[absentmypreseence toseeifi wsonlyaconsultant[theynsweredinafirmtive][andwhenMrYoungsdirectminformedthatMainsinterviewsessi onwithSullivanmademainsstatetoMrmrYoung thatHedidnot thinkSullivanwoudcomeinbecauseofmdDaspinsfelony when he had the keys to all and even hired a bookkeeper to set up the register receipts and he omitted in his declaration to the court that when he alleged I "directed him "not to file a WMMA/MKMA 1099 [that Price Water and KPMG partners informed his treasurer given him in the end dishonest shareholders meeting by Berjedekian its treasurer, that "WMMA was in the clear not filing a 1099 as it was inappropriate for a corporation to file a1099 against another corporation they were each required to report any revenue they received from each other regardless of what it was supposed to be.both Sullivan and Berjedekian as well as Main by committing the last part that "WMMA was in the clear"made it appear that i was directed him to commit an IRS fraud by" Directing him not to file" They knew that Main, Not i ,was their contractual direct report as i was a subcontractor thru CBI for MKMA that had no binding authority and now a personnel reported to me in their employment contracts..[The only request by me was WMMA Board directors' initiated that the WMMA PPM commentators send their notes for additional PPMs as the WMMA PPM template and added their own notes and it was accidental sent out as if aWMMAPPM authorized document! report to], Mr Berjedekian also omitted that material fact while Mr Mains declaration stated he did not do any PPMS work nor know what app was before WMMA, yet this employment contract gives him the express duty to review and clean any PPMS or statements and overall supervision and while Mr Fran stated he was not WMMA's President as he was on national TV accepting it! received only \$3, that SOON I Very SOON after the 30 performance was wrong! was the Sunday morning newspaper inserts and he planned on giving \$200.00 in coupon discounts plus the few million platinum discount card.. That promotion and of itself was worth a value to the contract database with free streaming and coupons to provide each member with a \$200.00 discount gift as well. None in the world could beat that marketing strategy.. WMMA was on the verge of putting it together and then greed and a race took over,, Instead of explaining I was an altruist but that since my wife held 92% of the holding company WMMA which owned 92% of both WMMA and WDI I thought it much more profitable and better for the WMMA shareholders if the money generated by operations stuck to WMMA not CB and or MKMA.. Instead of telling the truth the division wanted a quick unjust conclusion to the purest strategic plan for shareholders in the world,, There is no merchant bank that tells a client in writing no less keep whatever you need as we want you to grow as we believe in you since we gave birth to you both which left of offering \$100-4300.00 dollar newspaper insert coupon that the big box store merchant was given by then fctc , who sold cable TV for \$64,000,000.00 to Diner's Club 30 years before was full of marketing seasons on credit that not pay about of \$3m 000,000.00 earned fees dating from 4/110 to 5/10/12 only \$240,000.00 was paid MKMA leaving up id and mt in at all times for the benefit and not the disadvantage of WMMA > WDI and its shareholders as my wife was a beneficiary of a Warren which we hoped would be worth a lot of money with okns
