Re: In the Matter of Daryl G. Bank and Bobby D. Jones; Administrative Proceeding  
File Nos. 3-18175 and 3-18236

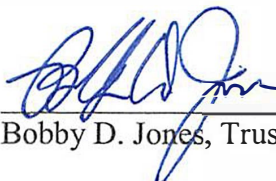

Dear Judge Patil:

I am in receipt of David J. Van Havermaat's letter and Proposed Order dated January 5, 2018 regarding the ratification for of prior decisions and actions. I respectively object to the ratification of any prior administrative proceedings in the above-mentioned matter.

Any ruling on the Proposed Order would be premature at this point, as there is pending litigation from these matters. I, Bobby D. Jones, Trustee and Member of Premier Spectrum Group PMA, filed a Notice of Appeal in the United States District Court for Arizona, Phoenix. The pending appeal, Case No. 17-17042, was docketed on October 12, 2017 in the United States Court of Appeals for the Ninth Circuit. Any and all ratifications or affirmations from all prior actions made by a prior administrative judge in these proceedings at this point may cause irreparable harm without a stay for the granting of the Proposed Order, and Bobby D. Jones expects that his appeal will prevail in the Appellate Court.

Thank you for your consideration in this matter.

Sincerely,

  
Trustee & Member of Premier Spectrum Group, PMA  
Bobby D. Jones, Trustee and Member of Premier Spectrum Group, PMA
