Re: Administrative proceeding File No. 3-18221

Per the commission's latest submission of Mecklermedia to the docket, there is not enough time for Mecklermedia to become current in its filings to avoid revocation.

In light of this, the Company has recently submitted a Form 15 to terminate the registration and reporting obligations under section 12(g).

The Company intends to file a Certificate of Revocation of Voluntary Dissolution with the State of Delaware.

Its intention is to preserve Mecklermedia's NOL assets and to utilize the shell for a merger.

Please advise if there is any additional information required at this time. Communication regarding this can be sent to:

Mecklermedia Corporation  
435 East 52nd Street
