APPLICATION FOR AN ORDER SETTING ASIDE
RULE CHANGES OF CERTAIN SELF-REGULATORY-
ORGANIZATIONS LIMITING ACCESS TO THEIR SERVICES

The Securities Industry Financial Markets Association (“SIFMA”) submits this application, pursuant to Sections 19(d) and 19(f) of the Securities Exchange Act of 1934 (the “Act”), for an order setting aside certain rule changes (the “Rule Changes”) unilaterally issued by the self-regulatory organizations (“SROs”) listed in Exhibit A attached. The Rule Changes limit the access of SIFMA’s members and their customers to market data made available by the SROs and are inconsistent with the Act.

1. SIFMA is a trade association that represents certain securities firms, banks, and asset managers. Market data is integral to the business of SIFMA’s members and their customers, and members of SIFMA regularly access or seek to access the market data that the SROs make available.

2. The SROs have provided notice that they filed the Rule Changes, which purport to allow them to charge new and amended fees for market data products and related services made available exclusively by the SROs. The Rule Changes purport to become effective upon filing with the Commission, and the Commission has not yet suspended the Rule Changes or instituted proceedings to disapprove them.

3. SIFMA has submitted other applications pursuant to Sections 19(d) and 19(f) challenging earlier rule changes by the SROs that adopted or amended fees for various market data products. In an order dated May 16, 2014, the Commission held that (1) it has jurisdiction to review such applications by persons aggrieved by an SRO’s rule change imposing fees for market data, and (2) such fees will be held unenforceable to the extent they are inconsistent with the Act, including the Act’s requirement that the data for which those fees are imposed be made available on “fair and reasonable” terms. Order Establishing Procedures 10–19, Rel. No. 34-72182, Admin. Proc. File Nos. 3-15350 & 3-15351 (May 16, 2014). In addition, the Commission referred to the Chief Administrative Law Judge (“Chief ALJ”) SIFMA’s challenges to two of the

rule changes and stayed proceedings on the other challenges. *Id.* at 19–22. SIFMA’s petition for review of the Chief ALJ’s initial decision is currently pending before the Commission.

4. The Commission should set aside the Rule Changes because they constitute limitations on access to the SROs’ services for purposes of Section 19(d) and (f). This is so because they limit access to critical market data for anyone unwilling or unable to pay the onerous, supra-competitive fees the SROs are charging. Furthermore, the Commission should set aside the Rule Changes under Sections 19(d) and (f) because SIFMA’s members and their customers must pay fees that are not consistent with the Act. The Rule Changes are not “fair and reasonable,” 15 U.S.C. § 78k-1(c)(1)(C), and they do not “provide for the equitable allocation of reasonable . . . fees . . . among . . . persons using [the SROs’] facilities,” *id.* § 78f(b)(4). Nor do the Rule Changes “promote just and equitable principles of trade” or “protect investors and the public interest,” *id.* § 78f(b)(4). In sum, the Rule Changes are unenforceable under Section 19(b)(3)(C).

5. Under the Commission’s “market-based” approach, market forces cannot provide a basis for finding that an SRO’s non-core data fees are “fair and reasonable” unless the SRO is subject to significant competitive forces in setting the fees. The SROs have offered no evidence of such competitive forces. The SROs also have provided no evidence of the cost of collecting and distributing the data at issue, despite the D.C. Circuit’s finding that such costs are undeniably relevant evidence, *see NetCoalition v. SEC*, 615 F.3d 525, 537–38 (D.C. Cir. 2010).

6. SIFMA respectfully requests that this application be held in abeyance pending a decision in the proceeding before the Chief ALJ, as has been done with other challenges.
