RE: ADMINISTRATIVE PROCEEDING
File No. 3-19304

To whom it may concern,

I, Jason Dwayne Watson, Respondent, just recently received a copy of the DIVISION OF ENFORCEMENT'S MOTION AND MEMORANDUM OF LAW SUPPORTING ENTRY OF DEFAULT JUDGMENT AGAINST RESPONDENT JASON DWAYNE WATSON after arriving here at Federal Correctional Institution Sandstone, MN. I have been unavailable and in transport status since the beginning of September, 2019. Therefore, I have not had adequate time to review and respond to the allegations against me that I first received in August, 2019.

I have read and understand the argument that has been made against me due to the Plea Agreement that I signed which was inflammatory and portrayed me in the worst possible light in order to settle with the government. I have never associated with any broker, dealer, investment adviser, municipal securities dealer, municipal adviser, transfer agent, or nationally recognized statistical rating organization and don't intend to. I have never participated in any offering of a penny stock, including: acting as a promoter, finder, consultant, agent or other person who engages in activities with a broker, dealer, or issuer for purposes of the issuance or trading in any penny stock, or inducing or attempting to induce the purchase or sale of a penny stock and don't intend to.

I am not sure that you are concerned about the truth of my actions, but only the fact that I signed a plea agreement admitting guilt, however, I do want to go on record stating that I do not agree that I should be unilaterally banned from these activities.

Thank you,

Jason Dwayne Watson
