File No. 3-19316

In the Matter of

Aramex International Limited,

Respondent.

DIVISION OF ENFORCEMENT'S MOTION FOR
DEFAULT AGAINST ARAMEX INTERNATIONAL LIMITED
AND BRIEF IN SUPPORT

The Division of Enforcement ("Division"), by counsel, pursuant to Commission Rules of Practice Rules 154(a) and 155(a)(2) ("Rule"), respectfully moves the Securities and Exchange Commission ("Commission") for an order entering a default against Aramex International Limited ("Aramex" or "Respondent") in this proceeding and revoking the registration of each class of its securities registered pursuant to Section 12 of the Securities Exchange Act of 1934 ("Exchange Act").

Argument

On August 6, 2019, the Commission issued an Order Instituting Proceedings ("OIP") against the Respondent, which has securities registered with the Commission under Section 12(g) of the Exchange Act. The OIP alleges Aramex is delinquent in filing its mandated periodic reports. Because the Respondent failed to answer or otherwise respond to the OIP, the Division seeks entry of an order finding Aramex to be in default in this proceeding.

The Declaration of Vinyard Cooke to Assist Secretary with Record of Service establishes that Respondent was served with the OIP by actual or attempted Express Mail

delivery in accordance with Rule 141(a)(2)(ii). *See* Exhibit A. In addition to the OIP, the Respondent was also served with a letter offering the Division's investigative file for inspection and copying pursuant to Rule 230. However, the Respondent failed to file an answer or make any other response to the OIP in this proceeding.

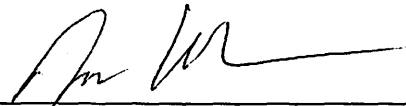

The Respondent is delinquent in its filings with the Commission and has been delinquent for over eighteen years. In addition, Respondent's failure to answer supports revocation of the registration of each class of Aramex's securities. Accordingly, the Division moves for an order, pursuant to Rule 155(a)(2), finding the Respondent to be in default in this proceeding and ordering that the registration of each class of its securities registered pursuant to Exchange Act Section 12 be revoked.

Conclusion

For the reasons set forth above, the Division respectfully requests that the Commission: 1) grant the Division's Motion; 2) enter an order of default against Aramex International Limited; and 3) also order that the revocation of each class of its securities registered pursuant to Section 12 of the Exchange Act.

File No. 3-19316

In the Matter of

Aramex International Limited,
Respondents.

**DECLARATION OF VINYARD COOKE
TO ASSIST SECRETARY WITH RECORD OF SERVICE**

VINYARD V COOKE, pursuant to 28 U.S.C. § 1746, declares:

1. I am a Senior Counsel with the Division of Enforcement (“Division”) of the Securities and Exchange Commission, and co-counsel for the Division in the captioned administrative proceeding. I am submitting this Declaration to assist the Secretary in maintaining a record of service on the respondents in the captioned proceedings pursuant to Securities and Exchange Commission (“Commission”) Rule of Practice 141(a)(3).

2. Among other means, Rule 141(a)(2)(ii) permits service on a corporation or entity by delivering a copy of an Order Instituting Administrative Proceedings (“OIP”) to an agent authorized by appointment or law to receive such service or, in the case of an issuer with a class of securities registered with the Commission, by sending the OIP via U.S. Postal Service certified, registered, or Express Mail and obtaining a confirmation of attempted delivery on the most recent address shown on the entity’s most recent filing with the Commission. Further, the OIP in this matter authorizes service of the OIP “by any means permitted by the Commission’s Rules of Practice.” Therefore, the Division

asked the Commission's Secretary to first attempt service on the Respondents via U.S. Priority Mail Express.

3. The Office of the Secretary provided me with the U.S. Priority Mail Express tracking numbers for the copies of the Order Instituting Proceedings ("OIP")¹ that were mailed by the Secretary to the respondents in these proceedings. I input each of the tracking numbers into the U.S. Postal Service's ("USPS's") package tracking system on its Internet website located at www.usps.com, and printed out the tracking confirmations in order to obtain confirmation of the delivery or attempted delivery of the OIP on each respondent. A true copy of the tracking confirmations for all of the respondents for whom express mail service was attempted is attached as Exhibit 1, hereto.

4. The Secretary mailed the OIP to respondent Aramex International Limited, CIK 1026459 ("Aramex"), via Priority Mail Express, Tracking No. EZ 195532061 US, to the address shown on its most recent EDGAR filing at 2 Badr Shaker Alsayyab Street, Um Uthayna, Amman, Jordan 10103. This address is taken from Aramex's last filing with the Commission, which was a Form 6-K filed with the Commission on March 6, 2002. The USPS tracking system confirms that delivery of the package was attempted on August 17, 2019 in Jordan, but was not completed. *See* Exhibit 1 at 2.

5. In addition, the Secretary mailed the OIP to Aramax's registered agent via Priority Mail Express, Tracking No. EZ 195532075 US, at Appleby at Canon's Court, 22 Victoria St., Hamilton, Bermuda. The USPS tracking system confirms that the package was delivered on August 15, 2019. *See* Exhibit 1 at 4.

¹Each service package included the OIP, a letter from the Commission's Secretary, and a letter from the Division offering discovery pursuant to Rule of Practice 230.

I declare under penalty of perjury that the foregoing is true and correct
