**DIVISION OF
ENFORCEMENT'S MOTION
FOR DEFAULT AGAINST
CERTAIN RESPONDENTS,
BRIEF IN SUPPORT, AND
PROPOSED OPINION AND
ORDERS OF THE
COMMISSION**

I. Motion

The Division of Enforcement ("Division"), by counsel, pursuant to Commission Rules of Practice Rules 154(a) and 155(a)(2) ("Rule"), respectfully moves the Securities and Exchange Commission ("Commission") for orders entering defaults against each respondent listed in the attached

table (collectively the “Respondents”) and revoking the registration of each class of their securities registered pursuant to Section 12 of the Securities Exchange Act of 1934 (“Exchange Act”).

II. Brief in Support

A. Introduction

On the dates indicated in the table attached as Exhibit 1 to the Declaration of David S. Frye in support of this Motion (“Frye Decl.”), the Commission issued Orders Instituting Proceedings (“OIP”) against the respective Respondents listed in Frye Decl. Exhibit 1, each of which has one or more classes of securities registered with the Commission under Securities Exchange Act of 1934 (“Exchange Act”) Section 12(g). Each OIP alleges that the respective Respondents are delinquent in filing their mandated periodic reports, thereby failing to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 thereunder. Because each Respondent failed to answer or otherwise respond to the OIP issued against it after being duly served, the Division now seeks entry of an order (1) finding the respondents listed in the attached table to be in default in the proceeding against it and (2) revoking the registration of each class of their securities registered under Exchange Act Section 12.

B. Service of Process and Failure to Answer or Appear

As shown in Frye Decl. Exhibit 1, and as established in the various Declarations to Assist Secretary with Record of Service filed by the Division in each proceeding, each Respondent was served with the OIP¹ on or before August 23, 2019, either by actual or attempted Express Mail delivery in accordance with Rule 141(a)(2)(ii). *See* Frye Decl. Exhibit 1. However, no Respondent listed in Frye Decl. Exhibit 1 filed an answer or otherwise entered an appearance in the proceeding against it.

Commission Rule of Practice 220(b) states that where an answer is required to be filed by rule or order, the respondent “shall do so within 20 days after service upon the respondent of the order

¹ Along with the OIP, each respondent was served with a letter from the Secretary and a letter from the Division concerning the availability of discovery pursuant to Commission Rule of Practice 230.

instituting proceedings” unless a different period is provided by rule or order. Here, each OIP required “an Answer [to be filed] to the allegations contained in this Order within ten (10) days after service of this Order.” Frye Decl. ¶¶10-11. Commission Rule of Practice 160(a) provides that Saturdays, Sundays and Federal Legal holidays are to be counted as part of the 10 day period, and Commission Rule of Practice 160(b) extends that time by three days if service is made by mail. Thus, as shown in Frye Decl. Exhibit 1, each Respondent’s answer was due on or before September 5, 2019. As of the date of this brief, no Respondent has filed an answer or otherwise appeared in its respective proceeding.²

C. Failure to Comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 Thereunder and Failure to Answer or Appear Supports Default

As shown in the attached Tables (Frye Decl. Exhibit 1 and Exhibit 2), all of the Respondents at issue are delinquent in their required periodic filings with the Commission and have been delinquent for over a year at minimum. Their failures to file constitute failures to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 thereunder. In addition, the Respondents’ failures to answer support revocation of the registration of each class of the Respondents’ securities. Accordingly, the Division moves for an order, pursuant to Rule 155(a)(2), finding these Respondents to be in default in these proceedings and ordering that the registration of each class of their securities registered pursuant to Exchange Act Section 12 be revoked.

Conclusion

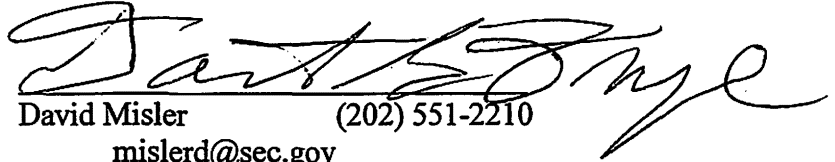

For the reasons set forth above, the Division respectfully requests that the Commission: (1) grant the Division’s Motion; (2) enter an order of default against the Respondents named in Frye Decl. Exhibit 1 and Exhibit 2; and (3) order the revocation of each class of their securities registered pursuant to

² The Commission entered an Order directing Respondents chatAND, Inc. and DTS8 Coffee Company, Ltd. to show cause by December 2, 2019 why they should not be held in default. *chatAND, Inc., et al.*, Exchange Act Rel. No. 87568, 2019 WL 6130659 (Nov. 18, 2019). Counsel for one respondent, Park Premier Mining Company, advised the Division that the company has no objection to revocation of its registration and did not wish to participate in the proceeding against it. **DECLARATION OF DAVID S.
FRYE IN SUPPORT OF
DIVISION OF
ENFORCEMENT'S MOTION
FOR DEFAULT AGAINST
CERTAIN RESPONDENTS**

DAVID S. FRYE, pursuant to 28 U.S.C. § 1746, declares:

1. I am a Senior Counsel with the Division of Enforcement ("Division") of the Securities and Exchange Commission, and co-counsel for the Division in the captioned administrative proceedings. I am submitting this Declaration in support of the Division of Enforcement's Motion for Default Against Certain Respondents.

2. Attached hereto as Exhibit 1 is a Table of Respondents setting forth certain information about the Respondents that are the subjects of this Motion (“Table 1”). Table 1 is organized by administrative proceeding number and the names of the Respondents.

3. Each row in Table 1 provides certain information relating to a specific Respondent in a specific proceeding.

4. The first column of Table 1 gives the administrative proceeding file number of the proceeding for that Respondent.

5. The second column of Table 1 gives the institution date of the administrative proceeding.

6. The third column of Table 1 gives the name of the Respondent.

7. The fourth column of Table 1 gives the Central Index Key (“CIK”) number for the Respondent. The CIK is a unique identifier assigned to each filer in the Commission’s EDGAR online filing system for periodic and other reports by persons and entities required to make filings with the Commission.

8. The fifth column of Table 1 gives the stock symbol, if any, for the Respondent’s common stock.

9. The sixth and seventh column of Table 1 provide the form type and fiscal period end of the last periodic filing made in the Commission’s EDGAR filing system by the Respondent.

10. The eighth and ninth columns give the date and type of service of the Order Instituting Administrative Proceedings (“OIP”) on the Respondent in question¹. In each case, the Respondent was served by either actual or attempted Priority Mail Express (“pm”) or Priority Mail Express International (“im”). The date given in Column 8 is the date of delivery or attempted delivery. Commission Rule of Practice 141(a)(2)(ii). In each proceeding, the Division filed Declarations to Assist Secretary with Record of Service in the relevant administrative proceeding documenting service on the relevant Respondent in each proceeding. Please refer to such Declarations for additional details concerning service.

11. The tenth column gives the due date for the Respondent’s answer. In each case, the date is calculated from the date of delivery or attempted delivery given in Column 8. To that date, the Division added the ten days allowed for service by each OIP (See each OIP at IV., paragraph 2). Further, the Division added three days to account for service by mail, Rule of Practice 160(b) and, where necessary, additional days to ensure that the due date for the answer does not fall on a Saturday, Sunday, or Federal holiday, Rule of Practice 160(a).

12. Attached hereto as Exhibit 2 is a true copy of Table 2. Table 2 is identical to Table 1, except that the first column contains the Respondent’s name and it is in alphabetical order. Table 2 is provided for the convenience of the Commission and Respondents.

¹ Each Respondent was also served with a letter from the Commission’s Secretary and a letter from the Division offering discovery and inviting the Respondent to participate in a prehearing conference.

13. With the exceptions noted in the Tables, all Respondents were served by actual or attempted delivery on the address shown in their last EDGAR filing. The exceptions all involve actual service on either a registered agent or an address obtained from the Respondent's state corporate records.

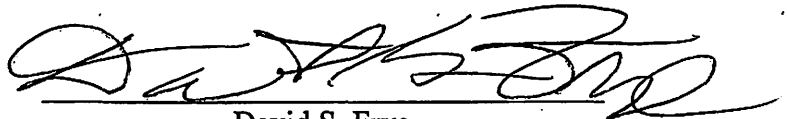

14. Attached hereto as Exhibit 3 is a proposed Opinion of the Commission implementing the relief sought by the Division.

15. Attached hereto as Exhibit 4 is a proposed Order of the Commission revoking the registrations of each class of securities registered under the Exchange Act for each Respondent.

16. On September 23, 2019, I spoke to Samuel E. Wing, counsel for Respondent Park Premier Mining Company. Mr. Wing stated that the company does not intend to contest the proceeding referred to in these pleadings and consents to the revocation of the Exchange Act registration of its securities.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 21, 2019.

SECTION 12(j) PROCEEDING

Grounds for Remedial Action

Failure to Comply with Periodic Filing Requirements

Certain companies failed to file periodic reports in violation of Section 13(a) of the Securities Exchange Act of 1934 and Exchange Act Rules 13a-1 and 13a-13. *Held*, it is in the public interest to revoke the registration of those companies' securities.

APPEARANCES:

David Misler, James Carlson, David S. Frye, Allen Flood, and Gina Joyce for the Division of Enforcement.

I. Background

- A. The Commission issued orders instituting proceedings against Respondents alleging that they violated the Securities Exchange Act of 1934 and the rules thereunder by failing to file required periodic reports.**

As shown in the attached table¹, the Commission issued OIPs against the Respondents pursuant to Section 12(j) of the Securities Exchange Act of 1934. Section 12(j) authorizes the Commission as it deems necessary or appropriate for the protection of investors to suspend for a period not exceeding 12 months, or to revoke, the registration of a security if the Commission finds, on the record after notice and opportunity for hearing, that the issuer of such security has failed to comply with any provision of the Exchange Act or the rules and regulations thereunder.²

As explained in each OIP, Exchange Act Section 13(a) and the rules promulgated thereunder require issuers of securities registered pursuant to Exchange Act Section 12 to file with

¹ See Table.

² 15 U.S.C. § 78l(j).

the Commission current and accurate information in periodic reports.³ The periodic reports are required to be filed even if the registration is voluntary under Section 12(g).⁴ Specifically, Rule 13a-1 requires issuers to file annual reports, and Rule 13a-13 generally requires domestic issuers to file quarterly reports.⁵ These requirements are imposed “for the proper protection of investors and to insure fair dealing” in an issuer’s securities.⁶ A violation of these provisions does not require scienter.⁷

Each OIP alleges that the respective Respondents are delinquent in their periodic filings with the Commission because they have repeatedly failed to meet their obligations to file timely periodic reports. Each OIP further alleges that each Respondent failed to heed delinquency letters sent to them by the Division of Corporation Finance requesting compliance with their periodic filing obligations or, by failing to maintain a valid address on file with the Commission, did not receive such letters.⁸

The OIPs directed each Respondent to file an answer to the allegations contained therein within ten days after service, as provided by Rule 220(b) of the Commission’s Rules of Practice.⁹ The OIPs informed Respondents that if they failed to answer, they may be deemed in default, the proceedings may be determined against them upon consideration of the OIP, and the allegations in the OIP may be deemed to be true as provided in the Rules of Practice.⁹

B. Respondents failed to answer the OIP.

As shown in the Table¹⁰, and in the Declarations to Assist Secretary with Record of Service filed by the Division in each proceeding, each Respondent was properly served with the applicable OIP, but none answered it or otherwise appeared in the proceeding against it.¹¹

II. Analysis

A. We hold Respondents in default, deem the OIP’s allegations to be true, and find that Respondents violated the Exchange Act by failing to file required periodic reports.

Rule of Practice 220(f) provides that “[i]f a respondent fails to file an answer required by

⁸ 17 C.F.R. § 201.220(b).

⁹ See Rule of Practice 155(a), 17 C.F.R. § 201.155(a).

¹⁰ See *supra* note 2 and attached table.

¹¹ The Commission entered an Order directing Respondents chatAND, Inc. and DTS8 Coffee Company, Ltd. to show cause by December 2, 2019 why they should not be held in default. *chatAND, Inc., et al.*, Exchange Act Rel. No. 87568, 2019 WL 6130659 (Nov. 18, 2019). One respondent, Park Premier Mining Company, advised the Division of Enforcement through counsel that it did not wish to contest this proceeding and had no objection to revocation of its Exchange Act registration.

this rule within the time provided, such respondent may be deemed in default pursuant to Rule 155(a).¹² Rule 155(a) permits the Commission to deem such a respondent in default and “determine the proceeding against [it] upon consideration of the record, including the order instituting proceedings, the allegations of which may be deemed to be true.”¹³ Because Respondents have failed to answer, and have not responded to the order to show cause, we find it appropriate to deem them in default and to deem the allegations of the OIP to be true as to Respondents.

Each OIP alleges that each respective Respondent has a class of securities registered with the Commission under Exchange Act Section 12(g), and that each has failed to file required annual and quarterly reports. The allegations of the OIPs, deemed true, establish that each Respondent violated Exchange Act Section 13(a) and the rules thereunder.¹⁴

B. We deem it necessary and appropriate to revoke the registration of all classes of Respondents’ registered securities.

Section 12(j) authorizes us as we deem “necessary or appropriate for the protection of investors” to suspend for 12 months or less or revoke the registration of an issuer’s securities that has failed to make required filings.¹⁵ We apply a multifactor test to determine an appropriate sanction:

[W]e will consider, among other things, the seriousness of the issuer’s violations, the isolated or recurrent nature of the violations, the degree of culpability involved, the extent of the issuer’s efforts to remedy its past violations and ensure future compliance, and the credibility of its assurances, if any, against further violations.¹⁶

Although these factors are nonexclusive, and no single factor is dispositive,¹⁷ “[w]e have held that a respondent’s repeated failure to file its periodic reports on time is ‘so serious’ a violation of the Exchange Act that only a ‘strongly compelling showing’ regarding the other *Gateway* factors would justify a sanction less than revocation.”¹⁸

Respondents’ violations were recurrent in that they each have failed to file required annual

and quarterly reports over multiple periods.¹⁹ These violations were serious because “reporting requirements are the primary tools which Congress has fashioned for the protection of investors from negligent, careless, and deliberate misrepresentations in the sale of stock and securities.”²⁰ An issuer’s failure to file periodic reports violates “a central provision of the Exchange Act, . . . depriv[ing] both existing and prospective holders of its registered stock of the ability to make informed investment decisions based on current and reliable information.”²¹ Respondents’ “long history of ignoring . . . reporting obligations’ evidences a ‘high degree of culpability.’”²² And because Respondents failed to answer the OIP, they have submitted no evidence of any efforts to remedy their past violations and ensure future compliance. Nor have they made any assurances against further violations.

¹⁹ See, e.g., *Accredited Bus. Consolidators Corp.*, Exchange Act Rel. No. 75840, 2015 WL 5172970, at *2 (Sept. 4, 2015) (failure to file “any periodic reports for over two years” was recurrent); *Nature’s Sunshine Prods.*, 2009 WL 137145, at *5 (failure to file “required filings over the course of the two-year period in the OIP” was recurrent).

²⁰ *America’s Sports Voice, Inc.*, Exchange Act Rel. No. 55511, 2007 WL 858747, at *4 n.17 (Mar. 22, 2007) (internal quotation marks omitted) (citing *SEC v. Beisinger Indus. Corp.*, 552 F.2d 15, 18 (1st Cir. 1977)); see also *supra* note 18 and accompanying text (recurrent failure to file periodic reports is “so serious” as to require a “strongly compelling showing” regarding other factors to justify a sanction less than revocation).

²¹ *Accredited Bus. Consolidators*, 2015 WL 5172970, at *2; see also *United States v. Arthur Young & Co.*, 465 U.S. 805, 810 (1984) (observing that “[c]orporate financial statements are one of the primary sources of information available to guide the decisions of the investing public”).

²² See, e.g., *Citizens Capital*, 2012 WL 2499350, at *5 (quoting *America’s Sports Voice*, 2007 WL 858747, at *3).

Accordingly, each of the factors we analyze favors revocation. Respondents have failed to make a “strongly compelling showing” to justify another sanction. We find it necessary and appropriate for the protection of investors to revoke the registration of all classes of Respondents’ registered securities.

An appropriate order will issue.
