To whom It May Concern:

Please allow us additional time to file. Due to Covid, we have defaulted on a major job in Canada as our Korean engineers cannot enter Canada and we cannot get equipment. The project is in the Northwest territories near the Arctic Circle and the winter months additionally precluded US travel.

Please advise as to what forms are to be filed as our attorney has passed away and we cannot afford to hire a new attorney at this time.

Thank You

Michael Siegel

Director
