Re: In the Matter of Newbridge Global Ventures, Inc. File No. 3-20981  
Answer to allegations contained in the Order

Sandhya C. Harris,

We respectfully request additional time to complete our audit and filings in order to bring the Company current with the SEC. We have been working through issues beyond our control in order to bring our filings current and feel with the additional time this could be achieved.

Respectfully,

Lance Dalton

President  
Newbridge Global Ventures, Inc.
