U.S. SECURITIES AND EXCHANGE COMMISSION  
BOSTON REGIONAL OFFICE

I am responding to the most recent order from the Commission. As the Commission is aware I was transferred from FMC-DEUENS to the RDAP (Residential Drug Alcohol Program) Unit at the BOP Facility at Lewisburg, PA. for [REDACTED] Unfortunately, I do not have all of my property from FMC-DEUENS which included the "Commissions Rules of Practice". Please send me another copy so I can respond.

Also, I did try to communicate with Mr. London via E-mail but have not had a response. It is my recollection that since the Civil lawsuit was resolved by stipulation that this matter was automatically resolved? Please help so we can put this matter to completion. Sincerely,  
Leon Vaccarelli
