**Additional Details Regarding Service:**

I observed a man who matched social media photos of Christopher Byungin Lee as he was leaving [REDACTED]. I approached Lee and called him by name, but he denied his identity. He then answered a couple questions about jiu jitsu before I informed him that I had legal documents for him. He again denied his identity, but when I told him that I recognized him from social media photos, he took the papers and went back inside the studio.

I am a natural person over the age of eighteen and am not a party or otherwise interested in the subject matter in controversy. I am a private process server authorized to serve this process in accordance with relevant law. Under penalty of perjury, I declare that the foregoing is true and correct.
