ADMINISTRATIVE PROCEEDING
File No. 3-21241

In the Matter of	:
JASON JIANXUN TANG, CPA,	:
Respondent	:

**UNOPPOSED MOTION TO TERMINATE ADDITIONAL
PROCEEDINGS TO DETERMINE CIVIL PENALTIES**

The Division of Enforcement hereby moves the Commission to terminate additional proceedings in this matter to determine what, if any, civil penalties against Respondent Jason Jianxun Tang (“Tang”) are in the public interest. In support of its Motion, the Division states as follows:

On November 17, 2022, the Commission issued an Order Instituting Public Administrative and Cease and Desist Proceedings in this matter. The Order made certain findings regarding Tang, imposed a cease-and-desist order, and denied Tang the privilege of appearing or practicing before the Commission as an accountant. The Order allows Tang to ask the Commission to consider his reinstatement after November 17, 2025. The Order further provided for additional proceedings in this matter to determine what, if any, civil penalties are appropriate.

On April 4, 2023, the Commission issued an Order postponing any additional proceedings until the conclusion of Tang’s ongoing cooperation with the Division’s underlying investigation and any related enforcement litigation or proceedings.

The Division's investigation, with which Tang cooperated, as well as the related litigation have now concluded. The Division does not intend to seek the imposition of any civil penalties on Tang.

The cease-and-desist order and the order barring Tang from practicing before the Commission continue to be appropriate and should continue to remain effective.

The Division has consulted with Tang, who concurs in this request.

Wherefore, for the foregoing reasons, and without reference to the cease-and-desist order and the order barring Tang from practicing before the Commission, the Division respectfully requests that the Commission terminate the additional proceedings in this matter that were to determine what, if any, civil penalties are appropriate against Tang.

Respectfully submitted,
