**DECLARATION OF SANDHYA C HARRIS OF DUE DILIGENCE IN SUPPORT  
OF SERVICE ON 3D PIONEER SYSTEMS, INC. VIA THE NEVADA  
SECRETARY OF STATE PURSUANT TO NEVADA RULES OF  
CIVIL PROCEDURE 4(d)(1) AND NEVADA REVISED STATUTES  
SECTIONS 78.090.4 AND 14.030**

I, Sandhya C. Harris, being first duly sworn, and pursuant to 28 U.S.C. § 1746,  
hereby declare:

1. I am a Senior Counsel with the Division of Enforcement (“Division”) of the United States Securities and Exchange Commission (“Commission”), and co-counsel for the Division in the captioned administrative proceeding. I am submitting this Declaration to the Nevada Secretary of State (“Secretary of State”) to establish the Division’s due diligence in taking the steps described herein prior to serving the Nevada Secretary of State with the Order Instituting Proceedings (“OIP”), in accordance **with Nevada Rule of Civil Procedure (“NRCP”) 4.2(c)(3)(C), Nevada Revised Statutes (“NRS”) Sections 14.030(1)** in the captioned proceeding.

2. As evidence of compliance with **NRS Section 14.030.1**, attached hereto as 3D PIONEER SYSTEMS, INC. Exhibit 1 is a true copy of a Certificate of Existence with

Status of Default for **3D PIONEER SYSTEMS, INC., Nevada Business Entity**  
**Number E0265902008-9 (“3D PIONEER”)**, issued by the Secretary of State on  
October 24, 2023.

3. As further evidence of compliance with **NRS Section 14.030.1**, attached hereto as 3D PIONEER SYSTEMS, INC. Exhibit 2 is a true copy of a **Certificate of Registered Agent Vacancy** for 3D PIONEER SYSTEMS, INC., dated October 24, 2023, showing that, on November 28, 2022, 3D PIONEER SYSTEMS, INC.’s registered agent resigned and since that time, no successor agent has been designated.

4. Attached hereto as 3D PIONEER SYSTEMS, INC. Exhibit 6 is a true copy of the first page of 3D PIONEER SYSTEMS, INC.’s Form 8-K filed with the Commission on August 2, 2022. 3D PIONEER SYSTEMS, INC Exhibit 6 provides an address in Australia for the company (the “Australian Address”). The Commission’s Secretary sent copies of the OIP and letters from the Secretary of the Commission to the Australian Address, Registered Mail tracking number RF592996296US, at the time that these proceedings were instituted, however the mailing was lost in transit.

5. The Commission’s Secretary also sent copies of the OIP and letters from the Secretary of the Commission to the 3D PIONEER SYSTEMS, INC.’s registered agent, by Priority Mail Express, return receipt requested, Tracking No. ER006876201US. The United States Postal Service online tracking system, at [www.usps.com](http://www.usps.com), shows that it was delivered on April 26, 2023. A true copy of a printout of the tracking confirmation is attached hereto as 3D PIONEER SYSTEMS, INC. Exhibit 5. In a letter to the Commission dated April 26, 2023, 3D PIONEER SYSTEMS, INC.’s registered agent,

Nevada Agency and Transfer Company, stated that it is not currently 3D PIONEER SYSTEMS, INC.'s registered agent and that it resigned on December 19, 2022.

6. After this unsuccessful service, the Division again reviewed 3D PIONEER SYSTEMS, INC.'s last filing with the Commission at 3D PIONEER SYSTEMS, INC. Exhibit 6. Australia is a signatory to the Hague Convention on service but allows for mail service where it is permitted in the jurisdiction in which the process is to be served. In order to confirm that mail service was acceptable in Queensland, I reviewed the Queensland Civil and Administrative Tribunal Rules 2009-Reg 39 (1)(b) and 39(2) and examples therein and found that documents required to be given to an entity in a proceeding may be given to the entity by sending it by post to the relevant address which, in this case, appears to be the entity's usual or last known business address. The Division made several attempts to serve 3D Pioneer via registered mail at the Australian Address, most recently by Registered Mail, return receipt requested, Tracking No. RE428755064US, however the United States Postal Service online tracking system, at [www.usps.com](http://www.usps.com), shows that it has been in Customs Clearance since September 21, 2023. A true copy of a printout of the tracking confirmation is attached hereto as 3D PIONEER SYSTEMS, INC. Exhibit 7.

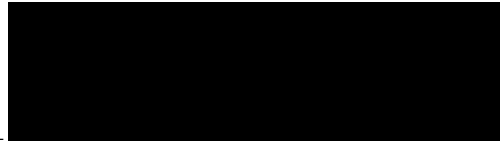

7. The Division believes that the foregoing conditions, efforts, and attempted service, as supported by the accompanying exhibits, constitute adequate due diligence in compliance with **NRCP 4(d)(1)** and **NRS Sections 14.030 and 78.090.4**. Therefore, pursuant to the foregoing provisions, we are hereby submitting two identical sets of documents for service on **3D PIONEER SYSTEMS, INC., Nevada Business Entity Number E0265902008-9**. Each set of includes the 3D PIONEER SYSTEMS, INC.

Service Documents. Each set has a cover page with a list of the documents being served. The process server delivering this package will tender a check payable to the Nevada Secretary of State to cover the fee required for this service, which we understand to be Ten Dollars (\$10), in accordance with **NRS Section 14.030.1(b)**.

8. **NRCF 4(d)(1)** requires that the summons and complaint be posted in the office of the clerk of court in which the action is brought or pending. The Commission met this requirement by posting a copy of the OIP (which serves as both summons and complaint in Commission administrative proceedings) on the Commissions free public website, at <https://www.sec.gov/litigation/apdocuments/3-21387>, since its issuance on April 21, 2023.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on October 31, 2023.
