ADVANTEGO CORPORATION (the "Company"), by and through its Attorneys Hart & Hart, LLC, herewith answers the Commission's Order Instituting Administrative Proceedings (the "Order") as follows:

1. Neither the Company, nor any of its officers, directors, employees, or agents have ever been served with a copy of the Order. The Order was discovered on the internet by the Company's investor relations consultant.
2. As stated in the Order, only unsolicited trades in the Company's common stock may be made by investors. As a result, only persons that want to buy the Company's common stock are allowed to do so.
3. The total dollar amount of trades in the Company's common stock during the past twelve months was \$72,256. Since March 29, 2023, only 5,000 shares of the Company's common stock have traded.
4. It is not necessary for the protection of investors to suspend or revoke the registration of the Company's common stock pursuant to Section 12 of the Exchange Act since it is clear that investors are not at all interested in buying the Company's common stock.
