--

**DECLARATION OF SANDHYA C. HARRIS**  
**TO ASSIST SECRETARY WITH RECORD OF SERVICE**

SANDHYA C. HARRIS, pursuant to 28 U.S.C. § 1746, declares:

1. I am a Senior Counsel with the Division of Enforcement (“Division”) of the Securities and Exchange Commission, and co-counsel for the Division in the captioned administrative proceeding. I am submitting this Declaration to assist the Secretary in maintaining a record of service on the respondent in the captioned proceeding pursuant to Rule 141(a)(3).
2. The Office of the Secretary provided me with the U.S. Certified Mail tracking number for the copy of the Order Instituting Proceedings (“OIP”) mailed by the Secretary to the respondent in this proceeding. Rule 141(a)(2)(ii) provides that service on a corporation or entity may be obtained by confirmation of attempted delivery on the most recent address shown on the entity’s most recent filing with the Commission.
3. I input the Certified Mail tracking number provided by the Office of the Secretary into the U.S. Postal Service’s (“USPS’s”) package tracking system on its Internet website located

at [www.usps.com](http://www.usps.com), in order to obtain confirmation of the delivery or attempted delivery of the OIP on the respondent, however I found that the service package appears to have been lost in transit.

4. In order to perfect service, I mailed another copy of the OIP, via Priority Mail Express, to respondent Acacia Diversified Holdings, Inc., CIK 1001463 (“ACCA”), Tracking No. EJ127656892US, to the address shown on its most recent EDGAR filing at 704 Forest Glen Road Silver Spring, MD 20901. This address is taken from ACCA’s last filing with the Commission, which was a Form 12b-25 filed with the Commission on March 31, 2021. The USPS tracking system confirms that delivered on November 1, 2023. See Exhibit 1 at page 1.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 2, 2023.

A large black rectangular redaction box covering the signature area.

Sandhya C. Harris
