**DIVISION OF ENFORCEMENT’S MOTION FOR DEFAULT**  
**AGAINST THE DOCS, INC., MOTION FOR EXPEDITED**  
**CONSIDERATION, AND BRIEF IN SUPPORT**

**Motion**

The Securities and Exchange Commission (“Commission”) issued an Order Instituting Proceedings (“OIP”) against THE DOCS, INC. (THE DOCS) pursuant to Section 12(j) of the Securities Exchange Act of 1934 (“Exchange Act”) alleging substantial delinquencies in its mandated periodic filings. The Division of Enforcement (the “Division”) hereby moves for an Order, pursuant to Rule 155(a)(2) of the Commission’s Rules of Practice, finding THE DOCS in default and revoking the registration of each class of its securities registered pursuant to Exchange Act Section 12(g). An order of revocation would deter THE DOCS and other issuers from ignoring the Commission’s reporting requirements and associated administrative proceedings.

Because THE DOCS filed a Form 15 on October 10, 2023, the Division further requests that the Commission expedite its consideration of this Motion and enter its decision by Monday, January 5, 2024, before THE DOCS’s Form 15 becomes effective and the Commission loses jurisdiction. Allowing THE DOCS to circumvent the administrative

process would diminish the effectiveness of the Commission's filing program by providing other delinquent issuers with a blueprint to avoid responsibility for filing failures.

### **Brief in Support**

Respondent THE DOCS is a Nevada corporation located in Las Vegas, Nevada. On July 19, 2022, THE DOCS voluntarily registered its common stock with the Commission pursuant to Exchange Act Section 12(g). THE DOCS made a single filing, a Form 10-Q for the period ended June 30, 2022, before ignoring its Exchange Act Section 13(a) reporting obligations entirely. In the eighteen months since it filed its last report, THE DOCS has failed to file five required periodic reports. The Commission has held that delinquencies of similar frequency and duration mandate revocation to protect investors. *See, e.g., WSF Corp.*, Initial Decision Rel. No. 204, 2002 WL 917293, at \*14 (May 8, 2002) (one Form 10-K and three Forms 10-Q); *Freedom Golf Corp.*, Initial Decision Release No. 227, 2003 SEC LEXIS 1178, at \*5 (May 15, 2003) (one Form 10-K and one Form 10-Q); *iBIZ Technology Corp.*, Initial Decision Rel. No. 312 at 1, 2006 WL 1675913 (June 16, 2006) (one Form 10-K and two Forms 10-Q); *Ironclad Encryption Corp.*, Release No. 9426, 2022 WL 488507, at \*3 (Feb. 15, 2022) (failure to file for "more than year"); *Triton Emission Sols. Inc.*, Release No. 94255, 2022 WL 488504, at \*3 (Feb. 15, 2022) (same).

The OIP was served upon THE DOCS on October 2, 2023, making THE DOCS's Answer due on October 16, 2023. *See* October 31, 2023 Declaration of Sandhya C. Harris. Rather than file an Answer, on October 10, 2023, THE DOCS filed a Form 15 to voluntarily terminate the registration of its securities. The Form 15 will take effect on January 10, 2024.

Dismissal following a Form 15 in this case, or any 12(j) matter where the respondent files a Form 15 after institution, encourages issuers to ignore the administrative process by

allowing issuers to avoid responsibility for filing failures through a procedural maneuver. An expedited revocation ruling, which would prevent THE DOCS from avoiding the consequences of its filing failures, will deter others and is required for an effective enforcement program.

The Commission has previously issued expedited revocation rulings where delinquent issuers have responded to an OIP with a Form 15 and should do the same here. *See, e.g., Validian Corp., Exchange Act Release No. 94949, 2022 WL 1604398, at \*3 (May 19, 2022); WorldNet, Inc. of Nevada, Exchange Act Release No. 94391, 2022 WL 716097, at \*2-3 (Mar. 9, 2022); Brightlane Corp., Exchange Act Release No. 93855, 2021 WL 6105920 at \*2-3 (December 22, 2021); Piedmont Mining Co., Exchange Act Release No. 90998, 2021 WL 302893, at \*3 (Jan. 27, 2021); NXChain, Inc. f/k/a AgriVest America, Inc., et al., Exchange Act Release No. 87652, 2019 WL 6528959 at \*2-3 (December 3, 2019); Cirtran Corp., Conolog Corp., Blink Techs., Inc. (f/k/a Epunk, Inc.), & World Surveillance Grp., Inc., 2017 WL 1953457 at \*8 (May 11, 2017) (ALJ Initial Decision) and Finality Order, Release No. 81533 (September 7, 2017).*

### **Conclusion**

For the reasons set forth above, the Division respectfully requests that the Commission revoke the registration of each class of THE DOCS's securities registered

pursuant to Exchange Act Section 12(g). The Division further requests that the Commission expedite its consideration of this Motion and issue a final decision on or before Friday, January 5, 2023, prior to the effective date of Respondent's Form 15.

Dated: December 15, 2023

Respectfully submitted,
