JOINT STATEMENT REGARDING PREHEARING CONFERENCE

The Division of Enforcement (“Division”) and Respondent Sunwin Stevia International, Inc. “SUWN” or “Respondent”), pursuant to Rule 201.221 of the SEC Rules of Practice, hereby provide the following information regarding the matters discussed and agreements reached during the parties’ prehearing conference, conducted by telephone on Tuesday, February 11, 2025 at 2:00 p.m. Participating on behalf of the Division were Samantha Williams and Gina Joyce. Participating on behalf of Respondent SUWN was Lazarus Rothstein from Rothstein Law, PLLC. The parties have agreed to a settlement. Because SUWN’s officers are located in China and Chinese New Year is this week, it unclear how long it will take to execute an Offer of Settlement.

The following subjects were discussed and agreements reached:

(1) Simplification and clarification of the issues

The parties agreed that no issues could be simplified or clarified at this time.

(2) Exchange of witness and exhibit lists and copies of exhibits

The Division has produced documents as required by SEC Rule of Practice 201.230. The parties agreed that it was premature to exchange witness and exhibit lists at this time.

(3) Timing of expert witness disclosures and reports, if any

The parties agreed that a discussion concerning expert witnesses is premature at this time.

(4) Stipulations, admissions of fact, and stipulations concerning the contents, authenticity, or admissibility into evidence of documents

The parties agreed that no stipulations, admissions of fact or stipulations concerning the contents, authenticity or admissibility into evidence of documents are needed at this time.

(5) Matters of which official notice may be taken

The parties agreed that official notice may be taken of SEC filings in EDGAR.

(6) The schedule for exchanging prehearing motions or briefs, if any

If there is no settlement, then a Motion for Summary Disposition will be filed, the parties do not anticipate filing any prehearing motions or briefs.

(7) The method of service for papers other than Commission orders

The parties agreed to service by email.

(8) The filing of any motion pursuant to Rule 250

The Division anticipates that, if a settlement is not reached, then it will file a Motion for Summary Disposition (“MSD”) if the parties are unable to reach a settlement of this matter. The parties agreed that Respondent will have 30 calendar days to file an Opposition to the MSD and the Division will have 30 calendar days to file a Reply. The agreement is without prejudice to any party’s right to file a motion with the Commission seeking additional time to file a brief.

(9) Settlement of any or all issues

The parties discussed settlement. SUWN anticipates entering into a settlement.

(10) Determination of hearing dates

The parties agreed that a discussion concerning hearing dates is premature at this time.

(11) Amendments to the order instituting proceedings or answers thereto

Neither party anticipates amending their pleading.

(12) Production, and timing for completion of the production, of documents as set forth in Rule 230, and prehearing production of documents in response to subpoenas duces tecum as set forth in Rule 232

The Division has produced the documents required by Rule 230 (aside from Respondent's SEC filings, which are publicly available on EDGAR). Respondent does not anticipate producing any documents pursuant to Rule 230. The parties agreed that further discussion concerning the production of other documents is premature.

(13) Specification of procedures as set forth in Rule 202

Not applicable.

(14) Depositions to be conducted, if any, and date by which depositions shall be completed

The parties agreed that it is premature to discuss depositions at this time.
