STATUS REPORT

The Division of Enforcement (“Division”), by counsel, respectfully submits a Status Report concerning the service of G.G.S. Plastic Engineering Inc. On or about November 12, 2024, the Office of the Secretary mailed a copy of the Order Instituting Proceedings (“OIP”) to Respondent G.G.S. Plastic Engineering Inc., CIK 1257074, via Registered Mail International, Tracking No. RF 592 997 230 US, to the address shown on its most recent EDGAR filing at 40 Simpson Road, Bolton, Ontario L7E 1Y4, Canada.

Exhibit 1 is a true copy of the tracking confirmation for the Respondent on which Registered Mail International service was attempted. Exhibit 1 reveals that the OIP has been in a New York postal center since November 24, 2024.

On November 15, 2024, Canadian postal workers went on strike, but it has been announced that they will resume work on Tuesday, December 17, 2024.¹ At this time, the Division has no additional information regarding how long it will take to deliver the backlog of mail.
