<p>In the Matter of</p> <p>Innovative Energy Solutions, Inc.,</p> <p>Respondent.</p>

STATUS REPORT

On November 13, 2024, the Securities and Exchange Commission (“Commission”) issued an order instituting proceedings (“OIP”) against Innovative Energy Solutions, Inc. (“Respondent”) pursuant to Section 12(j) of the Securities Exchange Act of 1934.

On December 23, 2024, the Commission issued an Order stating that Respondent had filed a Form D in July 2005 with an address of 41 North Mojave Street, rather than 41 North Mojave Road, and directing the Division of Enforcement (the “Division”) to serve Respondent at that address.

On January 13, 2025, the Division requested that the Commission’s Mailroom send a copy of the OIP and party letter from the Office of the Secretary to Respondent at the address requested by the Commission. A true copy of the Certified Mail Tracking label No. 9589 0710 5270 1555 4199 24 was attached as Exhibit 1 to the January 13, 2025 Status Report.

I input the tracking number into the package tracking system of the U.S. Postal Service (“USPS”) on its Internet website located at www.usps.com, and printed out the tracking confirmation in order to obtain confirmation of the delivery or attempted delivery of the OIP on

the Respondent. A true copy of the tracking confirmation for the Respondent on which Certified Mail service was attempted is attached as Exhibit 1, hereto. The USPS tracking system confirms that delivery of the package was attempted on January 21, 2025. *See* Exhibit 1.

The Division believes that attempted delivery upon Respondent Innovative Energy Solutions, Inc. has been accomplished.

Dated: January 23, 2025

Respectfully submitted,
