Additional Details About Service:

As Chimene Van Gundy exited the federal courthouse, I addressed her by name. She did not acknowledge me, so I served her by dropping the documents on the ground as she walked by me. Prior to service, I had waited outside the courtroom where she was involved in proceedings and identified her via social media photos as she entered the courtroom. As instructed, I waited to server her outside the courthouse.

I am a natural person over the age of eighteen and am not a party or otherwise interested in the subject matter in controversy. I am a private process server authorized to serve this process in accordance with relevant law. Under penalty of perjury, I declare that the foregoing is true and correct.
