SECURITIES AND EXCHANGE COMMISSION

11  
12 UNITED STATES DISTRICT COURT  
13 NORTHERN DISTRICT OF CALIFORNIA  
14 SAN JOSE DIVISION

15  
16 SECURITIES AND EXCHANGE COMMISSION, Case No.  
17 Plaintiff, **COMPLAINT**  
18 v.  
19 GUOLIN MA,  
20 Defendant.

21  
22 Plaintiff Securities and Exchange Commission (“Commission”) alleges:

23 **SUMMARY OF THE ACTION**

24 1. This action arises from insider trading by Defendant Guolin Ma (“Ma” or  
25 “Defendant”), a Chinese citizen, in the securities of OmniVision Technologies, Inc. (“OmniVision”),  
26 a Santa Clara, California maker of optical semiconductor devices. Defendant obtained material non-  
27 public information in the course of his work on a consulting engagement for two China-based private  
28 equity firms (“PE Firm 1” and “PE Firm 2”; together, the “PE Firms”) that were pursuing an

1 acquisition of OmniVision. Defendant used this information to purchase OmniVision stock in  
2 advance of the August 14, 2014 announcement that a group of Chinese investment firms, including  
3 PE Firm 2, had made a preliminary proposal to acquire OmniVision for \$29 per share, an 18%  
4 premium to OmniVision’s pre-offer price (the “Announcement”). The day of the Announcement,  
5 OmniVision’s stock price rose 15%, from \$24.60 to \$28.29 per share, allowing Defendant to generate  
6 \$367,387 in illegal profits.

7 2. Starting in or around early April 2014, Defendant, an optical physicist, was engaged as  
8 a consultant by the PE Firms to advise and perform technical due diligence on a potential acquisition  
9 of a company in the optical semiconductor industry. In the course of this consulting relationship,  
10 Defendant obtained the material non-public information that PE Firm 2 and a Chinese state-owned  
11 science and technology investment fund (the “Chinese Investment Fund”) were jointly pursuing the  
12 acquisition of OmniVision.

13 3. In a series of purchases from April 25, 2014, through May 14, 2014, while in  
14 possession of this material non-public information, Defendant purchased 39,373 shares of  
15 OmniVision stock in two U.S. brokerage accounts for a total price of \$746,474. After the  
16 Announcement, the value of Defendant’s OmniVision stock rose to \$1,113,862, representing total  
17 unrealized profits of \$367,387.

18 4. By engaging in insider trading as described in this Complaint, Defendant has violated  
19 Section 10(b) of the Securities Exchange Act of 1934 (“Exchange Act”) [15 U.S.C. § 78j(b)] and  
20 Rule 10b-5 thereunder [17 C.F.R. 240.10b-5].

21 **JURISDICTION AND VENUE**

22 5. The Commission brings this action pursuant Sections 21(d), 21(e), and 27 of the  
23 Exchange Act [15 U.S.C. §§ 78u(d), 78u(e), and 78aa].

24 6. This Court has jurisdiction over this action pursuant to Sections 21(d), 21(e) and 27 of  
25 the Exchange Act [15 U.S.C. §§ 78u(d), 78u(e) and 78aa].

26  
27  
28

1 7. Defendant, directly or indirectly, made use of the means and instrumentalities of  
2 interstate commerce or of the mails in connection with the acts, transactions, practices, and courses of  
3 business alleged in this Complaint.

4 8. Venue is proper in this District pursuant to Section 27(a) of the Exchange Act [15  
5 U.S.C. § 78aa(a)]. During the period described in this Complaint, OmniVision maintained its  
6 principal place of business in Santa Clara, California, in this District, and Defendant maintained a  
7 residence in Mountain View, California, in this District. In addition, certain acts, practices, and  
8 courses of business that form the basis for the violations alleged in this Complaint occurred in this  
9 District.

10 **INTRADISTRICT ASSIGNMENT**

11 9. Under Civil Local Rule 3-2(e), this civil action should be assigned to the San Jose  
12 Division, because a substantial part of the events or omissions which give rise to the claim alleged  
13 herein occurred in Santa Clara County.

14 **THE DEFENDANT**

15 10. **Ma**, 58, is a Chinese citizen who maintained a part-time residence in Mountain View,  
16 California during the period described in this Complaint. Ma obtained a master’s degree and  
17 completed doctoral coursework in optical physics at a university in the United States and  
18 subsequently worked in the United States for a number of private and public technology companies.

19 **OTHER RELEVANT ENTITIES**

20 11. **OmniVision** is a Delaware company headquartered in Santa Clara, California, that  
21 develops and manufactures optical semiconductor devices for mobile phones, webcams, and other  
22 applications. Its common stock was registered under Section 12(b) of the Exchange Act and traded  
23 on the NASDAQ Stock Market, LLC under the ticker OVTI until the closing of its acquisition by a  
24 Chinese consortium on January 28, 2016.

25 12. **PE Firm 1** is a China-based private equity firm formed in 2009 with offices in  
26 Beijing, Hong Kong, and Menlo Park, California. PE Firm 1 has a portfolio of technology  
27 investments.

1 13. PE Firm 2 is a Beijing-based private equity firm formed in early 2014 focusing on the  
2 semiconductor industry.

3 14. The Chinese Investment Fund was in 2014 a Chinese-state-owned investment  
4 enterprise specializing in science and technology investments.

5 **FACTUAL ALLEGATIONS**

6 **A. Defendant Provides Services as a Consultant for the PE Firms**  
7 **on a Potential Acquisition.**

8 15. Prior to and in 2014, Defendant consulted regularly for PE Firm 1, monitoring current  
9 investments and evaluating potential investments in the area of optical technology. Defendant was  
10 aware that his consulting activities for PE Firm 1 might expose him to material non-public  
11 information about PE Firm 1’s portfolio companies and other entities, and he understood that he  
12 should keep such information confidential. In March 2014, Defendant entered into a written  
13 confidentiality agreement with PE Firm 1 prohibiting him from trading on the basis of material non-  
14 public information learned through his consulting relationship with PE Firm 1.

15 16. In early 2014, certain personnel from PE Firm 1, along with others, formed PE Firm 2  
16 primarily to focus on semiconductor investments. During the period described in this Complaint, the  
17 Defendant and certain PE Firm 1 personnel, including a director of both PE Firms (“the PE Firm  
18 Director”), conducted PE Firm 2 business using the email and administrative resources of PE Firm 1,  
19 and in internal and external correspondence often did not distinguish between the two PE Firms.

20 17. Also in early 2014, the Chinese Investment Fund was considering making an  
21 acquisition of a manufacturer of optical semiconductor products, such as imaging microchips for  
22 digital cameras, in the United States or China. The PE Firms and the Chinese Investment Fund  
23 discussed making a joint acquisition in that sector.

24 18. According to the PE Firms, Defendant did not have a written consulting contract with  
25 either firm and did not receive up-front monetary compensation for his services. The PE Firm  
26 Director did, however, inform Defendant that there would be an opportunity for him to obtain carried  
27 interest (a share of management profits) in PE Firm 2 if Defendant’s services proved valuable. The

1 PE Firm Director had also provided Defendant with at least one lucrative financial opportunity in the  
2 past.

3 19. On April 3, 2014, working in his capacity as a consultant for the PE Firms, Defendant  
4 accompanied the President of the Chinese Investment Fund on a visit to OmniVision's headquarters  
5 in Santa Clara, California. Defendant relayed information about the meeting and the Chinese  
6 Investment Fund President's views on aspects of OmniVision's business to the PE Firm Director,  
7 who had been a co-founder of OmniVision.

8 20. Defendant entertained the Chinese Investment Fund President during the remainder of  
9 the President's visit to the United States. Defendant discussed with the Chinese Investment Fund  
10 President and his advisors the advantages and disadvantages of various potential acquisition targets.  
11 Defendant advocated to the Chinese Investment Fund President that OmniVision was the best  
12 acquisition target out of the possibilities they discussed.

13 21. On April 10, 2014, representatives of the Chinese Investment Fund and the PE Firms,  
14 including the PE Firm Director, met in Shanghai with OmniVision's CEO and discussed those  
15 entities' interest in a going-private acquisition of OmniVision. Defendant was present at that  
16 meeting.

17 22. On or about April 11, 2014, a representative of PE Firm 2 instructed Defendant not to  
18 trade in OmniVision stock and to keep information about the potential acquisition of OmniVision  
19 confidential.

20 23. On April 14, 2014, OmniVision contacted an investment bank to advise the company  
21 on a potential going-private transaction. OmniVision management informed the company's board of  
22 directors of the Chinese Investment Fund's interest on or around April 16, 2014.

23 24. Between April 15 and April 20, 2014, Defendant received several documents via  
24 email from representatives of the PE Firms indicating that the PE Firms were working on an  
25 acquisition of OmniVision, including a draft timeline for the transaction and an "initial assessment"  
26 that contemplated a buyout at a 30% premium to the price at which OmniVision shares were then  
27 trading and relisting OmniVision in China.

25. Also starting in mid-April 2014, Defendant had, on average, one meeting or call per week with representatives of the PE Firms that included discussions regarding the potential acquisition of OmniVision.

26. By virtue of his consulting engagement and correspondence with representatives of the PE Firms, and his meetings with the President of the Chinese Investment Fund, Defendant learned that the PE Firms and the Chinese Investment Fund were seriously considering an acquisition of OmniVision and had entered discussions with OmniVision about a potential transaction.

**B. Defendant Purchases 39,373 Shares of OmniVision Stock.**

27. Defendant maintains a taxable brokerage account and an individual retirement account (IRA) at a major U.S. brokerage firm.

28. From September 2011 through September 2013, Defendant traded from time to time in OmniVision stock in these accounts, holding at most approximately 8,200 shares. As of early April 2014, Defendant held only 500 shares of OmniVision stock, which he had acquired in April 2013.

29. On April 25, 2014, less than a month after Defendant began providing consulting services to the PE Firms regarding a potential acquisition of OmniVision, Defendant began acquiring large quantities of OmniVision stock. His purchases were as follows:

Date	Quantity	Price	Total Amount	Account
April 25, 2014	1,600	\$19.25	\$30,800	IRA
April 28, 2014	2,000	\$18.99	\$37,980	Taxable
April 28, 2014	5,000	\$18.88	\$94,400	Taxable
May 7, 2014	10,000	\$18.99	\$189,900	Taxable
May 7, 2014	10,000	\$19.01	\$190,100	Taxable
May 7, 2014	773	\$19.01	\$14,694	IRA
May 14, 2014	10,000	\$18.86	\$188,600	Taxable

30. Defendant’s total cost basis (excluding transaction fees) for the OmniVision stock he acquired from April 25 through May 14, 2014, equaled \$746,474. The newly acquired OmniVision shares constituted over 50% of the value of Defendant’s total investment portfolio in both accounts as of May 31, 2014. As of that date, Defendant owned positions in five other companies, the largest of which had a value of approximately \$277,000.

**C. PE Firm 2 Announces Its Offer to Acquire OmniVision.**

31. On August 14, 2014, before the market open, a Chinese consortium led by PE Firm 2, and including the Chinese Investment Fund, announced a proposal to acquire OmniVision for \$29 per share, an 18% premium over the prior day’s closing price. In its press release, OmniVision indicated that its board was reviewing the proposal.

32. OmniVision’s stock price rose 15% to \$28.29 the day of the Announcement.

33. As a result of this price increase, Defendant generated unrealized profits of \$367,387 on the OmniVision shares he purchased from April 25 through May 14, 2014.

**CLAIM FOR RELIEF**

**Violations of Section 10(b) of the Exchange Act and Rule 10b-5**

34. Paragraph numbers 1 through 33 are re-alleged and incorporated herein by reference.

35. The information communicated by the PE Firms to the Defendant about the potential acquisition of OmniVision by PE Firm 2 was both material and non-public. The information was considered confidential by the PE Firms, and the PE Firms communicated to the Defendant that he was to keep the information confidential. As a consultant to the PE Firms, Defendant owed a duty of trust or confidence to the PE Firms, and Defendant and individuals at the PE Firms, including the PE Firm Director, had a history, pattern or practice of sharing confidences regarding potential investments.

36. Defendant learned the inside information he used to make the securities transactions alleged herein during the course of his consulting relationship with the PE Firms, and Defendant knew or recklessly disregarded that he owed a duty of trust or confidence to keep the information confidential.

37. Defendant knowingly or recklessly used the inside information to place trades in his personal brokerage accounts.
