AURUM MINING, LLC,
PANAM TERRA, INC., and
THE CORSAIR GROUP, INC.

ORDER DENYING MOTION TO RESCHEDULE ORAL ARGUMENT

The oral argument in this matter is scheduled for September 18, 2019. On July 12, 2019, Alexandre S. Clug, one of the respondents, filed an unopposed motion requesting that the Commission reschedule the oral argument to “any date prior to September 8th, 2019, if at all possible, due to a personal matter.” Clug stated that despite the personal matter he “would prefer keeping the same date to moving it later.”

The Commission is unable to reschedule the oral argument to a date prior to September 8, 2019. Accordingly, the Order Scheduling Oral Argument for September 18, 2019 remains in effect. To the extent Clug determines that a later date is preferable, he may file such a request.

For the Commission, by its Secretary, pursuant to delegated authority.
