SECURITIES EXCHANGE ACT OF 1934
Release No. 91535/ April 12, 2021

Admin. Proc. File No. 3-19868

In the Matter of

ELITESOFT GLOBAL INC. AND
CAPITAL ACCESS POINT 1, INC.

ORDER TO SHOW CAUSE AS TO CAPITAL ACCESS POINT 1, INC., AND ORDER
REGARDING SERVICE AS ELITESOFT GLOBAL INC.

The Securities and Exchange Commission (“Commission”) issued an Order Instituting Proceedings (“OIP”) on July 9, 2020, pursuant to Section 12(j) of the Securities Exchange Act of 1934, against respondents EliteSoft Global Inc. (“EliteSoft”) and Capital Access Point 1, Inc. (“Capital Access”).¹

On September 29, 2020, the Division of Enforcement filed the Declaration of Gina Joyce, which stated that, pursuant to Rule 141(a)(2)(ii) of the Commission’s Rules of Practice,² service of the OIP was made on Capital Access on August 4, 2020.³

¹ *EliteSoft Global Inc.*, Exchange Act Release No. 89284, 2020 WL 3883288 (Jul. 9, 2020).

² 17 C.F.R. § 201.141(a)(2)(ii).

³ The declaration also stated that, on August 4, 2020, service of the OIP was made on EliteSoft at the address shown on its most recent filing with the Commission. *See id.* (providing method of authorized service on issuers of a class of securities registered with the Commission). But since EliteSoft’s last filing with the Commission, its address was updated as part of a renumbering scheme, and it appears the postal service did not attempt delivery at the updated address. *See City of Hillsboro Planning Department, RE: Connecting Hillsboro Address Project Phase 3-J* (Nov. 15, 2018), <https://www.hillsboro-oregon.gov/home/showdocument?id=22092> (reflecting changes in street name, building number, and city designations). The Division of Enforcement is therefore directed to ensure that service is also made on EliteSoft at the updated address and to file another declaration of service in this proceeding once that has been accomplished.

As stated in the OIP, Capital Access's answer was required to be filed within ten days of service of the OIP.⁴ As of the date of this order, Capital Access has not filed an answer. The prehearing conference and the hearing are thus continued indefinitely.

Accordingly, Capital Access is ORDERED to SHOW CAUSE, by April 26, 2021, why the registration of its securities should not be revoked by default due to its failure to file an answer and to otherwise defend this proceeding. When a party defaults, the allegations in the OIP will be deemed to be true and the Commission may determine the proceeding against that party upon consideration of the record without holding a public hearing.

If Capital Access fails to respond to this order to show cause, it may be deemed in default, the proceedings may be determined against it, and the registration of its securities may be revoked.⁵ Upon review of the filings in response to this order, the Commission will either direct further proceedings by subsequent order or issue a final order resolving the matter.

The parties' attention is called to the Commission's March 18, 2020 order regarding the filing and service of papers, which provides that pending further order of the Commission parties to the extent possible shall submit all filings electronically at apfilings@sec.gov.⁶ Also, the Commission's Rules of Practice were recently amended to include new e-filing requirements, which take effect on April 12, 2021.⁷

For the Commission, by the Office of the General Counsel, pursuant to delegated authority.

Secretary
