GREYDA GROUP, LLC

ORDER REGARDING SERVICE

The Securities and Exchange Commission (“Commission”) issued an order instituting administrative proceedings (“OIP”) on September 16, 2022, pursuant to Section 203(f) of the Investment Advisers Act of 1940, against Greyda Group, LLC (“Respondent”).¹ Other than a notice of appearance by Division of Enforcement counsel, it appears that the only filing in this case is a Status Report filed by the Division on December 6, 2022. Although the Status Report states that the OIP was served upon Respondent by service on its counsel, the Division has provided no attachments or exhibits to support this assertion. To assist the Office of the Secretary in maintaining a record of service that establishes that the OIP has been properly served,² IT IS ORDERED that the Division file a status report, including any evidence of service of the OIP, by January 20, 2023, and every 28 days thereafter until service is accomplished.³

The parties’ attention is directed to the e-filing requirements in the Rules of Practice.⁴

³ The Commission will direct the filing of a motion for default and sanctions if, after proper service of the OIP has been established, Respondent does not file an answer.
