SECURITIES EXCHANGE ACT OF 1934
Release No. 98800 / October 26, 2023

Admin. Proc. File No. 3-21302

In the Matter of

EMILIO BARRERA, JR., A/K/A MIKE BARRERA

ORDER TO SHOW CAUSE

On February 14, 2023, the Securities and Exchange Commission issued an order instituting administrative proceedings (“OIP”) against Emilio Barrera, Jr., a/k/a Mike Barrera pursuant to Section 15(b) of the Securities Exchange Act of 1934.¹ On August 23, 2023, the Division of Enforcement filed a Notice of Service, which establishes that service of the OIP was made on Barrera on August 19, 2023, pursuant to Rule 141(a)(2)(i) of the Commission’s Rules of Practice.²

As stated in the OIP, Barrera’s answer was required to be filed within 20 days of service of the OIP.³ As of the date of this order, Barrera has not filed an answer. The prehearing conference and the hearing are thus continued indefinitely.

Accordingly, Barrera is ORDERED to SHOW CAUSE by December 11, 2023, why he should not be deemed to be in default and why this proceeding should not be determined against him due to his failure to file an answer and to otherwise defend this proceeding. Barrera’s submission shall address the reasons for his failure to timely file an answer, and include a proposed answer to be accepted in the event that the Commission does not enter a default against

him. Barrera shall deliver any response, including any answer, to the proper prison authorities no later than the due date, for forwarding to the Commission's Office of the Secretary.⁴

When a party defaults, the allegations in the OIP will be deemed to be true and the Commission may determine the proceeding against that party upon consideration of the record without holding a public hearing.⁵ The OIP informed Barrera that a failure to file an answer could result in deeming him in default and determining the proceedings against him.⁶

If Barrera files a response to this order to show cause, the Division may file a reply within 14 days after its service. If Barrera does not file a response, the Division shall file a motion for entry of an order of default and the imposition of remedial sanctions by January 8, 2024. The motion for sanctions should address each statutory element of the relevant provisions of Section 15(b) of the Exchange Act.⁷ The motion should discuss relevant authority relating to the legal basis for, and the appropriateness of, the requested sanctions and include evidentiary support sufficient to make an individualized assessment of whether those sanctions are in the public interest.⁸ The parties may file opposition and reply briefs within the deadlines provided by the Rules of Practice.⁹ The failure to timely oppose a dispositive motion is itself a basis for a finding of default;¹⁰ it may result in the determination of particular claims, or the proceeding as a
