The Commission temporarily suspended trading in these securities because of questions that have been raised about the accuracy and adequacy of publicly disseminated information concerning the companies' operating status, if any.<sup>1</sup> Each of the issuers above is quoted on OTC Link operated by OTC Markets Group, Inc. OTC Markets Group, Inc., however, has been unable to contact each of these issuers for more than one year. In addition, the staff of the Securities and Exchange Commission has independently endeavored to determine whether any of the issuers below are operating. Each of the issuers above either confirmed that they were no longer operating or were now private companies, failed to respond to the Commission's inquiry

<sup>1</sup> Below are explanations for each of the codes used in the above table:

1=The Securities and Exchange Commission attempted to contact the issuer and either the Commission did not receive a response to its letter, the letters were returned as undeliverable, or the registered agent responded that they had no forwarding address for the issuer.

2=The Securities and Exchange Commission was able to contact the issuer, which informed the Commission that either the issuer was no longer operating or was now a private company.

about their operating status, did not have an operational address, or failed to provide their registered agent with an operational address. The staff of the Securities and Exchange Commission also determined that none of the issuers below has filed any information with OTC Markets Group, Inc. or the Securities and Exchange Commission for the past year.

The Commission cautions brokers, dealers, shareholders, and prospective purchasers that they should carefully consider the foregoing information along with all other currently available information and any information subsequently issued by the company.

Further, brokers and dealers should be alert to the fact that, pursuant to Rule 15c2-11 under the Exchange Act, at the termination of the trading suspension, no quotation may be entered unless and until they have strictly complied with all of the provisions of the rule. If any broker or dealer has any questions as to whether or not he has complied with the rule, he should not enter any quotation but immediately contact the staff in the Division of Trading and Markets, Office of Interpretation and Guidance, at (202) 551-5777. If any broker or dealer is uncertain as to what is required by Rule 15c2-11, he should refrain from entering quotations relating to these companies' securities until such time as he has familiarized himself with the rule and is certain that all of its provisions have been met. If any broker or dealer enters any quotation which is in violation of the rule, the Commission will consider the need for prompt enforcement action.

Any broker, dealer, investor, or other person with information relating to this matter is invited to contact the Securities and Exchange Commission at <http://www.sec.gov>.
