**File No. 500-1**

**ORDER OF SUSPENSION OF TRADING**

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Analytica Bio-Energy Corp. (“ABEC”) (CIK No. 0001326853) because of questions regarding the accuracy of assertions by ABEC, a Delaware corporation whose principal place of business is listed as 1896 Stoneybrook Court, Mississauga, Ontario, Canada L5L 3W2, in the reports that it has filed with the Commission concerning, among other things, the company’s disclosure controls and procedures and internal control over financial reporting. In addition, ABEC has not filed a periodic report on Forms 10-Q or 10-K since the period ended September 30, 2014 and has not filed audited financial statements since the period ended July 31, 2007. On March 10, 2015, ABEC filed a Form 15 to suspend its duty to file reports when it does not appear ABEC was eligible for any such suspension, yet ABEC has not withdrawn the Form 15. ABEC is quoted on OTC Link (previously pink sheets), operated by OTC Markets Group, Inc., under the ticker “ABEC.”

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of ABEC.

Therefore, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of ABEC is suspended for the period from 9:30 a.m. EST, February 28, 2018, through 11:59 p.m. EDT, on March 13, 2018.

By the Commission.
