File No. 500-1

It appears to the Securities and Exchange Commission that there is a lack of current and accurate public information concerning the securities of each of the issuers detailed below because questions have arisen as to their operating status, if any. Each of the issuers below is quoted on OTC Link (previously "Pink Sheets") operated by OTC Markets Group, Inc. The staff of the Securities and Exchange Commission has independently endeavored to determine whether

any of the issuers below are operating. For each of the issuers below: 1) the issuer failed to respond to the staff's inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address; 2) the staff confirmed with the issuer that it was no longer in operation; or 3) the staff confirmed that the issuer is a failed bank. The staff of the Securities and Exchange Commission also determined that none of the issuers below has posted any information with OTC Markets Group, Inc. or filed any information with the Securities and Exchange Commission for over a year.
