

MarkitServ Ltd

Application for exemption from registration as a clearing agency (Form CA-1)

EXHIBIT R

EXHIBIT R

Exhibit Request:

Attach as Exhibit R a schedule of any prohibitions or limitations imposed by the clearing agency on access by any person to services offered by any participant.

Response:

MarkitServ Ltd does not have participants within the traditional clearing agency meaning since it does not provide clearing agency services as a central counterparty (“CCP”) and thus does not impose any “participant” eligibility standards. MarkitServ Ltd’s non-CCP clearing agency services for the security-based swaps markets are generally available to any market participants that meet applicable regulatory requirements to trade security-based swaps (*e.g.*, they must be “eligible contract participants” as defined in Section 3(a)(65) of the Securities Exchange Act of 1934 and via cross-reference in Section 1a(18) of the Commodity Exchange Act where such status is required).
