ARTICLE 3: MANAGEMENT OF THE COMPANY AND STATUS OF MEMBERS

3.1 Authority of the Board of Managers. The overall management and control of the Company shall be vested in the Board of Managers, which shall make all decisions and is authorized to take any action of any kind and to do anything and everything it reasonably deems necessary in connection with the business of the Company in accordance with this Agreement. The Board of Managers may delegate authority to officers appointed by it in accordance with the provisions of Section 3.2 below.

3.2 Officers. The Board of Managers (acting as set forth below) may appoint officers of the Company, including but not limited to a Chief Executive Officer (the "**CEO**") and/or President, who shall at all times act in accordance with the terms of this Agreement and at the direction of the Board of Managers. The officers of the Company shall not take any action that requires the

consent of any of (i) the Members, including if applicable the Majority Members, or (ii) the Board of Managers, without first obtaining any such consent. The officers shall serve at the pleasure of the Board of Managers and may be removed by the Board of Managers at any time, for any reason or no reason. The Company shall take reasonable steps necessary to cause each officer, manager, employee and agent of the Company, prior to accepting a position with the Company, to consent in writing to the applicability of the provisions contained in this Agreement with respect to their activities related to 24X National Exchange.

3.3 Board of Managers.

(a) The number of managers constituting the Board of Managers shall be no fewer than six (6). The Board of Managers may select among themselves the Chairman of the Board.

(b) Subject to the limitations in Section 9.2 and this Section 3.3, on an annual basis, each Member shall vote, or cause to be voted, all Voting Units owned by such Member, or over which such Member has voting control, from time to time and at all times, in whatever manner as shall be necessary to ensure that at each annual or special meeting of Members at which an election of managers is held or pursuant to any written consent of the Members, such that (x) the number of managers constituting the Board of Managers shall be set at no fewer than six and (y) the following persons shall be elected to the Board of Managers:

(i) For so long as Point72 and its Affiliates continue to own beneficially an aggregate of at least 1,610,643 Series A-1 Units (or Common Units issued upon conversion of the Series A-1 Units), which number is subject to appropriate adjustment for any unit splits, unit dividends, combinations, recapitalizations and similar events (the "**P72 Threshold**"), Point72 shall be entitled to designate one (1) person to be a manager of the Board of Managers (the "**Series A-1 Preferred Manager**"). If Point72 ceases to meet the P72 Threshold, the holders of the Series A-1 Units, voting exclusively and as a separate class, shall be entitled to elect the Series A-1 Preferred Manager.

(ii) For so long as Standard Chartered UK Holdings Limited and its Affiliates continue to own beneficially an aggregate of at least 518,672 Series Seed Units (or Common Units issued upon conversion of the Series Seed Units), which number is subject to appropriate adjustment for any unit splits, unit dividends, combinations, recapitalizations and similar events (the "**SC Threshold**"), Standard Chartered UK Holdings Limited shall be entitled to designate one (1) person to be a manager of the Board of Managers (the "**Series Seed Manager**"). If Standard Chartered UK Holdings Limited ceases to meet the SC Threshold, the holders of the Series Seed Units, voting exclusively and as a separate class, shall be entitled to elect the Series Seed Manager.

(iii) One manager of the Board of Managers shall be the Company's Chief Executive Officer then serving from time to time (the "**CEO Manager**"). If for any reason the CEO Manager shall cease to serve as the Chief Executive Officer of the Company, each of the Members shall promptly vote their respective Voting Units (x) to remove the former Chief Executive Officer of the Company from the Board if such person has not resigned as a member of the Board; and (y) to elect such person's replacement as Chief Executive Officer of the Company as the new CEO Manager;

(iv) Subject to the limitations in Section 9.2, the holders of a majority of all Voting Units, not including the Voting Units held by any Member (and its Affiliates and Related Persons) that has the right to designate a manager of the Board of Managers pursuant to Section 3.3(b)(i) or Section 3.3(b)(ii) or by a Member (and its Affiliates and Related Persons) that is appointed to the Board of Managers pursuant to Section 3.3(b)(iii), voting as a single class on an as-converted to voting Common Units basis, shall be entitled to elect the fourth manager, fifth manager and the sixth manager, each of whom has relevant industry experience. The fourth manager, fifth manager and the sixth manager will be nominated and voted on after the date hereof.

(c) In the absence of any designation from Point72 with the right to designate a Series A-1 Preferred Manager as specified in Section 3.3(b)(i) or from Standard Chartered UK Holdings Limited with the right to designate a Series Seed Manager as specified in Section 3.3(b)(ii), then the manager previously designated by Point72 or Standard Chartered UK Holdings Limited, as applicable, and then serving shall be reelected if willing to serve unless such individual has been removed as provided herein, and otherwise such Board seat shall remain vacant until otherwise filled as provided in Section 3.3(b).

(d) Subject to Section 9.2, each Member shall vote, or cause to be voted, all Voting Units owned by such Member, or over which such Member has voting control, from time to time and at all times, in whatever manner as shall be necessary to ensure that:

(i) no manager elected pursuant to Section 3.3(b) may be removed from office unless (x) such removal is directed or approved by the affirmative vote of the Person(s), or of the holders of at least a majority of the Voting Units, entitled under Section 3.3(b) to designate that manager; or (y) the Person(s) originally entitled to designate or approve such manager or occupy such Board seat pursuant to Section 3.3(b) is no longer so entitled to designate or approve such manager or occupy such Board seat;

(ii) any vacancies created by the resignation, removal or death of a manager elected pursuant to Section 3.3(b) shall be filled pursuant to this Section 3.3;

(iii) upon the request of any Person entitled to designate a manager as provided in Section 3.3(b) to remove such manager, such manager shall be removed.

(e) Each Member agrees to execute any written consents required to perform the obligations of this Section 3.3, and the Company agrees at the request of any Person or group entitled to designate managers to call a special meeting of Members for the purpose of electing managers.

(f) No Member, nor any Affiliate of any Member, shall have any liability as a result of designating a person for election as a manager for any act or omission by such designated person in his or her capacity as a manager of the Board of Managers, nor shall any Member have any liability as a result of voting for any such designee in accordance with this Agreement.

(g) The provisions set forth in Section 3.3(b), (c), (d), (e) and (l) shall terminate upon the earlier to occur of (x) the consummation of a Qualified IPO; and (y) a Dissolution Event (for the avoidance of doubt, the consummation of the underlying event under such definition).

(h) At meetings of the Board of Managers, persons representing a majority of the members of the Board of Managers shall constitute a quorum for the transaction of business. Unless otherwise set forth herein, all action shall require the approval of either (i) a majority of the members of the Board of Managers attending a meeting where a quorum is present or (ii) members of the Board of Managers acting unanimously by written consent in lieu of a meeting. Meetings of the Board of Managers may be called by a majority of the members of the Board of Managers on no less than one (1) Business Day's notice, which notice (i) may, in addition to the methods of delivery of notice set forth in Section 12.5, be delivered by e-mail to the e-mail address of each manager as the same are reflected in the Company's records, and (ii) may be waived by any manager as to himself or herself only.

(i) A majority of the Board of Managers may from time to time compose and convene committees of the Board of Managers, such as an audit committee and a compensation committee; *provided,* that the existence of, and powers possessed by, any such committee are consistent with the Act and this Agreement.

(j) Except as may otherwise be agreed upon by the Company and a member of the Board of Managers, the Company shall pay the reasonable out-of-pocket expenses incurred by each member of the Board of Managers in connection with his duties as a member thereof (or in connection with any other services requested by the Company), including, without limitation, attending the meetings of the Board of Managers and any committee thereof.

(k) The Company may elect to maintain directors'/managers' and officers' liability insurance coverage for each of the members of the Board of Managers or officers in amounts satisfactory to the Board of Managers; *provided, however,* that the Company shall not be obligated to purchase or maintain such insurance in the event that the Majority Members agree that reasonable terms and pricing are not commercially available.

3.4 Oversight and Regulatory Independence of 24X National Exchange. For so long as the Company Controls 24X National Exchange:

(a) The Company shall ensure that the managers, the officers, the employees and the agents of the Company give due regard to the preservation of the independence of the self-regulatory function of 24X National Exchange, and to the obligations of 24X National Exchange to investors and the general public and shall not take any actions which would interfere with the effectuation of any decisions by the board of 24X National Exchange relating to its regulatory functions (including disciplinary matters) or which would interfere with the ability of 24X National Exchange to carry out its responsibilities under the Exchange Act.

(b) The Company shall comply with the federal securities laws and the rules and regulations promulgated thereunder and shall cooperate with the SEC, 24X National Exchange, FINRA and any other self-regulatory organization ("**SROs**") of which any routing broker for 24X National Exchange is a member, pursuant to and to the extent of their respective regulatory authority. The managers, officers, employees and agents of the Company, by virtue of their acceptance of their respective positions, agree to comply, and shall comply, with the federal securities laws and the rules and regulations promulgated thereunder and shall be deemed to agree to cooperate with (i) the SEC and 24X National Exchange in respect of the SEC's oversight responsibilities regarding 24X National Exchange and the self-regulatory functions and

responsibilities of 24X National Exchange, and (ii) FINRA, any other SROs of which any routing broker of 24X National Exchange is a member, and any routing broker of 24X National Exchange in respect of FINRA's and any such other SRO's oversight responsibilities regarding any routing broker of 24X National Exchange, as applicable, and the Company shall take reasonable steps necessary to cause its managers, officers, employees and agents to so cooperate.

(c) Notwithstanding any provision of this Agreement to the contrary, the Company and its managers, officers, employees and agents, by virtue of their acceptance of such position, shall be deemed to irrevocably submit to the jurisdiction of the United States federal courts, the SEC, and 24X National Exchange, for the purposes of any suit, action or proceeding pursuant to the United States federal securities laws, and the rules or regulations thereunder, arising out of, or relating to, the activities of 24X National Exchange, and by virtue of their acceptance of any such position, shall be deemed to waive, and agree not to assert by way of motion, as a defense or otherwise in any such suit, action or proceeding, any claims that it or they are not personally subject to the jurisdiction of the United States federal courts, the SEC or 24X National Exchange, that the suit, action or proceeding is an inconvenient forum or that the venue of the suit, action or proceeding is improper, or that the subject matter of that suit, action or proceeding may not be enforced in or by such courts or agency. The Company and its managers, officers, employees and agents also agree that they shall maintain an agent, in the United States, for the service of process of a claim arising out of, or relating to, the activities of 24X National Exchange.

(d) In its capacity as a Member of 24X US Holdings LLC:

(i) the Company shall vote, and cause to be voted, in favor of only those directors, members of the Nominating Committee of 24X National Exchange LLC, and members of the Member Nominating Committee of 24X National Exchange LLC who are nominated in the manner set forth in the 24X National Exchange LLC Agreement; and

(ii) with respect to any action taken by written consent, the Company shall cause to be validly executed only the written consents electing only the directors, members of the Nominating Committee, and members of the Member Nominating Committee of 24X National Exchange LLC referred to in the preceding clause (i).

3.5 Company Funds. The Company shall maintain one or more bank accounts, as directed by the Board of Managers. Withdrawals from such account or accounts shall be made upon the signature or signatures of such Person or Persons as the Board of Managers shall designate. There shall be no commingling of the assets of the Company with the assets of any other Person. The management of the accounts comprising the investment portfolio of the Company shall be subject to the oversight and approval of the Board of Managers.

3.6 Company Actions and Decisions. Except as provided otherwise by the Board of Managers, any Person dealing with the Company may rely on a certificate signed by any authorized officer as to: (1) the identity of any Member; (2) the existence or non-existence of any consents, approvals or other facts or circumstances that constitute conditions precedent to acts by the Company or are otherwise germane to the affairs of the Company; (3) the identity of Persons who are authorized to execute and deliver any instrument or document for the Company; (4) the ownership of Interests in the Company; and (5) any other facts or circumstances relating to the Company or its affairs.

3.7 Execution of Instruments or Documents. The Board of Managers shall have the power to authorize any Person to enter into and execute on behalf of the Company, each and every document that may be required to be executed by the Company in connection with any matter involving the Company.

3.8 Limited Liability of Members/Managers.

(a) Under this Agreement, no Member shall have any personal liability whatsoever, whether to the Company, to any of the Members or to the creditors of the Company, for the debts, obligations and liabilities of the Company or any of its losses beyond (i) the amount of its Capital Contribution as stated in Section 6.1 hereof, (ii) its share of any assets and undistributed Profits of the Company and (iii) the amount of any Distributions wrongfully distributed to it and which it is obligated to return pursuant to applicable law. No Member shall have any personal liability whatsoever to the creditors of the Company, for the debts, obligations and liabilities of the Company or any of its Losses. The debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Member shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member. The failure of the Company to observe any formalities or requirements relating to the exercise of its powers or management of its business or affairs under this Agreement or the Act shall not be grounds for imposing personal liability on any of the Members for liabilities of the Company. No Member shall have any obligation to restore any deficit balance in its Capital Account.

(b) Subject to applicable law, it is expressly acknowledged and agreed that each Manager may act in the interests of the Member by which he or she was appointed in considering matters that may come before the Board of Managers. To the fullest extent now or hereafter permitted by applicable law, the Members hereby waive confirm and agree that the Members and the Managers shall have no fiduciary duties toward each other or to the Company. In furtherance of the foregoing, each of the Members expressly acknowledges that no Member or Manager shall owe a duty to the other Members or the Company implied by law (including fiduciary duties or other duties similar to those owed by a general partner to limited partners of a partnership) by virtue of such Member's interest in the Company or such Manager's service on the Board of Managers.

3.9 Other Interests. This Agreement may not be construed in any manner to limit or preclude any Preferred Member or any manager appointed by the Preferred Members from engaging in any activity whatsoever permitted by applicable law. Each Member expressly acknowledges and agrees that certain of the Preferred Members and their Affiliates and their manager appointees engage or may engage in other business or investment activities, including with respect to businesses that do or may compete with the Company. Preferred Members and their Affiliates and their manager appointees may engage in or possess an interest in other profit-seeking or business ventures of any kind, nature or description, independently or with others, similar or dissimilar to the business of the Company, whether or now existing or hereafter acquired or initiated, whether or not such ventures are competitive with the Company. The doctrine of corporate opportunity, or any analogous doctrine, will not apply to Preferred Members and their Affiliates and their manager appointees.

ARTICLE 4: CAPITAL AND VOTING RIGHTS

4.1 Units. The Company is authorized to issue Units as follows: (A) 23,000,000 Common Units, (B) 1,109,321 Non-Voting Units, (C) 1,124,850 Series Seed-1 Units, (D) 1,109,321 Series Seed-2 Units, (E) 571,655 Series Seed-3 Units, (F) 681,106 Series Seed-4 Units, (G) 3,221,285 Series A-1 Units and (H) 1,191,021 Series A-2 Units. Certain of the Common Units may be issued or reserved for issuance as restricted Common Units pursuant to any Plan. Authorization of any additional Units, whether Common Units, Preferred Units or newly created classes or series of Units, may only be effected by an amendment of this Agreement.

4.2 Profits Units.

(a) Subject to Section 4.4, if the Board of Managers, in its sole and absolute discretion, determines that any Unit to be issued is to be a Profits Unit, it is intended that such Unit be treated as a "profits interest" in the Company within the meaning of IRS Revenue Procedure 93-27, 1993-2 C.B. 343 and IRS Revenue Procedure 2001-43, 2001-2 C.B. 191. To that end, the Company and each Member agree that it is the intention of the Members that distributions to each holder on Profits Units be limited to the extent necessary so that such Profits Units so qualify as "profits interests," and this Agreement shall be interpreted accordingly.

(b) Notwithstanding Section 8.1 or any other provision to the contrary in this Agreement, a Unit that is issued by the Company and designated as a Profits Unit shall not be allocated any Profits arising prior to the date of issuance of such Profits Unit and shall not receive any distributions relating to such Profits or distributions relating to any transaction or operations of the Company prior to the date of issuance. A Unit that is designated as a Profits Unit shall only participate in Profits and distributions from the Company's transactions and operations occurring or arising on and after the date of issuance of such Profits Unit.

(c) In addition (and not by way of limitation of any other provision of this Section 4.2), notwithstanding Section 8 and Section 10 of this Agreement, a Unit that is designated a Profits Unit shall be allocated Capital Profit, and be entitled to any distributions relating to Capital Profit or proceeds generated in connection with a transaction that results in Capital Profit, only to the extent such Capital Profit is attributable to the excess, if any, in the value of the assets of the Company at the time such Capital Profit is realized over the deemed value of the Company as of the date of issuance of that Profits Unit (the "**Appreciation**"). A Profits Unit Member shall share in the Company's Capital Profit and be entitled to distributions from Capital Profit or proceeds generated in connection with a transaction that results in Capital Profit to the extent of his or her proportionate share of the Appreciation, based on his or her Sharing Percentage. The deemed value of the assets of the Company as of the date of issuance of a Profits Unit shall be determined by the Board of Managers, in its sole and absolute discretion.

(d) Any distributions of Available Cash or any distributions of assets of the Company (distributed in liquidation or otherwise) that would otherwise be made to a Member but for the preceding provisions of this Section 4.2 shall instead be made to holders of previously issued and outstanding Units, subject to this Section 4.2, in proportion to their Sharing Percentages (without taking into account Unvested Profits Units). The Board of Managers may adjust the allocations and the distributions under Article 7 and Article 8 to reflect the intent of and limitations set forth in this Section 4.2 and any applicable agreements under which Profits Units are granted.

(e) Each Member holding Profits Units understands that if such Member serves as an employee or officer of or as a consultant or independent contractor to the Company, such Member may be required to execute an employment or consulting agreement that contains a covenant not to compete and other restrictive covenants with the Company and that if such Member breaches such covenants, all of such Member's Profits Units may, in the sole and absolute discretion of the Board of Managers, be subject to forfeiture, without return of any portion of such Member's Capital Account or any other consideration whatsoever.

(f) The Company and each Member agree not to claim a deduction (as wages, compensation or otherwise) for the Fair Market Value of a Profits Unit issued to a Member, either at the time of grant of such Profits Unit or at the time it becomes substantially vested.

4.3 Voting Rights. Except as otherwise may be required by law or expressly provided in this Agreement, Holders of Common Units and Preferred Units that are Voting Units shall vote together as a single class on an as-converted to voting Common Units basis.

4.4 Major Decisions. The Company shall not take (and shall not permit any Subsidiary to take) any of the following actions, either directly or indirectly by amendment, merger, consolidation, recapitalization, reclassification, or otherwise, without the prior written approval of the Majority Members and in compliance with Section 9.2, and any such act or transaction entered into without such consent or vote shall be null and void ab initio, and of no force or effect:

(a) declare or make any Distribution, except Required Tax Distributions;

(b) repurchase or redeem (or permit any Subsidiary to purchase or redeem) any Units, except for (i) purchases of Units at cost from service providers to the Company upon termination of service or (ii) the exercise by the Company of contractual rights of first refusal over such Units with the approval of the Board of Managers;

(c) approve, execute and/or consummate a Dissolution Event;

(d) (i) create, or authorize the creation of, or issue or obligate itself to issue, or reclassify, any equity securities unless the same ranks junior to the Preferred Units with respect to its rights, preferences and privileges, or (ii) increase the authorized number of Preferred Units or any additional class or series of equity securities of the Company unless the same ranks junior to the Preferred Units with respect to its rights, preferences and privileges;

(e) increase or decrease the number of authorized Preferred Units or Common Units;

(f) (i) enter into any joint venture or create any Subsidiary that is not a wholly-owned Subsidiary, (ii) dispose of any Subsidiary's equity securities or all or substantially all of any Subsidiary's assets (other than in respect of a shutdown of an inactive Subsidiary with no substantial assets); or (iii) authorize or issue equity securities of a Subsidiary other than to the Company or a wholly-owned Subsidiary of the Company (directly or indirectly);

(g) create, adopt, amend, terminate or repeal any equity (or equity-linked) compensation plan; or

(h) amend this Agreement or the Certificate of Formation in a way that would adversely affect the rights, preferences, protections or provisions of the Preferred Units (or any series or class thereof).

4.5 Conversion to a Corporation. If at any time the Majority Members determine that the Company's ability to raise capital or effect a sale of its business, equity or assets would be facilitated by conversion to a company limited by shares, subject to and in accordance with the Act and Bermuda law (or an equivalent corporate entity under the laws of another jurisdiction), the Majority Members may so notify the Company. At such point the CEO and the other officers of the Company shall work diligently to accomplish such conversion. Such conversion shall be effected in such a manner which, to the extent practicable, and taking account of tax considerations, permits the Members to continue to hold the same respective economic interests in such corporation as they held in the Company and to continue to have the same respective rights and obligations relative to such economic interests in the corporation as they had relative to their respective economic interests in the Company. Except in the case of such conversion immediately preceding a Qualified IPO (in which case the Preferred Units would convert into Common Stock in accordance with their then-effective conversion ratios), the Preferred Units would be exchanged for shares of convertible preferred stock as follows: (1) the Series Seed-1 Units for shares of Series Seed-1 Preferred Stock, (2) the Series Seed-2 Units for shares of Series Seed-2 Preferred Stock, (3) the Series Seed-3 Units for shares of Series Seed-3 Preferred Stock, (4) the Series Seed-4 Units for shares of Series Seed-4 Preferred Stock, (5) the Series A-1 Units for shares of Series A-1 Preferred Stock and (6) the Series A-2 Units for shares of Series A-2 Preferred Stock. The Preferred Stock so issued would have comparable rights, privileges and preferences to the rights, privileges and preferences pertaining to their respective Preferred Units as set forth in this Agreement, the Investors' Rights Agreement, the Voting Agreement and the Right of First Refusal and Co-Sale Agreement. The Common Units (including Profits Units) and Non-Voting Units would be exchanged share-for-share for shares of Common Stock and Non-Voting Common Stock, respectively.

ARTICLE 5: CONVERSION RIGHTS

The holders of the Preferred Units shall have conversion rights as follows (the "**Conversion Rights**"):

5.1 Conversion Ratio. Each Preferred Unit shall be convertible, at the option of the holder thereof, at any time and from time to time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and non-assessable Common Units (which term, for all purposes of this Article 5 other than as provided in Section 5.7, shall be deemed to refer to Non-Voting Units in respect of the Conversion Rights of the Series Seed-2 Units) as is determined by dividing the Original Issue Price by the Conversion Price (as defined below) in effect at the time of conversion. The "**Conversion Price**" applicable to any series of Preferred Units shall initially be equal to the Original Issuance Price thereof. Such initial Conversion Price, and the rate at which Preferred Units may be converted into Common Units, shall be subject to adjustment as provided below.

5.2 Termination of Conversion Rights. In the event of a Dissolution Event, the Conversion Rights shall terminate at the close of business on the last full day preceding the date fixed for the

payment of any such amounts distributable on such event to the holders of Preferred Units; *provided* that the foregoing termination of Conversion Rights shall not affect the amount(s) otherwise paid or payable in accordance with Section 10.2(c) to holders of Preferred Units pursuant to such Dissolution Event.

5.3 Fractional Units. No fractional Common Units shall be issued upon conversion of the Preferred Units. In lieu of any fractional Units to which the holder would otherwise be entitled, the number of Common Units to be issued upon conversion of the Preferred Units shall be rounded to the nearest whole Unit.

5.4 Mechanics of Conversion.

(a) Notice of Conversion. In order for a holder of Preferred Units to voluntarily convert Preferred Units into Common Units, such holder shall (a) provide written notice to the Company's transfer agent at the office of the transfer agent for the Preferred Unit (or at the principal office of the Company if the Company serves as its own transfer agent) that such holder elects to convert all or any number of such holder's Preferred Units and, if applicable, any event on which such conversion is contingent and (b) if such holder's Preferred Units are certificated, surrender the certificate or certificates for such Preferred Units (or, if such registered holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Company to indemnify the Company against any claim that may be made against the Company on account of the alleged loss, theft or destruction of such certificate), at the office of the transfer agent for the Preferred Unit (or at the principal office of the Company if the Company serves as its own transfer agent). Such notice shall state such holder's name or the names of the nominees in which such holder wishes the Common Units to be issued. If required by the Company, any certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Company, duly executed by the registered holder or his, her or its attorney duly authorized in writing. The close of business on the date of receipt by the transfer agent (or by the Company if the Company serves as its own transfer agent) of such notice and, if applicable, certificates (or lost certificate affidavit and agreement) shall be the time of conversion (the "**Conversion Time**"), and the Common Units issuable upon conversion of the specified Units shall be deemed to be outstanding of record as of such date. The Company shall, as soon as practicable after the Conversion Time (i) issue and deliver to such holder of Preferred Unit, or to his, her or its nominees, a certificate or certificates (if the Common Units are certificated) for the number of full Common Units issuable upon such conversion in accordance with the provisions hereof and a certificate for the number (if any) of the Preferred Units represented by the surrendered certificate that were not converted into Common Unit, and (ii) pay all declared but unpaid Distributions on the Preferred Units so converted.

(b) Reservation of Units. The Company shall at all times when the Preferred Units shall be outstanding, reserve and keep available out of its authorized but unissued Units, for the purpose of effecting the conversion of the Preferred Units, such number of its duly authorized Common Units as shall from time to time be sufficient to effect the conversion of all outstanding Preferred Units; and if at any time the number of authorized but unissued Common Units shall not be sufficient to effect the conversion of all then outstanding Preferred Units, the Company shall take such action as may be necessary to increase its authorized but unissued Common Units to such number of Units as shall be sufficient for such purposes, including, without limitation,

engaging in best efforts to obtain the requisite Member approval of any necessary amendment to this Agreement.

(c) Effect of Conversion. All Preferred Units which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such Units shall immediately cease and terminate at the Conversion Time, except only the right of the holders thereof to receive Common Units in exchange therefor and to receive payment of any dividends declared but unpaid thereon. Any Preferred Units so converted shall be retired and cancelled and may not be reissued as Units of such series, and the Company may thereafter take such appropriate action (without the need for Member action) as may be necessary to reduce the authorized number of Preferred Units accordingly.

(d) No Further Adjustment. Upon any such conversion, no adjustment to the Conversion Price shall be made for any declared but unpaid dividends on the Preferred Units surrendered for conversion or on the Common Units delivered upon conversion.

(e) Taxes. The Company shall pay any and all issue and other similar taxes that may be payable in respect of any issuance or delivery of Common Units upon conversion of Preferred Units pursuant to this Section 5. The Company shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of Common Units in a name other than that in which the Preferred Units so converted were registered, and no such issuance or delivery shall be made unless and until the person or entity requesting such issuance has paid to the Company the amount of any such tax or has established, to the satisfaction of the Company, that such tax has been paid.

5.5 Adjustments to Conversion Price for Diluting Issues.

(a) Special Definitions. The following definitions shall apply:

(i) "**Additional Common Units**" shall mean all Common Units issued (or, pursuant to the provisions below, deemed to be issued) by the Company after the date of this Agreement, other than (1) the following Common Units and (2) Common Units deemed issued pursuant to the following Options and Convertible Securities (clauses (1) and (2), collectively, "**Exempted Securities**"):

(1) as to any series of Preferred Units, Common Units, Options or Convertible Securities issued as a dividend or distribution on such series of Preferred Units;

(2) Common Units, Options or Convertible Securities issued by reason of a dividend, Unit split, split-up or other distribution on Common Units that is covered by Sections 5.5(g), (h), (i) or (j);

(3) Common Units or Options issued to employees or directors/managers of, or consultants or advisors to, the Company or any of its Subsidiaries pursuant to the Plan;

(4) Common Units or Convertible Securities actually issued upon the exercise of Options or Common Units actually issued upon the conversion or exchange of

Convertible Securities, in each case provided such issuance is pursuant to the terms of such Option or Convertible Security;

(5) Common Units, Options or Convertible Securities issued to banks, equipment lessors or other financial institutions, or to real property lessors, pursuant to a debt financing, equipment leasing or real property leasing transaction approved by the Board of Managers that do not exceed an aggregate of 300,000 Common Units (including Units underlying (directly or indirectly) any such Options or Convertible Securities); or

(6) Common Units, Options or Convertible Securities issued as acquisition consideration pursuant to the acquisition of another Company by the Company by merger, purchase of substantially all of the assets or other reorganization or to a joint venture agreement, provided that such issuances are approved by the Board of Managers of the Company.

(ii) "**Convertible Securities**" shall mean any evidences of indebtedness, units or other securities directly or indirectly convertible into or exchangeable for a Common Unit, but excluding Options.

(iii) "**Option**" shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire Common Unit or Convertible Securities.

(b) No Adjustment of Conversion Price. No adjustment in the Conversion Price of any series of Preferred Units shall be made as the result of the issuance or deemed issuance of Additional Common Units if the Company receives written notice from the holders of a majority of such series of Preferred Units agreeing that no such adjustment shall be made in respect of such series as the result of the issuance or deemed issuance of such Additional Common Units.

(c) Deemed Issue of Additional Common Units.

(i) If the Company at any time or from time to time after the date of this Agreement shall issue any Options or Convertible Securities (excluding Options or Convertible Securities which are themselves Exempted Securities), then the maximum number of Common Units (as set forth in the instrument relating thereto, assuming the satisfaction of any conditions to exercisability, convertibility or exchangeability but without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Common Units issued as of the time of such issue.

(ii) If the terms of any Option or Convertible Security, the issuance of which resulted in an adjustment to the Conversion Price pursuant to the terms of Section 5.5(d), are revised as a result of an amendment to such terms or any other adjustment pursuant to the provisions of such Option or Convertible Security (but excluding automatic adjustments to such terms pursuant to anti-dilution or similar provisions of such Option or Convertible Security) to provide for either (1) any increase or decrease in the number of Common Units issuable upon the exercise, conversion and/or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Company upon such exercise, conversion and/or exchange, then, effective upon such increase or decrease becoming effective, the

Conversion Price computed upon the original issue of such Option or Convertible Security (or upon the occurrence of a record date with respect thereto) shall be readjusted to such Conversion Price as would have obtained had such revised terms been in effect upon the original date of issuance of such Option or Convertible Security. Notwithstanding the foregoing, no readjustment pursuant to this clause (b) shall have the effect of increasing the Conversion Price to an amount which exceeds the lower of (i) the Conversion Price in effect immediately prior to the original adjustment made as a result of the issuance of such Option or Convertible Security, or (ii) the Conversion Price that would have resulted from any issuances of Additional Common Units (other than deemed issuances of Additional Common Units as a result of the issuance of such Option or Convertible Security) between the original adjustment date and such readjustment date.

(iii) If the terms of any Option or Convertible Security (excluding Options or Convertible Securities which are themselves Exempted Securities), the issuance of which did not result in an adjustment to the Conversion Price pursuant to the terms of Section 5.5(d) (either because the consideration per Unit of the Additional Common Units subject thereto was equal to or greater than the Conversion Price then in effect, or because such Option or Convertible Security was issued before the date of this Agreement), are revised after the date of this Agreement as a result of an amendment to such terms or any other adjustment pursuant to the provisions of such Option or Convertible Security (but excluding automatic adjustments to such terms pursuant to anti-dilution or similar provisions of such Option or Convertible Security) to provide for either (1) any increase in the number of Common Units issuable upon the exercise, conversion or exchange of any such Option or Convertible Security or (2) any decrease in the consideration payable to the Company upon such exercise, conversion or exchange, then such Option or Convertible Security, as so amended or adjusted, and the Additional Common Units subject thereto shall be deemed to have been issued effective upon such increase or decrease becoming effective.

(iv) Upon the expiration or termination of any unexercised Option or unconverted or unexchanged Convertible Security (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Conversion Price pursuant to the terms of Section 5.5(d), the Conversion Price shall be readjusted to such Conversion Price as would have obtained had such Option or Convertible Security (or portion thereof) never been issued.

(v) If the number of Common Units issuable upon the exercise, conversion and/or exchange of any Option or Convertible Security, or the consideration payable to the Company upon such exercise, conversion and/or exchange, is calculable at the time such Option or Convertible Security is issued or amended but is subject to adjustment based upon subsequent events, any adjustment to the Conversion Price provided for in this Section 5.5(c) shall be effected at the time of such issuance or amendment based on such number of Units or amount of consideration without regard to any provisions for subsequent adjustments (and any subsequent adjustments shall be treated as provided in this Section 5.5(c)). If the number of Common Units issuable upon the exercise, conversion and/or exchange of any Option or Convertible Security, or the consideration payable to the Company upon such exercise, conversion and/or exchange, cannot be calculated at all at the time such Option or Convertible Security is issued or amended, any adjustment to the Conversion Price that would result under the terms of this Section 5.5(c) at the time of such issuance or amendment shall instead be effected at the time such number of Units and/or amount of consideration is first calculable (even if subject to subsequent adjustments),

assuming for purposes of calculating such adjustment to the Conversion Price that such issuance or amendment took place at the time such calculation can first be made.

(d) Adjustment of Conversion Price Upon Issuance of Additional Common Units. In the event the Company shall at any time after the date of this Agreement issue Additional Common Units (including Additional Common Units deemed to be issued pursuant to Section 5.5(c)), without consideration or for a consideration per Unit less than the applicable Conversion Price for one or more series of Preferred Units in effect immediately prior to such issuance or deemed issuance, then each such Conversion Price shall be reduced, concurrently with such issue, to a price (calculated to the nearest one-hundredth of a cent) determined in accordance with the following formula:

$$CP2 = CP1* \ (A + B) \div (A + C).$$

For purposes of the foregoing formula, the following definitions shall apply:

(a) "CP2" shall mean the Conversion Price in effect immediately after such issuance or deemed issuance of Additional Common Units

(b) "CP1" shall mean the Conversion Price in effect immediately prior to such issuance or deemed issuance of Additional Common Units;

(c) "A" shall mean the number of Common Units outstanding immediately prior to such issuance or deemed issuance of Additional Common Units (treating for this purpose as outstanding all Common Units issuable upon exercise of Options outstanding immediately prior to such issuance or deemed issuance or upon conversion or exchange of Convertible Securities (including the Preferred Units) outstanding (assuming exercise of any outstanding Options therefor) immediately prior to such issue);

(d) "B" shall mean the number of Common Units that would have been issued if such Additional Common Units had been issued or deemed issued at a price per Unit equal to CP1 (determined by dividing the aggregate consideration received by the Company in respect of such issue by CP1); and

(e) "C" shall mean the number of such Additional Common Units issued in such transaction.

(e) Determination of Consideration. For purposes of this Section 5.5, the consideration received by the Company for the issuance or deemed issuance of any Additional Common Units shall be computed as follows:

(i) Cash and Property. Such consideration shall:

(1) insofar as it consists of cash, be computed at the aggregate amount of cash received by the Company, excluding amounts paid or payable for accrued interest;

(2) insofar as it consists of property other than cash, be computed at the Fair Market Value thereof at the time of such issue, as determined in good faith by the Board of Managers; and

(3) in the event Additional Common Units are issued together with other Units or securities or other assets of the Company for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (1) and (2) above, as determined in good faith by the Board of Managers of the Company.

(ii) Options and Convertible Securities. The consideration per Unit received by the Company for Additional Common Units deemed to have been issued pursuant to Section 5.5(c), relating to Options and Convertible Securities, shall be determined by dividing:

(1) The total amount, if any, received or receivable by the Company as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Company upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by

(2) The maximum number of Common Units (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities.

(f) Multiple Closing Dates. In the event the Company shall issue on more than one date Additional Common Units that are a part of one transaction or a series of related transactions and that would result in an adjustment to any Conversion Price pursuant to the terms of Section 5.5(d) then, upon the final such issuance, the Conversion Price shall be readjusted to give effect to all such issuances as if they occurred on the date of the first such issuance (and without giving effect to any additional adjustments as a result of any such subsequent issuances within such period).

(g) Adjustment for Unit Splits and Combinations. If the Company shall at any time or from time to time after the date of this Agreement effect a subdivision of the outstanding Common Units, each Conversion Price in effect immediately before that subdivision shall be proportionately decreased so that the number of Common Units issuable on conversion of each Unit of such series shall be increased in proportion to such increase in the aggregate number of Common Units outstanding. If the Company shall at any time or from time to time after the date of this Agreement combine the outstanding Common Units, each Conversion Price in effect immediately before the combination shall be proportionately increased so that the number of Common Units issuable on conversion of each Unit of such series shall be decreased in proportion to such decrease in the aggregate number of Common Units outstanding. Any adjustment under this Section shall become effective at the close of business on the date the subdivision or combination becomes effective.

(h) Adjustment for Certain Distributions. In the event the Company at any time or from time to time after the date of this Agreement shall make or issue a Distribution payable on the Common Units in additional Common Units, then and in each such event each Conversion Price in effect immediately before such event shall be decreased as of the time of such issuance by multiplying the Conversion Price then in effect by a fraction:

(i) the numerator of which shall be the total number of Common Units issued and outstanding immediately prior to the time of such issuance, and

(ii) the denominator of which shall be the total number of Common Units issued and outstanding immediately prior to the time of such issuance plus the number of Common Units issuable in payment of such Distribution.

Notwithstanding the foregoing, no such adjustment shall be made if the holders of Preferred Units simultaneously receive a dividend or other distribution of Common Units in a number equal to the number of Common Units as they would have received if all outstanding Preferred Units had been converted into Common Units on the date of such event.

(i) Adjustments for Other Dividends and Distributions. In the event the Company at any time or from time to time after the date of this Agreement shall make or issue a Distribution payable in securities of the Company (other than a distribution of Common Units in respect of outstanding Common Units) or in other property and the provisions of Section 8 or Section 10.2(c) do not apply to such Distribution, then and in each such event the holders of Preferred Units shall receive, simultaneously with the distribution to the holders of Common Units, a dividend or other distribution of such securities or other property in an amount equal to the amount of such securities or other property as they would have received if all outstanding Preferred Units had been converted into Common Units on the date of such event.

(j) Adjustment for Merger or Reorganization, etc. If there shall occur any reorganization, recapitalization, reclassification, consolidation or merger (excluding a Dissolution Event) involving the Company in which the Common Units (but not the Preferred Units) are converted into or exchanged for securities, cash or other property (other than a transaction covered by paragraphs (g), (h) or (i) above), then, following any such reorganization, recapitalization, reclassification, consolidation or merger, each Preferred Unit of each series shall thereafter be convertible in lieu of the Common Units into which it was convertible prior to such event into the kind and amount of securities, cash or other property which a holder of the number of Common Units of the Company issuable upon conversion of one Preferred Unit of such series immediately prior to such reorganization, recapitalization, reclassification, consolidation or merger would have been entitled to receive pursuant to such transaction; and, in such case, appropriate adjustment (as determined in good faith by the Board of Managers of the Company) shall be made in the application of the provisions in this Section 4 with respect to the rights and interests thereafter of the holders of the Preferred Unit, to the end that the provisions set forth in this Section 5.5 (including provisions with respect to changes in and other adjustments of the Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of the Preferred Units.

(k) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 5.5, the Company at its expense

shall, as promptly as reasonably practicable but in any event not later than ten days thereafter, compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Preferred Units a certificate setting forth such adjustment or readjustment (including the kind and amount of securities, cash or other property into which the Preferred Units of each series are convertible) and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, as promptly as reasonably practicable after the written request at any time of any holder of Preferred Unit (but in any event not later than ten days thereafter), furnish or cause to be furnished to such holder a certificate setting forth (i) the Conversion Price then in effect, and (ii) the number of Common Units and the amount, if any, of other securities, cash or property which then would be received upon the conversion of each series of Preferred Units.

5.6 Mandatory Conversion.

(a) Trigger Events. Upon either (i) the closing of the sale of Common Units to the public, in a firm-commitment underwritten public offering pursuant to an effective registration statement under the Securities Act, resulting in at least $50,000,000 of gross proceeds to the Company and in connection with such offering the Common Units are listed for trading on the Nasdaq Stock Market's National Market, the New York Stock Exchange or another exchange or marketplace approved the Board of Managers (a "**Qualified IPO**") or (b) the date and time, or the occurrence of an event, specified by vote or written consent of the Majority Members (the time of such closing or the date and time specified or the time of the event specified in such vote or written consent is referred to herein as the "**Mandatory Conversion Time**"), then (i) all outstanding Preferred Units shall automatically be converted into Common Units, at the then effective conversion rate as calculated pursuant to Section 5.1, and (ii) such Units may not be reissued by the Company.

(b) Procedural Requirements. All holders of Preferred Units shall be sent written notice of the Mandatory Conversion Time and the place designated for mandatory conversion of all such Preferred Units pursuant to this Section 5.6. Such notice need not be sent in advance of the occurrence of the Mandatory Conversion Time. Upon receipt of such notice, each holder of Preferred Units in certificated form shall surrender his, her or its certificate or certificates for all such Units (or, if such holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Company to indemnify the Company against any claim that may be made against the Company on account of the alleged loss, theft or destruction of such certificate) to the Company at the place designated in such notice. If so required by the Company, any certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to the Company, duly executed by the registered holder or by his, her or its attorney duly authorized in writing. All rights with respect to the Preferred Unit converted pursuant to this Section 5.6 will terminate at the Mandatory Conversion Time (notwithstanding the failure of the holder or holders thereof to surrender any certificates at or prior to such time), except only the rights of the holders thereof, upon surrender of any certificate or certificates of such holders (or lost certificate affidavit and agreement) therefor, to receive the items provided for in the next sentence of this paragraph. As soon as practicable after the Mandatory Conversion Time and, if applicable, the surrender of any certificate or certificates (or lost certificate affidavit and agreement) for Preferred Unit, the Company shall (a) issue and deliver to such holder, or to his, her or its nominees, a certificate or certificates (if the Common Units are certificated) for the number of full Common Units issuable

on such conversion in accordance with the provisions hereof and (b) pay any declared but unpaid dividends on the Preferred Units converted. Such converted Preferred Units shall be retired and cancelled and may not be reissued as Units of such series, and the Company may thereafter take such appropriate action (without the need for Member action) as may be necessary to reduce the authorized number of Preferred Units accordingly.

5.7 Conversion Following Dispersion Transaction. Upon a transfer of any Non-Voting Units (or Series Seed-2 Units that are convertible into Non-Voting Units) to: (i) a transferee in a widespread public distribution of the voting securities of the Company, (ii) an underwriter for the purpose of conducting a widespread public distribution of the voting securities of the Company, (iii) as part of a bona fide private placement in which no single person would receive 2% or more of any class of voting securities of the Company or (iv) a transferee if such transferee would control more than 50% of the voting securities of the Company notwithstanding any transfer of Non-Voting Units (or Series Seed-2 Units that are convertible into Non-Voting Units) (each, a "**Dispersion Transaction**"), then automatically and immediately after the consummation of such transfer: (1) such Non-Voting Units shall convert into an equivalent number of Common Units (i.e., on a one-to-one basis) and (2) such Series Seed-2 Preferred Units shall thereafter be convertible into Common Units instead of Non-Voting Units. Thereafter, the Company shall take such action as may be reasonably required to reflect any such conversions, transfers or changes, in the Dispersion Transaction.

5.8 Applicability of Section 9.2. This Article 5 is subject in all respects to the limitations in Section 9.2.

ARTICLE 6: CAPITAL

6.1 Capital Contributions. Each Member has, on the date hereof, made such Capital Contributions to the Company as are set forth on the books and records of the Company.

6.2 Additional Capital Contributions. The Capital Contributions of new Members and any additional Capital Contributions of existing Members shall be set forth on the books and records of the Company and each dated so as to indicate the date on which such new Capital Contributions are effective.

6.3 Maintenance of Capital Accounts. The Company shall maintain a Capital Account for each Member as part of its books and records.

ARTICLE 7: ALLOCATIONS

7.1 Profits and Losses. After giving effect to the special allocations set forth in Sections 7.3 and 7.4, Profits and Losses of the Company for any Fiscal Year (or other applicable taxable period) shall be allocated to the Members in such a manner as shall cause the Capital Accounts of the Members, as adjusted through the end of such Fiscal Year (or other applicable taxable period), to equal (a) the amount such Members would receive if all assets of the Company on hand at the end of such Fiscal Year (or other applicable taxable period) were sold for cash equal to their Book Values, all liabilities of the Company were satisfied in cash in accordance with their terms (limited in the case of non-recourse liabilities to the Book Value of the property securing such liabilities), and all remaining or resulting cash was distributed to the Members under Section 10.2(c), minus

(b) such Member's share of Minimum Gain and Member Loan Minimum Gain, computed immediately prior to the hypothetical sale of assets. Solely for purposes of making allocations under this Section 7.1, it shall be assumed that Members holding Profits Units are fully vested in their Profits Units.

7.2 Allocations in Year of Liquidation. Notwithstanding Section 7.1, but subject to Sections 7.3 and 7.4, to the extent necessary, individual items of income, gain, loss or deduction of the Company arising in the year in which an actual liquidation occurs or arising from the sale of all or substantially all of the Company's assets will be allocated such that, to the extent possible, the balance in each Member's Capital Account following all of the allocations pursuant to Sections 7.3 and 7.4 is equal to the amount that each such Member is entitled to receive under Section 10.2(c).

7.3 Special Allocations.

(a) Minimum Gain Chargeback. Notwithstanding any other provision of this Article 7, if there is a net decrease in Minimum Gain during any Fiscal Year or other period, each Member shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to the portion of such Person's share of the net decrease in Minimum Gain, such Person's share to be determined in accordance with Regulations Section 1.704-2(g), except that, to the extent that any exceptions contained in Regulations Section 1.704-2(f)(2) (exception for certain conversions and refinancings), 1.704-2(f)(3) (exception for certain capital contributions), 1.704-2(f)(4) (waiver for certain income allocations that fail to meet minimum gain chargeback requirement if minimum gain chargeback distorts economic arrangement) and 1.704-2(f)(5) (additional exceptions) apply to any Person, such minimum gain chargeback may be avoided. The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(f)(6). This Section 7.3(a) is intended to comply with the minimum gain chargeback requirement in Regulations Section 1.704-2(f)(1) and shall be interpreted consistently therewith.

(b) Member Loan Minimum Gain Chargeback. Notwithstanding any other provision of this Article 7 except Section 7.3(a) hereof, if there is a net decrease in Member Loan Minimum Gain attributable to a Member Loan Nonrecourse Debt during any Fiscal Year, each Person who has a share of the Member Loan Minimum Gain attributable to such Member Loan Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(5), shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to the portion of such Person's share of the net decrease in Member Loan Minimum Gain attributable to such Member Loan Nonrecourse Debt, except that, to the extent that any exceptions contained in Regulations Section 1.704-2(i) (net decrease in partner loan nonrecourse debt arising as a result of a conversion or refinancing, capital contribution, waiver for certain income allocations that fail to meet partner loan minimum gain chargeback requirement if partner loan minimum gain chargeback distorts economic arrangement, and additional exceptions contained in revenue rulings) apply to any Person, such Member Loan Minimum Gain chargeback may be avoided. The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(i)(4). This Section 7.3(b) is intended to comply with the minimum gain chargeback requirement in Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(c) Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations, or distributions described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Company income and gain shall be specially allocated to each such Person in an amount and manner sufficient to eliminate, as quickly as possible, to the extent required by the Regulations, the Adjusted Capital Account Deficit of such Person, *provided* that an allocation pursuant to this Section 7.3(c) shall be made if and only to the extent that such Person would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 7 have been tentatively made as if this Section 7.3(c) were not in this Agreement.

(d) Gross Income Allocation. In the event any Member has a deficit Capital Account at the end of any Fiscal Year that is in excess of the sum of (i) the amount such Member is obligated to restore to the capital of the Company and (ii) the amount such Person is deemed to be obligated to restore pursuant to the penultimate sentences of Regulations Section 1.704-2(g)(1) and 1.704-2(i)(5), each such Person shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, *provided* that an allocation pursuant to this Section 7.3(d) shall be made if and only to the extent that such Person would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article 7 have been tentatively made as if Section 7.3(c) hereof and this Section 7.3(d) were not in this Agreement.

(e) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year or other period shall be allocated among the Members in accordance with their Sharing Percentages.

(f) Member Loan Nonrecourse Deductions. Any Member Loan Nonrecourse Deductions for any Fiscal Year or other period shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Loan Nonrecourse Debt to which such Member Loan Nonrecourse Deductions are attributable in accordance with Regulations Section 1.704-2(i)(1).

(g) Section 754 Adjustment. To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Regulations Sections 1.704-1(b)(2)(iv)(m)(2) or 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as a result of (x) the distribution to a Member in complete liquidation of his Interest in the Company or (y) the transfer of an Interest in the Company, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated, in the case of clause (y), to the Members with respect to such transferred Interest in accordance with their Sharing Percentages in the Company in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or, in the case of clause (x), to the Members to whom such distribution was made in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(h) Loss Allocation Limitation. The Losses allocated pursuant to Section 7.1 hereof shall not exceed the maximum amount of Losses that can be so allocated without causing any Member to have an Adjusted Capital Account Deficit at the end of any Fiscal Year. In the event that some, but not all, of the Members would have an Adjusted Capital Account Deficit as a consequence of an allocation of Losses pursuant to Section 7.1 hereof, the limitation set forth in

the preceding sentence shall be applied on a Member by Member basis so as to allocate the maximum permissible Losses to each Member consistent with Regulations Section 1.704-1(b)(2)(ii)(d). All Losses in excess of the limitation set forth in this Section 7.3(h) shall be allocated to the Members in accordance with their Sharing Percentages in the Company as determined by the Board of Managers in its reasonable discretion.

7.4 Curative Allocations. The allocations set forth in Sections 7.3(a)-(h) hereof (the "**Regulatory Allocations**") are intended to comply with certain requirements of the Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss, or deduction. Therefore, notwithstanding any other provision of this Article 7 (other than the Regulatory Allocations), the Board of Managers shall make such offsetting special allocations of Company income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of the Agreement and all Company items were allocated pursuant to Sections 7.1, 7.2 and 7.3. In exercising its discretion under this Section 7.4, the Board of Managers shall take into account future Regulatory Allocations that, although not yet made, are likely to offset other Regulatory Allocations previously made.

7.5 Other Allocation Rules.

(a) For purposes of determining the Profits, Losses, or any other items allocable to any period, Profits, Losses, and any such other items shall be determined on a daily, monthly, or other basis, as determined by the Board of Managers using any permissible method under Code Section 706 and the Regulations thereunder.

(b) Except as otherwise provided in this Agreement, all items of Company income, gain, loss, deduction, and any other allocations not otherwise provided for shall be divided among the Members in the same proportions as they share Profits or Losses pursuant to Sections 7.1, 7.2 and 7.3 for the Fiscal Year.

(c) The Members are aware of the income tax consequences of the allocations made by this Article 7 and hereby agree to be bound by the provisions of this Article 7 in reporting their share of Company income, gain, loss and deduction for income tax purposes.

(d) Solely for purposes of determining a Member's proportionate share of "excess nonrecourse liabilities" of the Company within the meaning of Regulations Section 1.752-3(a)(3), the Members' interests in Company profits are in accordance with their Sharing Percentages.

7.6 Tax Allocations. For each Fiscal Year, items of taxable income, deduction, gain, loss or credit shall be allocated for income tax purposes among the Members in the same manner as their corresponding book items were allocated pursuant to Sections 7.1 through 7.5 hereof for such Fiscal Year, as modified by the following principles:

(a) In accordance with Code Section 704(c) and the Regulations thereunder, income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any

variation between the basis at the time of contribution of such property to the Company for federal income tax purposes and its initial or adjusted value.

(b) Allocations pursuant to this Section 7.6 are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Person's Capital Account or share of Profits, Losses, or other items or Distributions pursuant to any provision of this Agreement.

(c) As long as consistent with the other provisions of this Article 7, to the extent that gain from the disposition of any Company property is, for federal income tax purposes, taxable as ordinary income by reason of recapture of depreciation or cost recovery deductions taken with respect to such property, such depreciation recapture shall be allocated among the Members in proportion to the depreciation or cost recovery deductions previously allocated among them with respect to such property; *provided, however,* that in the event the depreciation recapture is less than the aggregate amount of depreciation or cost recovery deductions giving rise to the depreciation recapture allocated among such Persons with respect to such property, the depreciation recapture will be allocated among such Persons based on the order in time the Members have been allocated such deductions with respect to such property.

ARTICLE 8: DISTRIBUTIONS

8.1 Available Cash. Except as otherwise provided herein (including the provisions of Section 10 relating to a Dissolution Event) and subject to any consent required under Section 4.4, Available Cash, if any, may, to the extent permitted hereunder and by Applicable Law, be distributed from time to time as determined by the Board of Managers to Members. All distributions pursuant to this Section 8.1 shall be made in the order or priority set forth in Sections 10.2(c)(iii) through 10.2(c)(v), and shall reduce any future amounts distribute to or payable to the Member pursuant to such Sections in the same manner as if such distributions had been made in connection with a Dissolution Event.

8.2 Tax Distributions. The Company shall, subject to Available Cash, distribute amounts to or on behalf of each Member equal to the Required Tax Distribution amount for such Member, pro rata based on the respective Required Tax Distribution amounts of the Members; provided, however, that no Required Tax Distributions shall be made in the year in which the Company is liquidated. Required Tax Distributions shall be treated as advances of distributions pursuant to this Agreement and shall be applied against and reduce any future amounts distributable to or payable to the Member (or such Member's successor in interest).

ARTICLE 9: ADMISSION OF NEW MEMBERS AND ASSIGNABILITY OF COMPANY INTERESTS

9.1 Transfers; Admission of New Members. Subject to any restrictions on Transfer in the Investors' Rights Agreement or the Right of First Refusal and Co-Sale Agreement and subject to Section 9.2, in connection with any Transfer:

(a) No Common Units (excluding Common Units issued upon conversion of Preferred Units) may be Transferred (other than Exempted Transfers) without the approval of a majority of the Board of Managers;

(b) The Person seeking to become a new Member or a transferee of Units shall deliver such documentation and undertakings as may be required by the Company to properly reflect such Transfer and to cause such Person to be bound by this Agreement as though such Person were the Transferring Member;

(c) The Transfer, alone or taken together with other transactions, shall not be permitted if it would cause the Company to be treated as a corporation or a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes; and

(d) If reasonably requested by the Company, the Member seeking to effect such Transfer shall provide the Company with an opinion of counsel satisfactory to the Company, to the effect that such Transfer is either subject to an effective registration statement under, or exempt from the registration requirements of, applicable state and federal securities laws.

9.2 Limitations on Ownership and Voting. To the maximum extent under applicable law, if there is any conflict between any provision below or otherwise in this Agreement, on the one hand, and any provision in any of the Voting Agreement, the Right of First Refusal and Co-Sale Agreement, the Investors' Right Agreement or any other agreement, on the other hand, the provision below or otherwise in this Agreement shall control.

(a) Commencing on the date that 24X National Exchange is registered as a national securities exchange pursuant to Section 6(a) of the Exchange Act (the "**Registration Date**"), and for so long as the Company Controls, directly or indirectly, 24X National Exchange, except as provided in Section 9.2(b)(i) and Section 9.2(b)(ii):

(i) No Person, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, more than forty percent (40%) of the then issued and outstanding Units;

(ii) No member of 24X National Exchange, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, more than twenty percent (20%) of the then issued and outstanding Units; and

(iii) No Person, either alone or together with its Related Persons, at any time may, directly, indirectly or pursuant to any voting trust, agreement, plan or other arrangement, vote or cause the voting of Units or give any consent or proxy with respect to Units representing more than twenty percent (20%) of the voting power of the then issued and outstanding Units, nor may any Person, either alone or together with its Related Persons, enter into any agreement, plan or other arrangement with any other Person, either alone or together with its Related Persons, under circumstances that would result in the Units that are subject to such agreement, plan or other arrangement not being voted on any matter or matters or any proxy relating thereto being withheld, where the effect of such agreement, plan or other arrangement would be to enable any Person, either alone or together with its Related Persons, to vote, possess the right to vote or cause the voting of Units which would represent more than twenty percent (20%) of such voting power.

The parties hereto acknowledge that no Member shall be deemed to be in breach of this Section 9.2(a) if such Member is in violation of the limitations set forth above as a result of an action by any other Person (other than such Member or such Member's Affiliates) (including,

for the avoidance of doubt, any transfer or surrender of Units by another Member or a redemption of Units by the Company).

(b) Commencing on the Registration Date, and for so long as the Company shall Control, directly or indirectly, 24X National Exchange, subject to Section 9.2(c) and Section 9.2(d):

(i) The limitations in Section 9.2(a)(i) and Section 9.2(a)(iii) above shall not apply in the case of any class or series of Units that does not have the right by its terms to nominate any managers or on other matters that may require the approval of the holders of Voting Units of the Company, if any (other than matters affecting the rights, preferences or privileges of said class or series of Units); and

(ii) The limitations in Section 9.2(a)(i) and Section 9.2(a)(iii) above (except with respect to members of 24X National Exchange and their Related Persons) may be waived by the Board of Managers pursuant to a resolution duly adopted by the Board of Managers, if, in connection with the taking of such action, the Board of Managers adopts a resolution stating that it is the determination of the Board of Managers that such action shall not impair the ability of 24X National Exchange to carry out its functions and responsibilities as an "exchange" under the Exchange Act, and the rules and regulations promulgated thereunder; that it is otherwise in the best interests of the Company, its Members and 24X National Exchange, and that it shall not impair the ability of the SEC to enforce the Exchange Act and the rules and regulations promulgated thereunder, and such resolution shall not be effective until it is filed with and approved by the SEC. In making the determinations referred to in the immediately preceding sentence, the Board of Managers may impose on the Person in question and its Related Persons such conditions and restrictions as it may in its sole discretion deem necessary, appropriate or desirable in furtherance of the objectives of the Exchange Act and the rules and regulations promulgated thereunder, and the governance of 24X National Exchange.

(c) Notwithstanding any provision of Section 9.2(b) above, in any case where a Person, either alone or with its Related Persons, would own or vote more than any of the above percentage limitations upon consummation of any proposed sale, assignment or transfer of the Units, such sale, assignment or transfer shall not become effective until the Board of Managers shall have determined, by resolution, that such Person and its Related Persons are not subject to any applicable "statutory disqualification" (within the meaning of Section 3(a)(39) of the Exchange Act).

(d) Notwithstanding any provision of Section 9.2 above, and without giving effect to the same, any Person that either alone or together with its Related Persons proposes to own, directly or indirectly, of record or beneficially, Units constituting more than forty percent (40%) of the then issued and outstanding Units, or to exercise voting rights, or grant any proxies or consents with respect to Units constituting more than twenty percent (20%) of the voting power of the then-issued and outstanding Units, shall have delivered to the Board of Managers a notice in writing, not less than forty-five (45) days (or any shorter period to which the Board of Managers shall expressly consent) before the proposed ownership of such Units, or the proposed exercise of said voting rights or the granting of such proxies or consents, of its intention to do so.

(e) Commencing on the Registration Date and for so long as the Company shall Control, directly or indirectly, 24X National Exchange:

(i) Any Person that, either alone or together with its Related Persons, owns, directly or indirectly (whether by acquisition or by a change in the number of Units outstanding), of record or beneficially five percent (5%) or more of the then issued and outstanding Units shall, immediately upon acquiring knowledge of its ownership of five percent (5%) or more, give the Board of Managers written notice of such ownership, which notice shall state: (A) such Person's full legal name; (B) such Person's title or status and the date on which such title or status was acquired; (C) such Person's (and its Related Persons') approximate ownership interest of the Company; and (D) whether such Person has the power, directly or indirectly, to direct the management or policies of the Company, whether through ownership of securities, by contract or otherwise, provided that no Member shall be required to provide notice to the Company pursuant to this Section 9.2(e)(i) in connection with the execution of this Agreement.

(ii) Each Person required to provide written notice pursuant to Section 9.2(e)(i) shall update such notice promptly after any change in the contents of that notice; provided that no updated notice pursuant to this Section 9.2(e)(ii) shall be required to be provided to the Board of Managers (A) in the event of an increase or decrease in the ownership interest so reported of less than one percent (1%) (such increase or decrease to be measured cumulatively from the amount shown on the last such notice), unless any increase or decrease of less than one percent (1%) results in such Person owning more than twenty percent (20%) or more than forty percent (40%) of the then issued and outstanding Units (at a time when such Person previously owned less than such percentages) or such Person owning less than twenty percent (20%) or less than forty percent (40%) of the then issued and outstanding Units (at a time when such Person previously owned more than such percentages); or (B) in the event the Company issues additional Units or takes any other action that dilutes the ownership of such Person, or acquires or redeems Units or takes any other action that increases the ownership of such Person, in each case without any change in the number of Units held by such Person.

(iii) The Board of Managers shall have the right to require any Person reasonably believed to be subject to and in violation of this Section 9.2(e) to provide the Company complete information as to all Units owned, directly or indirectly, of record or beneficially, by such Person and its Related Persons and as to any other factual matter relating to the applicability or effect of this Section 9.2(e) as may reasonably be requested of such Person.

(f) (i) Any Transfer or attempted Transfer of any Units in violation of any provisions of this Agreement shall be null and void, no such Transfer shall be recorded on the Company's books and the purported Transferee in any such Transfer shall not be treated (and the purported Transferor shall continue be treated) as the owner of such Units for all purposes of this Agreement, including without limitation, voting, payment of dividends and distributions with respect to such Units whether upon liquidation or otherwise.

(ii) If any Member purports to vote, or to grant any proxy or enter into any agreement, plan or other arrangement relating to the voting of, Units that would violate the provisions of this Agreement, then the Company shall not honor such vote, proxy, agreement, plan

or other arrangement to the extent that such provisions would be violated, and any Units subject to that arrangement shall not be entitled to be voted to the extent of such violation.

(iii) Subject to Sections 9.2(f)(i) and 9.2(f)(ii), commencing on the Registration Date and for so long as the Company Controls, directly or indirectly, 24X National Exchange, if any Member purports to Transfer any Units and such Transfer results in a violation of Section 9.2, then the Company shall have the right to, and shall promptly after confirming such violation and determining to exercise its right and to the extent funds are legally available, redeem all of the Units the holding of which by such Member or holder thereof results in a violation of Section 9.2 for a price per Unit, as applicable, equal to the Fair Market Value of such Units; provided, that if either such Member or such holder has received written notice from the Company prior to such Transfer, or a director or officer of such Member (if an entity) or such Member (if an individual) is otherwise actually aware, that such Transfer will result in a violation of Section 9.2, such applicable Units shall be redeemed for a price per Unit, as applicable, equal to the lesser of (a) book value or (b) Fair Market Value of such Units. The number of Units to be redeemed by the Company pursuant to the preceding sentence shall be calculated by the Company after taking into account the fact that immediately upon their redemption such redeemed Units shall become treasury shares and shall no longer be deemed to be outstanding. Written notice shall be given by the Company to the holders of the redeemable Units at the address of such holders appearing on the books of the Company, which notice shall specify a date for redemption of such Units that shall be not less than ten (10) days nor more than thirty (30) days from the date of such notice. Any Units which have been so called for redemption shall not be deemed outstanding Units after the date on which written notice of redemption has been given to the holders of those Units if a sum sufficient to redeem such Units shall have been irrevocably deposited or set aside to pay the redemption price to the holders of the Units. From and after the applicable redemption date (unless the Company shall default in providing funds for the payment of the redemption price) the Units which have been redeemed by the Company as aforesaid shall become treasury shares, and all rights of the holder of such redeemed Units as a Member of the Company associated with such Units (except the right to receive from the Company the applicable redemption price against delivery to the Company of evidence of ownership of such Units) shall cease. Written notice shall be given by the Company to all holders of Units of any redemption by the Company (including, without limitation, a redemption pursuant to this Section 9.2(f)(iii)) not more than ten (10) days after consummation of the applicable redemption, which notice shall specify the number of Units of each class and series outstanding after such redemption. In the event that any redemption or other action by the Company has resulted in any Member owning such number of Units that is in violation of the provisions of Section 9.2, the Company shall have the right to and shall promptly after confirming such violation and determining to exercise its right and to the extent funds are legally available, redeem such Units for a price per Unit, as applicable, equal to Fair Market Value, and otherwise pursuant to the provisions of this Section 9.2(f)(iii) and subject to Section 9.2(g).

(g) Notwithstanding anything to the contrary:

(i) Dmitri Galinov and his Related Persons shall have a temporary exemption from the limitation on ownership set forth in Section 9.2 above until nine (9) months after the date of approval by the SEC of 24X National Exchange's Form 1 application to register as a national securities exchange or until commencement of the operation of the national securities exchange, if later than nine (9) months. If Dmitri Galinov and his Related Persons do not comply with the

ownership limitations in Section 9.2 within the applicable time period in the preceding sentence, then the Company shall redeem all of the Units the holding of which by Dmitri Galinov and/or his Related Persons results in a violation of Section 9.2 for a price per Unit, as applicable, equal to the lesser of (a) book value or (b) Fair Market Value of such Units.

(ii) Dmitri Galinov and his Related Persons shall have a temporary exemption from the voting limitations set forth in Section 9.2 above until nine (9) months after the date of approval by the SEC of 24X National Exchange's Form 1 application to register as a national securities exchange or until commencement of the operation of the national securities exchange, if later than nine (9) months, but only with respect to any vote regarding any merger, consolidation or dissolution of the Company or any sale of all or substantially all of the assets of the Company.

9.3 Voluntary Withdrawal. Members may not voluntarily withdraw from the Company. In the event of a withdrawal in contravention of the foregoing provision, the withdrawing Member shall not be entitled to receive the fair value of its membership interest in the Company, and the Company may recover from the withdrawing Member damages for breach of the foregoing provision and offset damages against any amount otherwise distributable to the withdrawing Member.

ARTICLE 10: LIQUIDATION, DISSOLUTION AND TERMINATION

10.1 Appointment of Liquidating Agent. Upon the occurrence of a Dissolution Event (but not a Dissolution Event resulting from a Change of Control), a person shall be designated by the Board of Managers to act as a liquidator of the Company (the "**Liquidating Agent**").

10.2 Dissolution. The Company shall be dissolved only upon the occurrence of a Dissolution Event (but not a Dissolution Event resulting from a Change of Control). The dissolution of the Company shall take place in accordance with sections (a) through (d) below.

(a) Termination and Winding Up. Upon the occurrence of a Dissolution Event (other than a Dissolution Event resulting from a Change of Control), the Liquidating Agent shall commence to terminate and wind up the affairs of the Company. The Liquidating Agent shall proceed with such termination and winding up in as expeditious a manner as is reasonably practicable. The Liquidating Agent shall be entitled to receive reasonable and customary compensation for its services. The Liquidating Agent may resign at any time by giving 15 days' prior written notice, and may be removed at any time by the Board of Managers. The Liquidating Agent shall have and may exercise, without further authorization or consent of any of the parties hereto or their legal representatives or successors in interest, all powers (including the right to sell, transfer, assign, and dispose of property) to the extent necessary or desirable in the judgment of the Liquidating Agent to carry out the duties and functions of the Liquidating Agent hereunder for and during such period of time, as shall be reasonably required in the judgment of the Liquidating Agent to complete the termination and winding up and dissolution of the Company as provided for herein. Upon the dissolution of the Company, in lieu of Distributions of capital in cash to the Members, the Liquidating Agent, in its discretion, may distribute assets in kind, or partly in kind and partly in cash. Within 90 days after the final Distribution of the assets of the Company, the Liquidating Agent shall cause to be prepared and forwarded to each Member a final accounting of the Company.

(b) Reserves. After making payment or provision for payment of all debts and liabilities of the Company and all expenses of liquidation, the Liquidating Agent may set up such cash reserves as the Board of Managers may deem reasonably necessary for any contingent or unforeseen liabilities or obligations of the Company.

(c) Order of Distributions. Upon a Dissolution Event, the Liquidating Agent shall take full account of the Company's liabilities and property, and the Company's property shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the Available Cash, to the extent sufficient therefor, shall be applied and distributed in the following order of priority:

(i) *First*, to the creditors, including Members, of the Company in payment of the unpaid liabilities of the Company to the extent required by law or under agreements with such creditors.

(ii) *Second*, to the creation or funding of any reserves which the Board of Managers deems necessary for any anticipated, contingent or unforeseen liabilities or obligations of the Company arising out of or in connection with the conduct of the Company's business.

(iii) *Third*, to the holders of any Preferred Units, an amount per Preferred Unit equal to the applicable Original Issue Price of such series of Preferred Units;

(iv) *Fourth*, to the Members holding Common Units (other than Unvested Profits Units) and Non-Voting Units, pro rata in accordance with their respective Sharing Percentages until such time as each Common Unit (other than Profits Units) has received aggregate distributions pursuant to this Section 10.2(c)(iv) in an amount equal to the product of (x) the Sharing Percentage represented by such Common Unit and (y) the total amount distributed pursuant to Section 10.2(c)(iii) and this Section 10.2(c)(iv). For purposes of the foregoing, each vested Profits Unit shall participate ratably in distributions pursuant to this Section 10.2(c)(iv), but only after, and to the extent that, such distributions constitute Appreciation with respect to such Profits Unit; and

(v) *Fifth,* to the Members holding Preferred Units, Common Units (other than Unvested Profits Units) and Non-Voting Units, pro rata in accordance with their Sharing Percentages.

(d) If any distribution under either Section 8.1 or Section 10.2(c) would be made in respect of any Unvested Profits Units, the portion of such distribution that is so allocable to Unvested Profits Units shall be held by the Company and not distributed to the applicable Holder of Profits Units at that time, but thereafter shall be distributed by the Company to the applicable Holder of Profits Units on an incremental basis, as, when and if any Unvested Profits Units become vested Profits Units in accordance with the agreements under which such Profits Units are issued; *provided*, that any such distributions which are (i) attributable to Profits Units that have been repurchased by the Company or (ii) relate to proceeds to the Company from a Dissolution Event attributable to Profit Units that do not vest upon such event shall, notwithstanding anything herein to the contrary, be distributed to the holders of Units that are not Unvested Profits Units in proportion to either their Sharing Percentages (without taking into account Unvested Profits Units),

in the case of a Distribution under Section 8.1, or in accordance with Section 10.2(c) (without taking into account Unvested Profits Units), in the case of a Dissolution Event.

(e) In the event of an Asset Sale or a Change of Control, if any portion of the Available Cash payable to the equity holders of the Company is payable only upon satisfaction of contingencies (the "**Additional Consideration**"), the transaction agreement shall provide that (x) the portion of such Available Cash that is not Additional Consideration (such portion, the "**Initial Consideration**") shall be allocated among the Members in accordance with Section 10.2(c) as if the Initial Consideration were the only consideration payable in connection with such Deemed Liquidation Event; and (y) any Additional Consideration which becomes payable to the Members upon satisfaction of such contingencies shall be allocated among the Members in accordance with Section 10.2(c) after taking into account the previous payment of the Initial Consideration as part of the same transaction. For the purposes of this Section 10.2(e), consideration placed into escrow or retained as holdback to be available for satisfaction of indemnification or similar obligations in connection with such Asset Sale or Change of Control shall be deemed to be Initial Consideration.

(f) Required Filings. The Liquidating Agent shall (and is hereby given the authority to) publish, execute and record all documents required to effectuate the dissolution and termination of the Company in accordance with the Act.

ARTICLE 11: INDEMNIFICATION AND LIMITATION ON LIABILITY

11.1 The Company shall indemnify, defend and hold harmless any Person who was or is a party to any proceeding (other than an action by, or in the right of, the Company), by reason of the fact that he or she is or was a member of the Board of Managers or an officer of the Company, or is or was serving at the request of the Company as a manager or officer of another Person, to the fullest extent permitted by law, against all losses, claims, demands, costs, damages, judgments, liability or expense (including attorneys' fees and disbursements) incurred in connection with such proceeding, including any appeal thereof, if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Company and with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful; provided that this indemnity shall not extend to any matter in respect of any fraud or dishonesty (solely to the extent indemnification is prohibited under Bermuda law) which may attach to any of the said persons. The termination of any proceeding by judgment, order, settlement, or conviction or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, the best interests of the Company, with respect to any criminal action or proceeding, or had reasonable cause to believe that his or her conduct was unlawful. The Company may similarly indemnify any Person acting as an employee or agent of the Company (or acting in such capacity for another Person at the request of the Company); provided that this indemnity shall not extend to any matter in respect of any fraud or dishonesty (solely to the extent indemnification is prohibited under Bermuda law) which may attach to any of the said persons.

11.2 The Company shall indemnify any Person, who was or is a party to any proceeding by or in the right of the Company to procure a judgment in its favor by reason of the fact that the Person is or was a member of the Board of Managers or an officer of the Company, or is or was serving

at the request of the Company as a manager or officer of another Person, against expenses and amounts paid in settlement not exceeding, in the judgment of the Board of Managers, the estimated expense of litigating the proceeding to conclusion, and actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof. Such indemnification shall occur if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Company, except that no indemnification shall be made under in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. The Company may similarly indemnify any Person acting as an employee or agent of the Company (or acting in such capacity for another Person at the request of the Company).

11.3 Any indemnification under this Article 11, unless pursuant to a determination by a court, shall be made by the Company only as authorized in the specific case upon a determination that indemnification of the Person in question is proper in the circumstances because he or she has met the applicable standard of conduct set forth in this Article 11. Such determination shall be made by the Board of Managers by a majority vote of a quorum consisting of members who were not parties to such proceeding.

11.4 Expenses incurred by an officer or member of the Board of Managers in defending a civil or criminal proceeding shall be paid by the Company in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of such board member or officer to repay such amount if he or she is ultimately found not to be entitled to indemnification by the Company, pursuant to this Article 11. Expenses incurred by other employees and agents may be paid in advance upon such terms or conditions that the Board of Managers deems appropriate.

11.5 The indemnification and advancement of expenses provided pursuant to this Article 11 are not exclusive, and the Company may make any other or further indemnification or advancement of expenses of any of the managers, officers, employees, or agents, under any agreement, vote of Members or disinterested managers, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office. However, indemnification or advancement of expenses shall not be made to or on behalf of any manager, officer, employee, or agent in circumstances where such would be prohibited by the Act or other Applicable Law.

11.6 Indemnification and advancement of expenses as provided in this Article 11 shall continue as, unless otherwise provided when authorized or ratified, to a person who has ceased to be a manager, officer, employee, or agent to the Company and shall inure to the benefit of the heirs, executors, and administrators of such a person, unless otherwise provided when authorized or ratified.

11.7 A manager shall not be personally liable for monetary damages to the Company or any other person for any statement, vote, decision, or failure to act, regarding company management or policy, by such manager, unless:

(a) The manager breached or failed to perform his or her duties as a manager; and

(b) The manager's breach of, or failure to perform, those duties constitutes or results from any of the following:

(i) A violation of criminal law, unless the board member had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe his or her conduct was unlawful. A judgment or other final adjudication against a board member in any criminal proceeding for a violation of the criminal law stops that board member from contesting the fact that his or her breach, or failure to perform, constitutes a violation of the criminal law but does not prevent or ban the board member from establishing that he or she had reasonable cause to believe that his or her conduct was lawful or had no reasonable cause to believe that his or her conduct was unlawful.

(ii) A transaction from which the manager derived an improper personal benefit, either directly or indirectly.

(iii) A proceeding by or in the right of the Company to procure a judgment in its favor or by or in the right of a Member, conscious disregard for the best interest of the Company or wilful misconduct.

ARTICLE 12: MISCELLANEOUS

12.1 Accounting Basis for Tax and Reporting Purposes. The books and records of the Company for tax purposes, for purposes of this Agreement and for the purpose of reports to the Members shall be kept in accordance with such method as the Board of Managers shall determine.

12.2 Books and Records. The books and records of the Company shall be maintained at the registered office of the Company; provided, however, that:

(a) To the extent Company's corporate, financial and similar records, reports and documents, including all financial statements, books and records and minutes of proceedings, are related to the activities of 24X National Exchange, such corporate, financial and similar records, reports and documents, including all financial statements, books and records and minutes of proceedings, as well as premises, managers, officers, employees and agents of the Company shall be deemed to be the corporate, financial and similar records, reports and documents, including all financial statements, books and records and minutes of proceedings, as well as premises, managers, officers, employees or agents, as applicable, of 24X National Exchange for the purposes of, and subject to oversight pursuant to, the Exchange Act.

(b) Commencing on the Registration Date, and so long as the Company shall directly or indirectly own or Control 24X National Exchange, the Company's corporate, financial and similar records, reports and documents, including all financial statements, books and records and minutes of proceedings shall be maintained in the United States and shall be subject at all times to inspection and copying by the SEC and 24X National Exchange (and to the extent such records and documents relate to the activities of any routing broker for 24X National Exchange, FINRA, any other SROs of any routing broker of which the routing broker is a member, and any such routing broker); provided that such corporate, financial and similar records, reports and documents, including all financial statements, books and records and minutes of proceedings are related to the

operation or administration of 24X National Exchange or any routing broker for 24X National Exchange, as applicable.

(c) All books and records of 24X National Exchange reflecting confidential information pertaining to the self-regulatory function of 24X National Exchange (including but not limited to disciplinary matters, trading data, trading practices and audit information) that shall come into the possession of the Company, and the information contained in those books and records, shall be retained in confidence by the Company, its personnel, managers, officers, employees and agents, and shall not be used for any non-regulatory purposes. Notwithstanding the foregoing sentence, nothing in this Agreement shall be interpreted so as to limit or impede the rights of the SEC or 24X National Exchange to access and examine such confidential information pursuant to the U.S. federal securities laws and the rules and regulations thereunder, or to limit or impede the ability of any managers, officers, employees or agents of the Company to disclose such confidential information to the SEC or 24X National Exchange.

12.3 Consent. Unless otherwise specifically provided for herein and subject to the limitations in Section 9.2, whenever in this Agreement the consent or approval of the Members is required, such consent or approval shall be deemed given upon receipt by the Board of Managers of the written consent or approval of the Majority Members required to give such consent or approval.

12.4 Partnership Representative.

(a) The "**Partnership Representative**" (as such term is defined in Section 6223 of the Code) of the Company shall be selected by the Managers. The Partnership Representative is hereby directed and authorized to take whatever steps the designated Partnership Representative, in its reasonable discretion, deems necessary or desirable to perfect such designation, including filing any forms or documents with the Internal Revenue and taking such other action as may from time to time be required under the Treasury Regulations. Expenses incurred by the Partnership Representative in its capacity as such, shall be borne by the Company as Company expenses. Such expenses shall include fees of attorneys and other tax professionals, accountants, appraisers and experts, filing fees and reasonable out-of-pocket costs.

(b) The Partnership Representative shall have all of the rights, duties and powers provided for in Code Sections 6221 through 6241, inclusive, provided that in exercising such rights, duties and powers, the Partnership Representative shall be bound by the terms of this Section 12.4.

(c) The Partnership Representative shall promptly notify the Managers in writing of any audit or claim by any taxing authority that could result in a liability for income taxes or a material amount of non-income taxes (each such audit or claim, a "**Material Tax Proceeding**") and shall promptly deliver to the Managers a copy of all notices, communications, reports and writings received from any taxing authority relating to a Material Tax Proceeding and shall keep the Managers advised of all developments with respect to a Material Tax Proceeding. The Partnership Representative will obtain consent of the Managers before settling or taking any material action in respect of any Material Tax Proceeding.

(d) On behalf of the Company, the Partnership Representative shall, at the direction of the Board of Managers, make a timely election under Code Section 6226(a) to treat a "partnership

adjustment" as an adjustment to be taken into account by each Member (including former Members) in accordance with Code Section 6226(b).

(e) In the event that the Company incurs any liability for taxes and associated interest and penalties for any reason (the "**Tax Liabilities**"), the Partnership Representative shall cause the Members (including former Members) to whom such Tax Liabilities relate, to pay, and each such Member hereby agrees to pay, such amount to the Company, and such amount shall not be treated as a Capital Contribution to the Company. Any amount not paid by a Member (or former Member) at the time requested by the Partnership Representative shall accrue interest at eight percent per annum (8%) until paid, and such Member (or former Member) shall also be liable to the Company for any damages resulting from a delay in making such payment beyond the date such payment is requested by the Partnership Representative. Notwithstanding the foregoing, any amount paid by the Company that is attributable to a Member (or former Member), as determined by the Board of Managers shall be treated as an advance on future distributions to which such Member (or former Member) is otherwise entitled until such amount is paid by such Member (or former Member).

(f) No Member shall file a notice under Code Section 6222(b) in connection with such Member's intention to treat an item on such Member's Federal income tax return in a manner that is inconsistent with the treatment of such item on the Company's Federal income tax return without the consent of the Board of Managers, which such consent shall not be unreasonably withheld.
