(i) such Member’s capital contributions, including such Member’s initial capital contribution;

(ii) any Net Income or other item of income or gain allocated to such Member pursuant to Article VIII; and

(iii) any liabilities of the Company that are assumed by such Member or secured by any property Distributed to such Member.

(c) Each Member's Capital Account shall be decreased by:

(i) the cash amount or Book Value of any property Distributed to such Member pursuant to Article IX and Section 14.3;

(ii) the amount of any Net Loss or other item of loss or deduction allocated to such Member pursuant to Article VIII; and

(iii) the amount of any liabilities of such Member assumed by the Company or which are secured by any property contributed by such Member to the Company.

5.4 Succession Upon Transfer. In the event that any Units are Transferred in accordance with the terms of this Agreement, the Transferee shall succeed to the Capital Account of the Transferor to the extent it relates to the Transferred Units and, subject to Section 8.4, shall receive allocations and Distributions pursuant to Article VIII, Article IX and Article XIV in respect of such Units.

5.5 Negative Capital Accounts. In the event that any Member shall have a deficit balance in his, her or its Capital Account, such Member shall have no obligation, during the term of the Company or upon dissolution or liquidation thereof, to restore such negative balance or make any capital contributions to the Company by reason thereof, except as may be required by Applicable Law or in respect of any negative balance resulting from a withdrawal of capital or dissolution in contravention of this Agreement.

5.6 No Withdrawal. No Member shall be entitled to withdraw any part of his, her or its Capital Account or to receive any Distribution from the Company, except as provided in this Agreement. No Member shall receive any interest, salary or drawing with respect to its capital contributions or its Capital Account, except as otherwise provided in this Agreement. The Capital Accounts are maintained for the sole purpose of allocating items of income, gain, loss and deduction among the Members and shall have no effect on the amount of any Distributions to any Members, in liquidation or otherwise.

5.7 Treatment of Loans From Members. Loans by any Member to the Company shall not be considered capital contributions and shall not affect the maintenance of such Member's Capital Account.

5.8 Modifications. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b) of the Treasury Regulations and shall be interpreted and applied in a manner consistent with such Treasury Regulations. If the Board determines that it is prudent to modify the manner in which the Capital Accounts, or any increases or decreases to the Capital Accounts, are computed in order to comply with such Treasury Regulations, the Board may authorize such modifications.

## **Article VI**

### **Members; Board of Directors; Governance**

6.1 Limited Liability.

(a) To the maximum extent permitted by the Act and under other Applicable Law, no Member or its Affiliates shall be personally liable for any debt, obligation, or liability of the Company or any of its Subsidiaries or other Members by reason of being a Member, regardless of whether that liability or obligation arises in contract, tort or otherwise. No Member or its Affiliates shall have any responsibility to restore any negative balance in its capital account, if any, or to contribute to or in respect of the liabilities or obligations of the Company or of any of its Subsidiaries or return Distributions made by the Company not in error (or in accordance with the provisions of this Agreement, including Section 9.1).

(b) To the maximum extent permitted by the Act and under other Applicable Law, no Member shall have any fiduciary or other duty to another Member or its respective Affiliates, the Company, any of its Subsidiaries or any other Person with respect to the business and affairs of the Company or of any of its Subsidiaries.

6.2 Admission of New Members. A Person may be admitted as a new Member as follows, subject to Applicable Laws:

- (a) pursuant to a Transfer permitted by Article XIII; or
- (b) as determined by the Board.

6.3 Record of Members. The Board shall be responsible for maintaining, at the Company's principal place of business, an up-to-date list of all Members, which shall reflect the name of each Member and the number of Units and the Percentage Interest then held by such Member.

6.4 Cessation of Status as Member. No Member shall have the right or power to resign, withdraw or retire from the Company except in compliance with the provisions of this Agreement. A Member shall not cease to be a Member as a result of the Bankruptcy of such Member or as a result of any other events specified in Section 18-304 of the Act. As soon as any Person who is a Member ceases to own or hold any Units, such Person shall no longer be a Member.

6.5 Limitations on Member Authority.

(a) Except as otherwise expressly provided herein, Members in their capacity as such shall not have meetings or voting rights with respect to any matter whatsoever. The management of the Company shall be vested in the Board and the duly authorized Officers of the Company as set forth herein. For the avoidance of doubt, Members shall be specifically denied any and all management rights under this Agreement and the Act.

(b) None of the Units shall confer any rights on the Members (in their capacity as such) to participate in the control and management of the business of the Company or any Subsidiary of the Company. No Member in its capacity as such shall have any power or authority to bind, to act or purport to act on behalf of the Company or any Subsidiary of the Company in any manner or to pledge the Company's credit or to render the Company liable for any purpose.

6.6 Board of Directors.

(a) The business and affairs of the Company shall be managed by a board of directors (the "Board") that shall be comprised of natural Persons (each such Person, a "Director"). Subject to (i) any non-waivable provisions of Applicable Law, (ii) compliance with any provisions of this Agreement requiring the approval of the Members and (iii) the provisions

of the Holdco LLC Agreement which require approval of the board of directors of Holdco with respect to certain matters related to the Company, the Board shall have full and complete authority, power, and discretion to manage and control the business, affairs, and properties of the Company, to make all decisions regarding those matters and to perform any and all other acts or activities customary or incident to the management of the Company's business. The Company may only act and bind itself through the actions of the Board or through the actions of agents, Officers and employees of the Company if and to the extent authorized by the Board in accordance with the provisions of this Agreement. Each Director shall constitute a "manager" of the Company as such term is defined in Section 18-101 of the Act.

(b) The Directors shall be appointed by the Majority Vote of the Members. The number of Directors that will comprise the entire Board shall be fixed from time to time by the Members, but in no instance shall there be less than one (1) Director. The Board shall initially consist of three (3) Directors, who shall each have one (1) vote. Jonathan Kellner, Quito Zuba and Lauren Strathman shall serve as the initial Directors. Directors shall serve until their death, incapacity, removal or earlier resignation. Directors may be removed with or without cause by a Majority Vote of the Members.

(c) The Board shall select the chairman of the Board (the "Chairman of the Board") from time to time. The Chairman of the Board shall preside at all meetings of the Board, and shall perform such other duties as the Board may from time to time determine. The initial Chairman of the Board shall be Jonathan Kellner.

(d) Meetings of the Board may be called at any time by the CEO, the Chairman of the Board, or any two Directors, on two (2) days' written notice to each Director, which notice shall specify the time and place of the meeting. Notice of any such meeting may be waived by an instrument in writing executed before or after the meeting. Meetings of the Board may be held either within or without the State of Delaware, and any Director shall be permitted to attend any meeting of the Board in person or by means of telephone conference or similar communications equipment by means of which all persons participating in the meeting can hear and communicate with each other. The presence, either in person or through such other means, of at least a majority of the Directors by reference to the aggregate number of votes of the Directors, shall constitute a quorum for the transaction of business at any meeting of the Board.

(e) All actions requiring the approval of the Board shall require a Majority Vote, whether or not so specified in this Agreement.

(f) Notwithstanding anything herein to the contrary, any action of the Board may be taken without a meeting if a written consent (including via email communication) of all of the Directors then constituting the Board approves such action. Such consent shall have the same force and effect as a vote at a meeting where a quorum was present and may be stated as such in any document or instrument filed with the Secretary of State of Delaware. For purposes of the foregoing, an action shall be deemed to have been taken in writing via email communication if (i) an email communication is sent by the CEO or Chairman of the Board to all Directors entitled to vote on the matter at issue clearly specifying the action to be taken and clearly stating that an email response to such email shall be deemed to be an email communication for purposes of this Section 6.6(f), (ii) the number of Directors required to approve the matter at issue respond to the CEO's or the Chairman of the Board's email with an unambiguous approval of such matter, and (iii) the CEO's or Chairman of the Board's email and all such responses are filed with the minutes of the meetings of Directors.

(g) The Company may reimburse the Directors for all reasonable, actually incurred out-of-pocket costs and expenses incurred by them on behalf of the Company.

(h) Each Director shall have all fiduciary duties, including without limitation a duty of loyalty and care as if he or she were a director of a business corporation organized under the General Corporation Law of the State of Delaware.

(i) The Directors shall not be liable, responsible or accountable in damages or otherwise to the Company or any of the Members for any acts performed or omitted within the scope of his, her or its authority other than acts or omissions that involve bad faith, fraud or willful misconduct.

#### 6.7 Officers.

(a) The Board shall appoint such officers of the Company ("Officers") and agents of the Company (i) as required by FINRA and such other SROs as the Company may be a member of and (ii) as the Board shall from time to time deem necessary. Such Officers and agents shall have such terms of employment, shall receive such compensation and shall exercise such powers and perform such duties as (i) required by Applicable Law, including FINRA and other applicable SRO requirements, and (ii) the Board shall from time to time determine, as applicable.

(b) Subject to the Board's oversight, the Chief Executive Officer of the Company (the "CEO") shall be an Officer and shall be responsible for the day-to-day management of the business of the Company with respect to such duties and rights as are delegated to the CEO by the Board, and the CEO shall see that all orders and resolutions of the Board are carried into effect.

(c) The Officers of the Company, to the extent of their powers set forth in this Agreement or otherwise vested in them by the Board not inconsistent with this Agreement and Applicable Law, including FINRA and other applicable SRO requirements, are agents of the Company for the purpose of the Company's business, and the actions of the Officers of the Company taken in accordance with such powers shall bind the Company.

(d) The CEO or the individual designated by the Company as the executive representative may notify FINRA and any other applicable SRO concerning any changes in the identity of the Officers of the Company required by FINRA and any other applicable SRO.

(e) Except to the extent otherwise provided herein, each Officer of the Company shall have a fiduciary duty of loyalty and care similar to that of officers of business corporations organized under the General Corporation Law of the State of Delaware.

(f) Any Person dealing with the Company may rely upon a certificate signed by an Officer of the Company designated by the Board, as to the Persons who are authorized to execute and deliver any instrument or document of or on behalf of the Company.

### **Article VII**

#### **Exculpation and Indemnification**

#### 7.1 Exculpation of Covered Persons.

(a) Covered Persons. As used herein, the term "Covered Person" shall mean (i) each Member, (ii) each officer, director, shareholder, partner, member, controlling Affiliate, employee,

agent or representative of each Member, and each of their controlling Affiliates, and (iii) each director, officer, employee, manager, agent or representative of the Company or any Subsidiary of the Company.

(b) Standard of Care. No Covered Person shall be liable to the Company, any Subsidiary of the Company or any other Covered Person for any loss, damage or claim incurred by reason of any action taken or omitted to be taken by such Covered Person in good-faith reliance on the provisions of this Agreement, so long as such action or omission does not constitute fraud or willful misconduct by such Covered Person.

(c) Good Faith Reliance. A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements (including financial statements and information, opinions, reports or statements as to the value or amount of the assets, liabilities, net income or net losses of the Company or any facts pertinent to the existence and amount of assets from which Distributions might properly be paid) of the following Persons or groups: (i) another manager; (ii) one or more directors, officers, managers or employees of the Company or any Subsidiary of the Company; (iii) any attorney, independent accountant, appraiser or other expert or professional employed or engaged by or on behalf of the Company or any Subsidiary of the Company; or (iv) any other Person selected in good faith by or on behalf of the Company or any Subsidiary of the Company, in each case as to matters that such relying Person reasonably believes to be within such other Person's professional or expert competence. The preceding sentence shall in no way limit any Person's right to rely on information to the extent provided in § 18-406 of the Act.

## 7.2 Indemnification.

(a) Indemnification. To the fullest extent permitted by the Act, as the same now exists or may hereafter be amended, substituted or replaced (but, in the case of any such amendment, substitution or replacement only to the extent that such amendment, substitution or replacement permits the Company to provide broader indemnification rights than the Act permitted the Company to provide prior to such amendment, substitution or replacement), the Company shall indemnify, hold harmless, defend, pay and reimburse any Covered Person against any and all losses, claims, damages, judgments, fines or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines or liabilities, and any amounts expended in settlement of any claims (collectively, "Losses") to which such Covered Person may become subject by reason of:

(i) Any act or omission or alleged act or omission performed or omitted to be performed on behalf of the Company, any Member or any direct or indirect Subsidiary of any of the foregoing in connection with the business of the Company; or

(ii) The fact that such Covered Person is or was acting in connection with the business of the Company as a partner, member, stockholder, controlling Affiliate, manager, director, officer, employee or agent of the Company, any Member, or any of their respective controlling Affiliates, or that such Covered Person is or was serving at the request of the Company as a partner, member, manager, director, officer, employee or agent of any Person including the Company or any Company Subsidiary; provided, that (x) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful, and (y) such Covered Person's conduct did not constitute fraud or willful

misconduct, in either case as determined by a final, nonappealable order of a court of competent jurisdiction. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Covered Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful, or that the Covered Person's conduct constituted fraud or willful misconduct.

(b) Reimbursement. The Company shall promptly reimburse (and/or advance to the extent reasonably required) each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend or defending any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 7.2; provided, that if it is finally judicially determined that such Covered Person is not entitled to the indemnification provided by this Section 7.2, then such Covered Person shall promptly reimburse the Company for any reimbursed or advanced expenses.

(c) Entitlement to Indemnity. The indemnification provided by this Section 7.2 shall not be deemed exclusive of any other rights to indemnification to which those seeking indemnification may be entitled under any agreement or otherwise. The provisions of this Section 7.2 shall continue to afford protection to each Covered Person regardless of whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this Section 7.2 and shall inure to the benefit of the executors, administrators, legatees and distributees of such Covered Person.

(d) Indemnitor of First Resort. The Company and each Member hereby acknowledges that one or more of the Covered Persons may have certain rights to indemnification, advancement of expenses and/or insurance provided by Holdco or an Affiliate of the Company (each, an "Additional Indemnitor"). The Company and each Member hereby agrees that, with respect to any such Covered Person (in his, her or its capacity as such), the Company (i) is, relative to each Additional Indemnitor, the indemnitor of first resort (*i.e.*, its obligations to the applicable Covered Person (in his, her or its capacity as such) under this Agreement are primary and any duplicative, overlapping or corresponding obligations of an Affiliated Institution are secondary), (ii) shall be required to make all advances and other payments under this Agreement, and shall be fully liable therefor, without regard to any rights any Covered Person (in his, her or its capacity as such) may have against any Additional Indemnitor, and (iii) irrevocably waives, relinquishes and releases any such Additional Indemnitor from any and all claims against such Additional Indemnitor for contribution, subrogation or any other recovery of any kind in respect thereof.

(e) Insurance. To the extent available on commercially reasonable terms, the Company may purchase, at its expense, insurance to cover Losses covered by the foregoing indemnification provisions and to otherwise cover Losses for any breach or alleged breach by any Covered Person of such Covered Person's duties in such amount and with such deductibles as the Board may determine; provided, that the failure to obtain such insurance shall not affect the right to indemnification of any Covered Person under the indemnification provisions contained herein, including the right to be reimbursed or advanced expenses or otherwise indemnified for Losses hereunder. If any Covered Person recovers any amounts in respect of any Losses from any insurance coverage, then such Covered Person shall, to the extent that such recovery is duplicative, reimburse the Company for any amounts previously paid to such Covered Person by the Company in respect of such Losses.

(f) Funding of Indemnification Obligation. Notwithstanding anything contained herein to the contrary, any indemnity by the Company relating to the matters covered in this Section 7.2 shall be provided out of and to the extent of Company assets only, and no Member (unless such Member otherwise agrees in writing) shall have personal liability on account thereof or shall be required to make additional capital contributions to help satisfy such indemnity by the Company.

(g) Savings Clause. If this Section 7.2 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Covered Person pursuant to this Section 7.2 to the fullest extent permitted by any applicable portion of this Section 7.2 that shall not have been invalidated and to the fullest extent permitted by Applicable Law.

(h) Amendment. The provisions of this Section 7.2 shall be a contract between the Company, on the one hand, and each Covered Person who served in such capacity at any time while this Section 7.2 is in effect, on the other hand, pursuant to which the Company and each such Covered Person intend to be legally bound. No amendment, modification or repeal of this Section 7.2 that adversely affects the rights of a Covered Person to indemnification for Losses incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to indemnification for such Losses without the Covered Person's prior written consent.

7.3 Survival. The provisions of this Article VII shall survive the dissolution, liquidation, winding up and termination of the Company.

## **Article VIII** **Allocations**

8.1 Allocation of Net Income and Net Loss. For each Fiscal Year (or portion thereof), except as otherwise provided in this Agreement, Net Income or Net Loss (and, to the extent necessary, individual items of income, gain, loss or deduction) of the Company shall be allocated among the Members in a manner such that, after giving effect to the special allocations set forth in Section 8.2 and Section 8.5, the Capital Account balance of each Member, immediately after making such allocations, is, as nearly as possible, equal to (a) the Distributions that would be made to such Member pursuant to Section 14.3(c) if the Company were dissolved, its affairs wound up and its assets sold for cash equal to their Book Value, all Company liabilities were satisfied (limited with respect to each Nonrecourse Liability to the Book Value of the assets securing such liability), and the net assets of the Company were Distributed, in accordance with Section 14.3(c), to the Members immediately after making such allocations, minus (b) such Member's share of Company Minimum Gain and Member Nonrecourse Debt Minimum Gain, computed immediately prior to the hypothetical sale of assets.

8.2 Regulatory and Special Allocations. Notwithstanding the provisions of Section 8.1:

(a) If there is a net decrease in Company Minimum Gain (determined according to Treasury Regulations Section 1.704-2(d)(1)) during any Fiscal Year, each Member shall be specially allocated income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 8.2(a) is intended to comply with the "minimum gain chargeback" requirement in Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

(b) Member Nonrecourse Deductions shall be allocated in the manner required by Treasury Regulations Section 1.704-2(i). Except as otherwise provided in Treasury Regulations Section 1.704-2(i)(4), if there is a net decrease in Member Nonrecourse Debt Minimum Gain during any Fiscal Year, each Member that has a share of such Member Minimum Gain shall be specially allocated income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to that Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain. Items to be allocated pursuant to this paragraph shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2). This Section 8.2(b) is intended to comply with the "minimum gain chargeback" requirements in Treasury Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(c) In the event any Member unexpectedly receives any adjustments, allocations or Distributions described in Treasury Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), income and gain shall be specially allocated to such Member in an amount and manner sufficient to eliminate the Adjusted Capital Account Deficit created by such adjustments, allocations or Distributions as quickly as possible. This Section 8.2(c) is intended to comply with the qualified income offset requirement in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(d) The allocations set forth in paragraphs (a), (b) and (c) above (the "Regulatory Allocations") are intended to comply with certain requirements of the Treasury Regulations under Code Section 704. Notwithstanding any other provisions of this Article VIII (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating Net Income and Net Losses among Members so that, to the extent possible, the net amount of such allocations of Net Income and Net Losses and other items and the Regulatory Allocations to each Member shall be equal to the net amount that would have been allocated to such Member if the Regulatory Allocations had not occurred.

(e) The Company and the Members acknowledge that allocations like those described in Proposed Treasury Regulation Section 1.704-1(b)(4)(xii)(c) ("Forfeiture Allocations") result from the allocations of Net Income and Net Loss provided for in this Agreement. For the avoidance of doubt, the Company is entitled to make Forfeiture Allocations and, once required by applicable final or temporary guidance, allocations of Net Income and Net Loss shall be made in accordance with Proposed Treasury Regulation Section 1.704-1(b)(4)(xii)(c) or any successor provision or guidance.

### 8.3 Tax Allocations.

(a) Subject to Section 8.3(b) through Section 8.3(e), all income, gains, losses and deductions of the Company shall be allocated, for federal, state and local income tax purposes, among the Members in accordance with the allocation of such income, gains, losses and deductions among the Members for computing their Capital Accounts, except that if any such allocation for tax purposes is not permitted by the Code or other Applicable Law, the Company's subsequent income, gains, losses and deductions shall be allocated among the Members for tax purposes, to the extent permitted by the Code and other Applicable Law, so as to reflect as nearly as possible the allocation set forth herein in computing their Capital Accounts.

(b) Items of Company taxable income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall be allocated among the Members in accordance with Code Section 704(c) and the traditional method of Treasury Regulations Section 1.704-3(b), so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Book Value.

(c) If the Book Value of any Company asset is adjusted pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(f) as provided in clause (c) of the definition of Book Value, subsequent allocations of items of taxable income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Book Value in the same manner as under Code Section 704(c).

(d) Allocations of tax credit, tax credit recapture and any items related thereto shall be allocated to the Members according to their interests in such items as determined by the Board taking into account the principles of Treasury Regulations Section 1.704-1(b)(4)(ii).

(e) Allocations pursuant to this Section 8.3 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Income, Net Losses, Distributions or other items pursuant to any provisions of this Agreement.

8.4 Allocation in Respect of Transferred Units. In the event of a Transfer of Units during any Fiscal Year made in compliance with the provisions of Article XIII, Net Income, Net Losses and other items of income, gain, loss and deduction of the Company attributable to such Units for such Fiscal Year shall be determined using the interim closing of the books method.

8.5 Curative Allocations. In the event that the Board determines, after consultation with counsel experienced in income tax matters, that the allocation of any item of Company income, gain, loss or deduction is not specified in this Article VIII (an "Unallocated Item"), or that the allocation of any item of Company income, gain, loss or deduction hereunder is clearly inconsistent with the Members' economic interests in the Company (determined by reference to the general principles of Treasury Regulations Section 1.704-1(b) and the factors set forth in Treasury Regulations Section 1.704-1(b)(3)(ii)) (a "Misallocated Item"), then the Board may allocate such Unallocated Items, or reallocate such Misallocated Items, to reflect such economic interests; provided, that no such allocation shall be made without the prior consent of each Member that would be adversely and disproportionately affected thereby; and provided, further, that no such allocation shall have any material effect on the amounts distributable to any Member, including the amounts to be distributed upon the complete liquidation of the Company.

## **Article IX** **Distributions**

9.1 Current Distributions. The Company shall distribute cash or property to the Members in accordance with their Percentage Interests, at such times and as of such record dates as the Board shall determine, unless the Distribution is a liquidating distribution, which shall be made in the manner set out in Section 14.3.

9.2 Limitations. The Company shall not make a Distribution to any Member on account of its interest in the Company if, and to the extent, such Distribution would violate Section 18-607(a) or Section 18-804(a) of the Act or other Applicable Law.

9.3 Tax Advances. At least fifteen (15) calendar days prior to the end of each fiscal quarter, the Company shall make advances ("Tax Advances") to the Members so that each Member shall have received Tax Advances equal to such Member's Tax Amount for such fiscal quarter (or, in the event that Net Available Cash is less than the total required Tax Advances for such fiscal quarter, the Company shall distribute the Net Available Cash pro rata among the Members in proportion to such required Tax Advances for such fiscal quarter). If after the end of any Fiscal Year it is determined that a Member's Tax

Amount for the Fiscal Year exceeds the sum of the cumulative Tax Advances made to the Member hereunder and the Distributions made to such Member under Section 9.1, if any, for such Fiscal Year (any such excess, a “Shortfall Amount”), then the Company shall, on or before March 15 of the following Fiscal Year, make an additional Tax Advance to the Members of their respective Shortfall Amounts. If the aggregate Tax Advances to any Member pursuant to this Section 9.3 for a Fiscal Year exceed the Member’s Tax Amount for such Fiscal Year, such excess shall be deducted when calculating the Tax Advances to be made to such Member for each subsequent Fiscal Year until the excess has been fully accounted for. All Tax Advances to a Member shall be treated as advances against any subsequent Distributions to be made to such Member under Sections 9.1, 9.3, or 14.3 and shall be repaid by reducing the amount of the next succeeding Distribution to such Member under Sections 9.1, 9.3, or 14.3. If any Distributions to a Member provided for in Sections 9.1, 9.3, or 14.3 are reduced pursuant to the preceding sentence, for all other purposes of this Agreement, such Member shall be treated as having received all Distributions without taking into account such reduction, and the Member shall be treated as having repaid to the Company the Tax Advance.

9.4 Withholding Advances. The Company is hereby authorized at all times to make payments (“Withholding Advances”) with respect to each Member in amounts required to discharge any obligation of the Company (as determined by the Board based on the advice of legal or tax counsel to the Company) to withhold or make payments to any federal, state, local or foreign taxing authority (a “Taxing Authority”) with respect to any Distribution or allocation by the Company of income or gain to such Member (including payments made pursuant to Code Section 6225 as amended by the Bipartisan Budget Act of 2015 as such provisions may be modified from time to time (the “BBA”) and apportioned to a Member as determined by the Board in its reasonable discretion based on the advice of legal or tax counsel to the Company) and to withhold the same from Distributions to such Member. Any funds withheld from a Distribution by reason of this Section 9.4 shall nonetheless be deemed Distributed to the Member in question for all purposes under this Agreement and, at the option of the Board, shall be charged against the Member’s Capital Account. The Board shall promptly notify a Member of any proposed Withholding Advances.

## **Article X**

### **Tax Treatment of the Company**

10.1 Partnership. The Members intend that the Company shall be treated as a partnership for federal and, if applicable, state and local income tax purposes, and, the Company shall not take any action inconsistent with such treatment. The Company and each Member shall file all tax returns and shall otherwise take all tax and financial reporting positions in a manner consistent with such treatment and no Member shall take any action inconsistent with such treatment.

## **Article XI**

### **Books, Records and Accounting**

11.1 Books of Account. The Board shall cause to be entered in appropriate books, kept at the Company’s principal place of business, all transactions of or relating to the Company and its Subsidiaries. The books and records of the Company shall be made and maintained, and the financial position and the results of operations recorded, at the expense of the Company, in accordance with such method of accounting as is determined by the Board, and in accordance with Applicable Law.

11.2 Deposits of Funds. All funds of the Company shall be deposited in its name in such checking, money market, or other account or accounts as the Board may from time to time designate; withdrawals shall be made therefrom on such signature or signatures as the Board shall determine.

11.3 Inspection Rights; Regulatory Access and Supervision.

(a) Each Member shall have access to and the right, at its sole cost and expense, to inspect and copy the Company's books and records and to inspect the Company's facilities during normal business hours.

(b) The Company shall, and shall cause its Subsidiaries to, provide any Governmental Authority having regulatory examination authority over a Member or any of its Affiliates, as applicable (such Governmental Authority, a "Regulator"), access to (and copies as requested of) the Company's or its Subsidiaries' records, accounts, files, programs or systems as required by Applicable Law.

(c) Each Member shall be responsible for any out-of-pocket costs or expenses incurred by the Company in connection with the inspections pursuant to this Section 11.3 relating to such Member; provided, that the Company shall be responsible for any out-of-pocket costs and expenses incurred in connection with an inspection by a Regulator if such inspection was a direct result of an action or failure to act by the Company or any Subsidiary of the Company.

11.4 Operating Expenses. The Company shall pay all current expenses, including administrative expenses and fees, before any Distributions may be made to the Members. Appropriate reserves may be determined and charged to the Members (in accordance with generally accepted accounting principles) for contingent liabilities, if any, as of the date any such contingent liability becomes known to the Board.

**Article XII**  
**Tax Matters**

12.1 Fiscal Year. The Company's "Fiscal Year" shall be January 1 to December 31.

12.2 Partnership Representative.

(a) For purposes of this Section 12.2, unless otherwise specified, all references to provisions of the Code shall be to such provisions as enacted by the BBA.

(b) For so long as Holdco is a Member of the Company, the Person appointed by Holdco from time to time as its partnership representative shall serve as the Company's designated "partnership representative" within the meaning of Code Section 6223 (the "Partnership Representative"). The Partnership Representative and any "designated individual" within the meaning of Treasury Regulations Section 301.6223-1(b)(3)(ii) shall have sole authority to act on behalf of the Company for purposes of Subchapter C of Chapter 63 of the Code and any comparable provisions of state or local income tax laws (the "Partnership Audit Rules"), subject to advice by the Company's tax advisors and approval by the Board of any material elections or decisions.

(c) If the Company qualifies to elect pursuant to Code Section 6221(b) (or successor provision) to have Subchapter C of Chapter 63 of the Code not apply to any federal income tax audits and other proceedings, the Partnership Representative shall, upon the instructions of the Board, cause the Company to make such election.

(d) If any "partnership adjustment" (as defined in Code Section 6241(2)) is determined with respect to the Company, the Partnership Representative shall promptly notify the

Board upon the receipt of a notice of final partnership adjustment, and shall take such actions as directed by the Board, including whether to file a petition in Tax Court, cause the Company to pay the amount of any such adjustment under Code Section 6225, or make the election under Code Section 6226 or take any other action authorized by the Partnership Audit Rules. The Partnership Representative shall promptly notify each Member of any audit or contest relating to a tax return (or other tax matter) of the Company or any of its subsidiaries and shall use commercially reasonable efforts to keep each Member reasonably informed with respect to such audit or contest.

(e) If any “partnership adjustment” (as defined in Code Section 6241(2)) is finally determined with respect to the Company and the Partnership Representative has not caused the Company to make the election under Code Section 6226, then (i) the Members shall take such actions requested by the Partnership Representative; (ii) the Partnership Representative shall use commercially reasonable efforts to make any modifications available under Code Section 6225(c)(3), (4) and (5); and (ii) any “imputed underpayment” (as determined in accordance with Code Section 6225) or partnership adjustment that does not give rise to an imputed underpayment, shall be apportioned among the Members of the Company for the taxable year in which the adjustment is finalized in such manner as may be necessary (as determined by the Partnership Representative in good faith based on the advice of legal or tax counsel to the Company and subject to approval of the Board) so that, to the maximum extent possible, the tax and economic consequences of the partnership adjustment and any associated interest and penalties are borne by the Members based upon their interests in the Company for the reviewed year. Notwithstanding the foregoing, the Partnership Representative and the Company shall not (1) take any action that would cause a Member to be required to file amended tax returns in accordance with Code Section 6225(c)(2)(A) (or any similar provisions under state or local law), without the advance written consent of each such Member or (2) elect the alternative “pull-in” procedure in accordance with Section 6225(c)(2)(B) of the Code (or any similar provisions under state or local law) in accordance with Code Section 6225(c)(2)(B), without the advance written consent of the Members holding at least a majority of the outstanding Units.

(f) If any Subsidiary of the Company (i) pays any partnership adjustment under Code Section 6225, (ii) requires the Company to file an amended tax return and pay associated taxes to reduce the amount of a partnership adjustment imposed on such Subsidiary of the Company, or (iii) makes an election under Code Section 6226, the Partnership Representative shall cause the Company to make the administrative adjustment request provided for in Code Section 6227 consistent with the principles and limitations set forth in Sections 12.2(d)-(e) above for partnership adjustments of the Company, and the Members shall take such actions reasonably requested by the Partnership Representative in furtherance of such administrative adjustment request.

(g) The obligations of each Member or former Member under this Section 12.2 shall survive the transfer or redemption by such Member of its Units and the termination of this Agreement or the dissolution of the Company.

**12.3 Tax Returns.** At the expense of the Company, the Board shall endeavor to cause the preparation and timely filing (including extensions) of all tax returns required to be filed by the Company pursuant to the Code as well as all other required tax returns in each jurisdiction in which the Company and the Subsidiaries of the Company own property or do business. As soon as reasonably possible after the end of each Fiscal Year, the Board or designated Officer shall cause to be delivered to each Person who was a Member at any time during such Fiscal Year, IRS Schedule K-1 to Form 1065 and such other information with respect to the Company as may be necessary for the preparation of such Person’s

federal, state and local income tax returns for such Fiscal Year or the payment of such Person's taxes (including estimated taxes or a quarterly or other basis); provided, however, that if the Company is unable to provide such IRS Schedule K-1 to Form 1065 and such other information within ninety (90) days after the end of a Fiscal Year, the Company shall, within such time period, provide the Members with estimated information sufficient to permit the Members to file his, her or its U.S. federal and state income tax returns for such taxable year on an estimated basis, and thereafter the Company shall provide the Members with a final IRS Schedule K-1 to Form 1065 and such other information for such Fiscal Year as soon as such final IRS Schedule K-1 to Form 1065 and such other information is able to be prepared (provided that in no event shall such final IRS Schedule K-1 to Form 1065 and such other information be provided more than one hundred twenty (120) days after the end of a Fiscal Year).

### **Article XIII**

#### **Transfer Restrictions**

13.1 Restriction on Transfers. Each Member may Transfer any and all of such Member's Units at any time to any Person; provided that such Member shall obtain written consent of the Board to such Transfer prior to the consummation of such Transfer. Notwithstanding the foregoing, a Member may not Transfer any Units to the extent such Transfer would result in (a) a violation of the Securities Act or any other Applicable Law, (b) the Company being required to register as an investment company under the U.S. Investment Company Act of 1940, as amended, (c) the Company being required to register as an investment adviser under state or federal securities laws, or (d) the Company being treated as a corporation for U.S. federal income tax purposes.

13.2 Amendment of Schedules. In the event of any Transfer of Units in accordance with this Article XIII, the Board shall amend Schedules 1, 2 and 3 to appropriately reflect such Transfer.

### **Article XIV**

#### **Term and Dissolution**

14.1 Term. The legal existence of the Company shall be perpetual, unless the Company is sooner dissolved pursuant to Section 14.2.

14.2 Dissolution.

- (a) The Company shall be dissolved and its affairs wound up upon the first to occur of:
- (i) the election to dissolve the Company made by the Board;
  - (ii) the entry of a decree of judicial dissolution under Section 18-802 of the Act;
  - (iii) the withdrawal, expulsion, Bankruptcy, or dissolution of the last remaining Member, or the occurrence of any other event which terminates the continued membership of the last remaining Member in the Company, unless the business of the Company is continued without dissolution in accordance with the Act; and
  - (iv) the occurrence of any other event that causes the dissolution of a limited liability company under the Act, unless the Company is continued without dissolution in accordance with the Act.

(b) Upon dissolution of the Company, the business of the Company shall continue for the sole purpose of winding up its affairs. The winding up process shall be carried out by the Board. In winding up the Company's affairs, every effort shall then be made to dispose of the assets of the Company in an orderly manner, having regard to the liquidity, divisibility and marketability of the Company's assets.

14.3 Application and Distribution of Assets. Upon windup of the Company, the Company shall distribute its assets as follows, subject to Applicable Law: (a) first, to creditors of the Company, including Members who are creditors, to the extent permitted by Applicable Law, whether by payment or the making of reasonable provision for the payment thereof, and including any contingent, conditional and unmature liabilities of the Company, taking into account the relative priorities thereof, (b) second, to the Members and former Members in satisfaction of liabilities under the Act for distributions to such Members, and (c) third to the Members in accordance with their Percentage Interests.

14.4 Termination of the Company. The separate legal existence of the Company shall terminate when all assets of the Company, after payment of or due provision for all debts, liabilities, and obligations of the Company, shall have been distributed to the Members in the manner provided for in this Article XIV, and a Certificate of Cancellation shall have been filed in the manner required by Section 18-203 of the Act.

## **Article XV**

### **General Provisions**

15.1 Entire Agreement; Integration. This Agreement contains the sole and entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings relating to such subject matter.

15.2 Amendments. The terms and provisions of this Agreement may be modified or amended at any time by the prior written consent of Holdco; provided, however that (a) any amendment to the Agreement that materially and adversely affects the material rights of any Member disproportionately to the other Members shall also require the prior written consent of such affected Member, which consent shall not be unreasonably withheld or delayed and (b) the Board may amend Schedules 1, 2 and 3 from time to time so as to accurately reflect the information contained thereon upon (i) the admission of a new Member, (ii) the withdrawal of a Member, (iii) any change in the number or class of Units owned by a Member, (iv) any change in the address of a Member as the Company is notified by such Member, (v) any change in the address of the principal office of the Company, (vi) issuance of Additional Units and (vii) any change in a Percentage Interest of a Member.

15.3 Successors and Assigns. Subject to the restrictions on Transfers set forth herein, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

15.4 Notices. All notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been given: (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by e-mail (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next Business Day if sent after normal business hours of the recipient; or (d) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent to the respective parties at the addresses set forth in Schedule 2 and Schedule 3, as applicable, (or at such other address for a party as shall be specified in a notice given in accordance with this Section 15.4).

15.5 Headings. The headings in this Agreement are inserted for convenience or reference only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Agreement or any provision of this Agreement.

15.6 Governing Law; Waiver of Jury Trial.

(a) All issues and questions concerning the application, construction, validity, interpretation and enforcement of this Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of Delaware.

(b) **EACH PARTY HERETO HEREBY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.**

15.7 Submission to Jurisdiction. The parties hereby agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby, whether in contract, tort or otherwise, shall be brought in the United States District Court for the District of Delaware or in the Court of Chancery of the State of Delaware (or, if such court lacks subject matter jurisdiction, in the Superior Court of the State of Delaware), so long as one of such courts shall have subject-matter jurisdiction over such suit, action or proceeding, and that any case of action arising out of this Agreement shall be deemed to have arisen from a transaction of business in the State of Delaware. Each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient form. Service of process, summons, notice or other document by registered mail to the address set forth in Section 15.4 shall be effective service of process for any suit, action or other proceeding brought in any such court.

15.8 Severability. If any term or provision of this Agreement is held to be invalid, illegal or unenforceable under Applicable Law in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

15.9 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of Electronic Transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

15.10 Survival. The provisions of Sections 6.1, 6.6(g) (as it relates to any expenses incurred prior to the termination of this Agreement), 6.6(h), 6.6(i), 6.7(e), 10.3, 10.4 and Article IX (as it relates to any actions taken prior to the termination of this Agreement), Article XII and this Article XV shall survive the termination of this Agreement for any reason, whether as a result of a merger, combination or otherwise, and shall remain an obligation of the Company or any successor entity regardless of any merger, combination or any other transaction taking place. All other rights and obligations of the Members shall cease upon the termination of this Agreement.

15.11 Assignment. This Agreement shall not be assigned or transferred by any party, in whole or in part, except in conjunction with any Transfer permitted pursuant to Article XIII.

15.12 Waiver. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

15.13 Third Party Beneficiaries. Except for the rights of Covered Persons pursuant to Article VIII of this Agreement, this Agreement is for the sole benefit of the parties hereto (and their respective heirs, executors, administrators, successors and assigns) and nothing herein, express or implied, is intended to or shall confer upon any other Person, including any creditor of the Company, any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

15.14 Applicable Approvals. Each party shall, if applicable, give any notices to, make any filings or submissions with, and use its commercially reasonable efforts to obtain at the earliest practical date any authorizations, consents or approvals of, and/or expiration of applicable waiting periods imposed by, any Governmental Authorities which are necessary to consummate the transactions contemplated hereunder. Each party shall furnish to the other parties such necessary information and reasonable assistance and cooperation as such other parties may request in connection with the foregoing. The parties shall use commercially reasonable efforts to comply as promptly as practicable with any requests made for any additional information in connection with such filings or actions. The parties shall keep each other apprised of the status of any communications with, and any inquiries or requests for additional information from, any Governmental Authority and use commercially reasonable efforts to comply promptly with any such inquiry or request.

15.15 Further Assurance. In connection with this Agreement and the transactions contemplated hereby, the Company and each Member hereby agrees, at the request of the Company or any other Member, to execute and deliver such additional documents, instruments, conveyances and assurances and to take such further actions as may be required to carry out the provisions hereof and give effect to the transactions contemplated hereby.
