## MEMX Technologies LLC:

1. *Name and address of organization.*

MEMX Technologies LLC  
382 NE 191st St., Suite 92178  
Miami, Florida 33179

2. *Form of organization (e.g., association, corporation, partnership, etc.).*

Delaware limited liability company.

3. *Name of state, statute citation under which organized, and date of incorporation in present form:*

MEMX Technologies, LLC was formed in the State of Delaware pursuant to the Delaware Act on October 3, 2018.

4. *Brief description of nature and extent of affiliation.*

MEMX Technologies will be a vendor of the Dream Exchange. MEMX Technologies is not affiliated with Dream Exchange. MEMX Technologies is affiliated with MEMX LLC ("MEMX Exchange"), which is a registered national securities exchange. MEMX Technologies develops and operates proprietary trading technology necessary to operate a National Market System-compliant registered trading securities exchange. As described in Exhibit E, MEMX Technologies will be the vendor for Dream Exchange for both the hardware and software that is needed to operate and maintain the System. MEMX Exchange is not a party to any contract with, and has no business relationship with, Dream Exchange Holdings, Inc.

5. *Brief description of business or functions. Description should include responsibilities with respect to operation of the System and/or execution, reporting, clearance, or settlement of transactions in connection of the System.*

Dream Exchange proposes to enter into an agreement with MEMX Technologies to license the technology underlying Dream Exchange. MEMX Technologies would provide technology support services to Dream Exchange, which would include (i) the development and testing of software and hardware necessary to operate the matching engine and connectivity to other exchanges via a third-party routing broker(s) and third-party developed functions (including clearing, custody and client connectivity), (ii) the provision of technical support in order for Dream Exchange to operate and monitor Dream Exchange; and (iii) the provision of ongoing system availability commitments, updates, fixes, and technology support.

MEMX Technologies will supply all necessary hardware and connectivity to operate the System, install market-relevant software on the hardware platform, maintain the hardware and software, including updates to necessary software and systems. Dream Exchange will use MEMX Technologies' industry connection software to ensure compliance with trade reporting and clearance functions.

MEMX Technologies will also support intra-day compliance monitoring by Dream Exchange and provide timely reporting to Dream Exchange's personnel of any potential Regulation SCI events (direct or indirect) or other operational issues with the System, pursuant to a service level agreement between the parties. All communications between the users of Dream Exchange and the System will be monitored and controlled by Dream Exchange Market Operations. Dream Exchange may contract with MEMX Technologies to handle situations where additional Market Operations coverage is needed, but those personnel will only be able to access either MEMX Exchange or Dream Exchange trade data in the course of a single trading day (which includes the Regular, the Pre-Market, and Post-Market trading hours), but not both sets of trade data on the same day. The trading platforms operated by MEMX Technologies (including Dream Exchange Holdings, Inc., MEMX Exchange, and any other exchanges or trading platforms operated by MEMX Technologies) currently are and will be segregated to ensure that Dream Exchange is not deemed to be a facility of MEMX Exchange. MEMX Technologies will not use or disclose information or data (i) about or originating with Dream Exchange in its dealings with MEMX Exchange or any other platform or (ii) about or originating with MEMX Exchange or any other platform in its dealings with Dream Exchange.

All services provided to Dream Exchange by MEMX Technologies will be based upon requirements and instructions determined by Dream Exchange. Although MEMX Technologies would provide the technology support services, Dream Exchange shall be responsible for operating and monitoring Dream Exchange-related systems and administering Dream Exchange Rules and other rules and regulations applicable to Dream Exchange. All systems and services provided by MEMX Technologies will be consistent with Dream Exchange Rules, and Dream Exchange will be responsible for ensuring that such systems and services are consistent with Dream Exchange Rules. The proposed agreement with MEMX Technologies is expected to include a multi-year, renewable term, and, in the event of termination of the agreement, an extended period to allow for the transition of the technology support services for Dream Exchange.

6. *A copy of the constitution.*

Not applicable.

7. *A copy of the articles of incorporation or association including all amendments.*

The Certificate of Formation of MEMX Technologies is available with MEMX LLC's Form 1 and amendments thereto, which are available on the SEC's website at:
