December 7, 2011

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use of BATS Exchange, Inc.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 30, 2011, BATS Exchange, Inc. (the “Exchange” or “BATS”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to modify the "Options Pricing" section of its fee schedule to change pricing with respect to orders routed to the C2 Options Exchange, Incorporated ("C2"). Effective November 1, 2011, C2 modified its transaction fees to assess fees on liquidity takers of either \$0.44 or \$0.45 per contract depending on the capacity associated with the order (e.g., public customer, professional, firm, or market maker).⁶ The Exchange currently charges certain flat rates for routing to other options exchanges that have been placed into three groups based on the approximate cost of routing to such venues. The grouping of away options exchanges is based on the cost of transaction fees assessed by each venue as well as costs to the Exchange for routing (i.e., clearing fees, infrastructure costs, etc.). The Exchange currently assesses fees of

\$0.30 per contract for Customer⁷ orders and \$0.55 per contract for Professional,⁸ Firm or Market Maker⁹ orders routed to C2. In order to better approximate the cost to the Exchange of routing Customer orders to C2, the Exchange proposes to place C2 in the away options exchange grouping along with the Nasdaq Options Market (“NOM”) and NYSE Arca Options (“Arca”) in Make/Take issues.¹⁰ Accordingly, the Exchange proposes to charge a fee of \$0.50 per contract for Customer orders and to continue to charge \$0.55 per contract for Professional, Firm, or Market Maker orders routed to and executed at C2.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.¹¹ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,¹² in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls.

⁷ As defined on the Exchange’s fee schedule, a Customer order refers to an order identified by a Member for clearing in the Customer range at the Options Clearing Corporation (“OCC”), excluding any transaction for a “Professional” as defined in Exchange Rule 16.1.

⁸ The term “Professional” is defined in Exchange Rule 16.1 to mean any person or entity that (A) is not a broker or dealer in securities, and (B) places more than 390 orders in listed options per day on average during a calendar month for its own beneficial account(s).

⁹ As defined on the Exchange’s fee schedule, the terms “Firm” and “Market Maker” apply to any transaction identified by a member for clearing in the Firm or Market Maker range, respectively, at the OCC.

¹⁰ As defined on the fee schedule, Make/Take pricing refers to executions at the identified exchange under which “Post Liquidity” or “Maker” rebates (“Make”) are credited by that exchange and “Take Liquidity” or “Taker” fees (“Take”) are charged by that exchange.

¹¹ 15 U.S.C. 78f.

¹² 15 U.S.C. 78f(b)(4).

The Exchange believes that its proposed routing rates are, on average, better than or equal to the fees a market participant would pay if routing through another market center. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. Also, although routing options are available to all Members, Members are not required to use the Exchange's routing services, but instead, the Exchange's routing services are completely optional. Members can manage their own routing to different options exchanges or can utilize a myriad of other routing solutions that are available to market participants. Finally, the Exchange believes that its proposal to modify routing fees to C2 is reasonable because the modified fee is a better approximation of the cost to the Exchange for routing Customer orders to C2.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A)(ii) of the Act¹³ and Rule 19b-4(f)(2) thereunder,¹⁴ the Exchange has designated this proposal as establishing or changing a due, fee, or other charge applicable to the Exchange's Members and non-members, which renders the proposed rule change effective upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission
