August 27, 2014

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use of BATS Exchange, Inc.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on August 15, 2014, BATS Exchange, Inc. (the “Exchange” or “BATS”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act<sup>3</sup> and Rule 19b-4(f)(2) thereunder,<sup>4</sup> which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

The Exchange filed a proposal to amend the fee schedule applicable to Members<sup>5</sup> and non-members of the Exchange pursuant to BATS Rules 15.1(a) and (c). Changes to the fee schedule pursuant to this proposal are effective upon filing.

<sup>5</sup> A Member is defined as “any registered broker or dealer that has been admitted to membership in the Exchange.” See Exchange Rule 1.5(n).

The text of the proposed rule change is available at the Exchange's website at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange recently filed a proposed rule change to adopt two new routing options called "SWPA" and "SWPB" (collectively the "SWP routing strategies").<sup>6</sup> The Exchange notes that SWPA is substantively identical to, and SWPB is similar to, the Exchange's current Parallel T routing strategy.<sup>7</sup>

The Exchange now proposes to modify its fee schedule to adopt fees applicable to the SWP routing strategies that are identical to the current fees charged for Parallel T. For order routed pursuant to the SWP routing strategies and executed on an away trading venue, the

<sup>6</sup> See SR-BATS-2014-033, filed on August 11, 2014, *available at* [http://www.batstrading.com/regulation/rule\\_filings/bzx/](http://www.batstrading.com/regulation/rule_filings/bzx/).

<sup>7</sup> In order to allow a gradual migration from Parallel T to the proposed SWP routing strategies the Exchange is not proposing to eliminate Parallel T when it starts offering the SWP routing strategies. Instead, the Exchange proposes to continue to accept orders designated for Parallel T routing and will eventually retire such routing strategy and remove reference to the routing strategy from Exchange rules once all affected Users have been migrated away from Parallel T to the SWP routing strategies.

Exchange proposes to charge \$0.033 per share in securities priced at or above \$1.00 and 0.33% of the total dollar value of the execution for securities priced below \$1.00. The Exchange proposes to implement the amendments to its fee schedule on August 15, 2014.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.<sup>8</sup> Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,<sup>9</sup> in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive.

The Exchange believes that the proposed changes to the Exchange's fee schedule to add fees for the SWP routing strategies represents [sic] an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities because they are identical to the fees charged for executions through an analogous routing strategy, Parallel T, which is currently offered by the Exchange. Lastly, the Exchange notes that the use of the SWP routing strategies is voluntary and believes that the proposed change is non-discriminatory because it applies uniformly to all Members.

<sup>9</sup> 15 U.S.C. 78f(b)(4).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Because the market for order execution is extremely competitive, Members may readily opt to disfavor the Exchange's routing services if they believe that alternatives offer them better value. For orders routed through the Exchange through the SWP routing strategies the proposed fee is equal to the fee currently charged for Parallel T routing. As stated above, the Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if the deemed fee structures to be unreasonable or excessive.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and paragraph (f) of Rule 19b-4 thereunder.<sup>11</sup> At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
