I. Introduction

On August 27, 2021, BOX Exchange LLC (“BOX Exchange” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² a proposed rule change related to the Exchange and BOX Holdings Group LLC (“BOX Holdings”) ownership transfer transactions. The proposed rule change was published for comment in the Federal Register on September 15, 2021.³ The Commission received one comment on the proposed rule change.⁴ On September 28, 2021, pursuant to Section 19(b)(2) of the Act,⁵ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁶

⁶ See Securities Exchange Act Release No. 93156, 86 FR 54780 (October 4, 2021). The Commission designated December 14, 2021, as the date by which the Commission shall approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change.

On December 13, 2021, the Exchange filed Amendment No. 1 to the proposed rule change, which amended and superseded the Notice in its entirety.⁷ The Commission is approving the proposed rule change, as modified by Amendment No. 1.

II. Description of the Proposed Rule Change⁸

The Exchange is a limited liability company, organized under the laws of the State of Delaware on August 26, 2010. The Exchange’s charter is a Second Amended and Restated Limited Liability Company Agreement, dated as of May 29, 2020, as amended November 30, 2020 (“BOX Exchange LLC Agreement”). (“Wolverine”) is not currently a Member of the Exchange.

BOX Holdings is a limited liability company, organized under the laws of the State of

⁷ In Amendment No. 1, the Exchange revised the proposal to: (1) provide updated and additional ownership and voting percentage interests information; (2) correct a reference from BOX Holdings to BOX Options Market LLC; (3) specify that all foreign upstream owners have signed onto the BOX Exchange LLC Agreement and the BOX Holdings LLC Agreement. Because Amendment No. 1 is a technical amendment that does not materially alter the substance of the proposed rule change or raise unique or novel regulatory issues, it is not subject to notice and comment. Amendment No. 1 to the proposed rule change is available at <https://www.sec.gov/rules/sro/box.htm>.

⁸ For a more complete description of all the changes as proposed, see Amendment No. 1, supra note 7.

See Article 2.5(a) of the BOX Exchange LLC Agreement. “Voting Units” refer to equal units of limited liability company interest in the Exchange collectively comprising all voting interests of Members with respect to Exchange matters. See Article 2.5(b) of the BOX Exchange LLC Agreement.

III. Discussion and Commission Findings

After careful review, the Commission finds that the proposed rule change, as modified by Amendment No. 1, is consistent with the requirements of the Act and the rules and regulations

thereunder applicable to a national securities exchange.¹⁸ In particular, the Commission finds that the proposed rule change, as modified by Amendment No. 1, is consistent with Section 6(b)(5) of the Act,¹⁹ which requires, among other things, that the rules of a national securities exchange be designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission also finds that these proposed rule changes, as modified by Amendment No. 1, are consistent with Section 6(b)(1) of the Act, which requires, among other things, that a national securities exchange be so organized and have the capacity to carry out the purposes of the Act, and to comply and enforce compliance by its members and persons associated with its members, with the provisions of the Act, the rules and regulations thereunder, and the rules of the exchange.

Both the BOX Exchange LLC Agreement and the BOX Holdings LLC Agreement contain provisions relating to limitations on ownership and voting power. In particular, the BOX Exchange LLC Agreement provides that no Person,²⁰ either alone or together with any Related Persons²¹ may own, directly or indirectly, of record or beneficially, an aggregate Economic

In addition, the BOX Holdings LLC Agreement provides that if a Member²⁹ of BOX Holdings or any of its Related Persons³⁰ is approved by the Exchange as a BOX Options Participant,³¹ and if such Member, alone or together with the Related Persons, own more than

are designed to address the conflicts of interests that might result from a member of a national securities exchange owning interests in the exchange. The Commission believes that the Exchange has followed the required notice procedures set forth in the BOX Exchange LLC Agreement and BOX Holdings LLC Agreement and that the proposed transactions are in compliance with the ownership and voting limitations in the governance documents.⁴⁰ The Commission also notes that the BOX Exchange LLC Agreement⁴¹ and BOX Holdings LLC Agreement⁴² contain certain provisions designed to help maintain the independence of the regulatory functions of BOX Exchange. The Commission believes that the potential for conflicts of interest or unfair competition is mitigated by these provisions.

With respect to the ownership of BOX Exchange, the Commission notes that no BOX Exchange Member will own in excess of 40% of the Exchange's Economic Units (20% if an Exchange Facility Participant) and 20% of the Exchange's Voting Units. The board composition of the Exchange will not change. And although BOX Holdings is not independently responsible

⁴⁰ Although a commenter objects to Citadel's ownership and voting percentages in BOX Holdings increasing because of the contemplated transaction, the increase is consistent with the ownership and voting limitations set forth in BOX Holdings governing documents as previously approved by the Commission. See Securities Exchange Act Release No. 66871 (April 27, 2012), 77 FR 26323 (May 3, 2012).

for regulation of BOX Options, its activities with respect to the operation of BOX Options must be consistent with, and not interfere with, the self-regulatory obligations of BOX Exchange.

Pursuant to the transaction, with respect to the ownership of BOX Holdings, the voting power of IB, a BOX Options Participant, would remain at 20.00%. Further, while MXUS2's voting power in BOX Holdings would increase, MXUS2's power to appoint directors would remain unchanged.⁴³ The Commission accordingly believes that the proposed transfers are in compliance with requirements in the BOX Exchange LLC Agreement and the BOX Holdings LLC Agreement and provisions designed to help maintain BOX Exchange's regulatory function.
