Options Rules

Chapter I General Provisions

Sec. 1 Definitions

(a) With respect to these BX Options Rules, the following terms shall have the meanings specified in this Section 1. A term defined elsewhere in the Rules of the Exchange shall have the same meaning with respect to this Chapter I, unless otherwise defined below.

* * * * *

(16) Reserved[The term "class of options" means all options contracts of the same type and style covering the same underlying security].

* * * * *

(58) Reserved[The term "series of options" means all options contracts of the same class of options having the same exercise price and expiration date].

* * * * *

(65) Reserved[The term "underlying security" means the security that the Clearing Corporation shall be obligated to sell (in the case of a call option) or purchase (in the case of a put option) upon the valid exercise of an options contract].
