Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on June 8, 2007, the Chicago Board Options Exchange, Incorporated (“Exchange” or “CBOE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The CBSX fee schedule lists the fees applicable to trading on CBSX. The transaction fees are based on whether the executing member is “taking” liquidity or “making” liquidity in connection with the transaction. This proposal would modify the fees in four respects: (1) it would eliminate the liquidity taker volume tiers so that all takers are charged a flat \$0.29 per 100 shares regardless of the volume executed by the user; (2) it would increase the default maker rebate amount from \$0.24 per 100 shares to \$0.26 per 100 shares; (3) it would increase the qualifying Remote Market-Maker rebate from \$0.25 per 100 shares to \$0.27 per 100 shares; and (4) on NBBO step-up trades, where liquidity providers on CBSX step-up to the NBBO price displayed by another market, the “maker” for fee purposes would be deemed to be the side that steps-up (and the maker rebate for this step up would be \$0.20 per 100 shares), and the taker would be the order that was flashed for a potential NBBO fill. The changes took effect on June 11, 2007.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act<sup>3</sup> in general, and furthers the objectives of Section 6(b)(4)<sup>4</sup> in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective upon filing pursuant to Section 19(b)(3)(A) of the Act<sup>5</sup> and Rule 19b-4(f)(2)<sup>6</sup> thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
