

SECURITIES AND EXCHANGE COMMISSION
(Release No. 34-56266; File No. SR-CBOE-2007-97)

August 15, 2007

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Extension of a Pilot Program that Increases the Standard Position and Exercise Limits for Certain Options Traded on the Exchange

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 7, 2007, the Chicago Board Options Exchange, Incorporated (“CBOE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by CBOE. The Exchange has filed the proposal as a “non-controversial” rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

CBOE proposes to extend an existing pilot program that increases the standard position and exercise limits for certain options traded on the Exchange (“Pilot Program”). The text of the proposed rule change is available at CBOE, the Commission’s Public Reference Room, and www.cboe.com.

¹ 15 U.S.C. 78s(b)(1).

³ 15 U.S.C. 78s(b)(3)(A).

⁴ 17 CFR 240.19b-4(f)(6).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Pilot Program, as previously approved by the Commission, provides for an increase to the standard position and exercise limits for equity option contracts and for options on QQQQs for a six-month period.⁵ Specifically, the Pilot Program increased the applicable position and exercise limits for equity options and options on the QQQQ in accordance with the following levels:

| Current Equity Option Contract Limit ⁶ | Pilot Program Equity Option Contract Limit |
|---------------------------------------------------|--------------------------------------------|
| 13,500 contracts | 25,000 contracts |
| 22,500 contracts | 50,000 contracts |

⁵ The Pilot Program was approved by the Commission on February 23, 2005. See Securities Exchange Act Release No. 51244 (February 23, 2005), 70 FR 10010 (March 1, 2005) (SR-CBOE-2003-30) ("Pilot Program Order"). The Pilot Program has been extended four times and is due to expire on September 1, 2007. See Securities Exchange Act Release Nos. 52262 (August 15, 2005), 70 FR 48995 (August 22, 2005) (SR-CBOE-2005-61); 53348 (February 22, 2006), 71 FR 10574 (March 1, 2006) (SR-CBOE-2006-11); 54336 (August 18, 2006), 71 FR 50952 (August 28, 2006) (SR-CBOE-2006-69); and 55266 (February 9, 2007), 72 FR 7698 (February 16, 2007) (SR-CBOE-2007-12).

⁶ Except when the Pilot Program is in effect.

| | |
|------------------------------------|------------------------------------------|
| 31,500 contracts | 75,000 contracts |
| 60,000 contracts | 200,000 contracts |
| 75,000 contracts | 250,000 contracts |
| Current QQQQ Option Contract Limit | Pilot Program QQQQ Option Contract Limit |
| 300,000 contracts | 900,000 contracts |

The purpose of the proposed rule change is to extend the Pilot Program for an additional six-month period, through March 1, 2008. The Exchange believes that extending the Pilot Program for six months is warranted due to the positive feedback from members and for the reasons cited in the original rule filing that proposed the adoption of the Pilot Program.⁷ Also, the Exchange has not encountered any problems or difficulties relating to the Pilot Program since its inception. For these reasons, the Exchange requests that the Commission extend the Pilot Program for the aforementioned additional period.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements provided under Section 6(b)(5)⁸ of the Act that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁷ See Pilot Program Order, supra note 5.

⁸ 15 U.S.C. 78f(b)(5).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the forgoing rule change does not: (1) significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹¹ However, Rule 19b-4(f)(6)(iii)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and in the public interest because it will allow the Pilot Program to

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 240.19b-4(f)(6).

¹¹ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. CBOE has satisfied the five-day pre-filing requirement.

¹² Id.

continue uninterrupted. For this reason, the Commission designates that the proposed rule change become operative immediately.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic comments:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File No. SR-CBOE-2007-97 on the subject line.

Paper comments:

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, Station Place, 100 F Street, NE, Washington, DC 20549-1090.

All submissions should refer to File No. SR-CBOE-2007-97. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies

¹³ For the purposes only of waiving the operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE, Washington, DC 20549, on official business days between the hours of 10:00 am and 3:00 pm. Copies of such filing will also be available for inspection and copying at the principal office of CBOE. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File No. SR-CBOE-2007-97 and should be submitted on or before [insert date 21 days from publication in the Federal Register].

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁴

Florence E. Harmon
