26	<p>Trading Permit and Tier Appointment fees are non-refundable and are assessed through the integrated billing system during the first week of the following month. If a Trading Permit is issued during a calendar month after the first trading day of the month, the access fee for the Trading Permit for that calendar month is prorated based on the remaining trading days in the calendar month. Trading Permits will be renewed automatically for the next month unless the Trading Permit Holder submits written notification to the Registration Services Department by 4:00 pm on the [25th]second-to-last business day of the prior month [(or the preceding business day if the 25th is not a business day)] to cancel the Trading Permit effective at or prior to the end of the applicable month. <u>If cancellation of a Trading Permit is effective prior to the end of the applicable month, and the cancelling Trading Permit Holder later requests issuance of the same type of Trading Permit for the remainder of that month, the Exchange may issue the same type of Trading Permit (provided that a Trading Permit is available) but will not impose the additional prorated access fee for that month.</u> Tier appointments will be renewed automatically for the next month unless the Trading Permit Holder submits written notification to the Market Quality Assurance & DPM Administration Department by the last business day of the prior month to cancel the tier appointment effective at or prior to the end of the applicable month.</p>
