Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 16, 2020, Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) proposes to amend its fees schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to adopt a new COVID-19 Test Fee in connection with the COVID-19 pandemic. By way of background, on March 16, 2020, the Exchange suspended outcry trading to help prevent the spread of COVID-19³ and was operating in an all-electronic configuration until June 15, 2020. On June 15, 2020, the Exchange reopened its trading floor, but with a modified configuration of trading crowds in order to implement social distancing and other measures consistent with local and state health and safety guidelines to help protect the safety and welfare of individuals accessing the trading floor. In order to further protect the safety and welfare of individuals accessing the trading floor during the COVID-19 pandemic, the Exchange has determined to implement on-site COVID-19 testing for all trading floor personnel, beginning November 16, 2020. The Exchange has contracted with an independent health care provider who will conduct the tests, which the Exchange anticipates will be conducted twice weekly. The Exchange proposes to adopt a pass-through fee of \$150 per test for each TPH or associated person of a TPH⁴ that is tested. The proposed COVID-19 Test Fee allows the Exchange to offset the costs incurred with on-site testing. The Exchange also notes that since the

³ On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic and to slow the spread of the disease, federal and state officials implemented social-distancing measures, placed significant limitations on large gatherings, limited travel, and closed non-essential businesses.

⁴ For example, a TPH may have personnel other than Nominees on the floor that need to access the trading floor. Such persons will also be subject to testing requirements and will be assessed the proposed fee.

reopening of the trading floor, the Exchange has, and continues to, incur other COVID-19 related costs that it has not passed through in connection with protecting the health and safety of TPHs and exchange personnel, including costs related to daily-deep cleaning. The Exchange represents that the proposed fee is a pass-through of the costs to the Exchange and that the Exchange will not generate any revenue in excess of those costs.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁷ which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

⁷ 15 U.S.C. 78f(b)(4).

The Exchange believes the proposed COVID-19 Test Fee is reasonable as the amount of the proposed fee is the same amount that is assessed to the Exchange by the independent health care provider that will be administering the tests. As noted above, the revenue generated from the proposed fee will not be more than the cost to the Exchange for administering the tests. The Exchange also notes that to date, it has absorbed all the costs incurred in connection with the safety and health protocols it has taken to ensure the safety and welfare of individuals access the trading floor, including daily deep-cleaning of its facilities. The Exchange believes administering COVID-19 tests will help further protect the safety and welfare of individuals accessing its trading floor. The Exchange believes the proposed fee is equitable and not unfairly discriminatory because such fee will be assessed to any TPH or associated person of a TPH that is tested and accesses the trading floor. The Exchange also notes that implementing on-site COVID-19 testing would benefit all persons accessing the trading floor as it is an additional precautionary measure intended to limit their exposure to COVID-19 and better ensure their safety and welfare.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition that are not necessary or appropriate in furtherance of the purposes of the Act. The Exchange notes the proposed fee is not intended to address any competitive issue, but rather to recoup costs associated with COVID-19 testing in order to help protect the safety and welfare of individuals access the trading floor. The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because the proposed changes apply equally to all similarly situated market participants. The Exchange does not believe that the proposed rule changes will impose any burden on intermarket competition that is not necessary or appropriate

in furtherance of the purposes of the Act because the proposed changes only affect trading on the Exchange in limited circumstances.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and paragraph (f) of Rule 19b-4⁹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
