[RESERVED] 43	<p>*****</p> <p>The Exchange will waive fees for the Index Combination component of a Customer Index Combo order in VIX options. Market-Maker transaction fees in VIX transactions where VIX Premium is ≥ \$1.00 will be reduced from \$0.23 per contract to \$0.05 per contract if the Market-Maker order is executed by the Market-Maker in open outcry against a complex order that has 3 or more legs and the total executed order quantity of the contra order is greater than or equal to 5,000 contracts. Solicited orders where the Market-Maker is represented by a Floor Broker are not eligible for the reduced fee. Supporting documentation must be submitted to the Exchange within 3 business days of the transaction in order to receive the foregoing fee waiver or reduced fee on qualifying orders for which (i) a post-trade edit to an order executed in open outcry was made that changed the symbol, price, size, and/or floor trader acronym on any leg of the transaction; and/or (ii) the original order contained more than the maximum number of legs supported by the Cboe System and was consequently submitted as multiple orders, where the applicable child order by itself does not meet the qualifications for the fee waiver or reduced fee.</p> <p>*****</p>
