## Rule 11.13. Order Execution and Routing

Subject to the restrictions under these Exchange Rules or the Act and the rules and regulations thereunder, orders shall be matched for execution and routed in accordance with this Rule 11.13.

(a) No change.

(b) *Routing to Away Trading Centers.* Depending on the instructions set by the User when the incoming order was originally entered, if a market or marketable limit order has not been executed in its entirety pursuant to paragraph (a) above, the order shall be eligible for additional processing under one or more of the routing options listed under paragraph (b)(3) below.

(1) – (5) No change.

(6) *Fractional Penny Executions on Away Trading Centers.* The Exchange currently accepts and ranks orders priced below \$1.00 in \$0.0001 increments, in accordance with Rule 11.11(a)(2). In order to process executions which occur in fractional pennies (i.e., \$0.00001 and finer) on away Trading Centers, the Exchange's routing broker will perform an adjustment to each fractional penny execution. For all buy executions received from an away Trading Center in fractional pennies, the routing broker will round down to the nearest \$0.0001. For all sell executions received from an away Trading Center in fractional pennies, the routing broker will round up to the nearest \$0.0001. For any buy execution received from an away Trading Center where rounding down would result in a price of \$0.0000, the routing broker will instead round up to the minimum price of \$0.0001.
