

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-102776; File No. SR-CboeBZX-2025-050]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing of a Proposed Rule Change to Amend the Franklin Bitcoin ETF, the Franklin Ethereum ETF, and the Franklin Crypto Index ETF, to Allow for In-Kind Creations and Redemptions

April 7, 2025.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 2, 2025, Cboe BZX Exchange, Inc. (“Exchange” or “BZX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

[sic] amend the Franklin Bitcoin ETF (the “Bitcoin Fund”), the Franklin Ethereum ETF (the “Eth Fund”), and the Franklin Crypto Index ETF (the “Crypto Index Fund” and, collectively with the Bitcoin Fund and the Eth Fund, the “Funds”),³ shares of which have been approved by the Commission to list and trade on the Exchange pursuant to BZX Rule 14.11(e)(4), to permit in-kind creations and redemptions.

² 17 CFR 240.19b-4.

³ The Bitcoin Fund is a series of the Franklin Templeton Digital Holdings Trust (the “Bitcoin Trust”), the Eth Fund is a series of the Franklin Ethereum Trust (the “Eth Trust”), and the Crypto Index Fund is a series of the Franklin Crypto Trust (the “Crypto Trust”).

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/equities/regulation/rule_filings/bzx/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Commission approved the listing and trading of shares (the "Bitcoin ETP Shares") of the Bitcoin Fund on the Exchange pursuant to Exchange Rule 14.11(e)(4), Commodity-Based Trust Shares, on January 10, 2024.⁴ The Commission approved the listing and trading of shares (the "Eth ETP Shares") of the Eth Fund on the Exchange pursuant to Exchange Rule 14.11(e)(4), Commodity-Based Trust Shares, on May 23, 2024.⁵ The Commission also approved the listing and

Bitcoin Fund

The Exchange proposes to amend several portions of the Bitcoin ETP Amendment No. 1, as amended, in order to permit in-kind creation and redemptions.

Representations

The Bitcoin ETP Amendment No. 1 included specific representations making clear that the Bitcoin Fund would only process creations and redemptions in cash. Specifically, the “Franklin Templeton Digital Holdings Trust” section of Bitcoin ETP Amendment No. 1 stated:

When the Fund sells or redeems its Shares, it will do so in cash transactions in large blocks of 50,000 Shares (a “Creation Basket”) at the Fund’s NAV. In such cases, a third party that is unaffiliated with the Fund and the Sponsor will use cash to buy and deliver bitcoin to create Shares or withdraw and sell bitcoin for cash to redeem Shares, on behalf of the Fund. Authorized participants will deliver, or facilitate the delivery of, cash to the Fund’s account with the Cash Custodian in exchange for Shares when they purchase Shares, and the Fund, through the Cash Custodian, will deliver cash to such authorized participants when they redeem Shares. Authorized participants may then offer Shares to the public at prices that depend on various factors, including the supply and demand for Shares, the value of the Fund’s assets, and market conditions at the time of a transaction. Shareholders who buy or sell Shares during the day from their broker may do so at a premium or discount relative to the NAV of the Shares of the Fund.⁷

The Exchange proposes to replace the above paragraph as follows:

When the Fund sells or redeems its Shares, it will do so in large blocks of 50,000 Shares (a “Creation Basket”) based on the quantity of bitcoin attributable to each Share (net of the

accrued but unpaid Sponsor's fee and any accrued but unpaid expenses or liabilities). Creation Baskets are issued and redeemed in exchange for bitcoin or cash. For cash creations, authorized participants will deliver, or facilitate the delivery of, cash to the Fund's account with the Cash Custodian in exchange for Shares. Upon receipt of an approved cash creation order, the Sponsor, on behalf of the Fund, will submit to one or more previously onboarded trading partners an order to buy the amount of bitcoin represented by a Creation Basket.⁸ For in-kind creations, authorized participants or their designee will deliver, or facilitate the delivery of, bitcoin to the Fund's account with the bitcoin Custodian in exchange for Shares.⁹ Authorized participants may then offer Shares to the public at prices that depend on various factors, including the supply and demand for Shares, the value of the Fund's assets, and market conditions at the time of a transaction. Shareholders who buy or sell Shares during the day from their broker may do so at a premium or discount relative to the net asset value ("NAV") per Share of the Fund.

Creation and Redemption of Shares

Additionally, the "Creation and Redemption of Shares" section of the filing, as amended, includes a detailed description of how the cash-only creation and redemption process works.¹⁰ The Exchange proposes to replace this section as follows:

⁸ For cash redemptions, the process will occur in the reverse order. Upon receipt of an approved cash redemption order, the Sponsor, on behalf of the Fund, will submit an order to sell the amount of bitcoin represented by a Creation Basket and the cash proceeds will be remitted to the authorized participant when the large block of Shares is received by the Transfer Agent.

⁹ For in-kind redemptions, the process will occur in the reverse order. Upon receipt of an approved in-kind redemption order, the Sponsor, on behalf of the Fund, will transfer the amount of bitcoin represented by a Creation Basket to the authorized participant or its designee when the large block of Shares is received by the Transfer Agent.

¹⁰ See Bitcoin ETP Amendment No. 1 at 2382-2383.

Creation and Redemption of Shares

When the Fund sells or redeems its Shares, it will do so in Creation Baskets that are based on the quantity of bitcoin attributable to each Share (net of the accrued but unpaid Sponsor's fee and any accrued but unpaid expenses or liabilities). Creation Baskets are issued and redeemed in exchange for bitcoin or cash. According to the Registration Statement, on any business day, an authorized participant may place an order to create one or more Creation Baskets. Purchase orders for cash transaction Creation Baskets must be placed by 2:00 p.m. ET (or such other time as disclosed in the Prospectus), or the close of regular trading on the Exchange, whichever is earlier. Purchase orders for in-kind transaction Creation Baskets must be placed by 4:00 p.m. ET (or such other time as disclosed in the Prospectus), or the close of regular trading on the Exchange, whichever is earlier. The day on which an order is properly received is considered the purchase order date.

For cash creations, authorized participants will deliver, or facilitate the delivery of, cash to the Fund's account with the Cash Custodian in exchange for Shares. Upon receipt of an approved cash creation order, the Sponsor, on behalf of the Fund, will submit to one or more previously onboarded trading partners an order to buy the amount of bitcoin represented by a Creation Basket. For in-kind creations, authorized participants or their designee will deliver, or facilitate the delivery of, bitcoin to the Fund's account with the bitcoin Custodian in exchange for Shares.

For a cash creation order, the total deposit of cash required is based on the combined NAV of the number of Shares included in the Creation Baskets being created determined as of 4:00 p.m. ET on the purchase order date, in an amount sufficient to purchase the

requisite amount of bitcoin (as described below). For a creation order in-kind, the total in-kind transfer of bitcoin is based on the quantity of bitcoin attributable to the Creation Baskets being created determined as of 4:00 p.m. ET on the purchase order date. The Administrator determines the quantity of bitcoin associated with a Creation Basket for a given day by dividing the number of bitcoin held by the Fund as of the opening of business on that business day, adjusted for the amount of bitcoin constituting estimated accrued but unpaid fees and expenses of the Fund as of the opening of business on that business day, by the quotient of the number of Shares outstanding at the opening of business divided by the number of Shares in a Creation Basket.

The procedures by which an authorized participant can redeem one or more Creation Baskets mirror the procedures for the creation of Creation Baskets. For a cash creation order, an authorized participant will deliver, or facilitate the delivery of, cash to create Shares. For an in-kind creation order, an authorized participant or its designee will deliver, or facilitate the delivery of, bitcoin to create Shares. For a cash redemption order, an authorized participant will deliver Shares to the Fund and will receive cash for the Shares delivered. For an in-kind redemption order, an authorized participant will deliver Shares to the Fund and the authorized participant or its designee will receive bitcoin for the Shares delivered.

The Sponsor (including its delegates) will maintain ownership and control of the Fund's bitcoin in a manner consistent with good delivery requirements for spot commodity transactions.

Eth Fund

Similarly, the Exchange proposes to amend several portions of the Eth ETP Amendment No. 1 in order to permit in-kind creations and redemptions.

Representations

The Eth ETP Amendment No. 1 included specific representations making clear that the Eth Fund would only process creations and redemptions in cash. Specifically, the “Franklin Ethereum ETF” section of the Eth ETP Amendment No. 1 stated:

When the Fund sells or redeems its Shares, it will do so in cash transactions in large blocks of 50,000 Shares (a “Creation Basket”) at the Fund’s net asset value (“NAV”). For creations, authorized participants will deliver, or facilitate the delivery of, cash to the Fund’s account with the Cash Custodian in exchange for Shares. Upon receipt of an approved creation order, the Sponsor, on behalf of the Fund, will submit an order to buy the amount of ether represented by a Creation Basket. Based off ether executions, the Cash Custodian will request the required cash from the authorized participant. Following receipt by the Cash Custodian of the cash from an authorized participant, the Sponsor, on behalf of the Fund, will approve an order with one or more previously onboarded trading partners to purchase the amount of ether represented by the Creation Basket.¹¹ Authorized participants may then offer Shares to the public at prices that depend on various factors, including the supply and demand for Shares, the value of the Fund’s assets, and market conditions at the time of a

¹¹ For redemptions, the process will occur in the reverse order. Upon receipt of an approved redemption order, the Sponsor, on behalf of the Fund, will submit an order to sell the amount of ether represented by a Creation Basket and the cash proceeds will be remitted to the authorized participant when the large block of Shares is received by the Transfer Agent.

transaction. Shareholders who buy or sell Shares during the day from their broker may do so at a premium or discount relative to the NAV of the Shares of the Fund.¹²

The Exchange proposes to replace the above with the following:

When the Fund sells or redeems its Shares, it will do so in large blocks of 50,000 Shares (a “Creation Basket”) based on the quantity of ETH attributable to each Share (net of the accrued but unpaid Sponsor’s fee and any accrued but unpaid expenses or liabilities).

Creation Baskets are issued and redeemed in exchange for ETH or cash. For cash creations, authorized participants will deliver, or facilitate the delivery of, cash to the Fund’s account with the Cash Custodian in exchange for Shares. Upon receipt of an approved cash creation order, the Sponsor, on behalf of the Fund, will submit to one or more previously onboarded trading partners an order to buy the amount of ETH represented by a Creation Basket.¹³ For in-kind creations, authorized participants or their designee will deliver, or facilitate the delivery of, ETH to the Fund’s account with the Custodian in exchange for Shares.¹⁴

Authorized participants may then offer Shares to the public at prices that depend on various factors, including the supply and demand for Shares, the value of the Fund’s assets, and market conditions at the time of a transaction. Shareholders who buy or sell Shares during the day from their broker may do so at a premium or discount relative to the net asset value (“NAV”) per Share of the Fund.

¹² See Eth ETP Amendment No. 1 at 46505.

¹³ For cash redemptions, the process will occur in the reverse order. Upon receipt of an approved cash redemption order, the Sponsor, on behalf of the Fund, will submit an order to sell the amount of ETH represented by a Creation Basket and the cash proceeds will be remitted to the authorized participant when the large block of Shares is received by the Transfer Agent.

¹⁴ For in-kind redemptions, the process will occur in the reverse order. Upon receipt of an approved in-kind redemption order, the Sponsor, on behalf of the Fund, will transfer the amount of ETH represented by a Creation Basket to the authorized participant or its designee when the large block of Shares is received by the Transfer Agent.

Creation and Redemption of Shares

Additionally, the “Creation and Redemption of Shares” section of the filing includes a detailed description of how the cash-only creation and redemption process works.¹⁵ The Exchange proposes to replace this section as follows:

Creation and Redemption of Shares

When the Fund sells or redeems its Shares, it will do so in Creation Baskets that are based on the quantity of ETH attributable to each Share (net of the accrued but unpaid Sponsor’s fee and any accrued but unpaid expenses or liabilities). Creation Baskets are issued and redeemed in exchange for ETH or cash. Purchase orders for in-kind transaction Creation Baskets must be placed by 4:00 p.m. ET (or such other time as disclosed in the Prospectus), or the close of regular trading on the Exchange, whichever is earlier. The day on which an order is properly received is considered the purchase order date.

For cash creations, authorized participants will deliver, or facilitate the delivery of, cash to the Fund’s account with the Cash Custodian in exchange for Shares. For in-kind creations, authorized participants or their

designee will deliver, or facilitate the delivery of, ETH to the Fund's account with the Custodian in exchange for Shares.

For a cash creation order, the total deposit of cash required is based on the combined NAV of the number of Shares included in the Creation Baskets being created determined as of 4:00 p.m. ET on the purchase order date, in an amount sufficient to purchase the requisite amount of ETH (as described below). The procedures by which an authorized participant can redeem one or more Creation Baskets mirror the procedures for the creation of Creation Baskets. For a cash creation order, an authorized participant will deliver, or facilitate the delivery of, cash to create Shares. For an in-kind creation order, an authorized participant or its designee will deliver, or facilitate the delivery of, ETH to create Shares. For a cash redemption order, an authorized participant will deliver Shares to the Fund and will receive cash for the Shares delivered. For an in-kind redemption order, an authorized participant will deliver Shares to the Fund and the authorized participant or its designee will receive ETH for the Shares delivered.

The Sponsor (including its delegates) will maintain ownership and control of the Fund's ETH in a manner consistent with good delivery requirements for spot commodity transactions.

Crypto Index Fund

The Exchange proposes to amend several portions of the Crypto Index ETP Amendment No. 1 in order to permit in-kind creations and redemptions.

Representations

The Crypto Index ETP Amendment No. 1 included specific representations making clear that the Crypto Index Fund would only process creations and redemptions in cash. Specifically, the "Franklin Crypto Index ETF" section of the Crypto Index ETP Amendment No. 1 stated:

When the Fund sells or redeems its Shares, it will do so in cash transactions in large blocks of 50,000 Shares (a "Creation Basket") at the Fund's NAV. For creations, authorized participants will deliver, or facilitate the delivery of, cash to the Fund's account with the Cash Custodian in exchange for Shares. the day from their broker may do so at a premium or discount relative to the NAV per Share of the Fund.¹⁷

The Exchange proposes to replace the above with the following:

When the Fund sells or redeems its Shares, it will do so in large blocks of 50,000 Shares (a “Creation Basket”) based on the quantity of bitcoin and ether attributable to each Share (net of the accrued but unpaid Sponsor’s fee and any accrued but unpaid expenses or liabilities). For cash creations, authorized participants will deliver, or facilitate the delivery of, cash to the Fund’s account with the Cash Custodian in exchange for Shares. Upon receipt of an approved cash creation order, the Sponsor, on behalf of the Fund, will submit to one or more previously onboarded trading partners an order to buy the amount of bitcoin and ether represented by a Creation Basket.¹⁸ For in-kind creations, authorized participants or their designee will deliver, or facilitate the delivery of, bitcoin and ether to the Fund’s account with the Custodian in exchange for Shares.¹⁹ Authorized participants may then offer Shares to the public at prices that depend on various factors, including the supply and demand for Shares, the value of the Fund’s assets, and market conditions at the time of a transaction. Shareholders who buy or sell Shares during the day from their broker may do so at a premium or discount relative to the net asset value (“NAV”) per Share of the Fund.

¹⁷ See Crypto Index ETP Amendment No. 1 at 105111.

¹⁸ For cash redemptions, the process will occur in the reverse order. Upon receipt of an approved cash redemption order, the Sponsor, on behalf of the Fund, will submit an order to sell the amount of bitcoin and ether represented by a Creation Basket and the cash proceeds will be remitted to the authorized participant when the large block of Shares is received by the Transfer Agent.

¹⁹ For in-kind redemptions, the process will occur in the reverse order. Upon receipt of an approved in-kind redemption order, the Sponsor, on behalf of the Fund, will transfer the amount of bitcoin and ether represented by a Creation Basket to the authorized participant or its designee when the large block of Shares is received by the Transfer Agent.

Creation and Redemption of Shares

Additionally, the “Creation and Redemption of Shares” section of the filing includes a detailed description of how the cash-only creation and redemption process works.²⁰ The Exchange proposes to replace this section as follows:

Creation and Redemption of Shares

When the Fund sells or redeems its Shares, it will do so in Creation Baskets that are based on the quantity of bitcoin and ether attributable to each Share (net of the accrued but unpaid Sponsor’s fee and any accrued but unpaid expenses or liabilities). Creation Baskets are issued and redeemed in exchange for (i) bitcoin and ether or (ii) cash.

According to the Registration Statement, on any business day, an authorized participant may place an order to create one or more Creation Baskets. Purchase orders for cash transaction Creation Baskets must be placed by 2:00 p.m. ET (or such other time as disclosed in the Prospectus), or the close of regular trading on the Exchange, whichever is earlier. Purchase orders for in-kind transaction Creation Baskets must be placed by 4:00 p.m. ET (or such other time as disclosed in the Prospectus), or the close of regular trading on the Exchange, whichever is earlier. The day on which an order is properly received is considered the purchase order date.

For cash creations, authorized participants will deliver, or facilitate the delivery of, cash to the Fund’s account with the Cash Custodian in exchange for Shares. Upon receipt of an approved cash creation order, the Sponsor, on behalf of the Fund, will submit to one or more previously onboarded trading partners an order to buy the amount of bitcoin and ether represented by a Creation Basket. For in-kind creations, authorized participants or

their designee will deliver, or facilitate the delivery of, bitcoin and ether to the Fund's account with the Custodian in exchange for Shares.

For a cash creation order, the total deposit of cash required is based on the combined NAV of the number of Shares included in the Creation Baskets being created determined as of 4:00 p.m. ET on the purchase order date, in an amount sufficient to purchase the requisite amount of bitcoin and ether (as described below). For a creation order in-kind, the total in-kind transfer of bitcoin and ether is based on the quantity of bitcoin and ether attributable to the Creation Baskets being created determined as of 4:00 p.m. ET on the purchase order date. The Administrator determines the quantity of bitcoin and ether associated with a Creation Basket for a given day by dividing the number of bitcoin and ether held by the Fund as of the opening of business on that business day, adjusted for the amount of bitcoin and ether constituting estimated accrued but unpaid fees and expenses of the Fund as of the opening of business on that business day, by the quotient of the number of Shares outstanding at the opening of business divided by the number of Shares in a Creation Basket.

The procedures by which an authorized participant can redeem one or more Creation Baskets mirror the procedures for the creation of Creation Baskets. For a cash creation order, an authorized participant will deliver, or facilitate the delivery of, cash to create Shares. For an in-kind creation order, an authorized participant or its designee will deliver, or facilitate the delivery of, bitcoin and ether to create Shares. For a cash redemption order, an authorized participant will deliver Shares to the Fund and will receive cash for the Shares delivered. For an in-kind redemption order, an authorized

participant will deliver Shares to the Fund and the authorized participant or its designee will receive bitcoin and ether for the Shares delivered.

The Sponsor (including its delegates) will maintain ownership and control of the Fund's bitcoin and ether in a manner consistent with good delivery requirements for spot commodity transactions.

Conclusion

Except for the above changes, all other representations in the Bitcoin ETP Amendment No. 1, as amended, the Eth ETP Amendment No. 1, and the Crypto Index ETP Amendment No. 1 remain unchanged and will continue to constitute continuing listing requirements. In addition, the Bitcoin Fund will continue to comply with the terms of Bitcoin ETP Amendment No. 1, as amended, the Eth Fund will continue to comply with the terms of Eth ETP Amendment No. 1, and the Crypto Index Fund will continue to comply with the terms of the Crypto Index ETP Amendment No.1 and the Funds will continue to comply with the requirements of Rule 14.11(e)(4).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.²¹ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)²² requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing,

²¹ 15 U.S.C. 78f(b).

²² 15 U.S.C. 78f(b)(5).

settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes the proposed rule change is designed to remove impediments to and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest because it would update representations in the Bitcoin ETP Amendment No. 1, as amended, the Eth ETP Amendment No. 1, and the Crypto Index ETP Amendment No. 1 such that the Funds would be able to engage in in-kind creation and redemptions with authorized participants or their designees, as described above. This ability would make the Funds (and the market more generally) operate more efficiently because authorized participants would be able to source bitcoin and/or ether, as applicable, rather than to provide cash to the applicable Fund and to receive bitcoin and/or ether from the Funds. This means that the authorized participant would be responsible for buying and selling the applicable crypto asset(s) rather than the Fund itself, which would potentially lessen the impact on the market of the Funds on both sides of the transaction by allowing the authorized participant to decide how and where to source the underlying crypto asset for creations and deciding how, where, and whether to sell the underlying crypto asset received for redemptions. This would improve the creation and redemption process for both authorized participants and the Funds, increase efficiency, and ultimately benefit the end investors in the Funds.

Except for the addition of in-kind creation and redemption for the Bitcoin Fund as specifically set forth herein, all other representations made in the Bitcoin ETP Amendment No. 1, as amended, remain unchanged, and will continue to constitute continuing listing requirements for the Bitcoin Fund. Except for the addition of in-kind creation and redemption for the Eth Fund

as specifically set forth herein, all other representations made in the Eth ETP Amendment No. 1 remain unchanged and will continue to constitute continuing listing requirements for the Eth Fund. Similarly, except for the addition of in-kind creation and redemption for the Crypto Index Fund as specifically set forth herein, all other representations made in the Crypto Index ETP Amendment No. 1 remain unchanged and will continue to constitute continuing listing requirements for the Crypto Index Fund.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. As noted above, the proposed amendment is intended to allow the Funds to operate more efficiently by allowing for in-kind creation and redemption. The Exchange believes these changes will not impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the Federal Register or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

- A. by order approve or disapprove such proposed rule change, or
- B. institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments:

- Use the Commission's internet comment form (<https://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include file number SR-CboeBZX-2025-050 on the subject line.

Paper Comments:

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090.

All submissions should refer to file number SR-CboeBZX-2025-050. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<https://www.sec.gov/rules/sro.shtml>).

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office

of the Exchange. Do not include personal identifiable information in submissions; you should submit only information that you wish to make available publicly. We may redact in part or withhold entirely from publication submitted material that is obscene or subject to copyright protection. All submissions should refer to file number SR-CboeBZX-2025-050 and should be submitted on or before [INSERT DATE 21 DAYS AFTER DATE OF PUBLICATION IN THE *FEDERAL REGISTER*].

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²³

Sherry R. Haywood,

Assistant Secretary.
