the Commission extends the period within which it must act as provided in Section 19(b)(2)(ii) of the Exchange Act.⁶ Section 19(b)(2)(ii) of the Exchange Act allows the Commission to designate a longer period for review (up to 90 days from the publication of notice of the filing of a proposed rule change) if the Commission finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents.⁷

To provide the Commission with sufficient time to consider the Proposed Rule Change, the Commission finds that it is appropriate to designate a longer period within which to act on the Proposed Rule Change and therefore is extending this 45-day time period.
