(Release No. 34-73006; File No. SR-EDGA-2014-23)

September 5, 2014

Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to the EDGA Exchange, Inc. Fee Schedule

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on August 29, 2014, EDGA Exchange, Inc. (the “Exchange” or “EDGA”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its fees and rebates applicable to Members<sup>3</sup> of the Exchange pursuant to EDGA Rule 15.1(a) and (c) (“Fee Schedule”) to increase the fee for orders yielding Flag D, which route or re-route orders to the New York Stock Exchange LLC (“NYSE”).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> The term “Member” is defined as “any registered broker or dealer, or any person associated with a registered broker or dealer, that has been admitted to membership in the Exchange. A Member will have the status of a “member” of the Exchange as that term is defined in Section 3(a)(3) of the Act.” See Exchange Rule 1.5(n).

The text of the proposed rule change is available on the Exchange's Internet website at [www.directedge.com](http://www.directedge.com), at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fee Schedule to increase the fee for orders yielding Flag D, which route or re-route to the NYSE. In securities priced at or above \$1.00, the Exchange currently charges a fee of \$0.0026 per share for Members' orders that yield Flag D, which route or re-route orders to the NYSE. The Exchange proposes to amend its Fee Schedule to increase the fee for orders that yield Flag D to \$0.0027 per share in securities priced at or above \$1.00.<sup>4</sup> The proposed change represents a pass through of the rate Direct Edge ECN LLC (d/b/a DE Route) ("DE Route"), the Exchange's affiliated routing broker-dealer, is charged for routing orders to the NYSE that remove liquidity when it does not qualify for a volume tiered reduced fee. The

proposed change is in response to the NYSE's September 2014 fee change where the NYSE increased its fee from \$0.0026 per share to \$0.0027 per share for orders in securities priced at or above \$1.00.<sup>5</sup> When DE Route routes to and removes liquidity on the NYSE, it will now be charged a standard rate of \$0.0027 per share.<sup>6</sup> DE Route will pass through this rate it is charged on the NYSE to the Exchange and the Exchange, in turn, will pass through this rate to its Members.

The Exchange proposes to implement these amendment to its Fee Schedule on September 2, 2014.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,<sup>7</sup> in general, and furthers the objectives of Section 6(b)(4),<sup>8</sup> in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange believes that its proposal to increase the fees for orders yielding Flag D represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities. Prior to the NYSE's September 2014 fee change, the NYSE charged DE Route a fee of \$0.0026 per share in securities priced at or above \$1.00, which DE Route passed through to the Exchange and the Exchange charged its Members. When DE Route routes to the NYSE, it will now be

<sup>6</sup> The Exchange notes that to the extent DE Route does or does not achieve any volume tiered reduced fee on the NYSE, its rate for Flag D will not change.

charged a standard rate of \$0.0027 per share. The Exchange does not levy additional fees or offer additional rebates for orders that it routes to the NYSE through DE Route.

Therefore, the Exchange believes that the proposed change to Flag D is equitable and reasonable because it accounts for the pricing changes on the NYSE, which enables the Exchange to charge its Members the applicable pass-through rate. Lastly, the Exchange notes that routing through DE Route is voluntary and believes that the proposed change is non-discriminatory because it applies uniformly to all Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes its proposed amendments to its Fee Schedule would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed change represents a significant departure from previous pricing offered by the Exchange or pricing offered by the Exchange's competitors. Additionally, Members may opt to disfavor EDGA's pricing if they believe that alternatives offer them better value. Accordingly, the Exchange does not believe that the proposed change will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets.

In particular, the Exchange believes that its proposal to pass through the amended fee for orders that yield Flag D would increase intermarket competition because it offers customers an alternative means to route to the NYSE for the same price that they would be charged if they entered orders on those trading centers directly. The Exchange believes that its proposal would not burden intramarket competition because the proposed rate would apply uniformly to all Members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(2)<sup>10</sup> thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
