2360. Options

(a) No Change.

(b) Requirements

(1) through (22) No Change.

(23) Tendering Procedures for Exercise of Options

(A) Exercise of Options Contracts

(i) No Change.

[(ii) Final exercise decisions of options holders to either exercise or not to exercise an expiring standardized equity option must be indicated to an options exchange that is a national securities exchange (national options exchange) that lists and trades the option, either directly to such national options exchange or via a member of such national options exchange if it is not a member of such exchange, by the respective member no later than 5:30 p.m. Eastern time (“ET”) on the business day immediately prior to the expiration date. For customer accounts, members may not accept exercise instructions after 5:30 p.m. ET but have until 6:30 p.m. ET to submit a Contrary Exercise Advice (as defined

below). For non-customer accounts, members may not accept exercise instructions after 5:30 p.m. ET but have until 6:30 p.m. ET to submit a Contrary Exercise Advice if such member employs an electronic submission procedure with time stamp for the submission of exercise instructions by option holders. Members are required to submit a Contrary Exercise Advice by 5:30 p.m. ET for non-customer accounts if such members do not employ an electronic submission procedure with time stamp for the submission of exercise instructions by option holders. Each member shall establish fixed procedures to ensure secure time stamps in connection with their electronic systems employed for the recording of submissions to exercise or not exercise expiring options. For purposes of this Rule 2360(b)(23)(A), the terms “customer account” and non-customer account” shall have the meanings as defined in The Options Clearing Corporation By-laws.]

[(iii)](ii) Special procedures apply to the exercise of standardized equity options on the last business day before their expiration (“expiring options”). Unless waived by The Options Clearing Corporation, expiring standardized equity options are subject to the Exercise-by-Exception (“Ex-by-Ex”) procedure under The Options Clearing Corporation Rule 805. This Rule provides that, unless contrary instructions are given, standardized

equity option contracts that are in-the-money by specified amounts shall be automatically exercised. In addition to The Options Clearing Corporation rules, the following FINRA requirements apply with respect to expiring standardized equity options. Option holders desiring to exercise or not exercise expiring standardized equity options must either:

a. take no action and allow exercise determinations to be made in accordance with The Options Clearing Corporation's Ex-by-Ex procedure where applicable; or

b. submit a "Contrary Exercise Advice" by the deadline specified [in subparagraph (ii) above] below.

(iii) Exercise cut-off time. Option holders have until 5:30 p.m. Eastern Time ("ET") on the business day immediately prior to the expiration date to make a final exercise decision to exercise or not exercise an expiring option. Members may not accept exercise instructions for customer or non-customer accounts after 5:30 p.m. ET.

(iv) Submission of Contrary Exercise Advice. A Contrary Exercise Advice is a form approved by the national options exchanges, FINRA or The Options Clearing Corporation for use by a member to submit a final exercise decision committing an options holder to either: (1) not exercise an option position which would automatically be exercised pursuant to The Options

Clearing Corporation's Ex-by-Ex procedure; or (2) to exercise a standardized equity option position which would not automatically be exercised pursuant to The Options Clearing Corporation's Ex-by-Ex procedure. A Contrary Exercise Advice may be canceled by filing an "Advice Cancel" or resubmitted at any time up to the submission cut-off times specified herein [in subparagraph (ii) above]. For customer accounts, members have until 7:30 p.m. ET to submit a Contrary Exercise Advice. For non-customer accounts, members have until 7:30 p.m. ET to submit a Contrary Exercise Advice if such member employs an electronic submission procedure with time stamp for the submission of exercise instructions by option holders. Members are required to manually submit a Contrary Exercise Advice by 5:30 p.m. ET for non-customer accounts if such members do not employ an electronic submission procedure with time stamp for the submission of exercise instructions by option holders. Each member shall establish fixed procedures to ensure secure time stamps in connection with their electronic systems employed for the recording of submissions to exercise or not exercise expiring options. For purposes of this Rule 2360(b)(23)(A), the terms "customer account" and "non-customer account" shall have the meanings as defined in The Options Clearing Corporation By-

laws. Contrary Exercise Advices and/or Advice Cancels may be submitted by any member to:

[1]a. a place designated for that purpose by any national options exchange of which it is a member and where the standardized equity option is listed;

[2]b. a place designated for that purpose by any national options exchange that lists and trades the standardized equity option via a member of such exchange if the member is not a member of such exchange;

[3]c. any national options exchange of which it is a member and where the standardized equity option is listed via The Options Clearing Corporation in a form prescribed by The Options Clearing Corporation; or

[4]d. any national options exchange where the standardized equity option is listed via The Options Clearing Corporation in a form prescribed by The Options Clearing Corporation, provided the member is a member of The Options Clearing Corporation.

[(iv)](v) In those instances when The Options Clearing Corporation has waived the Ex-by-Ex procedure for an options class, members must either:

a. submit to any of the places listed in subparagraphs [(iii)b.1. through 4.] (iv)a. through d. above,

a Contrary Exercise Advice, within the time limits specified in subparagraph [(ii)](iv) above if the holder intends to exercise the standardized equity option, or

b. take no action and allow the standardized equity option to expire without being exercised.

The applicable underlying security price in such instances will be as described in The Options Clearing Corporation Rule 805(1), which is normally the last sale price in the primary market for the underlying security. In cases where the Ex-by-Ex procedure has been waived for an options class, The Options Clearing Corporation rules require that members wanting to exercise such options must submit an affirmative Exercise Notice to The Options Clearing Corporation, whether or not a Contrary Exercise Advice has been filed.

[(v)](vi) Members that maintain proprietary or public customer positions in expiring standardized equity options shall take necessary steps to ensure that final exercise decisions are properly indicated to the relevant national options exchange with respect to such positions. Members that have accepted the responsibility to indicate final exercise decisions on behalf of another member also shall take necessary steps to ensure that such decisions are properly indicated to the relevant national options exchange. Members may establish a processing cut-off time prior

to FINRA's exercise cut-off time at which they will no longer accept final exercise decisions in expiring standardized equity options from customers.

[(vi)](vii) Members may effect or amend exercise decisions for standardized equity options after the exercise cut-off time (but prior to expiration) under the following circumstances:

- a. in order to remedy mistakes or errors made in good faith;
- b. to take appropriate action as the result of a failure to reconcile unmatched option transactions; or
- c. where extraordinary circumstances restricted a customer's or member's ability to inform the respective member of such decisions (or a member's ability to receive such decisions) by the cut-off time.

The burden of establishing an exception for a proprietary or customer account of a member rests solely on the member seeking to rely on such exception.

[(vii)](viii) In the event a national options exchange or The Options Clearing Corporation provides advance notice on or before 5:30 p.m. ET on the business day immediately prior to the last business day before the expiration date indicating that a modified time for the close of trading in standardized equity options on such last business day before expiration will occur, then the deadline for

an option holder to make a final decision to exercise or not exercise an expiring option shall be 1 hour [28] 30 minutes following the time announced for the close of trading on that day instead of the 5:30 p.m. ET deadline found in subparagraph [(ii)](iii) above. However, members have until 7:30 p.m. ET to [may] deliver a Contrary Exercise Advice or Advice Cancel to the places specified in subparagraphs [(iii)b.1. through 4.] (iv)a. through d. above [within 2 hours 28 minutes following the time announced for the close of trading in standardized equity options on that day instead of the 6:30 p.m. ET deadline found in subparagraph (ii) above] for customer accounts and non-customer accounts where such member firm employs an electronic submission procedure with time stamp for the submission of exercise instructions. For non-customer accounts, members that do not employ an electronic procedure with time stamp for the submission of exercise instructions are required to manually deliver a Contrary Exercise Advice or Advice Cancel within 1 hour and [28] 30 minutes following the time announced for the close of trading on that day instead of the 5:30 p.m. ET deadline found in paragraph [(ii)] (iv) above.

[(viii)](ix) The filing of a final exercise decision, exercise instruction, exercise advice, Contrary Exercise Advice or Advice Cancel required by subparagraph (A) hereof does not serve as a

substitute to the effective notice required to be submitted to The Options Clearing Corporation for the exercise or non-exercise of expiring standardized equity options.

~~[(ix)]~~(x) Submitting or preparing an exercise instruction after the exercise cut-off time in any expiring standardized equity option on the basis of material information released after the exercise cut-off time is activity inconsistent with just and equitable principles of trade.

~~[(x)]~~(xi) The exercise cut-off requirements contained in this subparagraph (A) do not apply to any currency option or standardized index option products listed on a national options exchange.
