

26D. Standard Emerging Market Sovereign (“SES”) Single Name.

The rules in this Subchapter 26D apply to the clearance of SES Contracts.

26D-102. Definitions.

Eligible SES Reference Entities

Each particular Reference Entity included in the List of Eligible SES Reference Entities as determined by ICE Clear Credit to be eligible (specifically, the Federative Republic of Brazil, the United Mexican States, the Bolivarian Republic of Venezuela, the Argentine Republic, the Republic of Turkey, the Russian Federation, Hungary, the Republic of South Africa, the Republic of Chile, the Republic of Peru, the Republic of Colombia, the Republic of Poland, the Republic of Panama, Abu Dhabi, Dubai, the State of Israel, the State of Qatar, the Kingdom of Saudi Arabia, the Republic of Kazakhstan, the Lebanese Republic, the Republic of Croatia, Ukraine, Arab Republic of Egypt, Kingdom of Bahrain, Sultanate of Oman, Socialist Republic of Vietnam, Romania, ~~and~~ the Dominican Republic, the Kingdom of Morocco and the Federal Republic of Nigeria). For the avoidance of doubt, if there are multiple Reference Entity Database codes (as published by Markit Group Limited or any successor thereto, such codes “**RED Codes**”) for a particular Reference Entity listed in the List of Eligible SES Reference Entities, each such RED Code shall be treated as a separate Eligible SES Reference Entity.

Eligible SES Reference Obligations

With respect to any SES Contract Reference Obligation for any Eligible SES Reference Entity, the Reference Obligations determined by ICE Clear Credit to be eligible and listed under the heading “Eligible Reference Obligations” for such SES Contract Reference Obligation and Eligible SES Reference Entity in the List of Eligible SES Reference Entities. In the case of a 2014-Type CDS Contract where “Standard Reference Obligation” is applicable to the SES Reference Entity and ICE Clear Credit has implemented the Standard Reference Obligation, the Standard Reference Obligation shall be an Eligible SES Reference Obligation.

List of Eligible SES Reference Entities

The list of Eligible SES Reference Entities, maintained, updated and published by the Board or its designee on the ICE Clear Credit website, specifying the following information (and the permissible combinations thereof, which may distinguish, where applicable, between 2003-Type CDS Contracts and 2014-Type CDS Contracts) with respect to each Eligible SES Reference Entity:

- (a) the name of such Eligible SES Reference Entity and the RED Code(s) for such Eligible SES Reference Entity;

- (b) each Relevant Physical Settlement Matrix and relevant Transaction Type;
- (c) each SES Contract Reference Obligation and each Eligible SES Reference Obligation for each such SES Contract Reference Obligation;
- (d) each eligible “Scheduled Termination Date”; and
- (e) the Sector “Government” (as published by Markit Group Limited or any successor thereto).
- (f) the eligible Applicable Credit Derivatives Definitions for such Contract.
- (g) in the case of a 2014-Type CDS Contract, the eligible Seniority Levels.
- (h) in the case of a 2014-Type CDS Contract, whether “Standard Reference Obligation” is applicable.

Permitted SES Fixed Rates

The Fixed Rates permitted for a SES Contract, as determined from time to time by the Board or its designee and notified to CDS Participants.

Relevant Physical Settlement Matrix

With respect to a SES Contract, the “Credit Derivatives Physical Settlement Matrix” applicable to such SES Contract, as specified in the combination of characteristics listed as eligible for the relevant Eligible SES Reference Entity in, and permitted by, the List of Eligible SES Reference Entities.

SES Contract

A credit default swap in respect of any Eligible SES Reference Entity having a combination of characteristics listed as eligible for such Eligible SES Reference Entity in, and permitted by, the List of Eligible SES Reference Entities. A SES Contract is a CDS Contract for purposes of Chapter 20.

SES Contract Reference Obligations

With respect to any Eligible SES Reference Entity, the Reference Obligation(s) listed under the heading “SES Contract Reference Obligations” for such Eligible SES Reference Entity in the List of Eligible SES Reference Entities (which, for the avoidance of doubt, may indicate “No Reference Obligation”, indicating that no obligation is specified as a Reference Obligation). In the case of a 2014-Type CDS Contract where “Standard Reference Obligation” is applicable to the SES Reference Entity and ICE Clear Credit has implemented the Standard Reference

Obligation, the SES Contract Reference Obligation shall thereafter be such Standard Reference Obligation, subject to Section 2.9 of the 2014 Definitions.

SES Rules

The rules set forth in Chapters 1 through 8, 20 through 22, inclusive, and the CDS Restructuring Rules, as modified by the provisions of this Subchapter 26D.

26D-203. Restriction on Activity.

- (a) In addition to the other rights granted to ICE Clear Credit in Rule 203, in the event a CDS Participant (or a Non-Participant Party for whom such CDS Participant is acting) is subject to an event or agreement described in Rule 26D-206 or in the event such CDS Participant submits a Trade of the type described in Rule 26D-309(c) that is not a Conforming Trade and such Trade is cleared pursuant to these Rules (in each case, an “**SR CDS Participant**”), ICE Clear Credit may conduct an auction process to replace all of the SR CDS Participant’s Open CDS Positions in the affected CDS Contracts (including, if applicable, those on behalf of any such Non-Participant Party) (each auction in such process, an “**SR Auction**”). ICE Clear Credit shall have the authority to determine the timing and other particular characteristics of each SR Auction in consultation with the CDS Default Committee, including determining the size of the bid/offer spread and/or of the CDS Contracts to be auctioned, whether one or more SR Auctions are to be held and the timing and structure of such auctions and whether CDS Participants other than the SR CDS Participant will be required to submit actionable quotations in an SR Auction.
- (b) ICE Clear Credit shall enter into Trades in one or more CDS Contracts with the CDS Participant(s) and in the amount determined pursuant to the SR Auction, at which time the corresponding Open CDS Positions of the SR CDS Participant shall be reduced or terminated, as applicable. The SR CDS Participant and the other CDS Participants shall be obligated to submit to Deriv/SERV or another service specified by ICE Clear Credit the terms of such reduction, termination or Trade, as applicable. Amounts owed by the SR CDS Participant to (or receivable by the SR CDS Participant from) ICE Clear Credit in connection with any such reduction or termination shall be determined by ICE Clear Credit using the prices determined pursuant to the SR Auctions. In addition, any Initial Payments, Margin, or other payments or deliveries owed (including the dates of settlement with respect thereto) relating to the Open CDS Positions increased, created, reduced or terminated pursuant to this Rule 26D-203(b) shall be as determined by ICE Clear Credit with reference to the SR Auction and, notwithstanding Rules 301 or 303, Initial Payments may be owed in respect to CDS Contracts entered into by ICE Clear Credit pursuant to an SR Auction.

26D-206. Notices Required of Participants with respect to SES Contracts.

In addition to the notice requirements contained in Rule 206, a CDS Participant shall provide notice to ICE Clear Credit in the event that such CDS Participant (or a Non-Participant Party for whom such CDS Participant is acting) or an Eligible SES Reference Entity consolidates or amalgamates with, or merges into, or transfers all or substantially all of its assets to, the Eligible SES Reference Entity or such CDS Participant (or Non-Participant Party for whom such CDS Participant is acting), as applicable, or such CDS Participant (or Non-Participant Party for whom such CDS Participant is acting) and an Eligible SES Reference Entity are the same entity or are or become Affiliates, or, subject to any restrictions on such disclosure imposed by law or regulation, such CDS Participant (or Non-Participant Party for whom such CDS Participant is acting) is subject to an agreement pursuant to which any of the foregoing is reasonably likely to occur.

26D-303. SES Contract Adjustments.

In addition to the adjustments described in Rule 303, upon clearance of a Trade otherwise equivalent to a SES Contract but that:

- (a) specifies an Eligible SES Reference Obligation as the “Reference Obligation”, such Trade shall become an Open CDS Position in the SES Contract with the SES Contract Reference Obligation specified for such Eligible SES Reference Obligation in the List of Eligible SES Reference Entities;
- (b) an Event Determination Date has occurred with respect to a Restructuring, such Trade shall become an Open CDS Position in the SES Contract for which no such Event Determination Date has occurred; and/or
- (c) specifies a Transaction Type other than Standard Latin America Sovereign or Standard Emerging European and Middle Eastern Sovereign, such Trade shall become an Open CDS Position in the SES Contract otherwise equivalent to such Trade but specifying Standard Latin America Sovereign or Standard Emerging European and Middle Eastern Sovereign as the Transaction Type.

26D-309. Acceptance of SES Contracts by ICE Clear Credit.

- (a) In addition to the acceptance process described in Rule 309, ICE Clear Credit's notice to the relevant CDS Participants that it has accepted a Trade submitted for clearance shall include any adjustment that will be made by ICE Clear Credit pursuant to Rule 26D-303. Such CDS Participants' resubmission of the terms of such Trade, as provided in Rule 309, shall include the adjustments described by ICE Clear Credit in such notice.
- (b) A CDS Participant shall make all reasonable efforts to not submit a Trade for clearance as a SES Contract, and any such Trade shall not be a Conforming Trade, if the Novation Time would be:

- (i) at a time when the Fallback Settlement Method is applicable to such SES Contract;
- (ii) at or after the close of business on the calendar day following the Auction Final Price Determination Date for such SES Contract; or
- (iii) on or after the calendar day following the day on which the Final List (as defined in the DC Rules) is published for a Restructuring CDS Contract and at or before the close of business on the calendar day following the CDS Regional Business Day following the latest possible Exercise Cut-off Date for the related Relevant Restructuring Credit Event under such Restructuring CDS Contract;

(such time with respect to any SES Contract, the “**Clearance Cut-off Time**”); *provided* that ICE Clear Credit may, by written notice to all CDS Participants following consultation with the Risk Committee, designate a time other than the time determined pursuant to clauses (i) through (iii) above as the Clearance Cut-off Time with respect to any SES Contract.

- (c) A CDS Participant may not submit a Trade for clearance as a SES Contract, and any such Trade shall not be a Conforming Trade, if the time of submission of the Trade or acceptance or the Novation Time would be at a time when the CDS Participant (or any Non-Participant Party for whom such CDS Participant is acting) is, or is an Affiliate of, the Eligible SES Reference Entity for such SES Contract or is subject to an agreement under which it is reasonably likely that the CDS Participant (or any such Non-Participant Party) will become, or will become an Affiliate of, the Eligible SES Reference Entity for such SES Contract. ICE Clear Credit will not accept a Trade for clearance and settlement if at the time of submission or acceptance of the Trade or at the time of novation the Participant submitting the Trade is domiciled in the country of the Eligible SES Reference Entity for such SES Contract.
- (d) A CDS Participant shall as soon as reasonably practicable notify ICE Clear Credit if any Trade it has submitted for clearance was not at the time of submission, or ceases to be prior to the Novation Time, a Conforming Trade.
- (e) If ICE Clear Credit determines that any Trade submitted for clearance would have been subject to a Succession Event (in the case of a 2003-Type CDS Contract) or circumstances giving rise to a Successor and a Succession Date (in the case of a 2014-Type CDS Contract) but will no longer be subject to such Succession Event or such circumstances, as the case may be, upon clearance because of the Trade Date that would be specified with respect to the related Open CDS Position, ICE Clear Credit shall take such action as it deems necessary to ensure that such Succession Event is given effect or such circumstances are given effect, as the case may be, with respect to such Trade, including, without limitation, declining to

accept such Trade for clearance or specifying an alternate Trade Date for purposes of Section 2.1 of the Applicable Credit Derivatives Definitions with respect to the relevant portion of the related Open CDS Position.
