**MIAX Options Exchange Fee Schedule**

\*\*\*\*\*

**6) Market Data Fees**

**a) MIAX Top of Market (“ToM”) and Complex Top of Market (“cToM”)**

<b>Distributor Type</b>	<b>ToM Monthly Fee</b>	<b>cToM Monthly Fee</b>
Internal Distributor	[\$1,250.00] <u>\$2,000.00</u>	[\$0.00] <u>2,000.00</u>
External Distributor	[\$1,750.00] <u>\$3,000.00</u>	[\$0.00] <u>3,000.00</u>

MIAX will assess Market Data Fees[ (as applicable)] to ToM and cToM on Internal and External Distributors in each month the Distributor is credentialed to use ToM or cToM in the production environment. A Distributor of MIAX data is any entity that receives a feed or file of data either directly from MIAX or indirectly through another entity and then distributes it either internally (within that entity) or externally (outside that entity). All Distributors are required to execute a MIAX Distributor Agreement. Market Data Fees for ToM and/or cToM, as applicable, will be reduced for new Distributors for the first month during which they subscribe to ToM and/or cToM, as applicable, based on the number of trading days that have been held during the month prior to the date on which they have been credentialed to use ToM and/or cToM, as applicable, in the production environment. Such new Distributors will be assessed a pro-rata percentage of the fees described above, which is the percentage of the number of trading days remaining in the affected calendar month as of the date on which they have been credentialed to use ToM and/or cToM in the production environment, divided by the total number of trading days in the affected calendar month.
