The text of the proposed rule change is set forth below. Proposed additions are underlined; proposed deletions are in brackets.¹

4758. Order Routing

(a) Order Routing Process

(1) The Order Routing Process shall be available to Participants from 7:00 a.m. until 8:00 p.m. Eastern Time, and shall route orders as described below. All routing of orders shall comply with Rule 611 of Regulation NMS under the Exchange Act.

(A) The System provides a variety of routing options. Routing options may be combined with all available order types and times-in-force, with the exception of order types and times-in-force whose terms are inconsistent with the terms of a particular routing option. The System will consider the quotations only of accessible markets. The term "System routing table" refers to the proprietary process for determining the specific trading venues to which the System routes orders and the order in which it routes them. Nasdaq reserves the right to maintain a different System routing table for different routing options and to modify the System routing table at any time without notice. The System routing options are:

(i) – (x) No change.

(xi) CART is a routing option under which orders route to the NASDAQ OMX BX Equities Market and NASDAQ OMX PSX and then check the System. If shares remain un-executed, they are posted to the book or cancelled. Once on the book, should the order subsequently be locked or crossed by another market center, the System will not route the order to the locking or crossing market center.

Orders that do not check the System for available shares prior to routing may not be sent to a facility of an exchange that is an affiliate of Nasdaq, except for orders that are sent to the NASDAQ OMX BX Equities Market or to the NASDAQ OMX PSX facility of NASDAQ OMX PHLX.

(B) No change.

(b) No change.

¹ The text of Rules 4758 and 7018 reflects the text of the rules available at <http://nasdaq.cchwallstreet.com/>, as amended by SR-NASDAQ-2011-023 (February 4, 2011). SR-NASDAQ-2011-023 was filed on an immediately effective basis, but the Commission has not yet issued a notice of such proposed rule change.
